Well ... Happy New Year, One and All! It seems the gathering of Dec 21st, saying the I AM Mantra, went really well, as did the whole day, with many gathering in large groups to meditate, etc. The Schumann Resonance went bananas. Just goes to show! I thought I would be swinging from the rafters with excitement with all events that were to take place perhaps, over this two week break. Not so ... I know of not one thing that one thought may come about so, off we go again then ... another year ... and ... how do you see it panning out?

Welcome to you and Each One, Blossom. Indeed, the chanting was enchanting. The Energy Shifts for that date took place as required and a change in resonance shall remain. As the shift falls into place little by little, more shall be recognized as such, and differences shall become apparent.

In what way?

A Lighter hearted approach towards all things.

Very much needed!

A deeper understanding of the process.

Very much needed!

A more spirited enthusiasm as one 'clocks on' to the way things are heading.

Very much needed!

A triumphant display of Joy as Truth is at last released ... (in stages)

Very much needed!

A deeper perspective of self and knowledge.

Very much needed!

A wiser calmer approach to that which has been going on behind the scenes.

Very much needed!

A personal appearance.

Very much ... say what???? By whom? I don't know why I ask, as I know you cannot spill the beans.

Correct.

Blossom Goodchild

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

You know, don't you, that's going to drive people's minds wild with anticipation. It popped in there rather unexpectedly.

Yes ... we understand that. Shall we continue?

Oh! Far be it for me to hinder!

That which has been kept hidden from the masses has to come out. Your Planet cannot move forward into its Brighter Home without the clearing of the dark ways.

We know and understand that your patience has been taken to its limits.

And beyond ... and then beyond that!

Yet, when you see what revealing THE TRUTH involves in order for no sabotagery to be sent out to confuse and deter and dissuade, you will perhaps feel a little sheepish for feeling the way you have been. We do not mean this detrimentally. We simply mean, that as the year progresses, so much will make sense as to why the wait was necessary.

I hope so. I am happy to feel sheepish if this is the case. Because right now, if Truth be known, I have lost the will to even look for my smile! I am totally unenthusiastic ... in general. I can only be honest. It is not my way to 'pretend' for the sake of 'face'. We are fed so much hope ... only for it to be quashed. I wonder if anything, ever, will actually come about or are we just being led along by the proverbial dangling carrot ... time after time, after time. You did say some of us may feel 'down' after the 21st absorbing and transmuting the energies. Perhaps I am one of those folk. I know others too. Add full moon Energies to that and Bingo ... Full house!

Blossom ... THE CHANGES ARE ALREADY TAKING PLACE.

And I know you want to say 'You either know it, or you don't'.

Do you?

I guess so.

Guessing is not the answer ... do you KNOW 'THE CHANGE' is taking place?

Without doubt, something is happening. It would just be SOOOOOOOO uplifting to get a bite of the carrot. Something ... something ... something to munch on. About time you guys lent a hand, wouldn't you say? Because it sure looks like/feels like we need it.

Do you think we are not?

It's not about 'thinking', my friends ... it's about seeing some proof. Even, would I say, 'feeling' some proof. I imagine I am not the only one feeling this way, yet odds are, there are many who may find my words childish for they are 'On fire' and ready to go. To those, I ask ... 'Hold the fort for us, guys. We will catch up at some point'. I feel too, you want to say, 'Oh ye of little faith.'

Not in the way you feel we would say it, Blossom. Is your faith waning?

Faith in what, exactly?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THE DIVINE PLAN.

I have moments of yes and moments of no.

We can only encourage.

Please do, because I think we have heard just about everything you could possibly say to keep us going ... and so ... we keep going and we keep going ... and ... and ... nothing! I delayed speaking with you in the hope some big announcement may have occurred ... and ... and ... nothing! What happened to that little puppy?

It has been delayed due to misconduct.

By whom?

The dark ones, naturally.

So, you are saying it is still to come?

Indeed.

Ok. I'll keep my eye on the carrot! What about any updates of the Monoliths? It is said there are now 144 ... and clearly not all legit, as one was even made out of gingerbread!

As we have mentioned, Blossom ... we are not at all concerned of the phony ones. They do not interfere, yet, assist in ways of the TRUE ones mingling amongst them. These structures shall remain intact and settle in/down. They are working their magic even though they are not 'switched on' as such ... yet, of course, there is no 'switch'. When they become 'alive/activated', it will not happen due to any button being pressed. They will take their lead from the stars and the Universal pull into Higher dimensions.

Meaning what?

They are not of a structured inlay that your Earth scientists could understand. Therefore, they are safe and cannot be tampered with. They are far beyond Earthly pretexts. When they are all in place and the DIVINE TIME WINDOW occurs, they shall play their part.

Which is?

TO ASSIST IN THE LIFTING OF YOUR PLANET AND ITS ENTIRE CONTENTS INTO YOUR NEW PLACE.

They are our/your friends. They are, would we say ... THE ICING ON THE CAKE.

I feel you are wanting to talk about movies and their influence yet, don't know where to begin?

Correct. You see, Blossom ... there are many layers and this is where the confusion lies. For so long it was inconceivable that movies such as 'Star Wars' and 'Off Planet' adventures were an actual reality. Many now have changed their minds yet also, many still consider such happenings to be make-believe and therefore, ridicule those who feel otherwise.

Another plot to divide and conquer.

Yet, due to such technical wizardry ... is it not that you are able to visualize these monumental

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

structures of such precious material ... shooting Light out ... from/to ... one another ... connecting up with the skies and creating a huge portal ... a wormhole ... which changes everything from 'Where you are' to 'Who you are'?

Whoa! Hold the phone just one moment. Yes, I imagined exactly that as you were bringing it through. Yet, surely Shirley, you are not saying this is what is to take place?

Why not?

Why?

TO FOLLOW THE PATH OF YOUR DESTINIES ... OF EARTHS FUTURE ... TO TAKE PLACE.

Did I just swallow the last episode of Star Trek in my sleep or something? This is all new ... and I am imagining it won't be taking place within the next few days?

Correct. This seems so unlikely to you, does it not, Blossom?

My friends, an Announcement ... a Pillar of Light ... is seeming unlikely to me at this time! So this little bombshell definitely remains in the 'What a good movie' category.

Our point entirely! Such an 'Out there' concept ... that it MUST BE A MOVIE!

Where do these movie 'scripts' come from, Blossom? Imagination? Or downloads in preparation for 'what is'?

Yet, still leaves us believing this kind of thing only happens in movies.

The double-edged sword.

At this stage, I would say, 'A nice dream' ... not an impossible one though. For, Dear God, I have to say, the things I have discovered this year about our actual reality on this Planet breaks my heart in two. The deceit that we good guys have been 'living under' is almost incomprehensible, and yet, there is a KNOWING OF ITS TRUTH. WE DESERVE BETTER! LIVING AS SLAVES TO THE DARKNESS IS NO LONGER PERMISSABLE!

AND THIS, DEAREST BLOSSOM, IS WHY YOU ALL KNOW DEEP DOWN, THAT THE TRUTH MUST COME OUT AND THAT THE LIGHT SHALL ONCE AGAIN TAKE ITS VICTORIOUS POSITION UPON YOUR PLANET.

YOU HAVE GOT THE STRENGTH.

YOU WILL CONTINUE TO SHINE.

THIS YEAR WILL CONTINUE TO BRING IMMENSE CHANGES INTO YOUR SYSTEMS.

It will appear initially to be the opposite of that which you KNOW it should be. Yet, something will take place to turn this around, and once that door has been opened ... the 'Flow of Truth' ... as we have said ... will shock and stun one's senses.

It will be a year of such conflict and confusion ... yet ...

BY YOUR KNOWING OF YOUR LIGHT ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

BY THE AGREEMENT YOU MADE TO RID THE PLANET EARTH OF ITS PARASITES ...

BY YOUR TENACITY ...

BY YOUR KNOWING OF WHO YOU ARE ...

YOU SHALL FEEL THE LIGHT AT THE END OF THE TUNNEL ... BEFORE IT IS SEEN.

It would be inconceivable for such a MASTER PLAN to take place overnight. The transformation has to take place at a pace that can be dealt with on all levels.

WHEN YOU DISCOVER ALL THAT HAS BEEN GOING ON ... ALL THAT HAS BEEN TAKING PLACE IN THE NAME OF TRUTH ... ALL SHALL BE UNDERSTOOD.

Thing is ... chatting with you once again HAS uplifted my spirits and my KNOWING. I am not going to apologize for being a wimpy kid. I give myself the permission and the respect to FEEL fed up now and then ... as I absorb the Truth of the lies. Yet, I have to say ... I am feeling a little more refueled. I'll put my marching boots back on ... cope with the blisters ... and as the song goes ... 'Walk on, walk on, with hope in your heart, and you'll never walk alone' ... Swords of Light to the skies ... ready to recharge, even if my upload speed be slower than usual in these overcooked times and patiently ... alongside my fellow Truth Players ... I shall wait ...

For what? An announcement to come?

That would be a good start.

Wouldn't it indeed. On your marks ... get set ...

Fallen for that one many times before ... yet, never heard the bang!

BAM!

My ears are ready and waiting ... Here's to another year ... of? In Gratitude. In Loving Service. I AM ... waiting!

The Federation of Light Channellings

No. 2

10 January 2021

Ok up there, out there, in there, through there, wherever you are right now to communicate with me ... Good morning!

Welcome to you Blossom and ALL Light Bearers that are allowing their Truth to shine through in these very tumultuous Topsy Turvy times!

Well, you said they would become more topsy turvy and indeed they have. No announcement as such though ... yet.

It is coming and as we said ... it will be HUGE ... and a reminder also ... that we also spoke of there being an even bigger one to come after that.

Well, let's wait for the first one to arrive, and then we can ponder on the second.

Dearest, most precious souls ... allow your Beings to enter into the comfort of their KNOWING and their TRUTH. When you TRULY KNOW that this Divine plan is playing out, then indeed, there is no cause for alarm.

Although we have always stayed away from politics, it seems ridiculous not to mention the state of affairs/play in the U.S. ... So much turbulence there ... and indeed everywhere.

This is so. Yet, as the days roll over you will understand more of what is taking place.

So, just to go back on a few things for clarity. You said there will be a huge announcement followed by a global lockdown, that will lead us into phase 2. Correct? Yet, it feels like we are in phase four hundred and ninety-two!

Is the world in global lockdown?

No.

Then we remain steadfast in 'our calculations' that we are not yet in phase two.

Now, I'm not having a go at you yet, you did also say, regarding the vaccinations that it wouldn't come to that. Eh hello ... millions have had the vaccine.

Through their choice. These are not mandatory.

Yet, many will lose jobs if they don't.

Blossom and All ... there is to be such change apparent over the coming weeks. So much 'news' will become muddled up with 'other news' that for a while ... nobody will know what is going on.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Pretty much like now!

Yet, when the announcement is made ... the situation will affect things on a global scale, as opposed to now when many who are not of that country carry out their days oblivious to the dia/dire situation.

Dia?Dire? I felt the need to look it up and define ... Dia = passing though. Dire = refers to situations or events that cause great fear and worry.

Correct.

KNOW these times as 'Out of this world' as they may seem, are a means of passing through the old state of affairs into the new.

We ask that you remain focused on your KNOWINGS.

Your 'KNOWINGS' being that you came here to assist in this transition.

THE TRANSITION INTO A NEW TIME ...

A time, when once settled in, shall allow a FREEDOM within the souls of all. Even those who knew not they were in captivity.

THE TIME IS NOW, DEAREST ONES.

THIS IS WHEN YOU CAN FEEL WITHIN YOUR BEINGS THAT ALL THIS WAITING ... ALL THIS UNCERTAINTY ... IS NOW THROUGH/OVER.

You can feel the stirring within your hearts ... deep within your Beings. A sort of nervous excitement as one walks bravely into the unknown.

Without a mask!

REMEMBER, REMEMBER, REMEMBER, all that we have spoken to you. For you are coming into the days when millions of souls shall find themselves lost and confused, shocked, and deeply troubled.

THIS IS WHEN YOUR ENVELOPES SHALL OPEN!

What???????????????????????????????????? I thought they would open during some kind of Rapture/Event/ Starspangled hallelujah chorus in the skies! How will we know? I always thought it would be a mass opening?

It is!

A mass opening?

We would best explain by saying that there will be a 'timely experience to be shared'.

Do you mean as in a time frame? I sort of feel that is what you are saying.

Correct. So when you think 'mass opening' ... this will be the case yet, would we say ... over a period of time.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Will we feel it?

Oh yes.

How?

Through your knowing of feeling differently within yourself.

No, I mean will we feel it when it actually opens ... actually takes place?

Yes.

In what way?

In different ways.

Yet, like not having an explosion in the third eye or anything?

We smile and yet ... although you are jesting, Blossom ... it is within your third eye and then a connection with your heart, that will let you know.

A confidence shall come and settle within.

THE KNOWING OF TRUTH SHALL FEEL DEEPLY ROUTED IN YOUR BEING AS ONE WALKS OPENLY IN COURAGE AND UNDERSTANDING.

Okeydokey, and this is all tied up within the announcement?

It is part of it. Yet, we ask that you do not confuse this happening with other 'goings-on'.

In that ... all that we say is 'PART OF IT ALL'. You know we cannot give exact time balls?

Exact what? Time balls? Are you serious? What on earth made you say that?

Because there are 'Time spheres' if you like, that contain certain scenarios to play out ... for the need for things to 'appear' within certain time frames, in order for the next 'transparency' to be revealed.

So, imagine many time balls ...

Hold on ... could we call them 'time spheres'? 'Balls' just isn't doing it for me!

So, imagine many time 'spheres' ...

Oh, so much more etherically resonant! Pray continue.

We are trying!

My apologies ... Mouth zipped.

So, many 'time spheres' are all floating around within a larger time sphere ... and when appropriate for a 'time sphere' to 'play out' it falls into place.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

As part of the Divine plan.

Indeed ... and as they all 'drop into place', one will fully recognize just how intricately Divine this plan is. Beyond the imagination of many.

You know, I was a little apprehensive about chatting today, as I felt it would be pretty heavy going, yet, it seems quite the opposite.

There is nothing to feel despondent or heavy about Blossom. Not when you KNOW that ALL IS WELL.

WHEN YOU KNOW THIS ... and ... all IS well ... then you have no problems in holding your Light in Joy and Love.

Your hearts, your very Beings have been preparing for these times.

YOU ARE READY.

EACH ONE OF YOU KNOWS THE POWER OF LIGHT THAT YOU ARE.

And you are now ready to engage in offering that Light out to others that will find themselves so distraught.

YOUR LIGHT, YOUR LOVE, YOUR TRUTH ... WILL ALLOW OTHERS TO CONNECT WITH THEIRS.

You will discover a strength within like never before.

Again, we say ... IT IS TIME.

Well, I have to say it feels like it.

WE ASK FOR THE UNDERSTANDING THAT THIS IS THE FINAL BATTLE BETWEEN LIGHT AND DARK.

Yet, you said the Light has won ... so how can you say that?

Because 'It is written'. It is complete. Yet, it must be played out ... 'Acted' out.

DEAREST SOULS OF LIGHT ... THESE DAYS ARE CRUCIAL IN THE UNFOLDING OF YOUR PLANET'S DESTINY.

ANCHOR IN YOUR POWER.

THE POWER FROM THE DIVINE SOURCE ... THAT IS YOU.

YOUR POWER COMES DIRECTLY FROM LOVE IN/OF ITSELF.

FEEL LOVE AND LIGHT.

KNOW LOVE AND LIGHT.

What is to present itself, as we have said, will be a far cry from a pretty sight to the eyes or Love tunes to the ears.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Your Planet is indeed turning upside down and you will need to reach into your core ... to anchor the Truth and Light and hold it stable.

We wish you to be of good cheer and yet we are very much aware that was is to come ... BEFORE VICTORIOUS CELEBRATIONS will be the most difficult times to endure.

So, you are saying ... the shift is to hit the fan ... yet, to hang on to the knowing that when we come out the other side ... it was all so very much worth it.

With respect, Blossom ... that is an understatement.

Keep alert. Be discerning ... even now. Many want this plan to fail and will do all they can to make that happen.

Yet, as we have said before 'It's in the bag' ... so to speak.

I sort of feel the monoliths are for another time?

Nothing has changed regarding what we have said about them, so yes, that would be appropriate.

Words before we go? I mean, truly chaps ... what a ride! Up, down, in, out, round about ... Bring it on!

Words we would choose to leave you with would be ...

TRUST THE PLAN.

DIVINE PLANS CANNOT FAIL.

And of course ...

HOLD ON TO YOUR HATS!

No more of knitting tea cozies necessary ... The kettle is on!

And at boiling point.

Well, what can I say? Many thanks, Guys. I look forward to our next chat and wonder what will have taken place by then. In Gratitude. In Loving service. I AM ... READY!

Hello, my friends. Ok, so ... Monoliths = 171. Huge announcement = 0. Yet, there is so much going on behind the scenes right now, I am wondering if that is about to change? What is your perspective on the state of affairs on our Planet right now, if you would be so kind to share?

Welcome to all. Welcome to a time that is to be pivotal in this entire operation of dismantling the dark and watching the sun rise on your Planet as it comes into the Light.

Dearest souls, your patience on this matter has been pushed and stretched to its extremities. You have been taken to limits within yourselves whereupon you felt you could not take any more, yet, there was nothing to be done.

NOW, Dearest souls, NOW ... watch as the new dawn arises. Watch as your Swords of Light are recharged with KNOWING and UNDERSTANDING.

You KNOW why you are here and you have been awake and alert to this KNOWING and yet, felt for so long that 'you' as your LIGHT SOUL BEING had been kept in the dark and all that you know yourself to be has been lain dormant.

Times of despair, when one felt like giving up, have weighed your LIGHT BEING down, sometimes into the depths of depression. Yet, you are here now. You are ready to go. You are ready to fall into line as your strength is renewed with Hope.

The time is upon you when all that you have been waiting for is to be revealed. No longer shall you walk in the shadows of darkness, dearest friends, as your Planet has done for so long.

We rejoice in the KNOWING of the GOODNESS that you shall be able to FEEL.

We put it quite simply, that you shall be able to breathe again. Although you felt you were already doing so ... you will know what we mean as this feeling is discovered.

You are walking into the days that we have spoken of.

THERE SHALL BE A HUGE ANNOUNCEMENT. IT IS IMMINENT. WE ARE AWARE OF THE WAITING ... YET, NOW WE CONFIRM.

That's very bold!

These are bold times, Blossom.

YOU ARE READY FOR WHAT IS TO COME.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

YOU ARE READY to console and comfort those who are overwhelmed with news of WHAT IS ... and WHAT HAS BEEN.

For a 'time', everything shall be so Topsy Turvy and it shall continue to be so. There shall be rioting and upheaval everywhere. For that which is about to be revealed will shock and abhor.

All this that we are saying is of a 'repeated nature' as you are aware, and yet, we say to you NOW, that THIS IS THE TIME WHEN YOU WILL SAY 'This is what the Federation of Light spoke of' ... And we know this will give you comfort and strength.

HOLD THE LIGHT.

Be conscious of this at all times.

Repeat as often as you think to do so ...

I AM THE LIGHT. I AM THE LOVE. I AM THE TRUTH. I AM.

KNOW THE EFFECT THIS WILL HAVE ... not only on YOUR BEING, yet, the effect it shall have on those who know nothing of what is happening.

There will be such confusion on a scale unimaginable.

BE THE LIGHT.

TALK TO THE LIGHT. Ask for strength and it shall be given to you.

REMEMBER THIS IS A DIVINE PLAN ... AND WITH RESPECT ... THE 'DIVINE' KNOWS BETTER THAN YOU DO AT THIS POINT!

We would state quite categorically, that the waiting is over.

In these coming days, you are to experience a NEW way of thought as to how your world is to be conducted.

Do you know how Blessed you are to be here at this time? Do you know how eager you were to be 'selected' as one of the strongest of the strong? To be here to see this transition through?

IMAGINE ... IN THIS MOMENT, DEAREST SOULS, IMAGINE THE CHAINS BEING RELEASED FROM YOUR SOULS.

Visualize that. A key releasing the padlock on your hearts and the shackles and chains falling away

A LIGHTNESS coming upon you that you had not expected.

Yet, the world is about to turn upside down ... a Lightness?

Indeed, because the TRUTH IN ALL THAT IT IS is to be unleashed.

Yet, from what I have heard that is not exactly going to be a comedy!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

YET ... THE LIGHTNESS SHALL BE UPON YOU AND WITHIN YOU ... BECAUSE YOU WILL KNOW THAT THE DARKNESS CAN BE NO MORE.

I have to say, it all sounds very promising ... and I have to mention that the BIG COUNTRY is about to have a BIG WEEK! I assume you are meaning that it is all tied up with this?

We are. The state of play in your world cannot ignore this, for this is very much to do with the battle between Light and dark.

Remember that, Dearest Ones. The winner is about to be announced.

Yet, you have said the Light has already won?

IT HAS. MAYBE THIS IS THE ANNOUNCEMENT?

Again, that is very bold of you!

Maybe the time is in play that we are able to be so bold.

I have to say, as an onlooker and as a channeler, I try my best not to be influenced by what I have heard ... that is why I prefer not to read other channellings (very few). Yet, on the other hand, I am human and have my own thoughts on the matters of which you speak. If you are choosing today to be so bold, then who am I to disagree?

The state of play is literally at tipping point. Our conversations with you from this point on shall be of the same quality yet shall be different.

Would you like to tell me in what way ... or is it to be another cliff-hanger?

The nature of the topics shall be more forthright.

All I can be is honest, and due to the events of the coming days in the big country, I am finding today's communication a bit reserved ... on my part. You see, both 'parties' follow your wisdom ... one is going to be shocked, the other not. Yet, they both follow your words and interpret them to suit their beliefs. Can you speak on that, please?

Dearest, thoughtful Blossom ... it is not for you to be concerned of this.

Well, you have to admit it is interesting.

No more than any other topic of interest that is to come about in the following months.

We say this:

THE LIGHT HAS WON.

THERE SHALL BE NO QUESTION OR DOUBTING WHEN THE TRUTH IS REVEALED. All that we have said is OUR TRUTH. Many who feel they are awakened by following one party, may find they had been misled.

And as you say that ... each party will be thinking it is the other!

THE TRUTH SHALL BE TOLD ... Evidence offered.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

And the unraveling shall begin.

DEAREST SOULS ...

WE OFFER YOU ENCOURAGEMENT OF THE HIGHEST DEGREE.

ALL YOU NEED TO DO ... IS HOLD YOUR LIGHT.

For those unsure of exactly how to do that ... how would you explain that?

KNOW YOU ARE DIVINE LIGHT.

KNOW THE LIGHT HAS WON THE BATTLE OVER DARKNESS ... AT LAST!

KNOW YOU ARE LIGHT OF THE BRIGHTEST EMINENCE ... KNOW IT.

HOW DO YOU KNOW IT? BY FEELING IT.

HOW DO YOU FEEL IT?

BY CLOSING YOUR EYES ... TAKING IN SOME DEEP BREATHS AND REPEATING

I AM THE LIGHT. I AM THE LOVE. I AM THE TRUTH. I AM.

KNOW TOO, THAT SOULS ALL OVER YOUR PLANET ARE DOING THE SAME. YOU WILL BE FILLED WITH A LIGHT THAT YOU KNOW IS HOME.

YOU HAVE WAITED SO PATIENTLY AND SO DEVOTEDLY ...

THE WAIT IS OVER, DEAREST ONES.

KNOW ... NO MATTER WHAT HAPPENS ... YOU ARE ONE.

When you say, 'no matter what happens' ... there is talk by many of possible energy outages, internet down for a time, etc ... what is your take on that?

We would offer comforting words to those who feel fearful of this ... in that ... THIS IS A DIVINE PLAN IN ACTION.

THEREFORE, BEING THAT IT IS DIVINE ... NO MATTER WHAT IS TAKING PLACE ... THERE IS NOTHING TO FEAR.

NO STONE HAS BEEN LEFT UNTURNED ... HENCE THE PATIENCE REQUIRED.

ALL POSSIBILITIES OF OUTCOMES HAVE BEEN CONSIDERED AND THE SAFETY OF YOUR PLANET AND THE GOOD SOULS THAT RESIDE UPON HER HAVE BEEN ACCOUNTED FOR.

A DIVINE PLAN CAN NOT BE FAULTED.

So, hold on to your hats would be an understatement?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

No! We suggest you hold on, strap down, buckle up ... in readiness for ...

THE OFF.

All very exciting. Indeed, a big week ahead for our entire Planet. I, for one, am ready ... as indeed, we all are. We know not exactly how this is to play out, yet, our LOVE will anchor firmly as we open our hearts to the unsuspecting and those who are going to feel like they have been hit on the head with a mallet! Our soothing balm is at hand. WOW! How amazing to be here and be part of this. Any last words today?

THE HEAVENS, THE REALMS OF LIGHT SHINE DOWN UPON YOU. FEEL THEIR LIGHT.

YOU CAME HERE FOR THIS TIME ... AND NOW IT IS HERE.

WE LOVE YOU. WE ARE WITH YOU.

WE ARE ONE LIGHT LOVING ENERGY.

Ok. Thank you. See you on the other side! In Gratitude. In Loving service. I AM.

Hello there, my Light friends. The title of the last channeling was 'The wait is over!' Clearly, it's not, as there was no announcement made ... and you were so sure. What happened?

Dearest Blossom, and All of Light that come to this place to hear or read our words. We wondered what approach you may take with us, as so many are once again disappointed with the continual waiting process.

My friends, I have been through so much with you over the years. I either stick with you because I TRUST YOU or, I leave because I don't ... and ... here I AM. As the week went on ... I felt the announcement would not occur and knew you would also get a lot of backlash and many would lose heart. However, are you able to put some Light and Hope and Truth back into those hearts at this time?

Dearest Blossom and all those who are part of this movement alongside us. Yes, plans are susceptible to change. That we cannot change. Yet, we can change your feelings of downcast despair and lift you once

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

again into the heights.

Because plans changed ... they had to ... does not mean that an announcement will not come at all. It has simply been delayed.

Which with all respect, will make many roll their eyes and give up following you.

Blossom, as you know, we cannot and do not wish to control the minds of others. We desire that one feels into their Truth and acts accordingly. We are not here to win votes!

So, I ask with trepidation ... what happened?

That which was in place concerning an announcement to be made, had to be aborted due to unforeseen circumstances.

Yet, it is a Divine Plan ... how can that be?

The Divine Plan has an ultimate outcome. If you were to look back over many of Earth's years, there have been, what would appear to be major 'works' taking place that certainly were not of The Divine ... and yet ... The Divine plan was still in place.

There are two forces at play here.

Not happy with 'at play' ... sort of trivializes the situation.

Yet, we choose to remain with that description.

There is dark and there is Light. The Light has won.

So, there are not two forces at play?

Blossom, we can see down the track. We tell you THE LIGHT HAS WON. The plan continues to play itself out.

Ok, following that track then, can you say any more about the unforeseen circumstances? Other than of course, they were unforeseen!

Regarding the announcement ... it was no longer able to be announced ... because 'the state of play' changed course VERY UNEXPECTEDLY.

This obviously then was an announcement concerning the inauguration that took place last week?

Indeed, it was. This 'same' announcement shall come about a little further down the track.

With the greatest of respect Blossom, it would be far wiser for us to concentrate on bringing one's Energy and indeed, the Energy of the Planet into the Highest possible form.

With the greatest of respect to you ... many will feel that after all you have been speaking of regarding this announcement ... they would like more of an explanation than the one you are giving. Everyone was so geared up ... so happy at last, that it was imminent.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet, Blossom, it was not THE FEDERATION OF LIGHT that put a spanner in the works. We are not accountable for the announcement not taking place.

This I understand yet, can you not at least give us more as to what happened?

The conduct of the dark will stop at nothing to remain in the position they have held for many a year ... many a lifetime. They do not have regard for human life and therefore, they will go to any lengths to protect their clan. Any lengths.

The Light has regard for ALL LIFE and would not put at risk the possibility of many lives being taken.

This to me is so reminisce of 2008*, when you explained that if the ships were to show, you were informed **AT THE LAST MINUTE** that the dark ones would 'nuke' a great deal of the Planet and this, you could not accept.

Then you are aware of which we speak. The dilemmas that The Light found itself in.

What I don't get is how the dark can keep pulling out these last-minute surprises?

Because they are fighting for their existence in the same way the Light is. Yet, of course not with the same strategies.

Quite a few have asked me to ask YOU which 'party' is for the Light in these confused times. How would you answer that?

We would say we are not for a 'party' as such. We are for those who desire to follow their hearts in Love and to stand strong in their KNOWING of bringing your Planet into its new home.

We do not desire to get wrapped up in politics, for politics, since derived, very soon became a place for Light and dark to begin their battles.

Yet, here on the Earth plane, one feels the battles between Light and dark are Highly connected politically, especially at this time.

This may be the case, Blossom. Yet again, we do not speak of a 'divide' in/of Light.

For there are many souls of Light to be found in both parties. Many who have their strong beliefs in one particular side, do so because they believe they are living their Truth.

They feel that those on 'the other side' are misled and asleep.

Fascinating isn't it? That Lightworkers in both parties believe that those not of the same belief as themselves, are in great need of waking up!

The fact that both 'sides' ... for want of a better word, KNOW THEMSELVES to be right is because they are following their own path to get to where they are going. To get to where everyone ... eventually ... is going.

Fascinating isn't it? That those who read these words believe we are for their side because our words resonate with them so well.

And the reason our words resonate with both parties is because we are non-political.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We are sharing knowledge and wisdom regarding 'REMEMBERING WHO YOU ARE'!

Whichever party resonates for a soul ... it is their right to follow it.

However, that which we do not concede to, is condemning the souls who do not feel the same way as you. Having thoughts about them that are not of Light and Love and Understanding and Compassion.

Where is the "GODLINESS" in that?

One should not be against another because of their choice of path they walk.

One should not be against another. Full stop!

If one were to continue to pronounce ... I AM THE LOVE. I AM THE LIGHT. I AM THE TRUTH. I AM ...

Then that is what they are!

We did not ask you to keep repeating this in order for one's TRUTH to be the knowing that they are in the 'right party'. We ask for one to repeat this over and over so that their hearts are in the LIGHT PARTY!

When you do this ... when you say this ... you are not doing so to confirm that the thoughts you have politically are the right ones, the ones of Truth. You are doing it to make sure that on your Planet Earth right now ... YOU ... EACH INDIVIDUAL ... ARE ANCHORING THE LIGHT IN.

You are not asking it to be anchored into just the party that you think is correct ... or at least you shouldn't be. If you are, you have misunderstood our point.

YOU ARE ANCHORING IT IN FOR 'THE WHOLE.'

THE WHOLE HUMAN RACE ... not just ones who resonate with you on political grounds.

Do you see, Dearest Souls?

That which took place regarding the inauguration in these last days ... will have thrilled many and at the same time, deeply disappointed many.

This does not and should not change YOUR TRUTH.

And what is YOUR TRUTH?

THAT THE LIGHT IS HERE UPON YOUR PLANET NOW ... To bring it into its rightful place as we have spoken about many times

IT IS THE WILL OF THE DIVINE THAT THIS TAKES PLACE.

TRUST IN THE PLAN.

Trust that whichever path you have chosen ... to take it into its rightful place ... will lead you there.

We reiterate ...

WE ARE BEINGS OF LIGHT.

THROUGH KNOWING YOUR LIGHT ... THROUGH STANDING STRONG WITHIN IT ... THEN YOU ARE DOING WHAT YOU CAME HERE TO DO.

TO RID YOUR WORLD OF DARKNESS.

MAY THE WILL OF THE DIVINE BE DONE.

AND SO IT IS.

Well, I was really unsure as to what to expect today ... yet once again, you've put it into perspective and reminded us that LOVE does not divide ... yet, conquers all. In Gratitude. In Loving service. I AM ... Still waiting!

Morning Guys. Well, as you probably know, I had a little 'rant' last week. Every cloud has a silver lining. Over 800 emails ... all full of Love, yet, also expressing how they are feeling, too. One of the big issues seems to be, and I am totally with this ... feeling humiliated amongst family and friends because nothing that is said ever comes about. Many have lost both, through sticking to their Truth, and then when nothing happens it makes it even harder. What words of wisdom can you offer for me, and these people?

We are most Grateful to have you back on board, Blossom. We had concern to a certain degree, only for the Energy that was picked up by you, by those who felt hurt and dismayed.

No worries. I am all good after my week off and have learned much through the emails.

Dearest Blossom and indeed, ALL SOULS who have chosen to 'find' our words. Let us firstly say, WE LOVE YOU. You, of the ground crew, although not feeling so at times, have the Strength and Courage to see this mission through.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

It may feel/appear that nothing concrete is actually taking place to change the state of affairs that have held your world captive for eons of time. Yet, let us assure you ... when the fireworks go off, they certainly will display a show like never seen before.

We have spoken many times of the WARRIORS OF LIGHT being the ones to nurture and strengthen the many, many souls who shall find themselves lost when these 'BAMS' take place.

It will not be for any one of you Lighted Beings to turn around and say 'I told you so'... for although there shall be relief in the hearts of many, that they indeed, had not gone crazy ... this also, will be the time for 'All hands on deck' in order to help pick up the pieces and mend the Hearts of many a broken soul.

This then, will bring your Courage back.

This then, will renew your Strength in purpose for being here.

This then, will allow you to feel that all the pain and the waiting and the confusion was worth every single breath.

You KNEW all along in your Hearts, it was coming. Yet, some days the wait just felt too long.

You can say that again! Speaking for us humans the 'humiliation' is a hard one. Yes, one can say 'Rise above it' ... and we have no choice but to do that. Yet, to know your friends and family think you are 'cuckoo' and say nothing because they feel 'Off she goes again' ... sort of 'hurts'. We are not stupid. Yet, year after year, after year, after year, when nothing that has been presented, presents itself ... one can totally see where they are coming from.

Let us interrupt you there, if we may?

The only proof you have right now, is the KNOWING IN YOUR HEART. Would you agree?

Yes. Although, that can waiver greatly.

Can it, Blossom? Does it? For you always seem to 'get back in the saddle', as we believe the saying goes ... and you do this ... Each One of you, do this ... because THE TRUTH remains in your Heart. No matter how the outside scenario is presented to you.

Yes, there is that. Yet, one may question sometimes, if in fact we have got it all wrong and maybe we will never be validated for our Heartfelt Truth.

And should that be the case ... which of course it cannot be at this stage ... in the final stage of the takedown ... what would you do? Still believe in your Truth?

Yes, because I can't 'swap' my Truth to something else, it just isn't possible.

Exactly Blossom. So ...

When one is feeling forlorn and humiliated ...

I know you want to speak about humiliation. That's a big one for me and many. A tricky one, even though we know it is up to us to choose whether to feel humiliated or not ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

There, you have it in a nutshell.

Not that easy Guys. Interesting that many emails spoke of one channeling quietly for themselves and dates etc they were told, never coming to fruition. Time after time. Let me tell you ... it feels humiliating! So many folk one may know, thinking 'When will they not just see this is all just a hoax?' or words to that effect.

Blossom, the choice indeed, must come from the individual.

When riled ... say to the self the I AM Mantra.

When not riled ... say to the self the I AM Mantra.

You can feel it ... all of you ... can you not?

When you say this, you are ringing the doorbell to home. Is there/has there ever been a time when this has been 'chanted' and not 'enchanted' you? Has there ever been a time when this has not centered you and given you inner strength?

Of course not. It has been designed in its Coding to take you straight back to the fireside of inner KNOWING.

Perhaps it helps to know that so many are having to 'suffer this'. We use this word for it feels that way, does it not?

Yes. Especially for those who literally, have no family left to talk to. How brave they are!

So, it should help to know that the deeper the wounds inflicted by Loved one's ... the Stronger the Soul becomes. It cannot not. It may feel 'done in' and exhausted and angry ... angry with us, yes ... for 'we appear' to have fed you false information.

Once again!

Yet, this is not so.

WHEN ONE TRULY KNOWS OUR LOVE, WHO WE ARE AND WHY WE COME ... WHEN ONE KNOWS THAT WITHIN ... THEY KNOW TOO, THAT THERE IS NOT ONE REASON THAT WE WOULD DO THAT.

Again, one either knows this, or they don't.

People have suggested we stay off the 'predictions' ... it's safer that way. I'll pass the talking stick to you on this one.

Dearest Souls ... within all that is occurring during this CHANGE OVER on your Planet ... it would be very difficult to avoid certain matters.

This change over from dark to Light ruling your Planet is far, far, far more complex than the 'human' brain can actually grasp ... with the greatest of respect.

No problem. I get that. It would certainly feel better though if SOMETHING ... SOMETHING ... was presented to pick us all up. Dear God, how many times have I said that to you? Many cannot understand why SOMETHING cannot be done to lift our spirits? To help us carry on? SOMETHING! Many feel you don't know just how bad it

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

is. How hard it is for us down here, because if you did, surely you would find a way to 'throw us a bone', as the saying goes.

Indeed, we are not in human form. Yet, we can and do pick up on Energy formations.

If you were, Each One ... to close the eyes and feel us, you would KNOW we are throwing you so much Love and support in any and every way we can.

Do you see? To let you know we are with you ... to throw that bone in a way of a mass sighting or the sky turning red etc ... would throw plans off course.

How? And just for the record ... can you turn the sky red? Oh my God ... you are going to say 'At the flick of a switch' aren't you?

Well, we were, yet, you have kindly said that for us.

Like for real? Really? No point in me asking how ... my mind is already blown. Ok, let's follow this though ... if you were to do that ... how would that blow plans on the ground?

Because things would change course.

For the better, surely?

Not until the Divine timing is in place and when it is ... ALL WILL MAKE SENSE.

Far be it for me to advise the Divine Creator ... yet, perhaps a brief assessment of the energy levels of the ground crew, wouldn't go amiss. I'm serious! If this is all an experiment anyway, surely the one with all the brains can see how much we are in need of a boost up the proverbial Jacks!

We are aware of your jesting yet, the more serious intent behind it.

BLOSSOM ...

Yes!

As you say to many ... 'Hang on'.

To what? Very little driftwood left floating.

Hang on to what you KNOW to be Truth.

The tide is about to turn ... just you wait and see.

Little else we can do. What to expect when it does?

As it changes direction it reveals all that lay underneath it.

THE TRUTH WILL OUT, BLOSSOM GOODCHILD. THE TRUTH WILL OUT!

Well, we keep holding on to that ... with hope in our hearts, and although battered and bruised along the way ... we once again, regain our strength and hope (somehow) and soldier on.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Do not focus on what is appearing to be ... focus on the elation that is to come.

Focus on a time upon your Planet when 'this game' is over.

Focus on a world that feels Joyous to live in.

Focus on a world that tells the Truth always. For there is nothing taking place that needs to be lied about.

Can you imagine that?

Quite hard to. Have you not heard of mainstream media?

Yet ... this is to be one of the great changes! The entire system of what is loosely termed as 'entertainment' shall not return to how it was, once brought down.

So, that is still on the cards then?

It is a major player. The Trump card, would we say.

Eh ... no pun intended?

None indeed. It is a colloquial saying, is it not?

I'd answer you if I knew 'exactly' what 'colloquial' meant. Good old 'google' (or not!) Yes, it is indeed a colloquial saying on this 'ere Planet. Can you share more?

It does not take a rocket scientist to see that not only is one fed lies continually regarding the current state of affairs anywhere in the world, yet most 'forms' of so-called 'entertainment' has one on the edge of their seat or hiding behind cushions, so as not to look at the fear factors that are everywhere. Gloom and doom is the order of the day to keep one 'down'. Games of mass destruction ... war games. Where is the Love? Where is the Light? Where is the Truth?

Imagine actually BEING ENTERTAINED through LOVE LIGHT AND TRUTH. You are thrown mere morsels of Light so the mainstream media are not to be seen as all darkness! Yet, is it not that even the most romantic of Love stories has much sadness or trauma in it?

Yes indeed. Usually, Aunty Flo's leg falls off or, baby Bobby falls down a well and drowns. Yet, they all live happily ever after!

LIFE WAS NOT DESIGNED TO BE THS WAY.

KNOW THIS.

YOU ARE MOVING FORWARD INTO A NEW EARTH ... WHERE SUCH DEPTHS OF DESPAIR HAVE NO PLACE.

THE VERY AIR ITSELF SHALL SHIFT INTO HIGHER VIBRATIONS.

AND THERE YOU SHALL BE, BASKING IN A NEW WAY OF UNDERSTANDING.

Living amongst one another in Harmony, where neither colour nor creed tear souls apart.

No. 6

14 February 2021

Good morning, my friends. It is our 'thing' to uplift and encourage, is it not? So, what can you offer today, to do just that? If you would be so kind?

Welcome to Each One and to you, Dearest Blossom. Yes indeed, this is our intent. We are aware of the many who are feeling far from uplifted at this time and we desire to assist them in ways to bring Heartened Light to their Beings.

Thank you. It is such a 'strange' time. It's like the entire Planet has gone insane. No one knows what to believe about what is going on. Such a divide. So much questioning and changing of plans etc. It's hard to keep a handle on one's KNOWING that ALL IS WELL!

Yet, it is! Is it not that when the wind blows, it can seem as if the candle flame may blow out? Yet, Courage and Strength will always prevail. The winds, the storms shall pass, and one recovers once again ... feeling renewed Power within.

Yes, yet, one wonders how long this is going to continue before something concrete, something tangible occurs? It just seems to go on and on. This waiting game seems to have become a way of life!

Yet, you continue on in TRUST, HOPE, AND LOVE. For you KNOW that changes are upon you. Your Heart cannot deny this. Yet, as we have said ... This is SO HUGE! It is not an overnight job, Blossom.

I know. So then, what shall we speak of? I know many are concerned about vaccines, and I indeed, have seen some rather nasty 'outcomes' from those whom it 'did not agree with'. You said it would not come to mandatory vaccinations, yet, many seem so 'ignorant' of the consequences. I know of many having it. How do we console ourselves when friends etc, have chosen this path?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

As much as you do not like to hear this Blossom, it is their journey, not yours. Each and everyone walk their pathway ... doing what they think is correct and the Truth for them. So, therefore, at any given moment, that is their choice to have a vaccine or not.

All very well, yet, some of the consequences are awful. Nervous systems shot to pieces, mental disorders ... eh ... death!!!!???

Yet, still it is THEIR life's journey, Blossom. Again, one must look at the bigger picture.

Which you say we cannot do, from down here. You know, sometimes, I find it pretty difficult to have conversations like these, for the topics are too delicate, too intricate, and too much responsibility, to be honest! Hello? It feels we have come to a halt? Have we?

Only in that, the state of play at the moment upon your Planet is ever-changing. One moment at a time. The wind blows this way and that as the final stages before Victory play out.

Yes, we understand that so much seems so wrong! So much that seems to be flowing in a different direction from what one was expecting. Yet, did we not say to you that it would certainly seem this way for a time?

Yes, yet people are being damaged. People are dying. Is this right? Is this necessary?

Blossom, with the greatest of respect, we do not look upon death in the way many upon your Planet do. Passing through the veil takes one through to Freedom. There are no accidents, Blossom.

Yes. White Cloud has said this. So, if one were to 'pass through the veil' because the vaccine did not agree with them ... that's meant to be, is it? Would they not have lived longer if they didn't have it?

Yet, they did have it. They passed over because it was their time.

The same with anyone who passes over ... it is their time. It really is as SIMPLE as that!

This time that you are in ... is a different type of 'struggle'. Due to the internet ... there is so much that is able to deceive and confuse. All part of the plan from those in darkness to thwart the Light.

These are the end games.

ALL YOU NEED DO IS HOLD ONTO THE TRUTH IN YOUR HEART. IT KNOWS WHAT TO DO ... WHAT TO THINK AND HOW TO REACT.

Yes, yet some days, one just wants to hide away and skip this entire chapter.

And you know we will remind you ... over and over ... on repeat play ... over and over ...

YOU WANTED TO BE HERE AT THIS TIME!

Yes ... but ... but ... but ... but!!!

But nothing, actually Blossom. You knew it would be tough and it will get tougher.

That's just it! That's what we spoke of last time ... we need some soul food for stamina to keep us going. Let me

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

ask you a question ... Did YOU know it would be this tough?

Yes. We did ... and ... we know it will get tougher.

In ways of?

EVERYTHING.

Oh yes, indeed, here we are bringing in upliftment and encouragement!

Yet, these ARE words of Encouragement. For you KNOW you have to remain in your Strength. You have to be prepared for NOW AND ALL THAT IS TO COME.

AND YOU ARE!

Yet, sometimes we feel so weak.

And yet, other times you feel so Strong!

YOU ARE THE WARRIORS OF LIGHT.

YOU KNOW WHAT TO DO.

THE MANTRA IS DESIGNED TO STRENGTHEN.

THE MANTRA CONTAINS SO MANY CODES IN ORDER TO HELP SEE YOU THROUGH.

THE MANTRA IS YOUR UPLIFTMENT AND ENCOURAGEMENT!

IT IS YOUR SWORD OF LIGHT, BLOSSOM.

Indeed, I have been blessed with hearing so many stories of how it has helped so many, in so many different scenarios.

THEN KEEP ON KEEPING ON.

I AM THE LIGHT. I AM THE LOVE. I AM THE TRUTH. I AM.

I AM THE LIGHT. I AM THE LOVE. I AM THE TRUTH. I AM.

I AM THE LIGHT. I AM THE LOVE. I AM THE TRUTH. I AM.

Thank you. I definitely KNOW it helps.

We would say, it is the key to the door.

Great! What door? Where?

Again, a figure of speech. Yet, you know what we mean?

Yes, I indeedly do! Monoliths? Let us speak of Monoliths! 199 now on the tracker site.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet, many there to confuse and ridicule. Though many there, 'set in stone' for their Divine purpose.

IN TIME ... YOU SHALL SEE.

Good chat! The thing is ... we have sort of talked about it all, over the last year. What's new to talk about at this point? There is much you are unable to tell us ... so we can't delve into certain matters. You have offered us encouragement. I mean ... what? Where do we go from here? Rather than discuss matters that we don't seem to be moving forward on. I'm not having a go ... just saying that's how it feels. Sort of a bit 'stumped'. I know thousands of people right now, know of a thousand questions to ask ... yet, they do not walk in my moccasins! That's all I can say to describe where I feel we are at.

Dearest Blossom ... perhaps this is a time to absorb the Greater Energies of Love that are available to ALL. Sometimes, it is that one can get so caught up in trying to 'find out the Truth' and jump down one rabbit hole after another ... when they would find it far more beneficial to simply KNOW that THE TRUTH LIES WITHIN ... yet, they forget to jump into their Heart.

If more people were to ... would we say ... Let go and Let BE ... their strength would increase a thousand-fold. Their connection to Source would Strengthen. Their Light would shine more Brightly. The choice is in the hands of each individual.

Yes. I get that ... yet, many have very inquisitive minds and have the need to KNOW MORE.

Yet, will it not be that ALL WILL BE REVEALED IN DIVINE TIMING?

Yes. However, down here one tends to pop down a rabbit hole or two ... just to try and make sense of it all.

YOUR HEART CAN DO THAT WITH THREE DEEP BREATHS AND THREE ROUNDS OF THE MANTRA!

You say that! It certainly is calming and has many other offerings yet, to say it helps to make sense of this world and all its goings-on right now ... Nup! Not for me, anyway. Not yet! Yet, it does soothe so!

Blossom and ALL SOULS drawn to these words by the Truth in their BEINGNESS ...

YOU KNOW YOU WILL CONTINUE ON.

YOU KNOW THE LIGHT HAS WON.

YOU KNOW THAT ALL STRENGTH WILL RETURN EVERY MINUTE IT IS NEEDED.

YOU KNOW YOU KNOW THE TRUTH.

AND INDEED, THAT IS ALL YOU NEED TO KNOW.

This is all so much easier said than done.

Yet, you KNEW!

You ... Each One ... are exceeding expectations.

You ARE the STRONGEST OF THE STRONG. Of this, there is no doubt.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We watch you ... and you are proving this to us.

YOUR KNOWING WILL BE VALIDATED.

JUST YOU WAIT AND SEE.

Nothing we can do but wait ... and stay hopeful and in our Strength ... Feels a bit of a 'non-plus' one today. Best we can do! In Gratitude. In Loving Service. I AM.

The Federation of Light Channellings

No. 7

21 February 2021

Morning! Here we are once again, then! Straight to it, if I may? Many are concerned regarding you always saying things are going to get a lot more Topsy Turvy than they already are. Can you elaborate on that?

The warmest of 'Hello's' to you Blossom and Each Soul present here. Firstly, we would say that all that is to come is nothing that you are unable to handle! For inside each one is a mechanism that triggers strength when needed and necessary.

Mechanism?

This is the way we would choose to describe it, and indeed Blossom, it has been known throughout your history of incredible Strength coming from within, when one is faced with situations where Strength and Courage are required. Remember this!

I mentioned in an interview the other day that my thoughts on this were, so far as that when the Truth is revealed, all of the Planet will go into shock ... and some simply not knowing what to do or how to deal with it? Am I on the right page with this?

Indeed you are, Blossom. For Truths are to come forth that will shatter many dreams of that which they thought /Knew to be Truth in one's reality.

So, we would say it is these Truths, when disclosed, that will change the way things are at the moment.

You said 'Everything' was to get more topsy turvy?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

It will certainly seem that way. As if the entire world has been upended, so to speak. Not one soul will be untouched by this and yet, so many will KNOW that ...

THIS IS IT.

THIS IS THE CALLING THEY HAVE BEEN WAITING FOR ... ALL THEIR LIVES!

How will they know?

Because they will FEEL IT.

YOU WILL KNOW YOUR KNOWING ... THERE IS NO QUESTION OF NOT KNOWING.

So, although things are to get worse ... in a sense ... one could look at it as also getting better at the same time. One will recognise that things are definitely on the move, even though the 'news' that is to repeatedly shock as more is uncovered, will seem 'unbelievable' at times. One, inside their Being, will FEEL even more strongly that they are now moving in leaps and bounds to a better world.

Let us speak of Strength if we may?

You may!

What is Strength? It can be interpreted easily from a physical perspective. One can lift, one can endure enormous displays of physical Strength. Yet, in order to do so, it is required for much training in order for the body to be prepared ... perhaps when preparing for a marathon etc. Much work has taken place before hand, has it not?

It is the same for the Inner strength.

STRENGTH OF BEING.

You have all been preparing yourselves for this time. Even when you feel depleted with the waiting ... you are still SHINING YOUR LIGHT ... and that LIGHT is your preparation 'work out', if you like.

You have not been idle, for you have been sending Love and doing all that is required of you throughout these times and those of 'High positions' are exalted by the Strength that continues to flow from you.

So then, as these days progress, although feeling tired and lethargic ... when it is 'time' ...

YOU WILL KNOW!

A STRENGTH FROM WITHIN SHALL BE PRESENTED WITHOUT.

I am hearing 'put on your dancing shoes'? Odd!

Yet, correct Blossom. Your patience has been tried and tested to its limits. Yet, in these future days, we believe you would say ... you are ready to rock and roll!

So, things getting more topsy turvy, isn't necessarily going to be a bad thing?

Blossom, how can the Truth be a bad thing? It may be a shocking thing ... FOR ALL. Yet, once absorbed

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

and confronted ... for/by ... the self, then those who have been waiting ... those who knew this was coming will be ready to get to work ... so eagerly and keenly. Knowing that this is what they came to the Planet to do.

So, to clarify, you are meaning that it is about 'picking up the pieces'?

Much more than that, Blossom. It is about helping the lost and confused, the angry and those in disbelief. It is about bringing them from their knees, back to their feet and pointing them in the direction of The Bridge. Some may need to be escorted, some may 'Get it' straight away and escort others.

It will be such a time of Unification. A time when those who have felt they may never hold another in their arms, can embrace physically, soul, after soul, after soul ... WITHOUT FEAR.

How many have been deprived of hugs? It is a necessary soul food for the Human condition and it has been WRONGFULLY denied.

Love Hugs shall be the order of the day!

ALL this Love that you have been storing up ... giving out too, yes, yet so much STRENGTH WITHIN LOVE has been building up WITHIN YOU.

YOU ARE READY AND PREPARED FOR WHAT IS TO COME ... HAVE NO DOUBT ABOUT THAT.

That is certainly good to hear, for many feel so depleted and wondering how on earth they will get through these times, especially if it is to get worse.

Yet, KNOW that when it 'appears' to be doing so ... that the time has come when things are moving forward, as we have said.

You will continually ask for Strength and Guidance and you shall continually find all the recourse required opening up inside of you.

EVERYTHING YOU NEED IS INSIDE YOU ... NOW.

It just needs to be awakened, right?

No, it is already awake. It is waiting for its assignments.

This resonates easily and comfortably with me and I would imagine it does with many others. Thank you.

THE STRONGEST OF THE STRONG.

REMEMBER. REMEMBER. REMEMBER.

Will we need to remember? Will we not just FEEL IT in the times ahead?

Indeed. Yet, this work that is to begin, on a far greater level of understanding than your present time, will require ALL THAT YOU ARE TO SHINE, in order to 'see your mission through'.

Be kind to yourselves. Nurture yourselves. Recharge your batteries. For, although you will KNOW that

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

you are doing what you came here to do ... there will be so much 'demand' that one can easily become depleted.

SO, IT IS OF GREAT IMPORTANCE TO LOOK AFTER YOURSELVES FIRST AND FOREMOST, IN ORDER TO HAVE THE CONTINUED STRENGTH TO SERVE OTHERS WHO SHALL BE VERY MUCH IN NEED OF YOUR KNOWLEDGE AND YOUR LOVE.

When you say knowledge, what do you mean?

KNOWLEDGE OF LOVE.

KNOWLEDGE OF HOW TO BE ONESELF IN LOVE

KNOWLEDGE OF KNOWING LOVE WITHIN THE SELF.

For we say to you, Blossom and Each One that resides upon your Planet at this time ...

IT IS LOVE AND ONLY LOVE THAT WILL SEE YOU THROUGH.

TO BE ABLE TO ASSIST OTHERS IN UNDERSTANDING THAT THEY ARE OF THE DIVINE.

Look back over the years if you would, and recognise the difference in yourself. The way you approach situations and souls now, compared to days of old. We feel not one of you would say that you are the same.

For you have come to KNOW LOVE ... and your KNOWINGNESS OF THIS LOVE ... OF WHO YOU ARE ... HAS CHANGED YOU.

It has changed the way you approach things.

It has changed the way you respect others.

IT HAS CHANGED ALL THINGS WITHIN YOU BECAUSE YOU ARE REMEMBERING WHAT TRUE LOVE IS ... AND WHERE IT COMES FROM.

IT COMES FROM THE DIVINE.

YOU ARE PART OF THE DIVINE.

So, imagine then ... many who have not acquired the remembrance of self, and once awakened to Truths that were unimaginable ... they will need so much assistance ... so much service ... in so many ways ... so that they too, may 'GET IT'.

Through you and all you KNOW ... they will, although exhausted and dazed ... take your hand and walk over that Bridge.

KNOWING, UNDERSTANDING, that their destination is a NEW HOME ... where rest, and recuperation shall be offered, until such a time when they too, may take up their roles and do the same for others, as you have done for them.

Dearest Souls ... we KNOW that this time in which you are experiencing so much upheaval is proving to

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

be so very difficult. Each one playing out their role and finding themselves in a place where perhaps they really do not want to be.

Yet, HUGE SHIFTS ARE TO UNFOLD ... and we say, that although there is much darkness that is to come to Light ... the change over will take place very quickly, once certain protocols have been surrendered(?).

What do you mean?

Once the ball is rolling ... the ball that everyone can see rolling ... then things that have been prepared to fall in to place ... shall do so rapidly.

These days ahead, as days of now, are part of the Divine Plan.

THERE ARE NO MISTAKES IN A DIVINE PLAN!

Each step of the way ... whether it appears to be or not ... has been meticulously thought out ... thought through ... in order for the darkness to be removed and the LIGHT to once again, take its rightful place.

I find it quite hard to imagine a different kind of world. The one that we are walking into ... and I consider myself to have a good imagination.

FEEL IT, BLOSSOM. FEEL LOVE. TAKE DEEP BREATHS AND FEEL LOVE IN YOUR HEART.

Repeat the Mantra as you do so.

KEEP DOING THIS.

EACH TIME ... YOU ARE REINFORCING WHO YOU ARE AND STRENGTHENING, NOT JUST YOU, YET THE WHOLE ... FOR THE 'I AM' ... IS ALL PEOPLE.

We have every confidence that those that volunteered and were chosen to be here at this time, to see this through SHALL DO SO ... ARE DOING SO ... HAVE DONE SO!

WHAT A TIME OF CELEBRATION FOR ALL ... WHEN THIS MISSION IS ACCOMPLISHED.

Oh, indeed! Can we all go for rides in Lightships at the local fair? In Gratitude. In Loving service. I AM ... feeling a whole lot Brighter!

Hello to you. Well, something shifted in my energy last Sunday. I'd heard an energy Light boost was coming in (someone had sent me the info) and to be honest, I take everything with a pinch of salt these days. Yet, for me, and others I know ... it happened ... something that was said actually happened! A definite lift of my energy ... as if an 'attachment' had been removed, type of feeling. Just feeling so much Lighter. Any thoughts?

Dearest Blossom and all souls who partake in the upliftment of The Whole. Yes, indeed, a Planetary shift occurred. We would not say it was on a massive scale for all to notice ... not this one! Yet, indeed, a clearing of sorts took place due to the High level of Energy that was pouring in.

We are aware that so much at this time upon your Planet is appearing to be bleak, yet, this is not so. Shifts of great proportion are taking place and much cleansing also. There are many 'Off Planet' who are assisting in this project and timing is of the essence.

What do you mean?

All that is taking place is of the Divine Plan, as you know. The change over from darkness into Glory is forever working towards its final goal.

Many over the last year decided to feel more of their Truth. Many awoke to their Truth from a long deep sleep. In doing so, there came with it an increase of Light. Much strength from awakened souls is now able to not only anchor the Light but also, send out Light on a much greater scale.

Do you feel, Blossom, more of that which we have spoken of, regarding having strength to do what you came to do?

In this last week, yes! I feel so much more 'on top of things' and ... well, ready.

There are many who are feeling the same.

And for those who do not?

They will! It is a bit like a flick of a switch.

That's certainly what it felt like for me. I just woke up feeling different ... and my good mood has remained ever since. God, it feels good! It's been so long! So, is this flick of a switch a type of activation ... envelopes opening, etc?

No. It is that the Energy coming in was received and absorbed and transmuted much heaviness within many.

Why some and not others?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Depending on their placement ... it affects some ... before/earlier ... than others.

Placement of residence?

No. Placement within themselves. Do not misunderstand, Blossom. This is not about first come first served. This is about 'One's own timing'. It is not for one to feel 'left out', yet, to understand that if they have not experienced the Lightness 'back' within themselves ... they will do, when 'they' are ready.

This Strength shall continue to be felt and absorbed. It was not just a one-day affair, so to speak.

This is the time now when 'action' is to take place on many, many levels.

We would call it 'a turnaround' ... for the 'general public' have had enough of the lies and the deceit and are picking up on the calling from within to DO SOMETHING ABOUT IT.

There is an inner ... Awakening/Strength ... that is stirring within souls who would normally remain quietly in the corner. There is a call for human rights to be heard and acted upon.

Dearest Souls ... as you say the Mantra over and over ... can you hear the millions of voices that are in chorus with you? Can you feel that gathering within your soul?

Close your eyes for a moment and 'hear' the voice of ONE becoming louder and louder.

Imagine souls all over your Globe as if marching in one block, repeating, with swords of Light raised to the skies

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

Feel that imagination. Allow it to stir deep within you in the KNOWING that the POWER that you now know yourself to be, is anchored deep within and nothing and no one is able to stop this marching forward.

YOU ARE A MIGHTY FORCE.

BROUGHT DOWN FROM THE HEAVENS TO BE HERE AT THIS TIME.

Can you feel the excitement now?

Will you allow the resonance of KNOWING this, to drive you onwards?

Collect your thoughts. Release all those that do not serve. Send all negative indoctrinations out into the ethers ... and once again ...

CLAIM YOUR RIGHT TO BE ON A PLANET OF LOVE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Do this regularly.

Remember to do this. To close your eyes, breathe deeply and KNOW ...

THE FORCE OF LIGHT IS WITH YOU.

IT IS WITHIN YOU.

YOU ARE THE LIGHT FORCE.

FEEL IT.

KNOW IT.

BE IT.

Struth! I can really feel this build up inside me, as you say it. As if 'Nothing can stop us'.

Blossom, the only thing that can stop you is yourself. No matter your circumstances at this time ... no matter what part of the world you live in ...

YOU ARE A FORCE OF LIGHT.

ALL AROUND THE WORLD YOUR COURAGE AND STRENGTH, YOUR DETERMINATION ... IS SHINING THROUGH.

Oh, how I hate to dampen, yet, for many who have been in continual lockdown, they may not agree.

Yet, they may. Have they not got to a point when enough is enough? They may be going through different emotions, different phases of Awakening, yet, it is allowing Each One to walk into their own conclusions.

This façade that is being played out is 'Dying its own death', Blossom.

And in its place ... RENEWED HOPE.

Ok. Feeling how I feel, I get that. Yet, it certainly is not appearing that way.

Sometimes, that which is dying does not always look as a bed of roses.

We ask that you hold on to the knowing inside you.

Let us ask you all ...

Do you know the Light has won?

My answer ... Yes.

How do you know this?

My answer ... A feeling.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Of what?

My answer ... Trusting my knowing. If I didn't feel things were to change for the better, I don't know how I would manage to continue. It's just something inside that knows all this will change.

And again ... how does this feeling feel?

My answer ... GOOD!

Because, Dearest Souls, who have undertaken this mammoth task ...

IT FEELS GOOD BECAUSE IT IS THE TRUTH.

You usually would say 'Your Truth' ...

Yet, we have chosen to say 'THE TRUTH.'

You see, Blossom, with all that is to be ... discovered/uncovered ... brought into the Light of day ... Each One of you that are ready ... Each Soul that has been waiting for so long ... will command their full presence to be 'with them' and this KNOWING of what to do ... how to assist ... will present itself as one brings in a Higher level of Energy ... a Higher representation of one's individual individuality.

Busy, busy, busy, shall you be. Yet, with a readiness to awaken each new dawn in service ... to the/of the ... Light that you are.

Be of such Gratitude that you were called upon to be of such Divine Service.

What better reason to be alive than to be of service ... to the/for the ... Greater Good Of All.

You will FEEL THIS TAKING PLACE WITHIN YOU ... BECAUSE NOW IS THE TIME.

We ask that you be patient ... with the soul self. Just KNOW that this gathering of more aspects of self, shall slowly integrate with the aspect of the you that 'arrived' to do the groundwork ... would we say, and NOW that this is done and in place ... and Energies are more conducive ... then one's 'Team' can come in and join the party.

This is sounding really hopeful. It makes sense to me, in the sense ... of already KNOWING THIS yet, unable to KNOW until this time.

This is what we have spoken of in past conversations Blossom ... Of 'Coming into your own' ... 'Walking into yourself' ... of the Strength that you shall find when it is most required.

Yet, again, not to dampen the fab uplifting energy here ... it is still going to be pretty tough going, is it not?

That would depend on whether you see your glass as half empty or half full.

Yes, indeed, on the one hand ... there is much to come out that will shock even the most 'prepared' ... and yet on the other, one will simply recognize that these 'uncoverings' are allowing the darkness to be exposed and that one's 'mission to be accomplished' is to heal, replenish, comfort, understand, accept, soften, explain, and then to repeat all of the above, time and time again.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This is why it has been said, that although one feels they are so very fed up of waiting ... make the most of this quiet time ... to build your strength ... to prepare ... for once the whistle blows ... there shall be little time for twiddling one's thumbs.

Bring it on ... WE GOT THIS!

This we know.

This we are assured of.

This is why you are here.

This is why you were chosen.

Because you have ... YOU HAVE GOT THIS!

Yet, remember to recharge. As we have said before ... if you forget to recharge your phone ... your day doesn't go so well. Same as for self. Each night, imagine plugging your cable in from your crown chakra to 'above'. Switch it on and check it is charging ... then allow the peace of sleep to do its thing.

WE ARE CONTINUOUSLY CONTENT WITH ALL THAT IS PLAYING OUT WITHIN THE DIVINE PLAN.

WE ARE CONTINUOUSLY CONTENT THAT YOU ... YOU BRAVE WARRIORS OF LIGHT ARE IN PLACE AND READY FOR ACTION.

With a smile, we say 'May the Force be with you.'

With a beaming smile back 'atcha, I reply 'WE KNOW IT IS!' In Gratitude, in Loving service. I Am... very hopeful!

14 March 2021

Hello there. I'm looking forward to our chat today and thank you in advance for all that is to come through in ways of upliftment and hope! It occurred to me recently, that quite a while before Christmas you said there would be an announcement followed by a global lockdown, that would take us into phase two of five. Are we then, not even in phase two?

Firstly, we choose to Welcome all those who take the time to follow that which we have to say, for the benefit of the Greater Good of All. Welcome to Each One. Feel our Love entering into your heart as we bring through this message ... for it shall make a difference within you ... within your Being, as to how it is received.

So, I have just taken three deep breaths.

And does this make a difference?

I don't know ... you haven't said anything yet!

Dearest Blossom and Each One, some of you wonder if you are 'worthy' enough to call yourself a Lightworker/player. KNOW that if you are reading these words, then indeed, YOU ARE!

For if your Heart is following the path of Enlightenment ... on discovering more of your True Self, then you are recognizing that you are Light and therefore, working/playing within that Light. We felt it necessary to address that before we answer your question, as there seems to be many that are wondering if they are or are not! It surprises us that one would even question. For it is within one's Heart of KNOWING the LOVE and LIGHT that resides within Each One and therefore, one is working with, playing with that LIGHT - LOVE with every breath that is taken.

Thank you for clarifying that. To be honest, I hadn't realized it was necessary to comment. Ok. Back to the phases, if we may? Would you say we are not even in phase two?

Correct.

Far Out, Brussel Sprout! Yet, we have no choice, I guess, other than to go with the flow.

Take into account if you would, that within all that is taking place, many changes ... many corners are turned ... many advancements and sometimes setbacks are involved in this Great Transformation.

Of this I am aware. Yet, confused that a Divine Plan has setbacks. Especially when you have said many times that the Light has won.

And yet, the final stages are still to be played out. As in many games ... one 'party' can throw in a 'curveball' out of the blue and strategies then have to be reconsidered ... and manoeuvres that were all

set and in place ready to go, have to perhaps, be put on hold in order to make sure that everything runs as smoothly as possible.

Yes indeed, and many, many of us are trying our best to remain patient. Yet, I would say the general consensus of those of us in position and ready for 'the off', is that, although we are told much is taking place behind the scenes ... there is little evidence shown of this. The fact that phase two hasn't even begun is rather daunting, to say the least.

And yet, have we not said in previous conversations, Blossom, that it does not necessarily mean that each phase will take as long as perhaps, this one?

Well, let's hope that's the case ... or many of 'my' ripe old age, may have popped their clogs and unable to see it through from the ground force position ... and that is why we are here, is it not?

Indeed.

You see, within this waiting, there has become a new normal ... depending on each one's beliefs and perspectives. Some are so happy they have had a 'jab' and live in hope that life will soon get back to how it was ... whilst others, like me, are horrified at times of deep thought, by the complacency and ignorance, if I am to be brutally honest ... of those who choose not to delve, even just a little deeper into this nightmare that took us all by surprise and changed our world overnight, around this time last year!

Let us pick out that word, Blossom 'choose'.

Yet, if they were better informed, would they not have chosen differently?

Yet, they chose to NOT be better informed. Do you see?

Not really! It's hard to accept that anyone, let alone those I love dearly, were not given the information to consider, before jumping into the unknown.

So, are you saying ... those that 'were/are' informed are the privileged few?

That's an odd thing to say.

Yet, is that what you are saying, Blossom?

No ... not privileged. It is the path we 'chose' to walk down. From the start, my KNOWING KNEW this 'façade' was not of Truth. That is not a privilege, is it? I just knew. How come others didn't?

Because of 'THEIR CHOSEN PATH.'

Blossom, let us put this to you in the best way we can.

Every living thing upon your Planet ... chooses their pathway.

What, even ants and plants?

Yes.

Ok, I'll not question that. I will just accept in order for us to get somewhere without all my interruptions today.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Consider that one who has chosen to 'surrender' to a so-called ... 'cure/prevention' ... of that which 'supposedly' is killing off your population ... did so/will do so ... because 'they' consider that to be the right thing to do ... for them. 'They' consider 'you' to be the 'uneducated' the 'conspiracy nutter' for not listening to what those in the 'know' within their profession, are 'telling you, needs to be done' ... and 'you' are choosing to ignore it and therefore, are 'choosing' to 'kill off' many more folk by your ignorance and stubbornness.

Does this make them wrong?

Well, you know I want to say 'yes!' Yet, I know you are going to say otherwise.

Indeed, we are. They are not wrong. To them ... you are!

Yet, to me ... they are.

Nobody is wrong, Blossom. How can one who is following their Heart be wrong?

Well, because they are uninformed of what this so-called 'prevention' will do ... down the track ... maybe? I say 'maybe' because one hears so much these days, I have come to realize that not everything one reads or hears is necessarily the TRUTH. Time will tell.

Yet, still, we continue to state 'They are not wrong'. 'They' are doing what is definitely right ... for them.

Therefore, we offer these words of consolation, no matter what side one is choosing to butter their bread ...

Eh ... good try ... not quite in context, yet, we get what you mean. (Cute, none the less)

Indeed, the intention is understood.

THE PATH WHICH IS CHOSEN BY ANY INDIVIDUAL IS THEIR DIVINE RIGHT TO WALK.

Just because it takes someone ... be they unknown to you or so very dear to your Heart ... on a journey that is very different from yours ... does not mean it is wrong!

It means that the path chosen for EACH INDIVIDUAL ... is what THEIR SOUL needs to experience.

Remember too, without wishing to diminish the meaning of Life upon Earth in any way ...

This that you are experiencing ... that you are focused on within your Life's pathway on your beautiful Planet ... is but a grain of sand in comparison to ... ALL THERE IS.

We state again ... we are not in any way undermining the utmost importance of what is taking place in this transformation of your Planet ...

Yet, consider ... as you know it to be ... that LIFE ITSELF IS INFINITE ... Life doesn't 'halt' for one, because they chose a pathway that you consider 'wrong'!

LIFE ITSELF ... IN ITS INFINITE FORMS ... WILL CONTINUE TO EXPAND IN/OF ITSELF IN TRILLIONS UPON TRILLIONS OF FOREVERS.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We say this to you so that you can better understand /accept that the choices made by another are not necessarily the end of the world.

Interestingly put. I get what you are saying. I am quite surprised at how 'nonchalant' ... if that's the right word ... I am, regarding 'letting go' of any attachment to those I know, who choose to 'do what they are told'. What can I do? A bit late in the day anyway, once those 'concoctions' have been introduced into one's body. I just have to accept it and move on. Yet, at the same time, it makes one feel so detached from anything and I wonder where 'my caring for those I love' has gone to?

This is definitely not the case, Blossom. For is it not, that within this detachment ... you KNOW on a deeper level ... that the LOVE you have for those you are close to ... goes far beyond any decision they may make that is different from yours?

In a sense ... and we are not talking about death necessarily because of our chosen subject ... we speak in general about death

When one you Love passes through the veil ... you still Love them deeply. Yet, they are no longer 'attached' to you in the same way as when you were physically in their presence. The fact they 'chose' to pass over when they did ... you do not consider as a wrong or right decision do you?

Of course not!

Of course not! They simply were following their own journey. Do you see what we are getting at? We are not sure we are doing so well in explaining the message we wish to get across.

You are doing fine! I get what you are trying to portray. In other words, no matter what takes place for each and every one of us in these days that are to come ... THE LOVE THAT WE ARE ... THE LOVE THAT WE HAVE ... THE LOVE THAT WE FEEL ... for those close or unknown to us ... will never be quashed by ANYTHING! Certainly not one's right to choose that which their soul needs to follow.

We were unable to put it better ourselves!

I feel today's chat will help many. It's certainly helped me, even though it veered completely off track from the original question posed!

Dearest Blossom and to all who find our words to be uplifting ...

THANK YOU ... THANK YOU ... THANK YOU.

Eh ... for what?

FOR BEING ...

FOR EXHIBITING YOUR TRUE STRENGTH ...

FOR TAKING ON THE ROLES YOU HAVE ...

FOR FINDING WITHIN YOU THE WHEREWITHALL TO CONTINUE ON ...

FOR KNOWING THAT YOU EACH ONE ... HAVE WITHIN YOU ... WHAT IT TAKES TO LIFT MOTHER EARTH AND ALL WHO SAIL IN HER ... INTO HER TRUER BRIGHTER HOME.

THE TIME WILL COME ... when these days that you are living within now, will be but a distant, far distant memory ...

And the days that you are to walk into in your future ... will bring such Peace, Satisfaction, and Comfort in the knowing that Each One of you followed your Heart ... in order to bring you to a place that you only dream of in these current times.

KNOW YOUR KNOWINGNESS.

FEEL YOUR FEELINGS

TRUST YOUR TRUSTING.

LOVE YOUR LOVELINESS.

SUCH BEINGS OF STRENGTH AND LIGHT ...

DOING WHAT YOU CAME HERE TO DO.

SHINING YOURSELF UPON YOUR PLANET IN ORDER TO MAKE THE CHANGES NECESSARY ... TO LIVE ONCE AGAIN IN A WORLD OF BEAUTY AND LOVING LIGHT.

WE TRUST YOU CAN FEEL THIS DAY ... HOW MUCH LOVE WE HAVE FOR YOU?

YOU ... THE ONES ON THE FRONT LINE ...

YOU ... THE STRONGEST OF THE STRONG ... WHO SURELY BY NOW ... MUST RECOGNISE THIS WITHIN!

Thank you for that. Yes, sometimes I feel, like many ... that we certainly have to be .. in order to get through this ... and then I think of others who TRULY are on the front line in ways unknown/behind the scenes and I think about how strong 'they' have to be ... which in turn makes me stronger. If 'they' ... 'whoever they may be' can do what they have to do ... then in all humility ... so can I! In Gratitude ... In loving service ... I AM ...

What ho, chaps! How's things in your neck of the woods?

Greetings Blossom and to Each one that resides upon the Earth plane, whether they know of us or not ... our Love still reaches out to them.

I am sure it does. A question by many is ... 'Where does the land lie regarding the Announcement? Is there still to be one?'

Indeed. For the changes that are to take place in/of Great Magnitude, pivot around this. In that ... when such a matter is brought into the open ... it's the BIG GAME CHANGER.

So, 'such a matter' meaning one thing only?

Yes.

It's got to be Huge and one, I presume, that no-one has yet 'heard about'/uncovered?

Initially, there shall be an Awakening that occurs by many of the sleeping ones. Not all ... for there shall be those who prefer to 'ignore' that which is divulged, due to not being able to access the reality of 'What is' and 'What is to follow on from it.'

You know, you understand ... it cannot be revealed by us. That would not be at all fitting.

I understand this, yet, would you be able to tell us if it is something that those who go down rabbit holes, maybe already aware of?

No.

Far out. What on Earth can it be? For even I, bobbing my cottontail down quite a few warrens, now, wonder how much deeper things can go?

Oh! A lot more, Blossom.

And you did reveal a while back that it would be announced by a 'surprise guest' or similar wording.

This is so. This is to be.

Will the guest be the shock? Or what the guest has to say?

A combination of the two.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Will the waiting for it go on for much longer? I know dates are a nono for us both yet, has it been deterred for years? Months? Days?

It has been deterred due to unexpected setbacks. Which again, cannot be given to you.

However ... each day brings you closer.

Well, whichever way you look at it ... that's a cert! The energies of souls down here are depleting for so many. The waiting, the guessing ... the uncertainties ... of ... everything. We are doing our best, yet, some days the heart has a sinking feeling all day.

Then say the Mantra more often on such days.

IT WILL BRING YOU OUT OF IT.

IT WILL SEE YOU THROUGH THESE TIMES ... NOW AND FOREVER.

I feel all I could say, I have already said somewhere along the line, and would loathe to bore! How about the Monoliths, what's happening with them?

They are all in place.

WOW. That was unexpected.

This does not mean they are ready for 'action' ... just yet. Although, it is necessary for them to 'route' themselves ... into /through the ... Earth's Magnetic Field and solidify their structures.

Through this method they are able then to connect with each other ... would we say 'underground' ... within 'pathways' of connection ... which in turn allow them to connect and communicate with each other ... in preparation for when they are 'Set.'

Set?

Yes, Blossom.

To ... go off?

In a manner of speaking.

Can you elaborate? Are they anything to do with the Announcement, for instance?

In a round about fashion. For there are to be a series of Events that are to take place, yet, it is necessary for their 'order' to be precise in calculation.

Imagine a device that one invents for fun. It is 'triggered' and perhaps a ball rolls down tubes and in turn ... knocks something deliberately placed in its pathway ... which in turn ... allows something else ... some other movement to begin etc ... are we being clear?

Yes, I get what you mean. So, is the announcement the trigger?

Yes. Yet, we would state that each 'movement' has necessary 'gaps' in between. It has to be this way and

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

you will understand why as they 'fall into place'.

To be honest ... just to get that ball rolling will be enough for most of us!

And it will, Blossom ... It will.

The STRONGEST OF THE STRONG does not just mean in ways of shining one's Light. One has to be strong in all aspects of this Game ... including patience.

I know. Yet, many feel their patience has almost run out. Nothing to be done about that!

Yes. There is. Keep building up your Strength in Truth and Light and Determination and Wisdom and Trust and Purpose and ... and ... and ...

Do you see, Dearest Ones? We feel you do, yet, perhaps are tiring.

NOW ... whilst you feel there is nothing to be done ... is the time when everything can be done ... in ways of preparing ... in ways of getting ready.

Yet, you have said we are, and we feel we are.

AND YOU ARE.

Your task in 'these days' is ...

To remain vigilant ...

To remain on top of your game ...

To keep your Light shining brightly ...

To keep repeating the Mantra ...

To KNOW you are not alone when you say it /feel it ...

To not let complacency absorb you through this wait ...

If a marathon you had trained for was postponed ... Would you sit back, eat, and 'blob'?

HaHa! Blob! I don't know why, yet, that word seems funny coming from you.

Yet, it is in 'your' vocabulary, Blossom. So, would you? Indeed not. You would keep training ... keep running ... keep on keeping on ... for to 'let it go' ... when you could hear word in any moment that it was 'back on' ... would not bode well for you.

Yep. We understand. We are just flagging at the moment. Well, a lot are. Of course, I cannot speak for all. We will keep on, of course, we will! So, back to the Monoliths, if we may? My thoughts, and we may have touched on this, is that they will be to do with 'THE EVENT'. Which 'Event' you may so rightly ask? The BIGGY! The One that may involve a Solar Flash and a HUGE WAVE OF LOVE engulfing the entire Planet and raising the Vibration immensely. You know ... that one!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This is correct. The actual 'flash' itself as it leaves the Sun ... will trigger a few of them ... would we say ... the main circuits /switchboards ... which in turn will Energetically connect with all the others, for they are all ... ready ... in place. All ready and interconnected through their routes.

Yet, what is their role? What happens when this happens?

They are of much Power ... beyond your comprehension, or anyone of Earth. When 'ignited', when 'activated' ... and 'at play/in play' ... their ENERGY will enable a huge Magnetic, Energetic, Electrical Wave ... of both Sound and Movement.

Dare I ask about the 'movement' part?

Taking your beloved Planet through to a Higher Dimension.

That's what I thought you were going to say.

This can only take place when ALL IS IN PLACE.

So, although we say the 'structures' are 'set' ... they are not programmed for any particular date. They are programmed when all is in alignment.

So then, 'The Event' will only happen, i.e., the solar flash ... whatever the whole shebang entails ... when everything is in place, also?

Yes. We cannot begin to explain the enormity of this. It is imperative for Earthly strategies to be in place ... along with certain Planetary/Star alignments ... in order for EVERYTHING to come together in THIS DIVINE PLAN. In order for the END OF THE DARKNESS and the BEGINNING OF THE LIGHT WORLD to flow into position. As you can imagine, Blossom ... the complexity of this Plan is far from a 'walk in the park.'

Yep ... I can't even begin to imagine, to be honest. That's why, I guess ... we have to keep TRUSTING and the only thing that enables me to do that, is my heart's KNOWING that this is actually FOR REAL. Sometimes, our ego questions all of this ... of course it does ... so much of it sounds utterly insane. Then, I remember, I know, that millions feel the same as me. THERE HAS TO BE TRUTH IN THAT. We didn't read it in a magazine ... we just knew it from within. Something we brought with us from Home.

Correct, Blossom. It is your Truth.

It is known that Truth's can change though.

One's Truth ... as they become wiser and more accepting to a Bigger Truth can change. Yet, the Bigger Truth remains just that ... always and ever THE BIGGER TRUTH.

You know years ago, I got so confused with you about 'Truth' and one's own Truth, etc, and ended up losing the plot completely. You just nailed it in one sentence.

Yet, years ago ... this would not have been your Truth.

It doesn't seem to be that complicated to me.

NOW.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I will take your word for it. So, then ... the message for today would be to keep on being patient?

When you say it is running thin ... how can it?

Because the waiting for the announcement or something to rock the world is taking so much longer than any of us imagined.

Yet, to be patient ... all one need do, is take a few deep breaths and smile ... and sing ... and do anything that keeps your Vibration High. For soon enough ... you will be 'Rocking all over the world'.

What? The entire Status Quo?

We understand your humour due to 'mind reading' the joke.

Mm! I wonder if everyone else will*. You know we are doing as best we can. You know we are grateful to you for helping us to keep on board. You know 'We got this' ... and you know that when it all kicks off ... we will probably be whinging and moaning about that ... because we can't get a break. Hey, deary me ... us Humans ... you gotta Love 'em.

Without question ... WE DO.

I AM THE LIGHT.

I AM THE LOVE

I AM THE TRUTH.

I AM.

In Gratitude. In Loving service. I AM.

Here we are again then! I leave today's discussion in your hands. I am Truly stumped as to where we take our conversations, at this point. Yet, where are my manners? Hello. How are you?

Dearest Blossom, we very much look forward to these discussions. We understand that each week you are hoping that something MAJOR will have taken place, in order to amp up the Energy and to dismiss all thoughts of 'The waiting Game' etc. Is this not so?

Well, how nice that would be and maybe one day ... SOON ... this may well be the case. Due to the varied concerns within emails received, I said to my husband, 'Oh, this world is such a mess!' to which he replied in his laidback fashion, 'And that's why we're here!' So simple, so True, so easy to lose sight of! I Love that man!

Wise words indeed. You are here for the ALL of it. Not just to correct this or that. Not just to bring Truths of what have been deeply hidden to the surface. Not just to change the Vibration of the Planet. Not for just one particular thing. You are in for the long haul.

YOU ... THE BRAVEST OF THE BRAVE ... THE STRONGEST OF THE STRONG ... CAME TO YOUR PLANET EARTH TO ... SHED LIGHT/SPREAD LIGHT ... ON THE ENTIRE AFFAIR! EVERYTHING.

Yes. Your world is very much so, in the deepest mess. Yet, with your assistance, you are changing that. With every thought ... with every feeling ... you allow yourselves to experience that which exudes Light and Love.

It is important that you know /understand the difference this makes.

I think we do. Even on down days we know to say the Mantra and feel its Vibration and Truth. So, where to from here?

Up! Forward! Within!

Good chat! Seriously, what more is to be said at this stage? You have told us what to do and we are doing it ... the best we can. Yet, for many, many, many souls, the world is indeed looking so bleak with threats of the dreaded jab and more lockdowns.

On the one hand. Yet, was it not so that recently, many thousands marched for Freedom? Just because it is not covered by your mainstream media, does not mean that it is not working for the Whole ... Energetically.

I guess many are worried and quite rightly so, that they no longer have control over their choices.

And this is precisely the reason why so many are speaking out against the system. The intricate web that has been spun involves so much hypocrisy.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Your world IS waking up to this fact and one's Inner Knowing, for so many, can no longer remain asleep.

More and more are questioning the system and in doing so, are finding Truths that are most shocking.

Yet, many are concerned things will not change quickly enough in order for this madness to be stopped.

Blossom, do you believe there is a Divine Plan?

Deep, deep, deep, deep, down inside I KNOW there is.

How do you know?

The feeling. This absolute KNOWING I am here to stand up for the TRUTH.

And the Divine Plan is part of that Truth?

Surely?

Are you asking us?

I don't know! I think we are asking each other!

The Knowing within, when all around seems to be of insanity, is what you CAN TRUST. That feeling that keeps you marching on. That heartfelt breath in and out as you repeat the Mantra. That, Blossom ... is ALL part of the Divine Plan.

Because YOU ... EACH ONE OF YOU are part of the Divine Plan and that is why it resonates so well ... so Truthfully to you/for you.

Yet, I find it confusing that a 'Divine Plan' has so many casualties? And I know you are going to say 'Not in the Grand scheme of things'.

You see, you have understood much.

You and I have been at this for a long time!

Yet, THIS IS OUR TRUTH. In the Grand scheme of things there are no casualties ... just the ... playing out/playing through ... of yet another role.

Try telling that to the families of the casualties.

Blossom, it is not about the 'telling'. It is about the understanding.

Life ... Love ... Light ... in/of themselves, is forever evolving. We do not consider that 'Life' passing through from one stage to another is a casualty. It is the movement of these things ... moving!

Yet, from our perspective ... down here, it FEELS far more emotional than that. It feels sometimes, that our senses are shot to pieces and it's not always that easy to pick them up and fit them back together again. So easy, with respect, for you to say all that you do ... when we are the ones in the thick of it. I'm just trying to explain that it just isn't the same 'for us Ground Crew' ... hanging on in there. I'm not moaning ... I don't think?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yes, Blossom. You are the Ground Crew and those of us who are not ... can only assist you from OUR perspective. This is what we are trying to achieve. To assist you. To offer wisdom from 'Higher Ground'.

My mind explodes with it all sometimes. Such craziness. To be able to determine/decipher/discern that which is Truth and that which is not ... would be a miracle! You told us to be discerning a long while back. Some stuff is easy to throw out immediately ... other stuff I simply don't know. It's a 'Wait and see' list that grows ever longer.

Yet, we ask you to TRUST in the KNOWING that THE TRUTH shall be revealed.

I do. Yet, as some have pointed out ... for instance ... whoever the 'Surprise guest' maybe with an announcement ... how are we even to know THAT is Truth? CGI is very convincing!

BECAUSE YOU WILL KNOW.

We have said before ... WHEN THIS HAPPENS ... THERE WILL BE NO QUESTIONING NO DOUBTS ... FOR IT WILL BE TIME!

You will KNOW by what 'appears' that the GAME IS UP/OVER.

The dark ones shall be exposed in the TRUE LIGHT OF DAY.

I, we, hold on/hold out for that! My friends ... you, who have offered us so much hope and encouragement ... thank you, Truly.

We do not spread the word of Truth for Gratitude, Blossom. We do so, because we have made it our mission, as all of you have, to be 'part and parcel' of THE MOST EXCITING TIME THAT HAS EVER OCCURRED ON YOUR PLANET.

Think about that statement, if you would.

Yes, very exciting. Yet, surely ... other times, other enormous changes must have been very exciting also. Mind you, the more one discovers, who knows what Truth lies within our history ... very little it seems!!

We state again ... We do so because we have made it our mission, as all of you have, to be part and parcel of THE MOST EXCITING TIME THAT HAS EVER OCCURRED ON YOUR PLANET.

EVER!

WHY?

BECAUSE WE, YOU, ARE TAKING YOUR PLANET INTO A MUCH HIGHER VIBRATION.

THIS HAS NEVER BEEN DONE BEFORE.

IMAGINE THE DIVINE PLANNING IN THAT!

AN ENTIRE PLANET ... INTO A MUCH HIGHER VIBRATION!

AND YOU ... THE PRIVILEGED ONES ... ARE ACTUALLY ON THE PLANET WHEN THIS TAKES PLACE!

That is going to be one humdinger of a ride. Can I buy tickets online?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Blossom ... each one of you were given your ticket before you came.

Perhaps it is in the envelope with our instructions!

Perhaps you are right!

Hold on so very deeply to this KNOWING.

THIS IS TO TAKE PLACE.

THE TIME IS COMING WHEN THE DARKNESS WILL BE GONE AND THE HIGHEST ENERGY OF LIGHT WILL COME TO YOU ...

EACH AND EVERYONE OF YOU ...

AND YOU WILL FEEL IT ...

AND YOU WILL KNOW IT ...

AND YOU WILL LIFT YOUR CONSCIOUSNESS INTO THAT WHICH IS YET UNKNOWN TO YOU.

Can you feel this as your Truth?

Do you know this as your Truth?

Well, to be honest, not wanting to bring the vibe down ... I desire greatly that this is to be so. With all that one has to contend with, regarding what is put out there for us to absorb and see if it resonates ... I TRULY, TRULY, TRULY hope that this that you say, is going to take place. I want it to be so. Obviously! We shall see!! We shall see! We shall see!

You shall not only see, Blossom ... You shall experience.

Oh, how my heart longs for this to occur. Meantime, one must put one's thigh-high wellies on and carry on walking through the manure, shovel in hand ... clearing the pathway for those who are to wake up and follow in our well-imprinted footsteps.

THAT'S THE SPIRIT BLOSSOM! THAT'S YOUR SPIRIT, BLOSSOM AND THE SPIRIT OF MILLIONS OF DIVINE BEINGS THAT ARE THE LIVING LIGHT OF LOVE UPON EARTH.

Thanks, Guys. In Gratitude, In Loving service. I AM.

11 April 2021

Hello there. I thought we'd have a break last week and give White Cloud a turn! Nice to be back with you. What have you been up to?

Welcome to you Blossom and Each one. We have been monitoring.

The state of affairs on Earth?

And all around. For we are not just 'The Overseers of the Overseers' concerning matters of your Planet Earth.

So, how much do you oversee?

A great deal. Galaxies a plenty.

Really?! ... and you have the time to chat with me?

Yet, as you know Blossom, we are not just chatting with you, we are able to reach many through you ... and those that we reach are ever growing in numbers and therefore, uplifting the Vibration of your Planet ... which of course is our purpose of communicating with you.

So, do you chat with other 'Blossom-like' Beings on other Planets?

We are in communication with many and those that it is necessary to do so. Yet, in Truth we would say, that our main focus is upon your Planet at this time ... for there is much to 'Rectify' and 'Take care of'.

A lot to oversee! How exactly is that done?

In many varied and complex ways. Yet, technology allowing us to 'view' your situations is very much an acceptable and integral part of the journey ... you/we ... are on.

So, when you view us ... do you see us as we do?

This, of course, is possible on monitors and such screening devices. Yet, our overall participation is from an Energetic viewpoint ... and this we are able to measure with instrumentation that is far beyond the knowings of those upon Earth.

So, should you see things going Topsy Turvy ... what do you do then?

We continue to monitor. As you know, we are not here to 'step in and rectify' ... that is not our position. Yet, we do have permission to do as we do, in assisting your souls ... playing the role as Human Beings ... as one aspect ... to REMEMBER WHO YOU ARE IN YOUR LIGHT AND TRUTH. Which then in turn, allows

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

your Planet to increase in Light. Which in turn ... brings about the Divine Plan that is neatly and securely in place.

Ok. So ... many are feeling dizzy and having vertigo symptoms at this time. Am I assuming correctly that this is due to Higher Vibrational Light Energies coming through?

This is correct, Blossom.

So, who is responsible for 'letting the lid' off that, in order for the Energies to pour down?

We see what you are asking ... and yet, we would answer by saying that there is not a 'particular crew' that has this responsibility. The fact that these Higher Energies are pouring in is due to 'Evolution', in a sense. Divine Alchemy ... would we say?

These Higher Energies have evolved into such, due to the natural course of the Divine Plan.

I can feel this is going to get tricky, because I want to ask who devised the Divine Plan? In the knowing and understanding that God is 'Love' and not a person sitting at a desk with pen and paper writing this plan down!

LOVE devised it ... And indeed, Blossom, this will get tricky.

LOVE ... IN/AS/OF ITSELF ... IS OF THE HIGHEST INTELLIGENCE IN EXISTENCE.

AS LOVE ... it recognised the very low vibration of itself that your Planet has been experimenting with ... and due to the lowest level and harm that this experimentation has created ... LOVE ... in/as/of itself, 'FELT' the absolute NEED and DESIRE to change course from this degradation and abhorrence.

So ... LOVE ... in/as/of itself, FELT it necessary to let LIGHT, once again, reign ... over /through ... your Beloved Gaia.

Once that decision was in place ... just that very thought of recognition ... put the Divine Plan in place, in order for its transition from dark to Light to weave its magic.

Divine Intelligence works ... in/as/of ... itself.

So, Love is an intelligence without a ... 'soul/brain' ... if you see what I am trying to get at?

LOVE IS EVERYTHING.

LOVE IS THE ONE TRUE SOUL ... THAT EACH AND EVERY ONE OF YOU STEMS FROM.

Consider this word 'Stem'. It grows from a root and branches out.

In essence ... you have been given the honour and privilege to ... go/grow ... forth from the very roots of the ONE SOUL ... OF/THAT IS ... LOVE and through your experiences ... report back through ENERGY ... the extents to which you have reached. Are you following us?

Yes. So, is it through 'our' reporting back that decisions were made to make this change?

Indeed. Yet, take into account also, that the branches spread far and wide and into every possibility of Life itself.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

So, for terms of understanding, we would say, that perhaps, Planet Earth was created from seeds that fell from a branch from the ALMIGHTY STEM. Perhaps 'other' seeds fell from 'another' branch which created another Planet. Each 'species' depending on the seed that fell and where ... creating its own agenda, as an experiment of Life in its different forms ... to see what design would 'Blossom' from its original blueprint.

I think I am following. I ... think!

You see, Blossom, LOVE IS LIFE.

Where there is LOVE there is LIFE.

Where there is LIFE there is LOVE ... in many billions, upon billions of Vibrational Frequencies. Ever changing. Ever evolving. Ever experimenting ... for EVER and EVER ... in all its multiple equations.

Oh, don't get me on to maths! You know I shall pass out. Yet, when you say equations ... is it literally ALL derived from equations?

No. It is ALL derived from LOVE.

Yet, in order for a design to express itself, it needed a format to follow to bring it into existence.

So then, ... Doh! ... I don't even know how to form the question!

Let us help you by giving the answer. Yes. Every Vibrational Frequency has many equations to make it arrive at a 'place'. Yet, keep in mind too, that with every breath ... the equation alters ... due to every thought ... that everyone is having ... at any given moment ... of that breath.

So, how can an equation ever arrive at a 'place'?

Because it does so within every moment of a breath ... and a thought ... and most of all ... A FEELING.

Would we best put it, as the FEELING being 'the place' ... the answer to the equation ... that may last for yet another breath ... a moment ... not in time, for there is none ... yet, a moment ... of experience.

WOW! My head is exploding, yet, not. For I Know it is impossible to even grasp the enormity of it.

Yet, even though in your physical human existence, you may feel this is so ... remember too, you were part of its creation.

So, we shall now return to the point of no return.

I AM THE LIGHT. I AM THE LOVE. I AM THE TRUTH ... I AM ... MRS CONFUSED OF NOOSA!

Within the Divine Intelligence ... the Divine Plan that is in place upon your Planet ... and may we add, as many know ... that the journey of this transition and indeed, its outcome and destination ... as/in/of ... its next phase of itself ...

AFFECTS EVERYTHING.

Because EVERYTHING is part of EVERYTHING ... NOTHING ... CAN BE/ IS ... OUTSIDE OF LOVE ... because

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

EVERYTHING ... IS IT!

Yep. So, the point of no return ... is?

NOW.

Meaning?

Within this Divine Plan ... due to Love itself 'making the decision' that the experiment of darkness, on your Planet in particular, is to go no further ...

THE LIGHT that is filtering through ... combined with the LIGHT ENERGIES of YOU ... EACH ONE ... is anchoring into the very CORE of the LIFE SOUL that is known as Mother Earth.

THIS ... WE MUST ADD ... IS HEALING HER FROM WOUNDS THAT WERE PUT UPON HER ... DUE TO BEING A PART OF THE EXPERIMENT OF HUMAN EXISTENCE.

SHE LAY THERE AS THE ROCK TO BE BUILT UPON ... AND THROUGHOUT ALL ABUSE INJECTED INTO HER ... DOES SHE NOT HAVE THE STRENGTH TO GIVE YOU SUNSHINE ... FLOWERS ... WIND AND RAIN ... OCEANS ... BIRDS... INSECTS ... LIFE ... MAMMALS ... IN ALL THEIR GLORIOUS BEAUTY?

THIS STRENGTH THAT IS ... WITHIN/OF HER ... IS ... WITHIN /OF YOU ...

FOR YOU ARE FROM THE SAME STEM ... THE SAME BRANCH ... THE SAME SEED.

And NOW ... Life Love itself has decided that the darkness has had its experimental time ... and that a HALT has ensued.

THE GLORY OF THAT WHICH IS LIGHT LOVE ... ON A HIGHER FREQUENCY OF BEAUTY ... AND GIVING ... AND SHARING ... AND PARTICIPATING IN ALL THAT IS GOOD ... IS THERE AWAITING YOU.

KNOW IT ... BE IT ... EXPERIMENT WITH IT.

OH! THE JOY THAT IS TO COME.

THE JOY THAT IS WAITING TO SERVE YOU ... AS YOU SHALL, IN TURN, SERVE IT.

As the saying goes ...

'YOU ARE THE ONE'S YOU HAVE BEEN WAITING FOR' ... AND YET 'NOW', THE WAIT IS OVER ... AS EACH ONE RECOGNISES THAT THIS IS SO ... AND THAT YOU WERE 'THERE' ALL ALONG.

SUCH STRENGTH REQUIRED ... TO MAKE THE CHANGEOVER.

SUCH STRENGTH YOU HAVE.

THE MORE YOU ACCEPT AND UNDERSTAND THIS AS YOUR TRUTH ... THE MORE GIFTS UNFOLD AS YOU RISE UP.

AS YOU SEE YOUR MISSION THROUGH.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

AS YOU BECOME THE BRIGHTEST LIGHT ... THAT AS ONE ... SHALL LIFT EVERYTHING BECAUSE:

AS YOU ... ONE PERSON ... UNDERSTAND THAT THE LIGHT LOVE THAT YOU ARE CAN MOVE MOUNTAINS ... THEN YOU UNDERSTAND THAT AS AN INDIVIDUAL ... TOGETHER AS ONE ... YOU CAN MOVE YOUR BELOVED PLANET EARTH INTO HER NEW HOME.

Beautiful Guys. So encouraging. Thank you. In Gratitude. In Loving service. I AM ... still a little bit confused ... I think ... or maybe not. I don't know!

18 May 2021

Hello! Well, the last time I spoke with you, I had no idea how topsy turvy my world would suddenly be. Not sure how this will go, if at all, yet, would like to try. How goes it with you and indeed, out there in the world that seems to have lost all reason?

Most Precious Soul, naturally, we have been and will continue to be with you during this unexpected turn in your circumstances.

Thank you. Of this, I felt sure. Along with the Love from our entire Family of Light, both on and off Planet, I feel so very Blessed.

Let us speak of matters that will include All, if we may?

My purpose entirely of today's chat.

We speak and shall continue to speak of Love. For in All that is taking place in your world of such wretchedness, there is no other antidote.

For Each and Every Soul that walks this Planet at this time ... the benefit of KNOWING LOVE ... IN/AS /OF ITSELF ... ON A WHOLE NEW LEVEL, is the way to bring you from this place of unknown concerns, into a place within the self of absolute KNOWING and surety.

KNOWING ... THAT ALTHOUGH ALL AROUND FEELS TO BE BEYOND THAT WHICH ANY COULD EXPECT ... THE POWER THAT LIES WITHIN EACH ONE ... OUTWEIGHS ABSOLUTELY ANYTHING THAT ONE IS CONFRONTED WITH DURING THIS CHANGE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

CAN YOU NOT FEEL WITHIN THE CHANGE, THE STRENGTH? THE DETERMINATION? THE DEPTH OF WHICH YOUR BEING FEELS THIS KNOWING?

Well, to be honest, yes, I feel an inner strength. Yet, that which is being revealed regarding the 'needles' alone, is enough to want to move to another Planet. One simply cannot comprehend how our world has changed in the last 18 months and the insanity that has now become 'the norm.'

Yet, did we not say to you of this ... and more to come?

You did. You also spoke of a Huge Announcement! One is still waiting ... for this ... and indeed Phase Two and world lockdown. Yet, with so much turmoil who knows what's what!

The Announcement, followed by many ... is, without doubt, awaiting 'All systems go'. Turns within events have repercussions and cause delays.

YET, WE CAN SAY FERVENTLY, THAT THE DIVINE PLAN THAT IS IN PLACE ... IS STILL IN PLACE.

It does seem to go on and on ... and as always ... nothing that is spoken of has happened. I have been off the radar with you for almost a month ... no change!

Yet, so much that cannot yet be seen or told.

Well, one has to keep on Trusting in that. I know I've asked this before, yet, what advice would you offer, that hasn't already been offered?

Dearest Souls, there is nothing new to say. Your patience is something that has to be accepted 'As is' ... and within one's patience ... the LOVE and the STRENGTH within shall continue to grow.

The Strongest of the Strong was not just 'strength' in 'one department', yet, in All ... and patience requires much strength in these times.

So, is it then that we just have to keep 'trudging on'?

We would prefer it if you skipped.

Our boots seem to have lead weights in, at times.

Then remove not only the weights, yet, the boots.

You know yourself, Blossom, from these past weeks, that what is taking place 'outside' of your individual space has been of little consequence, due to your intense circumstance. Is this not so?

Yes, yet, that doesn't mean to say that we can all just switch off from what is going on out there. We need the forces in place to show we won't put up with it.

This is so. Yet, there are many who prefer to delve deeper than deep, only to find a dead-end or 'of no consequence' when it came to it. Our point being, Blossom, as we have said over and over ...

THE WAY THROUGH THIS ... AND THERE IS A WAY THROUGH THIS ... IS TO HOLD YOUR LIGHT.

How best to do this?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

By Enjoying yourself to the best of your capability, within whatever circumstances you find yourself in.

**THE WAY THROUGH THIS IS TO KEEP THE VIBRATION OF SELF AND ALL THAT IS ... FREQUENTLY/
FREQUENCY HIGH.**

Yes, with respect, we know this and each one of us are doing our very best. Yet, we cannot pretend that all this 'out there' isn't going on.

Yes, you can. Of course, you know that it is. Of course, you know that your Light can conquer all darkness. Yet, here and there, for as long as you can hold your dreams at any given time ... go inside of them and play. Go inside your dream of your future and bask in its sunshine.

A DIFFERENT KIND OF SUN. A DIFFERENT KIND OF FEEL TO EVERYTHING ... EVERY BREATH.

BE IN YOUR DREAM ... EVEN WHEN YOU ARE IN THE STARK REALITY OF YOUR PLANET'S TRANSFORMATION.

LIVE YOUR DREAM WITHIN THE FEELING OF WHO YOU ARE.

Much is easily forgotten when density of Vibration hits.

YET, SEEK GRATITUDE ... SEEK JOY!

BE GRATITUDE ... BE JOY!

Remaining in Love with Life, instead of falling out of Love with it, due to matters at present out of your control, is part of your journey. It was part of your training before you arrived.

So much has been 'planted' to steer you away from who you are ... YOUR TRUTH. Yet, you have to keep going inside yourself.

YOU HAVE TO KEEP HOLDING ON AND REMEMBERING THAT WHICH YOU ARE ... WHO YOU ARE ... THE ESSENCE OF LOVE.

You are indeed, here on Planet Earth on the Highest mission.

YOU ... YES, EACH ONE ... DO YOU FEEL YOUR IMPORTANCE?

DO YOU COMMEND YOURSELF FOR BEING ONE CHOSEN TO BE HERE NOW? Because YOU were One that had the wherewithal to accomplish and complete, that which millions of you landed here and came to do.

How prized you are!

How absolutely honoured you are ... by All!

YOU ... THE STRONGEST OF THE STRONG.

Now is not the time to give up / to give in ... to allow the darker, lower energies to overcome you and deplete your Light.

No, no, no!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

NOW IS THE TIME ... MORE THAN EVER ... AS THE GOING GETS TOUGHER AND TOUGHER ... TO 'SHOW THEM WHAT YOU ARE MADE OF' ... THE HIGHEST PUREST LOVE.

That is why YOU came ... because THAT is what you knew /know yourself to Be.

YOU ... that could ride through the greatest storm ... and remain in strength.

Remembering your call ... Yes. YOU! EACH ONE!

Have you changed your mind? Of course not!

REMEMBER! REMEMBER! REMEMBER!

YOU KNEW THIS WOULD BE LIKE THIS. YOU JUMPED ON BOARD WITH SUCH ENTHUSIASM.

FIND IT.

GET IT BACK.

FEED THAT ENTHUSIASM AND COURAGE WITH YOUR DETERMINATION TO BE THE BRIGHTEST LIGHT THAT YOU CAN BE!

REMEMBER! REMEMBER! REMEMBER!

Do not allow 'It all' to bring you down ... to fill you with disbelief and despair. No, no, no!

Allow 'It all' to make you even more determined.

THE WORSE IT GETS ... THE STRONGER YOU BECOME!

THE WORSE IT GETS ... THE STRONGER YOU BECOME!

THE WORSE IT GETS ... THE STRONGER YOU BECOME!

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

Ha! Don't think for a minute I had forgotten that little puppy! Over and over and over and over and over ... It has seen me through the scariest of moments lately!

Another reminder, Dearest Blossom and All, is to FEEL THE LOVE AND THE CHANTING OF THE MANTRA alongside many thousands of you ... as ONE.

So, when you repeat it over and over ... FEEL the voices of all other souls, carrying their voices across the ethers to harmonize with yours.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This is of such credence. Such establishment.

Odd words?

Yet, correct.

Ok. It feels good to be back in your presence, I have to say. Nothing new ... with respect. Yet, just to have you reiterate that which we know keeps us uplifted.

Yet, has it not been that many have missed our conversations greatly?

It seems so.

There are reams and reams of our conversations to be read freely on your website. To revisit into years gone by can also do the Soul much good.

We would add that many have realized their own strength by NOT having these conversations readily available of late.

Yes. I reckon so. It is a good thing to mention about past channellings. Twelve years or so worth! Many may be amused about how poignant/similar they are for today, as well as way back when. I say this, as our chats may be very irregular and intermittent, indefinitely, compared to how we have always been. Yet, like today, the opportunity arose and I took it ... and I guess it shall be like that from now on.

You are a Brave soldier, Blossom Goodchild.

Thank you. WE ARE ALL BRAVE. WE HAVE TO BE, IN ORDER TO WALK OUR TALK AND MOVE FORWARD. Yours and White Cloud's teachings have made such a difference to us all. It is when faced with incredibly difficult times that we recognize just how much you have helped us on our journey. For which we are ALL IMMENSELY GRATEFUL. For I know that many, many, many souls are experiencing hugely traumatic times, on top of everything else that is going on! As if that wasn't enough, alright, already! Yet, I still have to say ... WE GOT THIS!

You wouldn't have been chosen unless you could uphold that statement! Our Love ... in/of ... its Highest Purest Energy is sent to Each One.

FEEL US.

KNOW US.

AND SO IT IS.

We look forward to the next Golden opportunity to speak with you again.

Oh, and me too! Thank you so very much. In Gratitude. In Loving Service. I AM.

30 May 2021

Hello, Chaps. I thought I might give you a bell ... see if you're home?

It is, indeed, an Energy exchange of which we have been expecting and looking forward to. Not just for communication with you, Dearest Blossom, yet, to connect up, as we like to do, with All Souls who find our words to be of comfort and encouragement.

Thank you. A lady wrote in to ask if you were able to explain what 'I am the Truth' really meant? One is aware of 'The Light, The Love ... The I Am, yet, what is the significance of 'I am the Truth?'

And yet, we would say that both the lady inquiring and indeed, Each One ... KNOWS the answer.

FOR THE TRUTH IS WHO YOU ARE!

THE TRUTH IS EVERYTHING THAT IS LOVE.

THE TRUTH IS THE ULTIMATE OF THAT WHICH LOVE IS.

It goes far deeper into your Being than that of 'Not knowing what is Truth and what is not' within your world today, and all that is spread around to confuse.

In a sense, it is a different kind of Truth.

IT IS THE KNOWING INSIDE YOU OF WHAT LOVE IS.

THE COMPLETENESS OF ONE'S BEING.

THE WHOLENESS OF ONE'S BEING IN ALL OF ITSELF.

When one repeats the mantra from the deepest place within their heart ... when one can FEEL the absolute Knowingness and Power within these words ... then THEY KNOW what 'I AM THE TRUTH' means.

Does this make sense for you/to you?

Yes. For me, it is definitely about the feeling of Knowingness that takes our Spirit to another place. No matter whether we are simply just saying it to build strength, or whether it is for a particular circumstance that is taking place.

You see, Blossom, we would liken it to, when in days gone by, a child had to learn their Times Table in the Knowing it would see them through many an unexpected moment, or simply be a 'base' for one to refer to when needed. It is the same with the mantra. You KNEW it before you came and you Knew that once it had been re-presented to you, it would be your 'Go to' in any given moment of any given day.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This is why it feels so familiar. So strong. So complete for you.

Thank you. Due to my present circumstance, all things going on in the big wide world are not so 'In my face', yet, I have been made aware of quite a few things, obviously. I know both you and White Cloud said that it will be when things seem so topsy turvy, that things will turn around ... great changes will come. Surely, we are at that point?

Not quite.

How bad, how insane is it going to get?

To a point when all Nations will be in turmoil about the same thing and different things. It will reach a critical point when souls have reached their 'desired' awakening ... which will be different for Each One.

Then, and only then will the tide turn.

Yet, why do we have to wait until it gets that bad? Why not put an end to all this madness, now?

Blossom, there have been many times upon your Planet when human Beings have felt the same, for one reason or another. When sanity and all reasoning seem lost. Yet, as flippant and as nonchalant as it may sound ... within the chaos, one's Being finds the TRUTH of who they are?

For some ... not all!?

If that is a question, we would say 'correct'.

For me, and many I know, one cannot help but wonder what is the point of 'anything'! It is all SO RIDICULOUS! I mean, if it is that the elite's agenda is to wipe out a great deal of the population ... why can't those like you, for instance ... just wipe out the elite? Why is it allowed to even get this far?

For many reasons. The lid has to be blown off the boiling pot in order for all that is ... all that has been taking place ... to be revealed

Why ... why the wait?

Because of so many, many things that are in place to follow, when it does. If the lid is removed instead of blowing off, the plans that come after would not be able to take place ... to have the desired outcome.

Oh, if only we could understand. Well, I think deep down inside we do. Yet, as always it is the waiting. The expectancy. It is interesting ... three times in the past, say 15 or so years ago, different 'readers' mentioned that Goody (my husband) would be/was ill. I can't remember exactly how it was given, yet I laughed it off, as so many years went by and I thought 'Well, they got that wrong!' Now, I see they hadn't got it wrong at all*. It brought home, even more, the 'No time' thing! A lot of us struggle with that at the moment, being told so much is to happen and as yet, it hasn't.

This is correct, Blossom. Everything is happening at once.

So we have been told. Yet, it is difficult to grasp. It is just too mind-blowing to comprehend because not only is it happening at once, there are parallel lives, timelines, other dimensions ... and then ... there is the free will to change one's thoughts, which go off down another pathway, and yet, it is all going on now!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Correct. Yet, for the purpose of our discourse this day, we would like to remain in the present ... of this time ... in this moment ... where Each One is aware of their focus, here on Planet Earth and why they are here.

All of which you know and although many think you do not understand ... you do.

YOU KNOW YOU ARE HERE TO LIFT THE VIBRATION OF YOUR PLANET INTO A HIGHER FORM.

YOU KNOW IT IS THE BIGGEST THING THAT HAS EVER BEEN UNDERTAKEN UPON PLANET EARTH.

YOU KNOW YOU WERE CHOSEN FOR THIS MISSION BECAUSE YOU ... EACH ONE ... HAS THE STRENGTH AND THE WHEREWITHAL, NO MATTER WHAT HAPPENS ... TO CONTINUE BRINGING THE LIGHT AND THE LOVE THROUGH YOU ONTO/INTO THE PLANET ... INTO THE CORE ... INTO EVERY FLOWER AND BLADE OF GRASS ... INTO EVERY MOMENT AND MOVEMENT OF BREATH THAT YOU TAKE.

YOU KNOW YOU ARE WARRIORS OF LIGHT.

YOU KNOW YOU WILL COMPLETE THIS MISSION.

DO YOU NOT?

Well, yes! Yet, many felt the same and are now, no longer on the Earth plane.

Yet, continuing from elsewhere.

So, the waiting for an Announcement, let alone an Event, simply may not happen before some of us who feel we are to be here ... may not be?

That would depend on the soul's contract.

Yet, the desire, the Knowing, can be so strong for many. I have a friend who is 94. She is waiting patiently like us all! It's the frustration, I guess, as the world gets madder.

Yet, as the world 'appears' to be getting madder ... the sanity is returning to those who are choosing to wake up.

It sure takes an alarm clock the size of Big Ben to make some even blink an eye.

Yet, this is EVOLUTION.

Yet, it has already taken place ... as has everything. Too mind-boggling that life is never-ending. So, evolving would bring about newness, expansion of Love itself. How can that already be in place?

We would leave you with the answer of ... 'Thought'. It is indeed, too expansive to even begin.

Yet, people who have had 'Near-Death Experience's' have understood all this in one moment.

As shall Each One ... and then forget... and then remember ... and then forget and then remember ... as each soul and aspects of soul ... journey and experience yet another moment down a pathway of never-ending Beingness.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

The Energies are so much stronger now and shall continue to expand in/of themselves.

THIS IS A VERY GOOD SIGN ... as it is a sure way to know that 'Events' are drawing ever closer.

Lovely ... only 200 years to wait then! I am trying to be humorous, not facetious.

This we understand. Yet, can you not feel these stronger Energies?

Yes. I saw the most beautiful rainbow the other day and the Love within the colours brought my heart to tears. It is when one feels that way about nature that one just KNOWS that our Truth is still around and within.

Blossom, it cannot be otherwise. FOR YOU ARE TRUTH ... ALL OF YOU.

Even the baddies? Surely not.

YES. FOR EVERYTHING IS OF LOVE ... EVERYTHING.

Although, those you call 'The baddies' are appearing to be other than what is 'Your Truth' ... they originate FROM TRUTH ... FROM THE I AM OF WHO YOU ARE ... EACH AND EVERY ONE ... EACH AND EVERY THING.

It would be so cool to pop off somewhere, suss it all out, remember it, and then pop back into this life.

You know you can. You know you do.

I can't say I remember it. I don't!

Yet, bit by bit you are recalling.

Bit by bit you remember.

And when all is said and done, Blossom ...

THE ONLY THING YOU NEED TO REMEMBER ... IS THAT ...

I AM THE LOVE.

I AM THE LIGHT.

I AM THE TRUTH.

I AM.

THIS IS ALL YOU REALLY NEED TO KNOW.

THIS IS TRUTH IN/AS/OF ITSELF.

Gotcha! Thanks so much. Until next time. In Gratitude, In Loving service. I Am.

- My husband was found to have a brain tumor six weeks ago ... The journey continues. Thank you to each one for your continuous Love and support. I know it is making a huge difference ... to us both!

Hello! I found another window in which to have a chat! Wondering what you may have to say on any given subject that appeals today?

Welcome Blossom, Welcome All. We are indeed surprised that you found this window and we are more than excited to jump into this opportunity. Regarding that which appeals, it would probably be of quite a different choice to many that read these words and desire to know more of what and when and how everything is to turn around upon your Planet.

Ok. What is your choice then?

We smile, for it is no different than usual.

Oh, I thought you were going to come up with something brand spanking new.

Perhaps we are. For is it not, Blossom, that all things that are of a revised nature can be looked upon as 'new' when perceiving with new eyes and new perspectives?

I guess so. Is it this way for us now then?

We would say, yes, it is. For since the latest moon and the Energies and transformations that occurred within/during that time ... many of you have found that you are reaching greater Heights within your Beings regarding the understanding of what is taking place.

We do not mean necessarily, of what is taking place on your outskirts, your outer world, yet, that which is moving along so beautifully within YOU. YOUR TRUE SELF. YOUR INNER SELF. YOU that are here to follow through your desires and dreams of the transformation. The ridding of the old and the accessing of entirely NEW Energies and circumstances, that shall allow your Inner Glow to Brighten even the darkest of times.

Can you not feel this 'assistance' from these Higher Energies working with you on a different level?

Well, I can only speak for myself and in this time frame, I feel I am 'coping' very well with that which I am confronted with. I put that down to the continual record of the I AM MANTRA running through my veins.

And yet, it is this Mantra and its POWER that is 'hooking up' with the Extreme Force of NEW Energies and Frequencies that are 'meeting up' with Each One, that is allowing so much to transform within the self.

Many, many souls are experiencing profoundly challenging circumstances, on top of the 'trauma' that is taking place upon your Planet. As your world becomes more and more 'turned on its head' the pressure of this, added with personal dramatic issues are combining to bring about immense turbulence ALL TOGETHER.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Why? Why do we need to have the 'added extra' of the personal stuff?

If we were to say simply 'to make you stronger' how would you feel?

Annoyed! We can become stronger by walking in the sunshine and taking deep breathes of joy and wonderment.

Then we will add to that. For not only are these pressures upon you presenting themselves to make you stronger ... they are coming to you so that THE YOU THAT YOU TRULY ARE can emerge from the cocoon into the butterfly.

Yet, as I say ... why do we have to do it the hard way? Personally, the hard way has never been in my book of 'Ways to sail through life'.

Yet, you yourself, Blossom have had, like many, difficult chapters in your book, have you not?

Not nearly as big as some.

Yet, would you not say that it is through those hardships, confrontations, traumas, upsets, loss, etc, that you have come through them and KNOW that it was such things that made you the person you are today? The Strong Soulself that reveals itself to itself, more and more as these 'situations' come and go?

Yes. That is correct.

Then KNOW NOW, that one is being prepared for the Strength within to rise to the surface.

A STRENGTH LIKE NEVER BEFORE IS TO ARISE FROM THE SOUL AND FILL ONE'S BEING WITH A POWER THAT COMES FROM SOURCE.

A DIRECT LINE FROM SOURCE ENERGY THAT ENABLES YOU TO GET THROUGH THESE COMING TIMES.

WE HAVE DONE OUR UTMOST TO PREPARE YOUR BEINGS FOR THAT WHICH IS TO COME.

WE TOLD YOU ... YOU WERE READY AND YOU ARE.

You are ready and yet, these last 'chapters' before the lead up to the finale will increase in intensity ... in order for the play to reach its climactic ending.

May we say, the sequel will have an entirely different Energy. For within the New Dawn ... that which you are having to endure in these times, will play no part in the New Kingdom.

Interesting word to use, 'kingdom'?

Yet, we Enjoy it. Dearest souls ... understand how extraordinarily well you are doing.

This breakdown of orders that have ruled your Planet cannot help but bring about disruption and disorder. So much confusion of what is and what is not.

YET, AMONGST ALL THIS CHAOS, YOU STAND STRONG IN YOUR LIGHT FORM.

In your Hearts, you still remain steadfast in the KNOWING that you are here for a specific reason, and no

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

matter how long and drawn out it may 'appear' to be ... 'time', as you know it ... bares no relevance to the actuality of Truth that is within you.

THE TRUTH THAT TELLS YOU TO HANG ON.

Yep ... there is that! For no matter what I see taking place outwardly and all the absolute nonsense that is presented ... nothing can take that KNOWING away. The KNOWING that all this that you say IS TRUTH. I, personally, can feel it in my heart. Like everyone, I have moments of 'what if this is all going down the proverbial drainpipe and all that we think we are here for, here to do, is not the case at all, and we are all to disappear into an oblivious mass of an automated robotically controlled species?

Is that what you think? Have you had such thoughts?

Well, it's possible, is it not?

Only if the Consciousness that is NOW, chose it to be ... and we state quite categorically ... THIS IS NOT THE CASE.

I KNOW! Yet, the odd thought pops in as a possible outcome, when we are only presented with the world going up 'poop creek' without a paddle, or indeed, a life jacket!

Yet, you Blossom, you and Every Being that has awakened and every Being that shall waken ... ARE THE PADDLE ... YOU ARE THE LIFE JACKETS.

You, Each One ... are the Light Bearers that are here to turn the boat around and with all might, steer your Planet into the new waters.

Waters of calm, mirrored glass, where the reflection of the sun shines Light as far as the eye can see.

YOU ARE THE ONES TO DO THIS.

And although you may feel trapped in the gallows and helpless at this moment in time ... the rumblings within ... the time when the shackles fall and ALL OF YOU come out into the Light that shall be upon you, is so very soon now.

FEEL THIS TRUTH WITHIN OUR WORDS.

I do. I always have. It is the 'very soon now', that I am not so sure of. Yet really, it will be when it will be. There is nothing we can do to change that. So, we shall carry on regardless. Being out of the 'loop' lately, to be honest, has been so interesting. From the point of view of realizing that no matter where we are, or what we are doing ... basically our Light and the shining of it, is all that matters. Not listening to the goings-on and the possibilities has been a welcome release. For all that I had heard in the last year has not come to fruition either! I get what people/you mean by not going down too many rabbit holes. For, what will be, will be ... and when it is being ... we will surely know about it and know what to do.

Indeed. Each individual has their own path to walk, of course, Blossom. Yet, without question ... whether one lives in the outback with no internet, or, one spends all hours of their day looking into matters that may or may not be Truth, written by souls who may or may not be of the Light ... at the end of the day ...

WHEN IT IS TIME TO STEP INTO ACTION ... none of that which you know or don't know will matter. For you

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

will simply KNOW WHAT YOU HAVE TO DO AND YOU WILL DO IT.

YOU WILL DO IT IN LOVE, LIGHT, AND TRUTH.

BECAUSE YOU ARE THE BRAVEST WARRIORS OF LIGHT AND YOU ARE THE STRONGEST OF THE STRONG.

WE ARE WITH YOU IN LOVE, TRUTH, AND STRENGTH.

Actually, I shall have to cut this a little short. My apologies. Thank you so much. In Gratitude. In Loving service. I Am.

(This channeling got cut short, (on my end) and I haven't had the time to reconnect. So, better 'something' than 'nothing' and better late than never. Hope to have better luck next time. Many thanks)

Good morning to you. Another opportunity not to be missed. I seem to be becoming more and more aware of the illusion and yet, it is very different from what I thought the illusion was. Maybe there are many. In that, the darkness is hidden so strongly in plain sight, and we consider it all normal. Is that how you would refer to the illusion?

Good morning to you, Blossom, and all Being's upon the Earth plane who have found their way to these words.

EACH ONE OF YOU, SERVING YOUR LIGHT ... OFFERING YOUR LIGHT ... TO THE HIGHEST GOOD /FOR THE HIGHEST GOOD ... TO BRING YOUR PLANET INTO ITS HIGHER PLACE ... WHERE DARKNESS CAN RESIDE NO MORE.

Regarding the illusion YOU are speaking of, Blossom, yes. That is one of many ... and we consider this conversation may boggle your mind a little.

Oh, boggle it away!

You are correct in that the darkness has subtly and surreptitiously weened its way through to that which one considers 'The norm.' The hidden agendas, the hidden symbols, the hiding of so much that

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

is darkness, is not really hidden at all, in many circumstances. Unfortunately, it is that the senses have been numbed through many cleverly concocted devices and schemes and unsuitable managing of what enters both body and mind ... to such a degree that it is not recognizable. So cunning are the ways of the dark.

What is taking place now as the darkness falls away, is that those who have Awakened to the 'goings on' ... those who have opened their hearts to the KNOWING OF THE TRUTH OF THEIR BEINGNESS are able to 'begin' to see through this disguise.

The veils are lifting as one feels their TRUTH and Each in their own way and in their own time, can shine forth in a Light and a Strength that before had felt so far removed from their reality.

Yet, the reality of TRUTH WITHIN THE SOUL ... is Awakening more and more ... and as one recognizes and sees through all that IS taking place, all that HAS taken place ... the KNOWING of why they are here and why they are chosen to be here ... 'Hits Home'.

The more one has opened up to the KNOWING of what has been going on under one's very nose ... the more one begins to understand just how POWERFUL ONE MUST BE IN ORDER TO SHATTER THIS ILLUSION.

Not only must it be shattered, yet, every single particle of it swept away.

In this instance, we speak of the dark ... assumed by those asleep ... to be the Light ... when that is so far from the TRUTH.

IT IS ONLY WITHIN YOU ... INSIDE OF YOUR HEARTS ... AS WE HAVE BEEN EXPLAINING TO YOU ... (THAT WHICH YOU ALREADY KNOW) ... THAT YOU ARE ABLE TO REALLY 'COTTON ON' TO THE REASONING BEHIND WHY YOU ARE HERE.

WHEN YOU WAKE UP TO THE EXTENT OF DARKNESS THAT PRESENTS AS LIGHT, THEN AND ONLY THEN, DO YOU APPRECIATE THE NEED OF YOUR BEINGNESS TO BE HERE ON THIS PLANET, AND BRING FORTH FROM WITHIN YOU, EVERYTHING THAT YOU ARE!

THE BRIGHTNESS OF THE LIGHT THAT YOU ARE.

THE STRENGTH OF THE LIGHT THAT YOU ARE.

THE TRUTH OF THE LIGHT THAT YOU ARE.

THE POWER OF THE LIGHT THAT YOU ARE.

Can you feel this, Dearest Souls? Do you understand the need, the necessity to feel this from the Source within you? The Source from which you derive?

Only when you begin to understand this in a 'DIFFERENT LIGHT' can your strength gather.

When you Truly consider the illusion ... the lies ... then you Truly must consider also, the extent to which/ of which ... YOUR POWERFUL LIGHT MUST SHINE.

LIGHT BREAKS THROUGH DARKNESS.

GOOD CONQUERS EVIL.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We understand that so many, for so long, are frustrated and tired with all the waiting and it seems that the darkness is still very much in control.

Yet, we ask you to think again, Dearest Ones. Think about YOU and how far YOU have traveled in your understanding ... in your Truth ... in your Knowing that YOU are here for a reason.

Think about it. Do you KNOW this to be as a Truth?

Do you TRULY KNOW that YOU ... Each One, that is here upon the Planet ... has to be THE STRONGEST OF THE STRONG in order for your Light to win through? To pull down the darkness? When you consider what this actually means, what this actually involves ... then you surely must consider too, the TRUTH OF YOURSELF?

Each One of you being CHOSEN because you have it within you to WIN THROUGH.

SO, WE ASK THAT YOU NOT SIT AROUND FEELING FORLORN OR DESPONDENT AS YOU WAIT.

WE ASK THAT YOU TAKE DEEP BREATHS AS YOU BUILD MORE AND MORE UPON THE KNOWING OF:

I AM THE LOVE.

I AM THE LIGHT.

I AM THE TRUTH.

I AM.

Please allow yourselves to accept that you are MIGHTILY STRONG. Not just Strong yet, MIGHTILY STRONG. You ... have to /had to BE ... in order to be chosen to be here NOW.

And it is NOW that you have to accept this within/of yourself.

While you wait, while you consider all that is to be ... whilst you watch the illusion playing out ...

Over and over we say to you ... to repeat over and over

I AM THE LOVE.

I AM THE LIGHT.

I AM THE TRUTH.

I AM.

Those that do ... those that are doing so ... KNOW ... do you not?

You want me to ask 'know what' ... yet, I know!

What do you know, Blossom?

I know that although we feel like puppets or pawns in a game that we have no control of ... that isn't the case.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We KNOW that by saying the mantra, as you have asked ... in that KNOWING ... that it is building our strength. It is as if the Light within us is beaming more strongly than ever ... in preparation. Our batteries are fully charged and ready, and we just wait in total understanding, for the moment when we are called to action, in a way that we know not what it is, at this point, and yet, when we hear that call ... we will know exactly what to do. We are so ready and yet, we are not even sure exactly what for, or what it is we shall be doing.

Yet, Blossom, it shall be as if you have been doing it all your life. For in a way, you have ... and yet, it shall be on a scale far greater than you can imagine.

Those that are asleep shall be awoken with a start ... and there shall be the need for so much Love and Kindness and Empathy and Understanding ... to help them realize that which is taking place.

For even as it shall be in the plain Light of day ... so, so many will be unable to grasp the reality and accept the illusion of that which they have been living under.

It is a little like the fairy tale of the kingdom that fell to sleep for 100 years ... for when the spell is broken, so many shall awaken dazed and confused.

And it is you, Each One ... who KNOWS of all this that is to come ... that shall be there for these souls who NEED YOU!

YOU ... THE WAY-SHOWERS.

YOU ... WHO WILL LEAD THE LOST TO THE BRIDGE OF LIGHT AND TAKE THEIR HAND AND WALK THEM ACROSS TO THE HOLY LAND.

Holy land? Never heard you say that before.

Yet, it shall be.

You want me to look up the definition of 'Holy' don't you?

If you wouldn't mind?

Sure ... 'Dedicated to God ... Sacred.'

Therefore, we are correct. The New Earth that you are here to bring about is just that ... 'Dedicated to LOVE ... Dedicated to the Love inside Each One of you that is HOLY.'

SOULS OF LIGHT ... REJOICE! REJOICE! REJOICE!

FOR YOU ARE THE CHOSEN ONES.

HOW BLESSED ARE YOU?

HOW HONOURED ARE YOU TO BE ON THIS PATHWAY AT THIS TIME?

HOW STRONG ARE YOU?

LET US STATE THAT YOU ARE SO VERY MUCH STRONGER THAN YOU CONSIDER YOURSELVES TO BE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

KNOW THIS AS TRUTH.

And when All this comes about ... you will indeed, remember this that we have said ...

YOU ARE SO VERY MUCH STRONGER THAN YOU CONSIDER YOURSELVES TO BE.

You see, the only way in my mind that I can put the pieces together about this, is if THE EVENT or something similar was to take place, or perhaps an Announcement! Whatever it is ... has to shock! Either in a good way or a bad. I would prefer 'The Event'... 'The Wave of Love,' as opposed to some horrific acknowledgment of the dark, to be honest. Let's face it ... wouldn't we all! Dare I ask which it is to be?

BOTH.

The exposure ... then the CHANGEOVER.

Far out! The energy in that last sentence quite knocked me back. So, you are saying there will be an announcement/announcements, followed by The Wave of Love?

This is correct. Yet, we ask that you accept that the 'time frame' in between these two awakenings will not be simply one day and then the next. For time is not actually a part of this matter, if we may be so bold as to put it that way.

Once the Awakening ... the exposure of this illusion is revealed ... one thing after another for quite a while ... then it shall be that THE DIVINE TIMING OF THE WAVE OF LOVE SHALL SWEEP THE PLANET ... as if an eclipse takes place upon it ... and when the shadow moves across it and then moves on ... it shall reveal a LIGHTNESS ... a LOVE-liness that will give meaning to this ENTIRE GOINGS ON!

Thanks so much, Guys. When I consider that which I know, in the knowing there is much I do not ... it blows me away as to how strong we need to be ... and then I have to enter into the KNOWING that this is for real ... and we are all in this together. This Army of Light down here upon Earth ... who were chosen to rid it of/from darkness ... WOW! WHAT A TASK AND YET, NOT REALLY. NOT WHEN WE KNOW WE ARE THE STRONGEST OF THE STRONG ... WE WOULDN'T BE HERE IF WE WERE NOT.

This is absolutely correct, Blossom.

REMAIN IN THIS TRUTH ALWAYS ... ALWAYS ... ALWAYS!

I AM THE LOVE.

I AM THE LIGHT.

I AM THE TRUTH.

I AM.

Is this your KNOWING and your TRUTH, dearest Blossom ... Dearest Souls?

YES, SIREE BOB ... It is. it is. It is. In Gratitude. In Loving service. I AM. (We didn't get to the mind-boggling part!)

No. 17

13 July 2021

Well, here we are once again. Life, with its topsy turvy twists and turns, continues to flow, and we must Trust that although it doesn't look like it, it is all going in the right direction

Welcome Blossom, welcome to Each Soul who, like us, look forward to these conversations and the comfort and sometimes, confusion, they bring!

Why do you say confusion?

Because we are aware that at times, there is confusion of mind as to what is and what is not. For although some feel we talk in riddles, we do not. We simply express in a fashion that allows Each Soul to interpret for themselves, that which we are offering. Some are able to look deeper into our presentation than others, whilst some, receive the Love and Trust on a ... would we say ... more simpler frequency. We are aware you would like to talk about the Monoliths?

Yes, please. If it suits? For quite a few are inquiring as to an update on them.

All are now in place. Yet, none are to be activated, at this time. They shall remain dormant until 'The signal' is given, at which point they shall 'Come alive and do their thing'.

Which is?

They will send tones and signals to one another across your Globe and out to other sources like themselves, that are not on your Planet. The connections between them ... each one ... shall we say ... would be in comparison to a conversation. As you can imagine this is a complex matter that cannot be completely understood on the human brain's capacity level at this time. Extremely advanced scientists will not be able to keep up with the signals and communications between them, for their codings are not of/from this world.

And what is their purpose?

To activate many Ley Lines, Portals, vast dormant Crystals that lie beneath your soil. To activate within the human mind ... codes that were set/given long before your presence on Earth.

Whoa! So, one step at a time. Ley lines?

We understand that you, personally Blossom, are not au fait with such phenomena. Yet, you and many know that they exist. They are a matrix that runs throughout your Earth's patterns. We would describe them like a rabbit warren. For although there is structure to these patterns, there are also many 'threads' ... billions ... that are connected throughout ... yet, all receiving the same messages and codes from Source.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

So, are you saying that the activation of Ley Lines will come from the Monolith signals, that originally come from Source?

Yes, indeed. For everything does.

What is the purpose of the Ley Lines activation?

They will magnetically charge the very ground that you walk upon. Imagine a matrix that runs throughout your Globe ... as if 'when activated' ... the main centers... such as the places you know as Uluru, Stone Henge, and five others ... will be the starter points for this 'charge' to then spread throughout the intricate and complex 'threads', so that there is not one piece of land that is not encompassed by it.

What happens then?

It is part of the 'show'. It is necessary for this magnetism to be 'underway' in order for the rest of the process to take place and be completed.

And that process is?

We will move on to the Portals and Crystals for it is part of the connection of all these things mentioned.

Imagine the enormity of this charge ... throughout your Globe. Not just a small place in one country, yet everywhere. Think of all these threads 'Lighting up' and spreading throughout. Think of the Power created ... unimagined ... unimaginable.

This then, firstly powers up the giant Crystals that, as we say, have lain dormant for millennia.

Who placed them there?

Off Planet Beings. In the KNOWING of the future ... which is now the present. In the KNOWING of this MAJOR EVENT that is to occur.

What do the Crystals do?

Once they have been awoken/ activated through the magnetic forces ... they will literally GLOW WITH LIFE.

Its all very much like a movie ... that I have not yet seen!

Yet, images presented by artists, etc in preparation. Visions they have been given.

The Energy that is contained within these Crystals is also beyond compare.

How many crystals are there?

Six.

Is that all?

Blossom ... no more are necessary.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Ok. I'll take your word for it. I am almost dribbling with excitement. What happens next?

The POWER from the Crystals, aligned with the Ley Lines and threads, then take a while to tune in to the system and when complete, they are able to activate seven Portals.

That do what????

Open up your Planet ... for a given time ... to other worlds.

Dear God, I am on the edge of my seat. Then what?

Magic, dearest Blossom. Magic!

Hold on. Can we just recap? So, if I have this correctly, at a certain given point in time, these Monoliths will be activated and will send signals to each other on and off Planet, which in turn, will set off Ley Line grids and threads from seven main centers...which will be charged magnetically because of the signals from the Monoliths ... which in turn, when completed throughout the Planet, will activate six vast gigantic Crystals that have laid dormant for millennia ... and when all this is in alignment ... the Power of this will allow seven Portals to activate and open ... how am I doing?

Extremely well.

You say these Portals open us up to seven other worlds? Do we go to them?

No.

Do otherworldly Beings 'come though' to us?

No. Not at this time. Yet, it is the combined Energy of these openings that are needed to conduct 'the next move'.

Holy Moly! Which is?

Blossom ... have a think about all we have said. What do you think would be happening next, when you consider the absolute magnitude of POWER from all this we have said ... put together ... to create what?

THE EVENT?

Correct.

Far out, Brussel sprout. And I thought it was going to perhaps be from a simple solar flare! Keeping on track ... you said also, about codes being activated in the human mind that were given long ago. Can you elaborate on that ... if my head doesn't blow off first?

Clearly, we are assuming that one can FEEL the ENORMITY of this when it takes place. It HAS to BE that the human mind, connected to the soul ... plays its part in all of this, for that is why you are here. It is absolutely necessary for EACH ONE to step up to the plate and BE PART OF THE WHOLE (EVENT). Therefore, within everything else being activated ... it triggers within the Soulself the remembrance of this taking place. In that, you remember all that you were told that you were coming to the Planet to accomplish.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We have spoken of envelopes being opened and you knowing what to do. This is that of which we have spoken.

This is much bigger than you have spoken of before.

Because of Divine timing. Perhaps if we had done so before, many would not have been ready to accept.

I don't know if I am! I mean, I AM. It makes sense and I have never had a notion of this at all before, yet, you have to admit, it is rather mind-blowing!

NOTHING LIKE THIS HAS OCCURRED BEFORE!

I'm not surprised! So ... deep breath ... then what?

EVERYTHING CHANGES. EVERYTHING.

We feel this is a good point to pause on this matter in order for information to be absorbed. Indeed, there shall be many questions. Yet, we suggest you allow this conversation to settle within the heart. Push questions aside and BE with this. Go within and FEEL into that which we have offered. For we KNOW that when you do so ... YOU WILL KNOW OF ITS TRUTH.

Well, that's the most exciting news. I, for one, need to process it. For, in all honesty, I know I couldn't make this up out of nowhere, and yet, on the other hand, it seems so sci-fi ... And yet, such a wonderful 'change' of knowledge from all that is taking place on our Planet right now. Something to give us Hope.

THIS IS WHY YOU CAME REMEMBER?

To move your Planet and those within and upon her ... into a Higher Dimension.

Yes, and either you or White Cloud said it would be when we felt we could take no more. Tomorrow then?

Dearest Blossom, just know that this shall be the way that it is to BE. As for the WHEN? Let go of that. For all you need to know is that it shall take place.

WOW. I was a little apprehensive to talk about Monoliths, to be honest. SO GLAD I DID! Thank you so much. I think it will give so many of us renewed strength and encourage us to keep on keeping on. How Blessed we are. In Gratitude. In Loving service. I AM.

Hello. Couldn't get to you before now, yet, very excited to continue on from the cliffhanger we were left dangling from last time we spoke. May we?

Dearest Souls, Dearest Blossom, we are very much looking forward to continuing on this topic for most of today. You have questions, we believe?

Yes. Thank you. People have asked about their Crystals. You spoke of six vast Crystals beneath the Earth that will be charged during this 'Happening'. Will this be the same for ALL Crystals? Personal one's etc?

Indeed, it will. It is important to keep one's personal Crystals cleansed by ways already known to many. I.e. washing in the ocean, running underwater after rubbing in Earth, sageing, intentions via one's own Energy from hands, etc. One will know that which suits. At the appointed time, ALL Crystals will resonate with the Vibrational Frequency of what is taking place. One may also find that in the weeks beforehand, their Crystals may take on a different appearance, perhaps have an unusual glow about them, and also, one would be very much aware of the pulsing Vibration ... coming/being offered ... from them.

What effect will this have? What is this purpose?

Energy! Not just personally, yet, for each Crystal to ... play their part and to be part of ... this Great Transformation ... this Great Awakening.

It shall be, as we spoke of with the Monoliths. as if they are communicating with one another in order to 'be in sync' and have maximum effect.

Thank you. Another query! Will the dark one's still be able to function after this has taken place?

No.

Eh, can you elaborate on that?

That which is coming, Blossom, that which 'This Event' will bring with it, is of such Light. Such Energy change ... for/of ... ALL THAT IS. Both on and off Planet. This is why we have said 'All eyes are on your Planet' as it is part of the upliftment of everything ... for everything is connected.

This LOVE LIGHT that is to sweep over, through and within, is of a magnitude that has not yet been experienced in such a way.

So, what will happen to the naughty folk?

Blossom, it is for one to understand that each and every one is playing a role ... which we accept is hard to accept! The souls of many of such Beings will leave immediately via 'disintegration'.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Excuse me?

Yes, Blossom, it shall be as if their physical Being literally crumbles and disintegrates.

Seriously? Truly? Really? For real?

Yes, for real Blossom. For the Energy that is carried within the entire body and soul of such 'naughty folk' is so 'dis-eased' that the Wave of Love ... the Strength within it ... will cause such Beings to crumble, for it cannot possibly survive within the Vibrational Frequency that the Wave brings.

Yet, to literally crumble? Oh, come now! Sounds more and more sci fi.

We understand that it all may sound farfetched ... for your programming has been so 'normalised' and all thought of such happenings leads you to believe such things are only make-believe.

Ok. So, what happens to the soul when it leaves the body of a dark one?

That is a long and drawn-out tale. Such souls will be automatically whisked/directed to a place where there shall be atonement for their behaviour. It is law that what you do unto another you do unto yourself ... and we ask that if you are able and advanced enough in thought and spirit, to send Love and Light to such souls. For although they have been a part of great darkness, at the same time, they chose to play that role ... as LIFE in all its forms, twists and turns, continues on FOREVER.

Is this the case for all?

No. Many will 'change' and see the error of their ways and be 'allowed' to remain within their human physicality to 'make good' and repent of their ways.

Some may find that hard to accept.

Not once the Wave has Enlightened the souls upon Earth by many, many, Vibrational degrees.

FOR YOU SEE, BLOSSOM, WHEN THIS LIGHT ENERGY IS ABSORBED INTO YOUR BEING AND ONE RECOGNISES HOME AND WHO THEY TRULY ARE WITHIN THAT HOME, ALL ONE, ALL EVERY ONE DESIRES, IS FOR FORGIVENESS OF WHAT HAS TAKEN PLACE UPON YOUR PLANET AND TO ASSIST IN EVERY LOVING WAY POSSIBLE, TO RETURN YOUR EARTH PLANE TO THE ORIGINAL BEAUTY OF NOT JUST THE PLANET, YET ALL THOSE WHO DWELL WITHIN AND UPON HER.

ONCE THIS EVENT TAKES PLACE ... NOTHING WILL BE THE SAME AGAIN.

We ask you to KNOW this in your Heart.

To KNOW that a New World is coming and all that one is having to endure, in ways of Living in darkness, shall be lifted.

Well, I hope so, because things are looking very bleak for our future unless something massive, such as this, takes place. If only we knew when. Yet, I know we can't. So, I won't ask.

We thank you for following through in discretion. We have come to understand much of your ways over this time, as you have indeed, come to understand much of ours.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

OK ... onwards, if I may? Let us not dilly dally! This may be a bit tricky for you to answer. Yet, from the start of 'the Signal' for the Monoliths ... through to the opening of the seven Portals ... are we talking in a flash? A few minutes? Days? Weeks?

This is unknown to us. For this is not 'within time'. Each section, i.e., the Monoliths being activated and communicating with each other etc. must be completed before the trigger ... so to speak ... can be released for the next movement. In this case, the Main Centres, Grids, Ley Lines, to begin their correspondence and so on and so forth.

In my mind, I am seeing it happening quite quickly, like within 24 hours or something?

We cannot foretell this. If we were to 'try' we would say over a matter of a few days. Yet, it is a process, so one would feel and experience it throughout.

You say that is when our 'envelopes' will be fully activated. So, a bit of confusion here. Does everyone have an envelope to be activated? As that wouldn't make sense because, if that were the case, no one would need help from the Awakened Ones. Not sure if I am being clear here?

Yet, we understand. Each one has an envelope for there is no 'bias' as to any one being better than another. However ... depending/according to ... how much one has chosen to 'Awaken to their Light' and therefore, the situation before them, that which any one envelope 'contains' regarding information as to their role, will differ enormously.

For one who has been very much asleep, their envelope may allow their heart to feel and experience so much Love, yet, it does not necessarily make them aware of 'What just happened'. This is where those who have been awake for a time/ a long time are able to take on their leadership roles and lead souls to the Bridge, which we have spoken of many times.

The Bridge being metaphorical, of course? I mean we are not all going to have maps in our envelopes with an arrow saying 'To the Bridge' are we!?

Naturally, not. Yet, THE BRIDGE is certainly the best way we can describe to you of imagining/visualizing that which is to take place. To assist one in coming to the edge of it and walking across.

Into a Higher Dimension?

Correct. We ask there to be no concern. For, as we say ... everyone will know their position and follow it through.

It is hard to imagine exactly what will take place and what it will be like.

Yet, when it is upon you ... it will be so familiar ... for it is of you.

I really, really, really, really, really feel at odds in asking this, yet, feel it necessary. You said at the beginning of last year, that it wouldn't come to the point of there being mandatory vaccinations. Yet, we are getting very, very, close to that and it would mean for many losing their livelihood if they do not 'play along'. So, in a sense, unless something huge happens SOON ... it will and is coming to that point. Assuming you are aware of all this?

Blossom, look at all that is taking place around you ... around your Planet. Floods, fires, unrest. Great unrest. There is a build of Energies that are moving towards a climatic ...

AARRRGHH I thought you were to say Event, then at the last minute, I thought you were sending through the word 'Announcement' instead. Eh ... another pot of Valium, please! I cannot keep up. Which is it?

Can we not say, both?

You can say what you like. For it is up to each soul to use their own discretion and feel into their Truth. Me? I am just the messenger doing the best I can to bring through the TRUTH.

It is nearing closing time with you for this session. Yet, we desire with all our Beingness that you KNOW that what is to take place shall do so in Divine Timing. What we ask of you ... as we say ... is to FEEL this KNOWING within your Beings and hold on to that TRUTH no matter what is 'appearing to be before you'.

Continue on with the Mantra.

I AM THE LIGHT. I AM THE LOVE. I AM TRUTH. I AM.

For it builds in Energy around, upon, and within your Planet ... in order to play its part in what is to come.

... WE LOVE YOU ...

I think I can speak for many when I say, 'We LOVE you'. There we go then. In Gratitude. In Loving service. I AM.

Hello to you! I tried yesterday to get in touch, yet, it was a no-go. I'm ready to try again today. Are you?

We are indeed, Blossom. It is always best to 'Let go' when the flow is not flowing and regroup another time. We are aware that you are concerned of the topic of interest being the 'needles' and you felt that might be blocking the Energies.

Yes. It is such a delicate matter and very much depends on where you reside, as to how 'near the edge' it is getting and so many have questions.

Blossom, Dearest soul, and all souls who gather in Strength across your Planet as the temperature rises in confusion, doubt, and disbelief!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We ask that you HOLD ON TO YOUR HATS!

Hah! With respect, I've had five hats disintegrate!

Yet, with respect ... can you not see, can you not FEEL the amping up of Energies? The amping up of tensions all around you? When we say 'These are the end times' we do not mean for your Planet. We mean for the Game to be over. For the newness of Life to Blossom into fulness once again.

We have said it will get worse before it gets better. We have told you that you will need every part of your Being to be on call, in order to remain in Strength during these times.

On your mainstream media, there is little room for Truth. Yet, between the network of souls who KNOW THE TRUTH ... so much is coming about in ways of breakthroughs.

IF YOU TRULY TRUST US AND THE WORDS THAT WE OFFER, THEN YOU WILL KNOW THAT THERE IS NOTHING TO FEAR.

THIS, DEAREST ONES, IS A DIVINE PLAN.

And we are all doing our best to hold on to that. Yet, everything is crazy. Nothing makes sense and many, many, souls are so afraid, wondering what lies ahead.

And we tell you ... THE END OF THE DARK DAYS LIE AHEAD.

And we cannot know when. So, as we become more aware of lockdowns and military etc and people losing jobs if not vaccinated ... it is tricky to hold on to the Truth that we know inside.

YET ... YOU MUST. FOR IT IS NECESSARY FOR YOUR ENERGY TO REMAIN HIGH.

One is aware of the Law of Attraction. It is only when one's Vibration is matching that which one desires that the 'desired' can manifest.

Then as a Planet, we are doomed! Seriously, guys ... I totally get what you are saying. Yet, surely you know that 'down here' one either needs to be of saintly material (which turns out to be a bit of a joke now, anyway.) OR, extremely high on drugs in order to remain of a happy disposition. For many who are alone and scared ... that just 'ain't happening.

Then for the Ones who ARE able to hold the frequency ... they must do so for those who cannot.

THE STRONGEST OF THE STRONG.

REMEMBER THIS!

NOW YOU KNOW WHY THAT THIS IS WHY YOU WERE CHOSEN ... EACH ONE.

You are here to 'HOLD THE FORT'.

We tell you this ... even though it 'appears' that all is NOT going according to plan ... you must FEEL THE KNOWING OF TRUTH IN YOUR HEARTS THAT IT IS.

THIS PLAN CANNOT FAIL FOR IT IS DIVINE.

Blossom Goodchild
Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Tell that to the many people on the Planet who are really in trouble with all that is going on. I TRUST this deep down ... little point in hanging on if one doesn't.

Pull out all the stoppers. Fall back into your LIGHT and do not venture out of it. Even when your flames are merely flickering ... gather Strength from WHO YOU ARE.

YOU HAVE TO TRUST THE PLAN.

YOU HAVE TO REMAIN TRUSTING THE PLAN.

We don't know the plan!

Yes, you do.

You know the darkness has fallen.

So, you tell us. Not much evidence. I have said this before!

Then take off your blinkers, Blossom.

Snappy Missy!

So much is out there proving to ALL that there is a vast Awakening taking place. Millions of souls standing for their rights for their Freedom.

Millions of souls Awakening to the fact that they have been lied to and controlled by the dark forces.

Evidence is all around you.

The dark ones have nothing left.

I am not being awkward for the sake of it, yet ... we have been told this before and then they pull another rabbit out of the hat.

Blossom, we could go round and round in circles. We can only share with you what WE KNOW TO BE TRUTH.

The main issue regarding this is your time factor and when BIG CHANGES will become apparent, is it not?

Yes. I guess so.

For you, we understand this. From our perspective, the main issue is that YOU REMAIN IN YOUR LIGHT.

THAT YOU KEEP ON KEEPING ON. SHINING YOUR LIGHTS THROUGHOUT YOUR PLANET.

FEELING THE JOY OF WHAT IS TO COME AND KNOWING IN TRUTH ... THAT IT 'IS' TO COME.

Yes. Some are in a good place and doing so. As well as the global debacle, there are personal, serious personal, huge personal issues that many are having to deal with on top of everything else. Tends to make one internally scream with frustration now and then ... and then ... we wait ... you know ... wait! Like many have been doing for 50 years or more. That feels like a LONG WAIT and a LONG TIME OF TRUSTING.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

So, what is your alternative, Blossom?

Now let me see, drink, drugs, suicide, insanity, giving up, giving in ... Nope there just isn't one!

Correct. THERE IS NOTHING WITHIN YOUR KNOWING THAT ALLOWS YOU TO LET GO OF THE MISSION YOU ARE ON.

EACH ONE OF YOU KNOWS THIS BY THE FEELING OF THIS KNOWING.

THERE ARE NO WORDS TO DESCRIBE THIS KNOWING.

IT SIMPLY IS.

AND THEREFORE, DUE TO THIS KNOWING ... YOU WILL KEEP ON KEEPING ON.

IT IS 'OF YOU' TO DO SO.

We repeat again ... We never said this to be a Joy ride, Yet, within all of this, we are asking you to find Joy ... and spread it.

We are asking you to Smile and beam Love ...

If you don't wear a mask!

We are asking you to connect with one another through your Soul Light. Yes. Mediations on a global scale are magnificent tools to anchor in the Light. Yet, we suggest within your every breath ... you KNOW that you are not alone.

WITHIN EVERY BREATH ... KNOW THAT MILLIONS UPON MILLIONS OF YOU ARE HOLDING THE LIGHT.

EVEN WHEN YOU FEEL YOU ARE FAILING ...

YOU ARE WARRIORS OF LIGHT AND YOU CANNOT FAIL ...

WILL NOT FAIL ...

HAVE NOT FAILED!

WITHIN EVERY BREATH ... FEEL THE LOVE LIGHT FLOWING THROUGH YOUR BEING AND REACHING OUT AND CONNECTING UP WITH ONE ANOTHER.

SAY THE MANTRA OVER AND OVER.

KNOW THE POWER OF DOING THIS.

FEEL THE POWER OF DOING THIS.

I AM THE LIGHT.

I AM THE LOVE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I AM THE TRUTH.

I AM.

Friends, Friends, Friends ... ONE FAMILY OF LIGHT ... You say you do not know what the Plan is and we say you do.

FEEL in your Hearts this Plan.

FEEL the time when this WAVE OF LOVE sweeps over your Planet through your Beings and changes the way things are, forever.

YOU KNOW THIS TO BE TRUE ... do you not?

Well, I don't know what exactly it will be like.

Yes. You do. Each one of you. You all know. Yet, it is not until it is upon you that you shall remember your agreements.

THE TIME IS COMING ... YES. IT IS. When you shall experience this CHANGE OVER OF ENERGY.

Remove all doubts. Remove all fear.

That which is being presented to you is not how it is.

THE LIGHT HAS WON.

REMAIN IN THIS KNOWLEDGE ... For if you do so, what 'on Earth' is there to worry about?

GO DEEP WITHIN TO KNOW THIS.

Do you? Do you? Do you? Do you ... Each One, know this?

Search within until you do know ... For it is TRUTH.

We spoke of the Monoliths, the Ley Lines, the Grid, the Crystals, the Magnetic Fields, the Portals, the opening up of your envelopes ...

Let us speak now of how you all work within this Plan.

As you imagine all these things communicating with each other, and triggering the next 'movement' ...

IMAGINE TOO ... THE MATRIX OF LOVE LIGHT, AS IF LIKE ELECTRICITY ... CONNECTING FROM YOUR BEINGS TO ONE ANOTHER ...

IMAGINE THAT STRENGTH.

IMAGINE THAT FEELING.

IMAGINE THAT LOVE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Sorry to interrupt. Yet, I have heard from a few that their envelopes have definitely been opened already.

We would say they have had foresight of what is to come.

Yet, it has changed their life forever.

Naturally. Yet, for those souls, there is more to come.

Some feel too, that if/when this Wave of Love comes, then it will wake many souls up, and therefore, there will not be the need for those more awakened to assist (I may have covered this last time)

Believe us, Blossom, when we say ... THERE WILL BE EVERY NEED.

For FEELING and KNOWING LOVE from this Wave, does not mean that one suddenly understands everything that is/has/will take place.

Yes, very much so, there will be a change in one's Energy and one's very Soul Being. Yet, there will be so much 'fall out' from all that has taken place. All that has been indoctrinated and programmed ...

Many will find EVERYTHING so hard to comprehend ...

There will be so much work to do.

Yet ... Imagine this ... there will be no resistance.

There will be no 'power of lesser Light' telling untruths and dragging one into the mire.

Will there be a divide?

For a time ... until the TRUTH spreads.

This Truth will be so much more accessible to Each Soul, for the Wave will touch the Heart and Soul in such a way that TRUTH can only be recognized.

There will be many who 'repent'.

Sounds a bit biblical. Yet, there are many, many, who feel that this Event is of Biblical nature.

Blossom ... the nature of this EVENT is of the utmost LOVE.

Where one heard it ... or read about it ... may differ in degrees ... and perhaps in lifetimes one has led ...

Yet, THIS LIFETIME ... THIS NOW ... IS THE HAPPENING OF IT.

IMAGINE THIS.

KNOW THIS TRUTH.

I have to ask one more question because so many are inquiring ... Will those who may be in peril from 'needles injected' be ok once this 'Event' takes place? A huge question I know.

We do not wish to ponder greatly on this matter, as you are aware.

We wish to keep the Energies as high as possible in these communications, especially at this time.

Yet, we would say in reply ...

THIS IS A DIVINE PLAN!

If mountains can be moved by thought and Trust and KNOWING, in a blink of an eye ... literally, be moved ... do you not think that Healing of ALL AILMENTS can be brought about.

Yes. I do.

We rest our case.

Eh ... Hold the phone a moment ...

Blossom, suddenly you have a thousand questions ... which we will answer in one.

We are not saying to rush out and get 'needled' ... Not at all ... Not at all! Yet, A DIVINE PLAN IS DIVINE ... and if you KNOW DIVINITY ... IT cannot falter or choose to pick and choose.

DIVINITY IS LOVE FOR ALL ... EACH AND EVERYONE.

'Forgive them, for they know not what they do' springs to mind. (Catholic upbringing, sadly!)

THAT WHICH IS TRUTH ... IS DIVINE.

As your husband keeps saying, Blossom ... 'We got this.'

Bless his cotton socks. Bless all our cotton socks. In Gratitude. In Loving service. I AM.

***Update on my husband, Goody.** Thank you to all for sending Healing Love. He is now on chemo at home (plan is five days of tablets every month) No scan until 12th August and apparently, that won't give much away due to swelling on the brain from radiation etc. (He finished that 7 weeks ago!) The next one will be in 3 months. Your Loving kindness helps to keep us on track in TRUSTING IN MIRACLES. Thank you so much for your continued support. We FEEL it every day!

8 September 2021

Well, hello at last. Due to my present circumstances and therefore, my energy, our communications have been few and far between. Yet, trying (once again) to see if we can make it work. Can we?

We can certainly do our very best. For know too, Blossom Goodchild, that not only can the personal Energies affect our communication lines, yet, that of The Whole, also. We, of course, WELCOME EACH ONE to this discourse.

Thank you. Someone has asked regarding saying the mantra I AM THE LIGHT. I AM THE LOVE. I AM THE TRUTH. I AM. Does this affect or trigger our DNA? Because our consciousness, our thoughts, words, beliefs, all affect our cells in our body which carry our DNA. If it does activate our Divine DNA, how is it exactly affecting it, in what ways?

This indeed is a remarkably astute question. The answer being YES.

Many of you have discovered in many ways the magic of this mantra and how it can bring you back to your central position. During times of despair, times of fear, times of Joy, times of sadness, apprehension, frivolity ... you name it ... the design of these words are much, much, more than a recital of any other formation.

Let us state again that the placement of I AM THE LIGHT being first or I AM THE LOVE spoken first, does not change the codes and how they affect you. For it is the overall configuration that brings about the effects of calm. To name but one.

The FEELING naturally is of the utmost importance.

Yet, to be honest, sometimes I find myself just saying it without the feeling.

Yet, the coding has already been embedded within you when you DO/DID feel it, and therefore, when not feeling it, activation still occurs.

Activation doing what exactly?

Changing the Vibration of ALL THAT IS YOU. This is why its effect happens so rapidly/instantly. We would liken it to a dark room having the Light switch activated ... Immediately one can see. The coding within the words switch on your Light to a Higher degree and the Vibration OF the Higher Frequency comes out to play.

It indeed lifts the very temperature of your blood.

Struth Ruth! Is that wise?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

If it wasn't, it wouldn't be happening. Again, liken it perhaps to a pot of 'sauce' ... when warmed to the correct temperature, it brings out the best flavour.

Yet, is not our blood already at the correct temperature?

No.

Really? This is tricky for me as I know nothing about this kind of thing. How can we work as we should if our blood is not at the right temperature?

You don't work as you should. Your miraculous workings of your beautiful physical Beings strive (mostly) to keep everything running as clockwork. We use the word 'strive' because this is what it has to do.

In actual fact there should be no striving, yet, a gentle flow and ticking over in order for this incredible device to offer you the ease and Grace in which one should function.

Again, due to all that is ... put into/absorbed by ... your bodies that are not of benefit, much effort to keep 'life' flowing is required.

So much has been administered to you in ways of much sneakiness, and in doses that can not be traced, until there is enough to do damage. The functioning of your physicality ... we mean all that is part of it ... all that make up your physical human form ... is no longer as it was designed.

This 'lesser than' has followed through even to newborns over the ages and yet now, there is a difference. Children of Light that have been either reborn, or entering the Earth plane for the first time, are coming in/through with a Higher built-in intensity of Vibration. Would we say they are more equipped to deal with the energies that are doing/have done their best to shadow all that is Golden.

So, how can this happen? It seemed like you were saying our very DNA has been affected by the dark.

Correct. Yet, no more. For the Energies are so much Higher now, even though many would feel this is not so, due to what is going on upon your Planet.

We would call these newer children 'Sacred', for they come in with the changed DNA. Whereas, those that you refer to as crystal or indigo, have to fight to keep their Light as pure as it is within them.

Sorry, can we go back on that? I am a little confused. So, new children who are coming in now, have a different DNA ... that hasn't been tampered with through time ... and yet, the indigo/crystal babies came through with the tampered DNA?

Yes. Yet, the DNA is not who they are. The crystal and indigo children came through on a Higher Vibration ... many for the first time. Yet, had the 'lesser than' DNA. Whereas, in this day and age, the babies come in, not only with untampered DNA yet, an even Higher Vibration of Light to compliment it.

Wow ... they must be pretty special.

Blossom, they need to be. They are. For they are the NEW ANCHORS OF LIGHT ... Just by BEING HERE.

Ok ... we have veered off track a little. So, does the mantra actually change our DNA?

Yes. Because of its immense detail within the coding. It is literally reforming ALL THAT YOU ARE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Into what?

WHO YOU ARE!

Which is?

LIGHT.

YOU ARE RETURNING TO YOUR TRUE SELVES.

YOUR DIVINE LIGHT.

Whilst still in human form?

Yes.

THE MORE YOU RECOGNISE WHO YOU ARE, THE EASIER IT IS TO BECOME WHO YOU ARE.

THE MORE YOU REMEMBER WHO YOU ARE ... THE EASIER IT IS TO REMEMBER.

THE MORE THAT RECOGNITION AND REMEMBRANCE ARE RECOGNISED AND REMEMBERED, THE QUICKER THE ACTIVATION WITHIN RECOGNISES AND REMEMBERS, ENABLING YOU TO BECOME.

Dearest souls, you feel you are experiencing such turmoil and confusion. Yet, may we ask of you to DO YOUR BEST to detach from that which you see and hear? See it and hear it, for it cannot be avoided ... yet, do not FEEL IT.

FEEL ONLY THE LOVE THAT YOU ARE.

Some would say, and once upon a time so would I, 'That's all very well for you to say, try a day down here' ... yet now ...

Now, what Blossom?

I am understanding your wisdom and teachings more and more. On a different level. No matter what is going on ... no matter what ... WE ARE LOVE ... and the only way out of this mess is to BE/FEEL our Love on a continual basis. To allow Love to flow through us in/as a KNOWING OF WHO WE ARE. So that all else cannot affect us, yet, we can affect it ... so much ... for the better.

Bravo!

I think so many of us are moving/seeing through the fog. We have no idea where, when, how, it will all end up, yet, that KNOWING of who we are has become so strong that the waiting really doesn't matter. THE GRAND EVENT ... THE CHANGE ... THE BRIDGE will present itself in Divine timing and the best way to help that along is to keep saying the mantra over and over. In the knowing that is what we came here to do. This insane movie is surely in its last quarter?

Dearest souls who have chosen to reside upon the Planet Earth at this most transformative time ... YOU KNOW ... YOU KNOW ... YOU KNOW ...

Know what exactly?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

YOU KNOW AS MUCH AS WE DO.

WE KNOW IT ALL.

YOU KNOW IT ALL.

FOR WE ARE ALL.

The vastness of IT ALL ... is never-ending.

That which you think you know ... you don't ... yet, you know everything.

Eh ... did you just down a sneaky tequila or five?

Blossom ... even though that last sentence we offered may appear to sound nonsense ... you know it makes sense. Do you not?

It may if I have a sneaky five tequilas!! Oh, ok then ... somewhere inside me ... yes. The non-sense makes perfect sense.

As the Energies strengthen ... in /as/of/though ... the most POWERFUL PUREST VIBRATIONAL LIGHT ... into/onto ... your Mother Earth, so too, do YOUR Energies rise up to greet them and in doing so ... you FEEL ... you RECOGNISE ... you REMEMBER the reason you volunteered to be here in this most auspicious time your Planet ... has ever/will ever ... experience.

HOW BLESSED YOU ARE, DEAREST ONES. SUCH AN HONOUR FOR YOUR SOUL'S LIGHT TO BRING THROUGH THE DAWNING OF THIS NEW AGE.

SHINE. SHINE. SHINE.

KEEP ON SHINING.

YOU WILL SEE.

YOU WILL KNOW.

YOU WILL BE.

Thank you, Guys. So lovely to connect. I've missed doing so. In Gratitude. In Loving service. I AM.

Update on Goody, my husband. All medical treatment has stopped and we pray that if it is the will of the Divine he will remain on the Planet. If it is his time to leave ... then may he do so without pain and pass through the veil to continue shining his beautiful Light from a different place.

22 September 2021

Hello, oh bringers of Light and Hope. Let's hope you are to do just that today, for it seems the people of our Planet are very much in need. The plot has clearly been lost and is nowhere to be found.

Dearest Blossom, dearest bringers of Light and Hope. For all that you imagine 'us' to Be, is exactly what we KNOW yourselves to Be.

YOU are the bringers of Light and Hope to a world that seems to be sinking into the mire. Yet ...

KNOW ... KNOW WITH ALL THAT YOU ARE ... THAT ALL IS NOT AS IT SEEMS.

I am sure most of us are trying our best to keep the 'home fires burning' as the saying goes. Yet, the madness of the powers that 'appear' to be, continues to grow.

And with that comes the strength from within to KNOW that ALL THE KNOWING that assists you to march onwards in your Truth, continues to grow, also.

I guess the question on everyone's tongue is 'When is it all going to stop?'

This we cannot predict ... for you know that we ... cannot/do not/will not ... give dates. For it is the general overall Energy of Change that has to come from those upon your Planet, that will shift the Divine Plan into the next phase.

A question that has just popped into my head is one I am loathed to ask, yet, I must. Are we even in Phase Two yet?

No!

Shoot me now! So, to clarify. Over a year ago, if I recall correctly, you said Phase Two would be a worldwide lockdown, and to be honest, I cannot remember the bells and whistles that went with that. I think you said there would be 5 phases?

That is correct. Yet, recall also that we stated this did not mean that each phase was to become worse than the one before.

So, you are saying there is to be a Global lockdown, where everyone, I assume, is to remain locked down at the same time?

This is still The Plan.

Is it the plan of the Divine or of the greedy?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Blossom, it has to be both ... for they are intertwined to get to the end result.

Well, both the black and the white hats are going to have to pull something big out of their hats to get that happening, are they not?

Indeed.

You are not being very forthcoming, if I may say!

We desire to bring Hope. So, we would continue by saying that all that is showing you madness, is leading towards what will appear to be more madness, and yet, there is purpose to this. Therefore, may we suggest that you continue to KNOW that the change ... will come/is coming.

Yep. I think those of us on board know this. Again, it is the 'when' ... which you cannot say. So that leaves us where?

On the front line. Although many of you feel exasperated and despondent at certain times. You may question everything. You may wonder if all you thought 'what is' ... is perhaps 'not'. You may wonder if the very core of your Being has got it all wrong. There is such a time of the 'Not knowing what is'. Yet, we beseech you to keep on going within and connecting with the YOU that you KNOW is YOU. The YOU that cannot deny the KNOWING of what is right. It circulates through your very veins and no matter what ... that will not change.

AND ONE DAY, DEAREST SOULS ... YOU WILL LET OUT THE BIGGEST SIGH OF RELIEF BECAUSE ALL THAT IS PRESENTED BEFORE YOU WILL BE PROOF THAT YOU WERE/ARE RIGHT.

Right in the knowing that WHO YOU ARE IS LIGHT.

Right in the knowing that WHO YOU ARE IS LOVE.

Right in the knowing that WHO YOU ARE IS TRUTH.

This KNOWINGNESS flows through you and shall bring such Joy to your Planet, when all is said and done.

We understand that you desire to know the next phase and when it shall be and what it shall entail. Yet, nothing can be set in stone ... for Energies and strategies can change at any given moment.

We ask that you look deeply into your Truth when coming across many things that are 'put there' to confuse. 'Put there' to think that certain policies are in place when in actual fact, they are not.

No one knows what is Truth and what is not anymore. We are being set upon everywhere we turn.

This is precisely why we ask you to remain in your KNOWING. To say the Mantra over and over ... for this aligns you with YOUR KNOWING.

Yet, not with knowing what the dickens is going on and when it will all end.

Perhaps not ... yet, perhaps it is helping you to continue on in Light.

Oh indeed, it is doing that. It is my 'go to' so many times a day.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

And what happens when you go to it, Blossom?

I feel better and get on with my day ... somehow. It doesn't change what is going on out there, yet, it changes my will to survive!!!

We would like to correct you. IT DOES CHANGE what is going on 'out there'. By continuing to say this magic Coding ... you are changing the Vibration of what is going on 'out there'.

By doing what makes you happy and content, instead of pondering and indulging in what is going on 'out there', you are changing what is going on 'out there'. Whatever you feed, whatever you focus on, whatever you give Energy to, is that which expands.

Be aware of this. Feed, focus and give Energy to that which heightens your Joy.

I get this and know this. Yet, there are many, I feel, whose role it is to actively do something about all this, other than sitting home painting, gardening, knitting, singing, whatever! And please know I mean that with the greatest respect TO ALL parties.

Indeed, Blossom. There are many called to do so. Inside each one there is a calling to act in a particular way. In this instance, we are not talking about whether or not one chooses to be vaccinated etc ... we are talking about one's role in bringing the Light into the Planet and anchoring it in.

Each one must follow their own path and feelings.

Each one is guided by this calling to follow their heart and act upon it.

Yet, you are not talking about the 'envelopes' here, are you?

No. We are not. That is to come.

I know I am veering all over the place today yet, that reminds me of all the monolith talk. There was such hype and enthusiasm there for a time and with respect, like everything else, once again, what happened to all that? What happened to the Announcement? What happened to all things that got us excited?

Nothing 'happened' to them, Blossom. Nothing has changed about these matters, Blossom. They are still in place. We were letting you know of such things for that very reason. To excite and bring Hope. We did not make up such tales to string you along. We told you what is TRUTH.

And ONE DAY ... as we have said you will KNOW such things as TRUTH ... for they will be/will have taken place.

Remember. Remember. Remember ...

FEEL IT! FEEL IT! FEEL IT!

YOU CAME HERE TO MAKE THIS CHANGE HAPPEN ... TO SEE IT THROUGH.

FEEL IT! FEEL IT! FEEL IT!

Do not lose Hope when you are so close.

These 'closing days' are when you must gather more and more strength, ready for what is to come.

Yet, you have said that a worldwide lockdown is to come. Whoop dee do!

Yes indeed, and then the fireworks ... so to speak, will be prepared.

Not sure what that means exactly, yet, get the gist. The thing is, you said about this Phase Two over a year ago.

'When' we said it, Blossom, is not the issue. Just because in your time, much time has gone by, does not mean that it is not to take place.

To be honest, so much is going on, that I had forgotten all about it. Many all over the world are in lockdown, yet, not everyone at the same time.

Yet, this will be so ... and when it is so ... know the ball will be rolling once again ... new wheels set in motion, would we say.

Can't wait! The expectancy of this and that, that never fails not to happen ... has left everyone feeling so despondent.

Yet, you know so much is happening ... inside you can feel this, can you not?

Nope! Gotta be honest. Nope! I just feel it is all going down the toilet and any day now, someone is going to pull the chain!

Wait and see, Blossom Goodchild ... wait and see.

What else can we do!

We are aware that you are feeling this communication has not been beneficial.

I'm not saying that. I just wonder what else can be said ... by you or anyone. Because until something major takes place to shake us up in a good way, you have said all there is to say about what to do to hang on in there. You can't spill the beans it seems and I get that. Oh, I don't know! On we go, I guess. I'm not having a go at you, by any means. Not at all. It's just the way it is right now.

Indeed, Blossom and All. It is just the way it is.

And I give Gratitude to you for coming through at all. Truly I do. In Gratitude. In Loving service. I AM.

Update on my husband Goody. He has picked up from three weeks ago. Your Love and Healing are helping more than you know. Please do not stop! We are both so honoured and grateful to you. Thank you so very much.

The Federation of Light Channellings

No. 22

16 October 2021

Hello you! I am trying to rise above the insanity of our Planet, as I know we have to focus on a bright future in order to bring it about. In Australia, many are talking about escaping to the hills and apparently, guns are now in short supply as people feel the need to protect themselves! * I thought perhaps you could take us on a journey of Joy and talk to us about The Bridge ... The Rainbow Bridge. Sounds like a trip I would like to make. I have my bag packed!

Greetings and Laughter to you all. All of you who are HOLDING THE LIGHT, when many feel it has disappeared. Yet, YOU OF GREAT STRENGTH KNOW it has not.

We know it is still within us yet, from all things outside of us, let me tell you, it's all looking pretty bleak! Sometimes I feel so depressed out of disbelief and there seems no end of the tyranny in sight.

Yet ... YOU KNOW THIS IS NOT SO.

For you know that throughout history there is the spoken word of THE GREAT CHANGE. An 'Event' that will change everything.

Well, history isn't exactly something we can rely on as Truth either. In fact, nothing we are told ever can be relied on as Truth, it seems. This leads to more depression for many!

So where does that leave you, Blossom?

You tell me.

IT LEAVES YOU WITH YOURSELF AND YOUR KNOWING OF TRUTH.

Actually, it doesn't! For I don't know what is Truth and what is not. You told us before all this nonsense began, that it would get really topsy turvy and you say there is still more to come. My heart, my mind, cannot decipher the Truth of many things. You say our heart will tell us ... yet, it doesn't. On some things, yes, yet, on many, No. Anyway, let's not indulge ... what time is that bus to the Rainbow Bridge? All aboard!

What we would like to remind you of is the fact that when you agreed to come to this Planet to see this extraordinary mission through, it was explained to you that there would be times when you would feel like giving up ... like going home ... because of the conundrum of all that surrounded you. You were told then, that extreme forces of dark would be blocking your every move. Yet, so keen were you all to 'descend' and make right that which is wrong.

You were also told of the outcome. You were shown vistas of Light Realms whereupon all who resided within, recognized one another as Bringers of Peace, and Great Warriors that brought so many over The Bridge into a place of Beauty and Wonderment.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

In this knowing of your capabilities, there was no thought of non-accomplishment. For the reasoning behind this mission ... to rid the darkness from your Planet ... was of such great importance.

So, what exactly is The Bridge? **

Physically, of course, it does not exist. Yet, we would still choose to let it be known to you as a pathway ... to your Enlightenment.

I might have to interrupt ... so soon. Would you describe Enlightenment as an ongoing process, or does one, one day, suddenly reach Enlightenment and all Knowing?

We would choose to say that in your present situation as 'Earthlings', 'Enlightenment' is indeed, an ongoing project! However, as Lights of Love in your original form, you are, of course, fully Enlightened. For you are in a place of all understanding.

This tree could have many branches today. So, if that's the case, why do we need to keep coming back lifetime after lifetime, for our soul's growth/Enlightenment?

Experience of different sorts. However, many of you on the Planet at this time are not here to 'grow' in soul understanding, for your knowledge is already within as you know ... within Each One of you. So, we would say, you are not necessarily here for the ride ... yet, for the soul/sole purpose of bringing your Planet into its original Higher position.

Perhaps you could clarify as to whether or not, when we cross over 'The Bridge', we are 'somewhere else' or, are we still on Earth?

You are indeed, still on Earth. Yet, a different one. In that it is still the same 'base camp', would we say, yet, in Vibrational appearance, it will have changed unrecognizably.

You have said we can walk back and forth over 'The Bridge' bringing people with us. So, do we go back into the different 'lower Vibration' when we do so?

Yes. Yet, only for a time. After a while, your 'bodies' will not be able to tolerate the lower frequencies and therefore, one would remain 'On the other side', allowing others to take over your original role.

On the other side? You see this sounds like it is 'somewhere else'.

On your Planet you have doors ... you walk through, you are on the other side yet, still on the same Planet.

So, is it say, like the Elemental Realm ... on our Planet, yet, not in the same Vibration?

For now. It is difficult to explain that which is 'Out of the Realms' of full understanding through words.

Just quickly, is something that is on a different Vibration, the same as being on/in a different dimension?

Not necessarily. For there are many different Vibrations within a Dimension and many Dimensions within a particular Vibration.

Ok. Before we get lost down that rabbit hole, let's get back to 'The Bridge', if we may?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

The easiest way to help is to say that you will know it when you are walking towards it.

Which we are?

Indeed. You will know it when you are at the foot of it. You will know it when you are crossing that Bridge ... and you will know when you have reached the other side.

It is there awaiting your arrival.

Is it within us?

Of course. Everything is within you. Everything that is not ... is an illusion.

Leaving that rabbit hole alone today as well ... so, is it a feeling?

'The Bridge' is not a feeling yet, you will feel it when you are a part of it.

Your journeys upon this Earth plane for many eons, have allowed you to experience what it is like to be human. It has Wonderment within it and it has been known to have the greatest sadness expressed through the soul, also.

AS YOUR 'SOUL' WALKS ACROSS THE BRIDGE, YOU WILL REMEMBER THE REAL YOU.

One shall, once again, be able to experience the real you through your physicality on Earth. For so long, much of the real you has been imprisoned and shut down. Yet, this 'Awakening' shall bring back to life the 'experience of life' in human form ... at its best ... NOT ITS WORST.

So, you are not going anywhere. Yet, you are going through to somewhere... yet, it is still on the Planet.

Many are concerned they may be leaving loved ones behind.

This will be understood when One is in the experience. For coupled with this newness comes much that is known within ... and One recognizes the ONENESS OF EVERYTHING that is also displayed as individuality, and within that knowing ... a freeing ... of/from ... confusion occurs.

There is, in this Higher Vibration ... acceptance of all Beings and their position of choice.

We would encourage you to look within for you are all ... each and every one ... aware of this Bridge and the Understanding, Knowledge, and Freedom that comes with it.

It would be wise practice to concentrate on the looking forward to it. To focus on where you are going ... not where you have been.

Ok, loaded question. Can we get to The Bridge before THE EVENT?

No.

That was quite clear!

The Event shall be the revealer. The opening up to so many possibilities in direction ... for still, there is always choice.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THE EVENT WILL BRING WITH IT A SURGE OF HIGHER POWER THAT NOT ONE SOUL CAN IGNORE.

THERE SHALL BE A LOVE FELT THAT LEAVES ONE IN TOTAL BLISS.

YOU HAVE THIS KNOWLEDGE WITHIN YOU. YOUR DIRECTIVE WAS TO KEEP ON KEEPING ON ... DOING ALL THAT YOU ARE CAPABLE OF TO HOLD AND ANCHOR THE LIGHT.

YOUR LIGHT.

FOR YOU ARE THE LIGHT THE LOVE AND THE TRUTH ... AND IT IS THROUGH YOU THAT THIS STREAM OF ENERGY CAN MANIFEST UPON YOUR PLANET.

Add to this, the same that is 'coming through' and then KNOW of the teaming up and ... Hey Presto ... at the given point ... The Event will take place.

YOU KNEW IT ... YOU KNOW IT ... FOR IT WILL CHANGE EVERYTHING.

We ask you once again, to focus on the Goodness.

This GREAT CHANGE that is to take place ... where your souls can breathe and KNOW ... that ... it is done.

The journey from there will take on a new lease of life ... yet that, dearest Blossom, is for another 'time' altogether.

Meanwhile, back to reality ... we remain in a world where it 'appears' to be governed by the darkness ... still.

Yet, we tell you this is not so. The Topsy Turviness is to continue for a while in order to bring things to Light ... and when that Light appears through the cracks, at first ... it will be a very short time whereupon the bricks in the wall crumble ... and that which is revealed when that wall is down, will set things into motion at such a rate ... you will feel unable to take it all in.

WHEN THIS OCCURS ... REPEAT THE MANTRA

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

Over and over and over, so that your soul can remain on the ground and you can serve in Truth to all those who are looking for your Light and assistance.

A nagging in my head, before we sign off ... The Monoliths, the Crystals, etc ... all you have talked about before ... am I correct in thinking ... (because I can't remember) ... that the trigger to set all that off, will happen in order to set The Event off?

It is one and the same.

From where I stand upon this Planet right now ... it just seems such a crazy notion to think this will happen. It

Blossom Goodchild

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

seems so sci-fi ... such a pipe dream ... so unlikely.

Such a wonderful attitude Blossom!

Isn't it! First time you have introduced sarcasm. Maybe you have learned it from me.

Or maybe our attempt at a joke!

Either way ... onwards we trollop. Just five seconds of a visual/feeling of all this Joy to come would so boost our morale.

And you feel this is not possible?

YOU UNDERESTIMATE ALL THAT YOU ARE. IF YOU ONLY KNEW YOU AS WE DO.

Now wouldn't that be cool? To know myself as you know me.

Which of course you do. How could you not know yourself?

Easy! I know who I am as Blossom. Yet, the full me? Nup! Not yet. I am sure it is something we all look forward to rediscovering.

At any time you want ... In any way you want ... Ask and it is given unto you.

Eh ... a cup of tea, please!

DEAREST BLOSSOM AND ALL THAT ARE SO DEEPLY LOVED. THE ROLES YOU ARE CARRYING OUT ARE OF THE GREATEST SERVICE TO MANKIND AND HUMAN SOVEREIGNTY.

The Love Light that each of you carries is of such Brightness and Strength.

Continue to shine this Truth as the I AM.

Remain in Trust in the KNOWING that the world is to change back into its former Glory and so much more.

BECAUSE OF YOU ... YOUR COURAGE ... YOUR DETERMINATION ... YOUR STRENGTH TO CARRY ON ...

YOU ARE THE LIGHT LOVE OF THE WORLD.

EACH ONE OF YOU ... SHINING AS ONE.

WE LOVE YOU.

And we Love you. Phew! Nice to be able to communicate. I miss it when I am not able. In Gratitude. in Loving service. I AM.

Well, it's 3.15 am. I guess now, being as good a time as any to try and 'make contact'. So unsure of content, as so unsure of my energy. Let's see, shall we? So, the state of the world? Screwed, wouldn't you say?! Yet, many freedom rallies worldwide, so people are awakening. Yet, so many just doing as they are told and getting 'done'. What say you off-worlders about all this?

Welcome to you dearest Blossom and firstly, we mention to you the Joy of your husband in returning home and the absolute expression of pure Love offered to you for the sadness you are experiencing.

Thank you.

Secondly then, we consider the movement that is occurring on your Planet to be that of a most positive one.

Clearly, I am not in touch with the FOL but some nutter! I jest ... Explain if you would.

All around you are shown adaptations of scenarios that are honouring the Truth of the soul. The stirring, the rising of self to itself in fulness of understanding, is lifting the Vibration of your Planet. Even though what is portrayed by many ... on the/of the ... mainstream production to be of gloom and doom ... and may we add, lies.

Yet, it is gloom and doom, isn't it? It's hardly sunshine, lollipops, and rainbows!

This would depend on how one is choosing to view it. How one's perspective IS or IS NOT allowing the overall narrative to affect one's Being in a negative or positive way. For there is always choice.

WE SUGGEST STRONGLY TO ERR ON THE SIDE OF DELIGHT IN THE KNOWING OF WHAT IS TO COME.

AMIDST ALL THAT IS TAKING PLACE UPON THIS TOPSY TURVY WAVE UPON YOUR PLANET, WE STILL CONSIDER THE FLOW OF LOVE AND LIGHT TO BE WAY AHEAD OF THAT WHICH IS BEING PRONOUNCED

AND BROADCAST.

TAP INTO THE ENERGY OF THE ONES WHO WALK WITH YOU.

THE ONES WHO ARE UNAFRAID.

THE ONES WHO, LIKE YOU, BLOSSOM, AGREED TO BE HERE AT THIS MOST INCREDIBLE TIME IN ORDER TO SEE THIS MISSION THROUGH.

Tap into the feeling of winning. The feeling of knowing that all that one is enduring in these conflicting days can only enhance the strength and determination to continue on under such adverse circumstances.

Just take a look at yourself for one minute. Are you proud of who you are? Instead of complaining about what is going on ... on the outside ... stop and take a look at what is going on, within ... **WITHIN YOU!** Surely, you cannot deny the inner calling to follow your path ... and through that acceptance, there has to be a Unified Glory in the knowing that you are coming together.

YOU ARE MAKING A STAND ... AGAINST THOSE WHO MISUNDERSTAND THE LAWS OF THE UNIVERSE.

LOVE, dearest souls, LOVE cannot be taken from you.

You may feel it to be hidden or even missing due to the world's endeavours. Yet, it is for you to grasp this concept ...

YOU ARE LOVE. IT IS YOU.

YOU KNOW WHAT LOVE IS.

IT IS EVERYTHING.

THEREFORE, IF YOU ARE LOVE ... YOU ARE EVERYTHING.

Amongst the mayhem and the madness ... there is LOVE.

Allow these current times to be a Golden opportunity to offer more Love to others in need.

Allow these current times to be a Golden opportunity to receive from others all the Love and kindness they desire to offer you.

Allow these current times to be a Golden opportunity to LOVE and then LOVE some more.

Make every moment of your day be of Love ... for yourself and for others.

Do not think so much of the devastation or the fear-mongering concerning your future.

YOU KNOW BETTER THAN THIS.

YOU ARE WARRIORS OF LIGHT.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

WARRIORS OF LIGHT ARE HERE TO SAVE THE PLANET ... THAT'S WHY THEY CAME.

WARRIORS OF LIGHT KNOW TO THINK/BE/EXPRESS/OFFER/RECEIVE/SPREAD LOVELIGHT IN EVERY BREATH THEY TAKE.

Stepping up to the new marker. Rising above all that does not serve.

REMEMBER WHO YOU ARE!

Remember that which you give attention to, is that which thrives.

Where is your attention?

Where is your intention?

BE LOVE.

ONLY ... EVER ... BE LOVE.

NO MATTER WHAT YOU HEAR OR READ ... ANYTHING THAT IS BROUGHT TO YOUR ATTENTION THAT IS NOT LOVE-FILLED... THEN IMMEDIATELY FILL IT WITH LOVE.

INFUSE EVERYTHING WITH LOVE.

You have so much to give.

A never-ending stream of Pure Love that flows through you in order for you to know who you are. It cannot run out. For it is you. It is everywhere and the more you understand how to tap into its Highest flowing Energy, the more you change the world with every thought of Love you feel.

Yes, there needs to be uprising.

Yes, there needs to be a revolution.

YET, LET IT ALL COME FROM LOVE.

Make this policy be the one you follow. The one you pass on.

LET LOVE BE YOUR GUIDE.

LOVE. LOVE. LOVE.

We take this opportunity to remind you of the mantra.

I AM the LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I AM.

Oh, you don't need to remind me of that! It has become part of me. It flows through my blood. (and may I cheekily suggest here, for anyone who has let it drop off from your thoughts ... START DOING/SAYING IT AGAIN ...and notice the difference. If you feel so inclined of course.)

We urge all to keep saying it. Over and over. Until you 'GET IT' ... and when you do ... you will know to keep doing so ... For its value is beyond measure.

You know ... it could be so easy with all that is going on to just become a recluse. Many feel this way and unless things change ... the great 'unpricked' cannot go anywhere in public anyway, so reclusive lifestyle is suiting many. Just keeping themselves to themselves ... try to do what brightens their heart and hang on in there ... Waiting! I've given up on announcements etc for now. A million things that have been put out there by channellers, (me included) intel, whistleblowers etc ... all have come to nothing. Absolutely nothing ... so far!

We are happy you added 'so far', Blossom.

Well, it certainly would be lovely to wake up one day and find that things are noticeably moving in the right direction.

As per our welcoming sentence

I guess it's all about patience then, really. It just seems such a mess ... worldwide.

Is the glass half empty or half full?

I know, I know. Yet, our patience gets tested.

It isn't about patience. It is about Trusting the Plan. When you do that ... WHEN YOU KNOW THERE IS A DIVINE PLAN IN ACTION ... there is no patience required. Just the breathing in and out of Love ... as one allows the perfection of such an act to lead one through into the new land.

One has to be of a High calibre of Being to let that 'always' be the order of the day.

Not at all ... or let us correct ourselves ...

A rarity!

All Beings are a High Calibre of Being. ALL BEINGS.

The question is ... how many of you accept this as your status?

How many of you in these times are listening to their inner voice that is there to remind them?

How many are remembering the HIGH CALIBRE OF BEING THAT THEY ARE?

How many are remembering this Truth?

THE FORCE OF LIGHT ... LIGHT THAT IS GATHERING AND BUILDING UPON YOUR PLANET AND ALL-AROUND IT ... IS A FORCE SO STRONG ... SO POWERFUL ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

SO STRONG ... SO POWERFUL ...

AND YOU ARE PART OF IT.

AS A SINGLE DROP OF WATER BECOMES AN OCEAN ... YOU ... YOU ... EACH ONE ... AS YOU BEAM YOUR LIGHT ... MAKE THAT FORCE EVER STRONGER ... MIGHTILY POWERFUL ... SO THAT BY JUST ONE STATEMENT OF:

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

YOU REVOLUTIONISE THE PLANET.

YOU STAND TOGETHER AS ONE.

ONE BODY OF LIGHT THAT WILL NO LONGER TOLERATE THAT WHICH BEFELL GAIA.

YOU HAVE COME TO LIFT HER ...

TO BRING HER BACK HOME.

WATCH THIS SPACE.

Goodness, that was a very abrupt ending yet, quite powerful in Energy. Well, thanks, Guys. Not sure when I shall next be in touch. As and when suits us both, I guess. In Gratitude. In Loving service. I Am.

Thanks to everyone for their kindness and thoughtful well-wishes due to the passing of my hubby, Goody. I look forward to my heart feeling better, that's for sure!!

The Federation of Light Channellings

No. 24

21 December 2021

Hello! Giving it a try before Christmas ... Anyone home?

Welcome to you, dearest Blossom, and to all those who choose to be part of our community in this way. We are aware of all those who write into you in Gratitude for that which we bring through, and we would very much like to take this opportunity to give our Gratitude to Each One for taking heed of that which we offer, which in turn lifts the Vibration of the Planet ... which brings us great Joy ... because it allows us to note the change in Energy upon your Planet ... and within you. This is certainly a very positive outcome for us that so many 'KNOW' their Inner Truth and it serves so well in bringing about the enormous 'Shift' that is about to take place.

About?

Blossom, all around you, there are signs of this being so.

Guys, these signs have been around us for years ... I think the wind has blown them down.

We are aware of the patience required. The endurance level that you have had to undergo. The disappointments ... the sadness ... the disbelief. All of this we pick up within the general/overall 'taking place' energetics.

YET, ON THE OTHER HAND, WE ARE MOST ENCOURAGED BY THE STRENGTH AND DETERMINATION THAT ONE CARRIES WITHIN THEIR BEING ... IN THE KNOWING THAT THE 'TIME' IS UPON YOU WHEN GREAT CHANGES WILL BECOME APPARENT.

Well, to be honest, a shift into Phase Two wouldn't go amiss! I know that would mean worldwide lockdown (according to your calculations) yet, as miserable as that sounds, it would at least mean we are moving on ... and then ... Oh Joy ... only another three Phases to get through! I hadn't considered that Phase One would take almost two years!

Your Phase Two is coming and it shall expose much. Some things will already be known yet when the lid blows off this boiling pot ... there will be much disbelief and unimaginable turmoil, due to shock levels of those who have no idea at all of what lies beneath all that is taking place on the surface.

Well, I know you can't give a time, so we shall just have to wait and see. That is my 'Other mantra!' I feel you want to say 'Hold on to your hats' ... how many times have I heard this from you?

Too many it seems.

Correct.

We TRUST you can feel the warmth coming from us that enters your heart space, which can also be

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

interpreted as a huge smile from us.

Actually, yes, I can.

The time is upon you to brace yourselves, to strap yourselves in. To remain within a calm disposition as more and more is revealed.

For we say this. Once the lid is off ... there can be no stopping the flow of that which is to pour forth.

YOU WILL KNOW INSIDE. YOUR HEART WILL BE SAYING TO YOU 'HERE WE GO!' AND YOU WILL KNOW TO REPEAT THE MANTRA ALMOST ON A CONTINUAL LOOP, IN ORDER TO REMAIN STRONG AND TO SHINE YOUR LIGHT.

Whatever is exposed ... whatever degree/level of awareness one is able to comprehend that which is 'uncovered/revealed ... KNOW THAT IT IS NOW ... THAT YOU/WHEN YOU ... CHOOSE TO WALK INTO THE FULLNESS OF THE WARRIOR THAT YOU ARE!

Never faltering. Only Strengthening those around you with Love and Encouragement that all will 'eventually' be well.

Yet, won't it be that 'us warriors' will also be in great shock?

This is so. Yet, imagine, that if this is so for you ... how much more offering of comfort shall be required to those who have been blind and deaf to all that has been 'brewing'.

Imagine the Topsy-turves that is to occur.

AND ...

when it does ... YOU ARE READY.

We feel that we have been ready for so long, yet, I still think, when it Truly does kick off, that even though 'Being ready' is within us, all that is to take place will still send 'Those in the know' reeling.

This is highly likely for the shock value of 'What is' what 'actually' is ... hits deeply into the core of your Being. Into the core of everyone's Being. The difference being, that ... you ... are/were ... aware of its coming and therefore, so much more prepared than many.

We have spoken before of a Strength that will come from within.

A deeper discovery of self that lies within awaiting 'The Call'. Not from you ... yet, from Higher Service. This call will be undeniable and the Higher Awakening within shall offer such determination and purpose.

REMEMBER ... THIS IS WHY YOU CAME.

DO NOT DOUBT YOURSELVES ... EVER.

DO NOT DOUBT WHO YOU ARE AND YOUR CAPABILITIES TO ASSIST.

YOU WILL KNOW WHAT TO DO.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

YOU WILL KNOW HOW TO BEHAVE.

YOU WILL KNOW THE PLAN.

Yet, this Plan is not one that is written for you to study and absorb its contents. It is a Plan that shall unfold within you.

Think of a jigsaw puzzle. With every new piece put in its rightful place ... the picture becomes clearer and allows one to 'discover' the next piece, which in turn repeats the process. As more and more pieces fit ... the clearer the picture is revealed and the quicker other pieces are found to complete the task.

Dearest souls ... ARE YOU READY?

I can only speak for myself, yet, I have come to acknowledge that many feel as I do. I can say 'YES ... I AM'. Yet, I am sure that when the volcano blows ... we 'may' feel very much out of our depth.

Should this be the case ... tap in. Close your eyes, say The Mantra, and tap in.

Would we say, the Mantra is your fuel and there cannot be a shortage of it ... EVER.

KNOW DEAREST SOULS ... throughout ALL that is to take place ... above all that is to shock you to the core ... that ...

YOU ARE NOT ALONE.

ARMIES ... GREAT ARMIES ...

I always have a problem when you or White Cloud use that word. I think of fighting and war etc. You are asking me to look it up. *'A large number of people or things.'* OK. I'll flow with that ... as you were!

GREAT ARMIES THAT RESIDE 'OFF PLANET' ARE WITH YOU IN THIS ENORMOUS CHANGE AROUND.

KNOW THIS.

THEIR LIGHT IS THERE TO GUIDE YOU.

They have a KNOWING of the outcome ... a deeper understanding of 'ALL THIS'.

Those 'Off Planet' have volunteered to serve on a grand scale in order to assist you in completing this mission. For it is of the upmost importance for the entire 'IS-NESS'.

Such a tiny little dot of a Planet and yet, so many are ready and waiting to lift it ... into/onto ... a Higher level of itself. Quite incredible, really.

Because of the outcome. Because it has never taken place before.

To raise 'Her up' and take all of you with her for the ride and the residence!

HOLD ON TO THAT KNOWING.

THAT WORLD OF THE FUTURE IS THERE WAITING FOR YOU TO STEP INTO IT.

THERE IS NO FAILURE.

THE LIGHT HAS WON.

Many find that hard to accept when you live on Planet Earth.

Many will KNOW this as TRUTH in due course.

It sounds a bit off for me to say 'I hope you are right'.

Blossom ...

Guys!

Does your Heart feel this to be so?

That the Light has won? Well, let me go ask it! It said ... 'It wants it to be so, cos the alternative narrative sucks!'. So, is that a knowing ... or a desire?

It is a state of Being that you are currently residing in.

So, we wouldn't really say then that my heart TRULY KNOWS IT.

Ask Again?

It heard me the first time!

Please ask again.

Ok. Heart ... do you KNOW that the Light has won? ... YES. Why did it come through so clearly this second time?

Because the first time your thought/mind was too wrapped up in what you are being exposed to. However, the second time ... the 'yes' came though without a question did it not?

Yes.

Deep down inside ... however much you feel 'this knowledge' is 'uncertain' ... deep down inside ... the 'Essence' of you ... the 'Matter' of the very 'YOU-NESS KNOWS THE LIGHT HAS WON.

THE LIGHT HAD WON BEFORE THE BATTLE EVEN BEGAN.

That's big! How can that be so?

Because ...

LIGHT IS LOVE.

LOVE IS LIGHT.

THAT IS ALL THAT EXISTS WITHIN THE CORE OF ALL THAT IS.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

LOVE - LIGHT.

LOVE - LIGHT IS!

LOVE - LIGHT ALWAYS WILL BE.

THERE IS NOTHING ELSE THAT CAN SURPASS IT ... OTHER THAN AN UPGRADE OF ITSELF.

There, of course, though, would be that question of why the darkness was allowed to take things this far in the first place?

That, dearest Blossom, cannot be answered in depth at this point.

Why?

Because of the complexity involved.

Try 'putting it in a nutshell?'

It wouldn't fit.

Maybe for another time that we may or may not get round to.

It is time for us to take our leave. We are aware of the 'celebrations' your Planet has created around this time. We ask that Each One makes it their mission to be of good cheer. For this we know, no matter what ON EARTH is going on ... is the most valued 'ammunition' one can continually arm themselves with.

SO CLOSE NOW.

With respect, how shall I put this? I would Love it to be close. Yet, it was so close about ten years ago. However, I do have to admit to feeling that the lid is going to blow real soon. Yet, I have also felt 'that' many times before. WHO KNOWS ... NOT ME! You must be smiling, as that warm-hearted feeling has just crept inside my heart. Thanks, Guys. We shall see, we shall see!

You SHALL ... indeed.

In Gratitude. In Loving service. I AM.

Happy Christmas everyone from Blossom and from Goody,

For although elsewhere, I must not despair ... cos he wouldn't want that, would he?

So, raise a glass, on his behalf, and raise it in good cheer,

Chase away the blues, bring in happy news,

Cos it was a fking awful year.**

He feels so close, so from us both,

We send you Light and Love,

Mine is sent from Planet Earth and

His from up above.

Thank you to each one who has sent me so much Love and support in this last year. Such kindness has kept me afloat when I so often felt my ship was sinking. I navigate the seas alone now, knowing that the StarLight from my beautiful man Goody, will lead me through both rough and smooth waters. May this new year bring us ever closer to accomplishing our mission and may we do so in Grace, Humility, and Understanding of each soul's pace, as they walk the pathway home. Many, many, many thanks. 18th PERSONAL MESSAGE

Hello Everyone. We all know the Power of Positive thinking and this is why I am choosing to share the following with you all. On Wednesday, my husband, Goody was struggling with remembering the day's events. Then he was alright again. To be on the safe side we went to the hospital on Thursday, and after a CT scan, he was booked in Friday for an MRI, where they discovered a brain tumor! Friday night down to Brisbane hospital ... and this coming Tuesday he will be having it removed! What an incredible few days. I cannot tell you how many Angels are around us! He is in no pain whatsoever, and if it wasn't for Wednesday's episode we would not have discovered it. Everything is going splendidly and we are both fine. So much support and Love. It just fills up our hearts. If it

feels right to do so, would you be so kind as to send HEALING RAYS to my darling man, Goody? Whose attitude and strength are simply outstanding. I am so very proud of him. WE KNOW THAT WITH SO MUCH LOVE FROM YOU ALL ... EVERYTHING WILL CONTINUE TO GO EXTREMELY WELL AND WE SHALL BE HOME IN NO TIME. ALL IS AS SHOULD BE! Naturally, it is likely that I shall not be channeling for a few weeks, or answering emails. Yet, I am expecting to get back on board once things have settled down. THANK YOU. THANK YOU. THANK YOU. The Mantra has brought us both so much courage and serenity. So, until the next time I write I send you all much Love Hang on in there Changes are a'comin!
