No idea if this is going to work at all. I've been really sick for a fortnight, yet, now itching to say hello for the first time this year! Hello!

Welcome to you Blossom. Welcome to all upon your Planet who continue to serve their purpose in Being. You are feeling that nothing much has changed since we were last in contact?

It has indeed been a long while and unless mistaken, Phase Two still hasn't arrived! One wonders how much longer before that takes place ... before anything we hear about takes place?

Yet, although nothing appears to be moving forward ... it is. So much progress is being made that shall allow the state of affairs upon your Planet to change ... as if almost overnight.

Yet, what are the delays? I mean, is there anyone out there, supposedly in the know, that hasn't given a false alarm or something to hang on to, that never comes about? Surely the Good Guys can't have it THAT wrong?

It may seem this way. Yet, as we always say, ALL IS NOT AS IT SEEMS.

YOUR CONTINUAL PERSEVERANCE FROM ALL CORNERS OF THE GLOBE TO SPREAD YOUR LIGHT AND ANCHOR THE STABILITY OF IT DEEP INTO THE CORE OF MOTHER EARTH, IS DOING EXACTLY WHAT IT IS MEANT TO BE DOING.

By 'hanging on' ... by continuing to hold faith and KNOWING that this change is coming ... is what allows 'steps' to take place and leave their mark.

What sort of steps? For, we often feel that just twiddling our thumbs isn't really enough.

And yet, Blossom ... look at the difference within yourselves. Look how much Stronger Each One has allowed themselves to become ... because of the KNOWING OF WHAT IS ... inside ... deep inside.

THE POWER OF THE MANTRA HAS NOT ONLY ASSISTED THE INDIVIDUAL, YET, THE WHOLE.

THE WHOLE! TAKE A LOOK AT THAT!

THE WHOLE.

WHICH MUST MEAN 'EVERYTHING.'

ALL THAT IS!

BY YOU, EACH ONE ... REPEATING THIS CODE OVER AND OVER, IT IS LIKENED TO BUILDING YOUR OWN

'KINGDOM OF LIGHT.'

Wow! That's rather lovely. I like that!

It is True ... if you choose it to be so. As with all things ... choice of thought, added to courage of one's conviction can move mountains.

How many reports have you had Blossom, of this Mantra 'saving the day' for an individual?

Oh, so very many!

Then consider that not only was the day saved for the individual yet, on another level entirely, it was saved for many.

The Mantra has now to be stepped up in its understanding. One has seen and experienced the difference it can make and yet, now we wish you to observe the GREATNESS of it on a level of deeper understanding.

In past conversations, we have asked you to imagine many around your Globe repeating it at the same time ... and to KNOW of the effect this has. Now we ask you to take that awareness on to an acceptance of it being the UNITING UPLIFTMENT of not just those ON your Planet, yet, those OFF Planet, as well.

THE CODES EMBEDDED WITHIN THESE WORDS ALLOW THE HEART TO SWELL ... TO STRENGTHEN ... TO FEEL ... THE TRUTH.

If you do not yet 'dwell within' this understanding, then we ask you to dig deeper.

Each time this Mantra is expressed, one must KNOW its effect. Not just hoping this is the case because we said so ... yet, KNOWING this is the case because you can FEEL IT taking place.

IN A SENSE, IT IS LIKE HOLDING THE MAGIC KEY THAT UNLOCKS ALL THE DOORS TO ALL THE SECRET ROOMS WITH INSIDE OF YOURSELF.

YET, YOU MUST KNOW THIS ... AS TRUTH.

How far do you want to go on this ride? YOU are the ones to take it further. YOU are the ones who by KNOWING ... can build in Strength ... continually ... until such time when the resonance of these words becomes your 'Sword of Light.'

Within each circumstance ... these words will take you through to a Higher level of yourself and the more you allow yourself to understand the workings of such a GIFT, the more you understand just WHO YOU ARE and WHY YOU ARE HERE.

I AM THE LIGHT.

I AM TH LOVE.

I AM the TRUTH.

I AM.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Many of you are already in acceptance of this.

Yep, you don't need to convince me. It has got me through so many trials and tribulations and still does!

AND NOW, WHEN YOU SAY IT ... YOU HAVE TO BECOME IT.

IT IS WELL TO KNOW THE POWER WITHIN ITS CODING. YET, NOW, IT IS TIME TO ENJOY BECOMING IT.

THERE IS A GREAT DEAL OF DIFFERENCE, A GREAT DEAL ... IN SAYING IT WITH FEELING AND CONVICTION ... AND THEN MOVING INTO THE LIGHT OF ITS TRUTH AND BECOMING IT.

I am not sure how we do that ... moving onto/into the next level like that? I can breathe deeply and go within, knowing the Truth of this yet, to become it ... as you are trying to describe ... leaves me baffled. I mean, isn't it that we just KNOW this is who we are?

Jackpot ... and yet, with the greatest of respect, you are merely skimming the surface of this KNOWING. We ask you do not find this an insulting statement. We are simply trying to assist in furthering your KNOWLEDGE OF SELF.

It is a matter of peeling away the layers. Layers, that over time have led you to believe that when you know JOY ... you 'think' you know JOY. When you know LOVE, you 'think' you know LOVE. You 'think' you KNOW all of these wonderful feelings of Truth and yet, Dearest Souls, they are a figment of your imagination.

Not really following you. So, you are saying that when I have known Joy, for instance, it isn't actually Joy?

This is correct. You think you know JOY yet, when the layers are removed ... when these layers melt away ... because you 'cottoned on', THAT then ... is when you shall know JOY in its Truest sense of the word.

How do we cotton on? How do we melt the layers?

You are already beginning to do so. The more you ENTER INTO THE WORLD OF THE MANTRA ... the sooner the 'reality show' drops away to reveal 'reality.'

You've lost me, Mabel!

All that you are doing now ... all that you are preparing for ... will be of magnitudinal assistance when the 'charge' goes off.

Charge?

We do not speak literally in this circumstance ... and yet, metaphorically, this would be an apt description.

YOU ARE EVER INCREASINGLY CLOSER TO THAT WHICH IS TO TAKE PLACE ... THAT WHICH IS TO CHANGE YOUR WORLD FOREVER.

We ask that you let all despondency drop away and REPLACE IT WITH RENEWED ENTHUSIASM for that which is to come.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

You do not need to jump down rabbit holes. You 'simply' are required, should you so choose, to KNOW that the Mantra is your SAVING GRACE ... and in all that you set about to do within your daily lives ... do so with this Mantra vibrating within every cell of your Being.

Yet, take the Energy of it into a space within you that you, until now ... have not discovered.

How do I discover it?

By doing so.

Eh, not helpful.

Oh, yet, it is. We cannot tell you where within you it lies. We cannot tell you how to discover that 'next unraveling' of 'You'. Yet, we can tell you that it is easily found when one longs ... with/from the Heart of the matter ... to make a stand ... to dedicate the soul self ... to a life of service to/of the Light.

EACH ONE OF YOU CAN FEEL THIS 'REASONING' AS YOU READ OUR WORDS.

EACH ONE OF YOU KNOWS THAT YOU ARE ONE OF THE 'CALLED' ... AND YOU KNOW WE ARE CALLING YOU NOW IN THE LIGHT OF LOVE ... TO FEEL THAT CALL ... LET IT ASSIST YOU IN REMEMBERING THAT YOU HAVE BEEN WAITING FOR IT.

Can you not feel 'You' recognizing this remembrance?

EVER CLOSER TO THE CHANGE.

DO NOT LOSE HOPE.

DO NOT DESPAIR!

As you step into this remembrance and 'hear us' from your soul ... you will 'discover' the next level of the magic of ...

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

Well, that sounds very exciting.

It is and as you do so ... when you have done so ... so much more shall make sense to you ... on so many more levels ... and you will see why the roles of Each and Every One on the Planet must be played out ... before the curtain falls.

Thanks, Guys. This all makes sense to me on a different level/understanding of knowing. Good to be back. In Gratitude. In Loving service. I AM.

Hello again, my friends. There are thousands of 'Heroes' all over the world in their trucks and thousands of Heroes supporting them ... in the name of FREEDOM. Rather than hold on to my hat, I take it off to each and every one. Is it then, that your crystal ball still shows a world lockdown?

The Brightest of greetings to you Blossom, indeed the Brightest of Light Greetings to all that are drawn to our 'service'. If you were to see from our perspective the ENERGY that is radiating from the places where these vast engines are gathered, it would fill you with such Hope! Not only is this Energy emitting LOVE, it is sending out Vibrations of Courage, and Strength, and UNITY throughout your Planet. We still hold with our 'prediction' of a world lockdown. As we have mentioned before, it will be under the guise of 'the virus', yet, this will not be why it is taking place.

Are you able to elaborate on that?

Not greatly. Yet, when this takes place, it would be beneficial for each one to 'accept' it for a time and use 'the space' to concentrate on sending out your Love of the Mantra to assist in keeping the Vibration as High as possible. From what we 'understand', it will not be for a long period of time, yet, it is necessary for 'political bombshells' to be announced.

I am a little confused and trying not to let 'things I have heard' influence my questioning. Is it the good guys or the bad that lock us down?

It is rather complicated. In that, we would say it is a mixture of both. It is a Master Plan and difficult to explain and much would not be advisable to disclose.

YET, WE ASK YOU TO FOCUS ON THAT WHICH YOU CAME TO DO. SEND YOUR LOVE ... FROM DEEP WITHIN.

Perhaps, it is easy from your position to be a little remiss and just accept things to be rolling along. Yet, remember too, there is no time.

THIS CHANGE THAT IS TO OCCUR RELIES ON YOU! YOUR ENERGY.

That is why you are here. Remember?

'Yes, yes,' you might say. Yet, this is CRUNCH TIME. This is when you expand your awareness and reach deeply within to 'discover' that which you are.

THIS IS THE ULTIMATE PRIZE/GOAL.

For to ... uncover/awaken ... that in you which has been waiting to receive you ... you will find to be the Greatest Gift of all.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

WHEN you 'GET IT FULLY' ... it shall be as if all that is presented ... all around the world ... will be seen from a different perspective. There will be no attachment to what is being revealed ... for the KNOWING of it all happening in order to CHANGE EVERYTHING, shall allow your TRUTH and TRUST to reach heights yet unknown to the Soulself.

As you ... uncover/let melt away ... these layers, SO MUCH will 'fall into place' regarding SO MUCH. Not just so much of the 'Why's and wherefore's', yet, more so of THE WHOLE ... THE BIGGER PICTURE ... which in turn will uplift your Energies and determination within the Self ... which in turn, gathers momentum to continue on so Bravely with that which you came here to accomplish.

Not wanting to repeat too much of our last chat yet, is it JUST the Mantra that will remove these layers?

No. It is YOU. The Essence of YOU that begins to understand everything about the Mantra.

Keep your promise to yourself and 'Get there' ... the place within you that you KNOW to be waiting. Excitement for what is to come shall ensue, replacing fear and despair.

Your remembrance of why you are here shall become more apparent through 'FEELING' your Strength and Determination.

This KNOWING we speak of, cannot be expressed in words particularly, because it is a FEELING inside of you. Not necessarily knowledge of what is outwardly taking place and all the 'In's and out's' of such ... yet, a FEELING OF KNOWING that ... 'Actually, EVERYTHING IS GOING TO BE ALRIGHT.'

When you reach this KNOWING, this UNDERSTANDING ... all the fear, all the disbelief, all the lies that are to be revealed ... all the pandemonium that is ... to take place/ensue ... indeed, ALL that is to 'play out' will not affect you as it once did.

The acceptance that 'This must be, in order to' ... will fill your Being with a Newness. A Refreshed Energy ... a different kind of Energy within you, that is NOTICABLY different.

As you are bringing this through, I can FEEL exactly what you are trying to explain yet, as you say, it is a feeling, so therefore, I feel you are finding it difficult to express and yet, you seem determined to keep trying because it is important and also, so very uplifting.

This is so. Yet we are 'assuming, in humility' that the Energy these words 'carry' will not just assist you, Blossom, in understanding the STRENGTH AND NEWNESS OF SPIRIT that is opening up NOW, yet, as EACH ONE tunes into our Energy as they read or hear our words, they will also feel this that you are feeling at this moment.

We feel it would be appropriate at this time ...

I know what you are going to say and the Love which it carries has put a lump in my throat and filled my eyes with watery Light, and I am so happy you are going to say it because it is so deserved.

Indeed, Blossom, we feel this to be the most appropriate opportunity to offer our honour and deep respect to the 'Gentleman Joe', who so lovingly took on the task (as agreed beforehand) ... to take our words off the page and fill them with the Grace and Love that we so desire to be expressed, through the softness and extreme quality of his 'IS-ness'.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yep! Don't know why ... but I'm blubbing. I too, cannot express in words my Gratitude to him. I know he will be wanting me to thank you yet, he knows too, he's a big boy now and can do that all by himself. From all of us who feel so Blessed to have you on board ... Thank you Joe! Now, where were we?

We were hopefully filling your Being with a Stronger Understanding of YOURSELF.

This is most Empowering and most Joyful!

As each New Dawn rises the 'YOU THAT YOU ARE' ... will warmly smile ...

As you FEEL READY ...

As you FEEL STRONG ...

As you FEEL and KNOW that the ENERGY is amping up ...

As you FEEL THE LOVE THAT IS EVERYTHING AND ANYTHING in your particular world.

What a difference to wake up to this. Letting go/releasing ... the old Energy, consciously giving it a 'Mighty send-off' in Gratitude for all that it was. Visualizing it transmuting into Light Love as the winds of change take it to a 'nowhere space' where it can begin a NEW SELF Expression.

As you honour and invite this NEW HIGHER ENERGY ...

into YOUR LIFE ...

into YOUR PLANET ...

into THE HEARTS OF EVERY LIVING THING UPON YOUR PLANET ... you will become overjoyed at the difference in 'Self' that it has wrapped inside.

A GIFT TO BE UNWRAPPED AND TREASURED ... FOR YOU KNOW IT COMES FROM HOME.

This is so lovely! I guess the thing is, we as individuals need to really KNOW this! If we just think, "Oh, that will be nice one day ... then it goes on the back burner until the postman delivers yet, we are the ones to knock on our own door ... all the time. To remember these things you offer us. Not to take them for granted. Not to say as some do at times 'Yeah, Yeah, blah, blah, blah, same old, same old.' It's time to REALLY STEP UP TO THE PLATE!

'The same old', dearest Blossom, will always and ever be 'The same old' for one cannot change TRUTH.

Yet, Truth can change can it not? What was once 'MY TRUTH' about certain 'understandings' years ago, has been replaced by a new Truth within me ...

With respect, we would say, that you call it 'Your Truth' ... at the time. Yet, it was more so an 'understanding' of what you 'thought was' ... due to the level of awareness your soul had led you to.

Yep ... that makes sense.

The Truth we bring through regarding your SOULSELF and WHO YOU ARE ... CANNOT CHANGE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

FOR ...

YOU ARE LOVE

YOU ARE LIGHT

YOU ARE TRUTH.

This cannot change. It can alter in Vibration yet, it cannot change this fact.

Just before we go ... you have explained to us that the words/energy of the Mantra are encoded. Some feel it suitable to add or use 'We' instead of 'I' ... and they want to know if that still has the same effect?

WHAT HAS THE GREATEST EFFECT IS THE OVERALL FEELING OF LOVE THAT ONE BRINGS THROUGH FROM THE CORE OF THEIR BEING AS THEY SAY IT.

We feel we have spoken of this before

You may well have done ... I've had a lot going on!!

Yet, it is the I that is the ONE.

Therefore, I is the WE.

Simply put yet, perfectly explained. Ok ... Time for me to get some breakfast and time for you to whiz around the Universe a couple of times ... doing what?

That which we do as an expression of who we are ... LOVING ALL THAT IS.

And we follow in your footsteps, no matter what role one has chosen in this epic production. Thank you as always ... In Gratitude. In Loving service. I AM.

The Federation of Light Channellings

No. 3

14 February 2022

A quick note before I start. Last week's channelling was discussed by a world-renowned, Highly respected lady, named Janine (Tarot with Janine) She was asked to do the cards regarding the FOL saying that indeed, there STILL was going to be a worldwide lockdown. A few issues were then discussed, of which I feel it would be good to 'clear up' today. SO ... Good morning, once again. You'll be pleased to know we are 'Legit', according to the cards!

Greetings to you Blossom and those who have been with us for a long time, and indeed, to all newcomers to our chats. We sincerely hope that they resonate with the Heart and Soul. Yes, indeed, 'We' KNOW we are Legit!

Nice to get the heads up though. However, things to address, if we may? Clarification of 'WHO YOU ARE'. Last year it was mentioned by a few X militaries and I believe a few channelers, that the FOL are a Phys Op ... and that it is the 'Confederation of worlds' that are the real deal. If you could also clear up the matter of you not being the "GALACTIC" Federation of Light' ... just 'The Federation of Light', that would be good too. Off you go then chaps!

Blossom ... as 'The lady of the cards' wisely mentioned, it actually matters not what 'Our label' is. What matters is that the Truth we bring through resonates within the core of the Being. It is for Each One to 'discern and decipher' for themselves ... our words ... and whether or not they 'Ring True'.

As we have said in previous chats ... we are not in competition. Our desire is to assist your Planet and all upon Her, to move into the Higher Vibration where all that no longer serves ... in these times ... will be 'left behind.'

However, to address your question. We choose to be called 'The Federation of Light' and we are 'The Overseers of the Overseers.' We stand firm in this knowledge of who we are!

What is the difference between the 'Galactic Federation' and your good selves?

We are not 'Of Galaxies', Blossom. We are not ... of/in form. Yet, can be ... if it /should it ... ever be necessary. When we say we are 'Above' that, we do not mean that in a sense of 'Being better than'. We simply mean that, with respect, 'Our status,' if we have to call it something, is of a Higher Vibration. Hence, we are not 'The Overseers' ... we are 'The Overseers of the Overseers.'

Who are The Overseers overseeing?

A vast organisation. Consider yourselves to be one species residing on a small Planet named Earth. Then consider many other races ... not of your world. Some residing on other worlds and some having their 'Ship' as their world. You have your world 'supposedly' controlled by governments. Other worlds are advanced enough not to need 'Those in charge' to dictate. However, in the Grand Scheme of things ... in the running of The Divine Plan ... there has to be those who are able to 'Oversee' the Plan.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

And that's you?

Not just us. It is difficult to explain in words. We would say, those of our Vibrational Frequency who are not 'Of us' yet, are 'On our wavelength!'

We are aware that you want to discuss the 'Galactic Federation'. Again, a vast organisation. Consisting of many, many, different 'sectors'. Not all in alignment with that which we choose to offer. Which leads us into the question of 'Phys ops.'

Which is what, exactly, for those who are unsure?

A 'Phys op', as we understand it, is a comergence of Truths and untruths. The 'one' bringing through the messages from 'elsewhere' believes the information to be True and accurate and yet, through advanced, (yet, not really,) technology, the 'receiver' is fed information 'Through the ethers', in order to confuse those who have come to enjoy messages from outside of your world.

Sadly, many feel they are connecting with Truth yet, they are being duped.

And one would recognise this by ...?

Integrity. Listening and feeling into their soul. Have we not said this also, of that which we speak of with you over many years of communication? If what we say does not resonate with you ... search elsewhere for your Truth. Each One must follow their Heart.

So, what about the 'Confederation of worlds?' With respect, where did they 'suddenly' pop up from? I've been at this for 22 years and have never heard of them until last year. And yet, X top military folk say these are the ones of the Light and nothing/no one else.

Blossom, we are not avoiding /evading the question, as many sometimes feel we do. Yet, it is not 'Of us' to tell you that which your Being must discover for itself. Is it not many times, you have been asked to ask us if a certain channeller is speaking Truth?

Oh, indeed.

Yet, we would not consider to discuss that. It is not for us to speak of this. It is for the Soulself to FEEL its Truth ... ONE KNOWS NOW IT CERTAINLY IS NOT WISE TO CONSIDER EVERYTHING ONE READS OR HEARS TO BE OF THE LIGHT.

Mm. So, you don't want to discuss the Confederation of worlds?

Correct. For no other reason than we are not here to do so. We come to you, as you know, to assist all that is life to KNOW WHO THEY ARE. To reside in that Truth and to find ways to help one recall their mission upon the Divine Planet Earth at this time.

Guess you would like to move on. Thank you for giving as much as you see fit.

We would like to conclude that section by reiterating ... Truth is Truth ... it cannot be a lie. Feel into YOUR TRUTH regarding any matter you come across, be it channelers or the price of vegetables!

What a strange comparison! Let's not waste time talking about the price of cabbage! Ok, moving on. I feel we

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

have a bit to get through. It was discussed in the same programme, regarding the worldwide lockdown and how people just couldn't stand the thought of it. My Heart felt you can assist us on this matter, if you would care to oblige?

We have spoken of this also, Blossom.

THIS IS A DIVINE PLAN! It is too complicated and 'intimate' to be discussed 'In public' at this stage. Yet, we shall tell you this ... It will be under the guise of a 'Spreading rapidly fungus' ...

Whoa! Hold the phone a minute! A fungus? Are you seriously serious, chaps? A Fungus?! Are we all going to be eaten by a giant mushroom?

If we may continue ... A 'Spreading rapidly fungus' ...connected to the viruses. Yet, of course, this has absolutely nothing to do with it. We cannot give the game away ... it is not appropriate, yet, we can say that what is to take place, once that manoeuvre is underway ...

IS FOR THE GREATER GOOD.

THE HIGHEST GOOD OF ALL.

When this is understood, there will be no place for fear. For it will be accepted that 'At last', The Plan is flowing through Phase Two and 'MOVING'. What takes place during that 'Incubation' will shake one to the core. Yet, it is the 'Core of the Being' that in many, needs to be shaken in order to awaken. Many shall 'Emerge anew' and in alignment with the Truth that is to be revealed.

One knows that what is to be 'shown without doubt' as Truth, will start a revolution inside the self! Which in turn for many, who cannot accept the 'Great reveals,' will lead to much disruption. Therefore, would you not consider it ... best/safest ... to remain indoors at this time and SEND YOUR LIGHT - LOVE TO THE ENTIRE SITUATION?

We understand too, that many, many, many, will be too confused to 'deal' with it and choose to leave the Planet ... as part of their contract ... in varied options of removing themselves.

Leaving many, many, many to continue on in Strength and Courage to fulfil their mission.

So, this would not be a good time to say ... 'Beam me up, Scotty'.

Blossom, as we move through this next phase ... although GREAT turmoil will occur, which most of you are already aware is to come and have been preparing for within your Soul's Courage ... in a sense ... it is a time to Celebrate.

Eh, it doesn't sound like it would be appropriate to adorn party hats and throw streamers, to be honest!

It will be a CELEBRATION OF INNER KNOWING!

A recognition of your 'Tutorial' before coming here. WHEN this 'Takes off' ... this 'Phase Two' ... the Heart will recognise the difference, for those 'In the know'.

We cannot express enough OUR FEELINGS, OUR KNOWING regarding the saying and repeating of the Mantra.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

Many may be new to this*. Yet, we Trust the KNOWING OF TRUTH will lead the Soul to adopt these CODED WORDS into their everydayness and allow them to become as natural as breathing.

The more Soul's that cotton on, the more one understands they are not alone when saying these words, the more the Strength of Unity and the build-up of extreme LIGHT - LOVE will be present as THE DIVINE PLAN takes its next step.

When the 'Incubation' takes place ... USE IT ... USE IT ... USE IT ... TO BE YOUR LIGHT ... FOR YOURSELF AND ALL LIFE!

YOUR TIME IS NOW.

YOU KNOW IT IS 'YOU' WE ARE SPEAKING TO.

THERE IS NO PLACE FOR FEAR AND DEPRESSION YET, THERE WILL BE SO MUCH NEEDED COURAGE AND STRENGTH TO GUIDE EACH ONE THROUGH THAT WHICH IS TO TAKE PLACE.

WE HAVE EVERY FAITH IN YOU PLAYING YOUR PART ... THAT IS WHY ONLY THE STRONGEST OF THE STRONG WERE CHOSEN.

We must take our leave now ... as there is much here to be absorbed by newly awakened Beings.

Tickety Boo! I'm really pleased we have this done.

Blossom, you have been through much in this last year. We look forward to connecting with you in the 'Sanctuary' that was chosen for you ... where 'our communications' shall continue in Truth and Love.

Thanks, Guys. Yes ... I move on Thursday. Bittersweet yet, I am getting excited now. In Gratitude. In Loving service. I AM.

Half an hour later. I feel incomplete! May we just have another quick chat as there is also, the matter of how long this worldwide lockdown will last? To me, it 'seems' to be looking so unlikely to take place at all, as restrictions and absurdities are lifting in many places and the HUGE Freedom rallies are making such a stand. **This is agreeable with/to us. Yet, we cannot be particularly forthcoming on this matter, either. We would say 'How long is a piece of string'?**

For Blossom and All, we cannot determine this outcome. It is EACH ONE and their behaviour towards it, that shall do this.

It is 'On the cards' ... would we say ...

Aptly!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

... that Phase Two and all its involvements will move rapidly once the lid has been removed from the can and the worms in their multitudes are forced out and 'dealt with'. Yet, as to WHEN it will flow into Phase Three, will be according to the 'reaction' of the masses and this is something no one will know until this Phase is well underway. Another reason for ... those in/of awareness ... to step up and Beam!

Trying to imagine exactly what this will look like is tricky! There will be such anger by those who simply had no idea and that could be a huge issue.

Dearest Blossom, what is taking place on your entire Planet is ... and has been ... a HUGE issue. Yet, think upon it as 'A means to an end.'

YOU CAME HERE FOR THIS.

YOU KNOW IN YOUR HEARTS THE LIGHT HAS WON AND YOU SHALL SEE THIS DIVINE PLAN THROUGH.

Well, I do my best to try and know. You have mentioned that there are to be Five Phases! Dear God, give us strength! At 64, does this mean I may have left for fresher pastures by the time we get to Phase Five?

One would hope not, Blossom.

Too right one would hope not!

Yes, there are to be Five and we cannot, as you know, due to their actually being no time, give you a time frame. Again, each Phase dependent upon The Plan flowing and the reaction to it.

However, we choose to say ...

'YOU WILL BE HERE WHEN PHASE FIVE 'ARRIVES' AND WE CAN, WITH A GREAT DEAL OF CERTAINTY SAY, THAT PHASE FIVE WILL CONTINUE ON IN LIGHT AND LOVE AND PEACE AND TRUTH FOR AN ETERNAL SPACE IN THE BEINGNESS OF EVERYTHING.'

I think I feel this to be complete now. Thank you. Back to packing. In Gratitude. In Loving Service. I AM.

Hello, my friends. You were right, the house you 'chose' for me is indeed a Sanctuary! I feel so comfortable here. Thank you. Now then, your news of a worldwide lockdown has reached far and wide, it seems. Yet, you have been speaking of the lockdown for a long time. It's the introduction of 'Fergus the Fungus' that has intrigued many. Are you able to elaborate, or not?

Warmest of Greetings. We too, feel this new abode has wonderful prospects for you, especially regarding the Energies, typically for our communications. We are happy you are happy there.

Regarding the lockdown, yes indeed, it has been spoken of often by us. What is 'useful' to know is that 'whatever is presented' as a reason to bring this about is merely a deploy. The tactics used are a disguise in order to 'have the people' where they need to be.

And where is that?

SAFELY in their homes. Again, we try to explain without giving 'The Game away' for that is not suitable. This Plan is vast and as in a game of chess, strategies and contingencies are always changing in order to make one's next move the most beneficial.

Yet, you say the Light has won.

It has. Without question. Yet, The Game must be played out, for there are essential 'properties' that need to be in place. Therefore, The Game must be finished so that those of/from the Light-Forces can complete their mission(s).

We DeLight in the movements of upliftment from many heroes on your Planet, that are showing the world and those that live upon it, that what is not right regarding 'Freedom status', must be dealt with.

The walls are crumbling and tumbling down around your Planet. Remember that most of what is presented to you is a smokescreen. A completely different 'play' is taking place behind the scenes and it is getting close now to the curtain lifting, in order for the audience to participate and 'view' for themselves that which is TRUTH.

Really? Is that ever going to happen? No-one knows what to believe anymore ... about anything. It is hard to decipher and discern what is real. I know many feel fearful about a worldwide lockdown. I say bring it on and let's get this show on the road. At least we can feel we are moving forward.

It has to take place. And indeed, Blossom, it will move things along in ways that will 'Blow people's minds!'. This is another reason for an 'indoor curfew' 24/7 for a while because that which is brought to Light will leave many in states of shock, abhorrence, and disbelief.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Your role as you know, now and when this takes place, is to send your Light.

The most Powerful Light that you are discovering ... of/through/as ... yourself will be greatly needed to calm the gushing rivers that inevitably will cause much disturbance to those who are naïve and afraid.

It just seems like a chapter out of a book. We have heard so many 'tales' of this, that and the other. Emergency broadcasts, for instance, revealing THE TRUTH. Yet, as with most that we hear, it never takes place. You cannot give a time frame to us ... therefore, we could still be waiting for this in five years' time!

Blossom ... Phase Two will have been put into place long before that. Many of you are 'feeling' the need to go inward and prepare. Each in their own way. Many of you are sensing that something is about to 'take off'.

Yes, and many of us have been feeling this for years, off and on!

It is coming, Blossom. We are not saying to any one of you that you MUST believe that which we say.

This is not why we come.

We come to STRENGTHEN YOUR SPIRIT.

We come to assist you in recognizing the TRUTH OF WHO YOU ARE.

THIS IS OUR MISSION.

For in doing so we are assisting ... The Whole /Ascension process.

IT IS YOU ... EACH ONE that are here to lift your Planet. This you know.

YOU KNOW SO MUCH.

Yet, we feel we know nothing.

Blossom, when this 'kicks off' ... this Phase Two of Five ... you will realize ... that which you need to know ... is aware of what needs to be done!

Does that even make sense?

You feel that you need to know what is going on in order to do what you need to do. Yet, you actually, in fact, need to know absolutely nothing of what is going on in order to do what you came to do.

For when you 'ARE' EnLightened by that which is to be exposed, you will see that 'that side of matters', although revealing, is not what you have been building up to ... not what you have been preparing for.

What you have been preparing for is the HOW!

HOW you then, now, conduct the POWER OF YOUR SPIRIT to soothe the troubled waters. To reach out to those who are in a state of numbness and overwhelm.

How do we do that if we are all locked away?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

To begin with, it shall be via thought and prayer ... when things settle, it shall be easier to communicate through ways of internet ... and in person. For the lockdown is to be put in place for safety reasons, as we have said.

I assume you mean safety, due to folk 'losing it' when they hear of atrocities. In fact, realizing that everything we have been told is an outright lie! In my mind, I feel people will rebel, and huge crowds will rampage. Not a pleasant thought, yet, one that remains.

Blossom, there is not one that can precisely predict how this 'fall out' will 'fall back in'.

Do you grasp this as we are speaking with you? Are you Feeling/ Knowing, that this ... this Phase Two ... is a HUGE STEP into the awakening of mankind?

Are you recognising the stirring in your Soul that this which is about to take place ...

I notice you wanted me to put 'about' ... although I hesitated for a minute.

That which is 'about' to take place will present so clearly to you ... YOUR REASON FOR BEING HERE.

You will FEEL so Powerfully and clearly 'your orders'. We have spoken before, that 'orders' in this context are not 'What you MUST do' ... They are orders in the sense of KNOWING 'What one HAS to do.'

Yet, when you have spoken of orders before, it was regarding the opening of our Envelopes* and our orders for each one being inside. I don't feel it is the time yet for the Envelope opening? Is it?

Not as such. That particular unveiling is awaiting further along the journey.

These 'orders' are 'KNOWINGS OF TRUTH'.

KNOWINGS OF WHAT HAS TO BE DONE/ACCOMPLISHED.

We wish to express that these times ahead are to be revelatory (?)

Don't think that is a word, yet, I know what you mean and I know you don't mean revolutionary.

THERE IS NOTHING TO FEAR.

False Expectations Appearing Real.

Thank you for picking up on that.

As, at last, from your point of view, from your perspective, things move on ... you shall FEEL inside your Being ...

THE YOU THAT YOU ARE ...

THE YOU THAT VOLUNTEERED WITH SUCH ENTHUSIASM AND LOVE FOR THIS 'PROJECT'.

THE YOU THAT CAME HERE TO CARRY OUT THE PLAN THAT WAS DEvised BY DIVINITY TO RID THE DARKNESS FROM WHAT WAS ONCE AN ENERGY OF LOVE AND SERENITY, AND TO REBIRTH THE FULLNESS

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

OF LIGHT INTO ITS CORE, SO THAT IT BECOMES INFUSED WITH SUCH PEACE, THAT IT CAN ASCEND INTO THE VIBRATION OF TRUTH AND COMPLETE BEAUTY OF ALL THAT IS.

FEEL THOSE WORDS IN YOUR HEART.

VISUALISE THOSE WORDS IN YOUR BEING.

YOU ... YOU ... WHO ARE OF GREAT LIGHT AND POWER ... CAME SPECIFICALLY TO BE PART OF THIS DIVINE PLAN.

DO YOU UNDERSTAND THE HONOUR!?

YOU ... YOU ... WERE CHOSEN ... BECAUSE YOU ARE THE STRONGEST OF THE STRONG.

The weaker ones, those who knew they did not have the stamina to complete this task, remain in the ethers of other Worlds/Dimensions and play their part of sending Love Light through to you from afar. They admire and hold you in such esteem for your Forthrightness, Bravery, and Courage!

Dearest Souls, BE UPLIFTED BY OUR MESSAGES.

LET GO OF CONCERN AND NEGATIVE SPECULATION.

THRIVE WITHIN YOUR BEINGNESS.

FOR INDEED, THAT WHICH YOU ARE ... THAT WHICH YOU ARE TO DISCOVER OF YOURSELVES WILL TAKE YOU TO A KNOWING OF SUCH AWE AND WONDER.

YOU ARE SO MUCH MORE THAN YOU HAVE BEEN LED TO BELIEVE.

HOW WE LOVE YOU.

CONTINUE IN STRENGTH.

ALLOW THE MANTRA TO TAKE YOU TO YET ANOTHER HEIGHT OF YOURSELF.

Discover its magic as you say/Feel over and over,

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

We feel and desire that the Energy within this communication shall uplift your Soul's Vibration and assist you in the completion of that which you are here on the Planet to achieve.

For this time, we take our leave.

Important to me! Before I begin, I wanted to alert you to my email situation which is now sorted, after 4 days! HOWEVER ... if you have not had a reply from me OR a Thankyou for kindly sending in a donation, please know I did reply, yet it got lost from my outbox (which I thought would send them out once the issue was fixed. Not knowing I would then lose the entire program!) So, in order not to stress myself out, I have to let this go and start afresh from today. Thank you for your understanding. A HUMUNGOUS THANK YOU to Raj, in the UK ...who spent 3 hours on TeamViewer and Skype with me (Plus many more hours behind the scenes) trying to sort it out. This week's hero. Thank you, Raj from my heart. Let us begin.Hello there! Well, all I can say after your spectacular live appearance on my last YouTube is ... follow that! No pressure!

Welcome to Each One who joins you here, Blossom, and we are indeed, impressed with the amount of viewers that 'came to the table'. For our intent is to assist in elaborating the Truth, so one may know of it!

As both you and White Cloud did so beautifully. Thank you. Someone sent a short video about a Pillar of Light that was seen in Perth*. Apparently, there were four of them. Which appeared very quickly. I know you are aware of which I speak.

Indeed, Blossom. We are aware of this phenomenon and yet, it is not as such a phenomenon ... to us ... at all. The scientists are baffled by it, yet, we can explain it quite simply as ... 'Being Of Light'. Certainly, electricity must be involved and yet, we would say it was 'communicated' from Sky to Earth by a vessel from 'elsewhere'.

Many more, as we have said, shall begin to appear as the frequency rises. However ... although we would choose to call these 'Pillars of Light', we would also express that the 'ones' we originally spoke of have not yet been presented. These 'larger' ones that are to come will remain and 'move' stealthily across your skies and as also spoken of, shall contain information to 'be received' to the individual.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yes. I remember you saying so. Which in itself is mind-blowing. 'Stealthily' meaning 'not seen or heard, incognito' ... yet, in the past, you said they would be visible? More confusion.

They will 'be protected' ... Cloaked and uncloaked as and when necessary.

And so, when you say 'remain'?

Yes, they shall, yet, not always visible.

Thanks for clearing that up. I also remember having a bit of a fallout with you in 2011 because they didn't show when you said they would! Story of my life!

Blossom, is it not that both parties have agreed /understood it is best to leave dates well alone?

You betcha sweet apples we did! So, the Pillars in Perth? Do they have a purpose?

They infuse the Earth with an electrical current that travels far and wide. And as you are picking up on Blossom, they are part of the 'Awakening' process that we spoke of regarding the Monoliths and the Crystals underground and the 'activation of such'.

Yet, the Pillars hasn't activated all that you spoke of?

No indeed. For it is not yet time. However, we would say that the necessary 'electrical current' ... for now ... is in preparation for such an Event.

What does it do ... for now?

It creates circuits within a radius of its implant.

So that would mean there would have to be many 'seen' all over the Globe?

This is so. Yet, to catch on camera will not prove to be so easy, as they happen 'in a flash', would we say.

This is exciting, yet, I am not, with respect, going to get too excited ... as yet. Time, you and I, are not always in agreeance!

And yet, dearest Blossom, you and many are coming into a place of acceptance, in the KNOWING that ALL we have presented to you ... all that we have discussed over many years, will indeed, come into fruition when it is appropriate to do so.

One will find that 'many happenings' once they begin, appear in rapid succession. One after another ... Yet, giving you time to take a breath in between, so to speak.

Well. That's handy to know. Anything else on the Pillars, for now?

We do not feel so. There is much that can be looked into from past conversations on that matter.**

Thank you. How about more on Fergus the fungus? How's he developing? I have been sent information about a fungus connected with the dreaded lurgy that took over the Planet in the last few years. Is this what you mean?***

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

As we say, Blossom, when the time comes for one to remain safely indoors, the prospect of this and the propaganda around it, will certainly be enough to 'have the desired effect'.

Can you elaborate?

It will be 'presented' as 'more deadly'.

How can you get more deadly than dead?

Then, would we say, more ferocious.

A FEROCIOUS FERGUS FUNGUS! You gotta Love it! Yet, how will it present in terms of symptoms?

A rash ...

So, it's real then? ...

Yes. It is. Yet certainly not ferocious and certainly not deadly.

I am feeling a little anxious here due to what 'I think' my mind is picking up from you ... regarding it being 'originated from the 'needle'. Is this so?

For some. Not everyone. For not every one of those 'needles' contained the same strain of infection/ infections.

I am so confused about it all. For instance, I don't get when you say that this worldwide lockdown is conducted by both the goodies and the baddies.

The best way we can describe it is to say that when one knew of 'darker agenda's' ... then the Divine plan could interweave its magic and outstanding strategies to 'make it work' for the Highest Good of All.

I know it sounds like I am not Trusting what you say. I am just dubious because it all seems so far-fetched and so far removed from actually happening.

Dearest Blossom ... if one was to tell you five years ago, of all that has 'come to Light' over the last few years, would you say that this too, was far-fetched?

I would indeed. Indeed, I would. Point taken. I guess, the 'responsibility' of bringing Truth through from you ... is quite daunting. Wouldn't be the first time our street cred went out the window.

Street credibility does not concern us, Blossom, as you know.

WE KNOW WHAT WE KNOW.

Yet, it is possible for all this to change, is it not?

It is. Yes. Yet, in this case ... unlikely.

That's big! So, to go back again to clarify ... is Fergus the fungus actually deadly? Just to clarify also, it was me that named it Fergus!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

No. Definitely not. No more than that which has invoked fear upon your Planet over the last few years. It is not the actual 'thing' itself, that has reportedly removed souls from the Planet, yet, it depended on 'the state' of the inner workings of any one particular body, as to how deeply it became affected.

Know that this 'guise' will be the ...

You can't find the word ... nor can I!

We are choosing our words carefully here. This guise will be the predicted fallout that is to be exposed in order for your Planet to be able to move on/into your Brighter future.

This is what we ask of you to consider now, and when this takes place.

To ...

CONTINUALLY SAY THE MANTRA.

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

KNOW IT.

FEEL IT.

BE IT.

CONTINUALLY VISUALISE YOUR FUTURE DAYS AS ONE'S OF LIGHT AND LAUGHTER.

CONTINUALLY KNOW WITHIN YOUR BEING THAT NO MATTER WHAT IS PRESENTED TO YOU 'OUT THERE' ... THE LIGHT HAS WON.

CONTINUALLY KNOW THAT ...

YOUR TRUTH

YOUR STRENGTH

YOUR COURAGE

YOUR LIGHT AND YOUR LOVE

WILL SEE YOU THROUGH THESE 'ENDINGS' AND MOVE YOU THROUGH TO THE BRIGHTEST OF BEGINNINGS,

WHEN YOU HOLD ON TO THIS TRUTH ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

WHEN YOU KNOW IT ...

WHEN YOU TRUST IT ...

YOU WILL BE SERVING YOUR SOULS ... THE SOULS OF ALL ... AND THE UPLIFTMENT OF YOUR DIVINE GAIA ... FOR THIS IS WHAT YOU CAME TO DO.

And so it is.

Tickety Boo. And so it is, indeed! In Gratitude. In Loving service. I AM.

20 March 2022

Good morning to you. Straight to it. As more and more BS churns out to us ... I become less and less interested in it, to the point of detaching from any form of emotion other than 'This is all BS!'. Nothing seems real. I look at others walking by and don't feel part of the plot. Have I just become totally insensitive to other's suffering, or am I becoming more 'aware'? It's like nothing makes sense, and I can't be bothered to try and work it out! I'm not depressed, just curious.

Welcome and a Good Morning to you Blossom and those of interest in what we 'churn out' in these conversations.

Well, that's made me giggle to start with! I wasn't actually referring to you, more so the goings on of the Planet and discovering more and more lies. We have become so divided depending on what we choose to be fed, to the point that if you want to stay 'in touch' with someone, its best to talk about the weather, yet, that's all BS too, although so many don't know that!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Dearest Blossom, we can pick up on the Energy of many upon your Planet who are feeling the same way as yourself. Yet, we would look upon this as a 'Growing pain'. Indeed, the more one becomes aware of 'THE TRUTH', the more one recognises 'THE TRUTH' within themselves. It is not that you have become insensitive ... it is the opposite of this. You no longer choose to 'buy in to' all this nonsense.

You see, let's look at that. There is a lot of focus on a war in Europe at the moment. To call that 'nonsense' would appear insensitive, would it not?

Let us look back on that. Nonsense = No sense. It doesn't make sense and therefore, the more aware and alert to such 'nonsenses' that one becomes, the less the Soulself chooses to 'buy into it.'

What's with the 'buy into it'?

Would we say, the less one chooses to invest one's Energies into it. Sending Love to the entire Planet as all this takes place ... allows you to become far more invested in the welfare of 'All that is', rather than be saddened and disheartened at 'What you are shown'. For the TRUTH is being disguised to such a degree within this particular matter, that our suggestion is by far the most Enlightening process one can take, to assist.

So, this 'None of this is real' feeling, is what?

The understanding more of the self and that THE GAME one chose to come and play is 'changing position'.

THIS FEELING, YOU AND MANY ARE EXPERIENCING IS A GOOD ONE, BLOSSOM.

You are 'Rising above it'. You are lifting your Spirit into a place where you do not allow yourself to be affected by the goings on, because you have come to recognize that THE GAME is indeed, that. A GAME!

We've probably spoken of this many times before, yet, when actually 'Down here' as a participating player, it doesn't feel like 'A Game' at all!

Yet, is it not beginning to? Look at how you are feeling and expressing thoughts. You are taking your Soul into a different place ... as if looking from above ... would you say?

Sort of. Difficult to explain. 'Outside of' perhaps would serve.

Let us try and assist. If you were to be in our position, which you are not, yet, if you were, you would be 'viewing and calculating maneuvers' of all that is taking place, very differently from that which you are now.

A) because you are not 'in it'.

B) because you can see it from an overall perspective

and ...

C) because you would be able to see what is coming!

Now wouldn't THAT make a difference to us all!? Feel free to beam me up just for 10 minutes ... then plonk me

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

back down and I promise not a whinging word will pass my lips again!

Blossom ... Warriors of Light such as yourself and so many, many souls that 'VOLUNTEERED' to be here ...

Remember that? You volunteered? You wanted to come and BE THE CHANGE?

Actually, I just have to take your word for that. Could it be I misunderstood the challenge?!

We understand of your jesting. Yet, it would do your Spirit much benefit if you keep reminding yourself of this.

LET US POINT OUT TOO, THAT YOU VOLUNTEERED KNOWING HOW TOUGH IT WOULD ... BE/BECOME ... AND YET, YOU WERE ALSO 'SHOWN' THE OUTCOME. THE REASON FOR YOU ... BEING HERE/COMING DOWN TO ... PLANET EARTH.

Er ... coming 'down to' sounds a bit odd.

We would say in terms of your Higher, Brighter self 'coming down' to a lesser Light in order to achieve the mission.

THE DIVINE PLAN.

How excited you were. How determined. How psyched up you were ...

Why is it that we have to forget this? Why can we not have that 10 minute recall to renew Strength and Courage and Hope and Trust?

It is there inside Each One of you. This movie of your mission. This is what drives you on. You KNEW there would be no recall.

Yet, you just said it is inside us.

It is. And as you move onwards and upwards you are not 'Seeing the movie' you are feeling it. Hence your detachment as you 'feel' your reality.

The reality being the new world? The Higher Brighter world?

Indeed, Blossom. Many are choosing to become less involved in the rabbit holes. They know enough for now. Enough to know that THIS ALL MUST END.

ONE KNOWS THIS 'INSIDE'.

ONE KNOWS THAT TO INDULGE IN ONE'S OWN LOVE AND ENJOYMENT OF 'THINGS' IS HOW ONE KEEPS ONE'S VIBRATION HIGH.

ONE KNOWS THAT WHEN ONE CAME TO THIS PART OF THE GAME ... THE MOVIE ... THAT IT WOULD BE IMPERATIVE TO PLAY ONE'S PART TO THE HIGHEST OF THEIR ABILITY.

ONE KNOWS THAT THIS IS DONE BY CONCENTRATING ON RAISING THE VIBRATION OF THE SELF IN ORDER TO RAISE THE VIBRATION OF THE WHOLE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

IMAGINE ... ALL YOU WARRIORS OF LIGHT ... and there are millions ... and will be many more awake and aware of this ... of themselves ... as is becoming more apparent as 'time' unfolds ...

IMAGINE ... EACH ONE KNOWING TO ...

HOLD THE LIGHT.

HOLD THE LOVE.

HOLD THE TRUTH ... WITHIN THE POWER OF THEIR SOUL.

IMAGINE ... WHEN ONE TRULY 'GETS IT.'

WHEN ONE REMEMBERS.

And ... BOOM!

WHAT POWER WILL SHINE OUT FROM WITHIN EACH ONE.

AND EACH ONE KNOWING THAT MANY MILLIONS HAVE 'SEEN THE LIGHT' ALSO.

IMAGINE THAT POWER!

THAT, BLOSSOM ... THAT ... when one REALLY TRULY 'GETS IT' ... will have such an effect. There will be no need to have a 'Birds eye view for 10 minutes.'

That will feel so unnecessary ... because that 'Birds eye view' is your recall within you!

THE JOY! THE JOY! THE JOY WITHIN SHALL BE OVERFLOWING.

This all sounds wonderful ... and TRUE! It feels TRUE. How I want to ask 'when', yet I know better.

Blossom ... there is no time. This you know. There is the flow of Life and its unfolding and its experiencing and its experimenting.

We know through you of frustration and impatience.

Eh ... not just me, I'll have you know.

Check back on our words. We did not say of 'your frustration and impatience'. Yet, you have let us know of the general feel upon your Planet. It is not about 'time' ... it is about

THE FEELING AND THE KNOWING OF WHO YOU ARE IN FULLNESS.

THE FEELING AND KNOWING OF WHY YOU ARE HERE IN FULLNESS.

THIS THEN IS 'THE WHEN'.

Do you see? We cannot say ... in three weeks, three months, three years ... because it is not on a 'time schedule' ... it is on an 'Awakening schedule.'

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

With respect chaps ... so many still asleep. I could be 952yrs old 'when' this takes place according to that proposal! Oh Lord ... here it comes ... I just picked up on your next sentence ... Hit it!

OR ...

Yes ...?

Or ... SOMETHING ON A PLANATARY SCALE COULD WAKE UP THE ENTIRE HUMAN RACE IN THE BLINK OF AN EYE.

THE EVENT! Round and round we go. I was talking with a friend about this ... about everything that 'Could be' and the order of the day is 'Who knows?'

YOU KNOW.

WE KNOW.

SO MANY KNOW.

Or, is it just fantasy? Is it what I think will make everything alright, so therefore, I'll stick with that?

Fantasy? Reality? WHO KNOWS!

You're kidding me, right?! That's where you are choosing to end today's chat?

It is indeed, Blossom.

If you could wink, I feel you would be doing so! Love you Guys ... Until next time. In Gratitude. In Loving service. I AM.

28 March 2022

Hello again. I'm not really sure if I am holding the right vibe for this today, yet the timing is good, so let's see. What's left to talk about ... the price of fish?

Welcome to you. We feel your Energy and it is alright to be a little under par when we chat. Under par doesn't change our Love and desire to communicate with you, which in turn allows you to be uplifted, perhaps.

That's my point. Will this conversation be uplifting if I am not in the right space?

What is a right space, Blossom?

A more energetically aligned state of mind with your Higher Vibration.

Then, perhaps we can do something about this for you.

That would be great. Thing is ... you have given us all the tools to do it for ourselves, yet, some days one just needs to indulge in the 'What's the point' ... of anything/it all? Yet, WE KNOW. You have given us so much wisdom ... nothing more to be said ... we just have to continue its application.

Blossom ... allow us, as you always do, to speak freely with you and those who care to hear. The Energies on your Planet at this time are immensely dense. Such turbulence is rocking the balance of your world. This may seem as though everything is pointless and full of gloom and doom, yet we ask you to consider otherwise.

What is taking place NOW ... what is being brought to the surface ... all that one is hearing of and being shocked and appalled by ... is the 'Glorious' way out ... the 'Magnificent' way through to the other side.

I would hardly be using the words 'glorious' and 'magnificent'.

Yet, this is because you are immersed in the Energy itself. You cannot be otherwise.

We consider this 'Change over' to be just that. For you must KNOW that the 'other side' of this that is now occurring is indeed, the most Magnificent and Glorious 'Seeing through' of the GREAT DIVINE PLAN.

So, really, we just have to keep on keeping on. That's the bit we are struggling with. The wait.

Consider the feelings of a mother becoming close to the time of the birth ... the wait is endless. There is much restlessness and yet there is the knowing that ...

Don't ... just don't! Yep, you're going to ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

SOON ...

You did it!

Soon ... the birth of New Life is to occur ... bringing with it a Joy as yet unknown.

Let's not go down this 'soon' path. We have been there so many times ... for years and years in fact and we know your 'soon' is very different from ours.

Would you say, Blossom, that it is the waiting that brings on one's demeanour at times?

That, and everything else. Those of us who are awake just want to get a move on. You see, even as I write this, I know we have been through it all before. You get us all excited with talk of so many things and then ... Zilch ... Nada ... Nothing. We sit twiddling our thumbs. Only hearing more and more of the same from our communication devices. People spreading miserable news or hopeful news, none of which reaches the masses. IT'S TEDIOUS. Even my moaning is tedious! Because I've moaned about it all many times before. TELL US SOMETHING NEW! Yet, then when you do ... it then disappears into the archives of our conversations. Please know I am not angry or fed up with 'YOU' ... you have been the lifeline to so many. I'm just 'venting'.

Blossom ... our Beingness is smiling.

Our Beingness wants to let you know that it is alright to vent to us.

Our Beingness is Grateful that you do so, for through this we are able to assess.

Yet, unable to do anything about. You cannot make anything happen 'sooner' than it is going to.

This is correct. Yet, we can LIFT THE SPIRIT.

How? How can you do this any differently than before?

By reminding you.

Of who we are and why we are here. Yep, You have so patiently reminded us so many, many, times.

And with respect ... although you KNOW ... you don't KNOW in fulness or this conversation would not be as it is.

Yet, you have talked to us about going deeper and really KNOWING. You have asked us to FEEL OUR TRUTH OF KNOWING ... and still I moan.

Do you feel your TRUTH OF KNOWING, Blossom?

Obviously not. Yet ... in a sense I do/we do. Doesn't stop the down days.

This seems so. We do not know of down days in our Beings.

So, when you know of all that our Planet is undergoing ... all that so-called 'human beings' are capable of and not in a good way ... doesn't that change **your** vibration ... even for a minute?

Blossom Goodchild
Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

No. We do not allow anything to bring our Vibration down. For it is not 'in the same density' as yours. It is not able to affect that which we are, for we are not directly involved.

Yet, you're talking to me.

We mean in the sense of 'being in the thick of it' ... actually 'being in the Vibration of it'.

Yet, isn't it/shouldn't it be ... that if we are as Bright and Light as we think we are ... we, the awakened ones ... can be like you and take ourselves out of it?

Blossom, was it not in our last communication that we spoke of this very thing? We explained the way you were feeling was a Good thing because you were rising out of it.

Yes, you did ... I must have dropped back in without noticing.

There is so much we would like you to keep in mind about all this you are experiencing.

This battle between Light and dark did not just 'show up' a few years ago. If this was the case you would find yourselves breezing through this that you have come to do.

This battle was rooted into your Planet eons ago. Those roots are deeply embedded into the very core of what was designed to be a place of Beauty and Extreme Light. A Planet of Goodness/Godliness. For EONS OF TIME has this darkness ruled over you ...

AND NOW ... IT IS NOW ...

THAT YOU ... YOU WARRIORS OF GREAT LIGHT HAVE COME TO REMOVE THAT DARKNESS.

NO EASY TASK!

Consider how long, how much, how deeply entrenched these darker energies are within everything.

Then consider how YOU ... YOU WHO WERE CHOSEN ... have to be of the GREATEST POWERFUL LIGHT to remove all this darkness.

Consider that! Not one soul thought this could be done in the blink of an eye.

YOU KNEW HOW INVOLVED AND INTRICATE A MISSION THIS WAS.

So many of you are discovering so much of that which is more than uncomfortable to consider ...

So much now is being shown ... so much of that which one would have thought to be the darkest of dark movie, is proving to be a reality.

Such atrocities. Such unbelievable goings-on by those who 'took over' long ago and infiltrated into the very essence of your Planet ...

AND WHO IS IT THAT HAS COME TO DEMOLISH THESE ENERGIES?

WHO IS IT THAT HAS COME HERE TO CHANGE THIS?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

WHO IS IT THAT IS OF SUCH STRENGTH, COURAGE, AND DETERMINATION TO EVEN VOLUNTEER TO BE A PART OF THIS TRANSFORMATION ... KNOWING WHEN CHOSEN, WHAT IT WOULD INVOLVE?

WHO IS IT THAT KNOWS THE TRUTH OF THE LIGHT WITHIN THAT IS MADE UP OF ALL ASPECTS THAT ARE STRONG ENOUGH TO ACCOMPLISH THIS CLEANSING?

YOU ... YOU ... YOU!

You say you are awake/aware of much ...

We ask you to wake up to the KNOWING that you are no weakling. This journey you are on is not for weaklings.

IT IS ONLY THE STRONGEST OF THE STRONG THAT WERE CHOSEN.

Look at the discoveries of self.

Look at the discoveries of that which 'self' has to combat. The more you find out ... the more that is exposed ... the more you are shocked and abhorred by that which one can do to another.

How deep it goes.

And yet ... here YOU are.

Here on your Planet in this momentous time ...

This time when a plan devised by The Divine is playing out ...

and YOU ... YOU ... YOU ... have the honour of being down here in the very thick of it ...

because YOU ... YOU ... YOU ... are of the Highest Light and able to do what must be done.

Which at this time ... is basically ... in KNOWING, to shine the Light from our Being out into the Planet. The roles that we play fall into second place from that initial task.

This, of course, is correct.

Tricky question coming up. Why didn't this Divine Plan come about a long time ago ... before it all got so messy?

Because you are Beings of Free Will. This cannot be taken away from you.

Many new to our conversations would argue that, yet, we have already been there.

Blossom ... as unusual as it may seem ... this Game that you are in ... is, in a sense, a minuscule part of WHAT IS.

THERE IS NO END.

Life continues on in all its forms and discoveries of Love itself.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This that you are 'playing in' now, is just another unfolding of WHAT IS.

Your Planet Earth is playing out another aspect of Life.

Not a very pretty one.

Not a pretty one at all. Yet, another aspect of Life and the experiencing of.

It is difficult to imagine that there is no end ... ever.

So it is ... it has to be ... that all that presents itself in this continuum of Life itself, is an experiment of what can be. That is ALL it is.

So difficult to accept from our position. Yet, I am sure, in the many lifetimes we have all experienced, we couldn't accept what was happening to us then, either! Yet, when not on the Planet, we begged to come back for more. Even knowing what we knew.

CORRECT BLOSSOM. BECAUSE LIFE ITSELF IS THE MOST WONDROUS UNFOLDING AND EXPANDING ENERGY OF LOVE IN EVERY BREATH THAT IS TAKEN.

We could go deeply into that, for many may contradict, in that, for example, the last breath of anyone who is being tortured is 'leaving' due to an expanding Energy of Love!

Yet, you know as you write that Blossom, that coming from outside of your Earthly embodiment ... you know differently.

Oddly enough, I do! Time to go ... as usual. Turned out better than I expected. Onwards ever onwards. Until next time my friends ... Cheer Ho! In Gratitude ... In Loving service... I AM.

Hello and Good Morning to you!

Let us take the lead this morning in wishing Each One and indeed yourself, Blossom, much Light and Love, and Trust and Joy and Happiness, as you go about your day.

How lovely. Thanks very much.

Blossom, you are aware that these times that one has chosen to undertake, demand so much from the Soul's 'archives', in order to even be able to feel one's functioning.

What do you mean exactly? I get the gist, yet, elaboration would be great.

Deep down within the Soulself lies the Truth of ALL THAT IS ... and we mean ... ALL THAT IS.

To reach into these archives will assist the 'Human Being side' of the self to move through the day in a way that serves, rather than in a way that brings one's Energy to sometimes, almost a standstill.

So, by 'archives' do you mean the Akashic records?

No. That is for another time ... should it be necessary to discuss. We mean the depths of your Soul.

Yet, you have already talked about this.

So, what would you consider to be the depths of your Soul, Blossom?

I guess ... the real me. The One who I Truly AM, when not in the human body.

And what else?

Struth! I would have done some revision if I knew I was in for a test. Eh ... What else is there?

There is the bringing forth of this TRUTH as if it is NEW to you ... yet, in the KNOWING that this TRUTH goes back to the beginning of your creation.

You see, Blossom ... in order for you to understand WHO YOU ARE ... you need to be able to appreciate the GIFT OF LIFE.

One needs to FEEL into that Gift and all that it entails. Understandably at this time, the squashing of Energetic Light has brought one to their knees. So that even when one is feeling 'Good' ... that 'Good' is nowhere near as 'Good' as 'Good' should be!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This is not any fault of the self. It is just the happenings that are taking place upon your Planet and therefore, as you know, those 'happenings' have pulled one's TRUE Being down into the depths of despair at times. Not really being able to accept that which is Iain Truth, before your very eyes.

Yet, it is so ... and it is this recognition within the self of such 'Pulling down of Energy' that then allows the 'Rising back up to full capacity'.

Yet, I don't feel we can do that in this density. So much of who we are has been forgotten. Even the very awake bunch are not able to completely rise above these Energies and work ... in/to ... full capacity, are they?

There are some that can and some that do. Yet, very few in comparison to those that could!

THOSE THAT COULD ... THOSE THAT WILL.

At the moment I am reading a book about the Essenes. They lived BC and it seems a lot of 'that bunch' got it right. They knew how to live for hundreds and hundreds of years. They knew how to BE LIGHT. Sad thing is, even back then it seems, there was the slaughtering of thousands of souls for one reason or another. Yet, on the other hand, the ways of the Essenes are helping me to 'get' that there really are no limitations to what we are capable of other than ...

Other than?

What we 'think' we are! What we 'think' we are capable of.

This is so, Blossom ... and yet, we ask that you take into account, that for millennia the consciousness of your Planet has been 'made' to think otherwise.

One is recognizing now that 'most' of that which you know to be History ... is not the case at all. That your world has been living under a HUGE LIE ... and until the Soulself of the individual is able to reconcile their Being with their Truth once and for all ... the lack of 'POWER' ... for/from ... self shall remain limited.

Ok. So, I know and accept the lies, although obviously, that which I know is far from everything yet, from there ... from that knowing ... how do I pull my full POWER back into myself?

For a start and with respect Blossom ... there is no 'pulling' to be done.

You know what I mean though.

We do. The word required would be 'KNOWING'.

So, we would change your sentence to 'How do I Know my Full Power from within myself?'

You see, Blossom ... it is still inside Each One. It has never gone away.

IT CANNOT GO AWAY.

FOR IT IS YOU.

THE FULNESS OF POWER THAT YOU SEEK ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

IS YOU!

YOU ARE OF IT.

Yep, yep, get that. For most of us, and I am aware that many feel as I do ... we 'understand' what you are saying yet, understanding doesn't seem to bring about the 'Being of'.

So, tell us Blossom ... the Being of what exactly?

The Being of Light that we are ... that you are asking us to Be. The Beings of Light in our FULL POWER.

Blossom and All ... do you know yourselves to be a Being of Light?

Yes.

Do you conduct your days ... your every moment, as best you can, Being this Light?

I try to!

Then there is no more for you to do. We try to express this to you over and over.

AT THIS TIME ... BE YOUR LIGHT.

KNOW IT.

BE IT.

Believe us when we say, Blossom, that ... IN TIME ... YOUR TIME ... THE ESSENCE OF THIS LIGHT ... THIS SHINING OF THIS LIGHT ... WILL BECOME MUCH MORE APPARENT IN ITS ACTION.

In a sense ... the Light that you are will DO.

Do what?

It will DO what it came to do.

YOU CAME TO SHINE YOUR LIGHT.

THE LIGHT THAT YOU ARE.

THE LIGHT THAT IS YOU.

When the 'time is upon you' that Light that YOU ARE will DO what it came to do because of the Shining of your Light that you continued to exude from your Being.

This 'Do' thing ... not following.

Yet, it will be so easy and obvious 'when the time comes'.

All very lovely. All very encouraging, yet, not very forthcoming, chaps. A few more crumbs wouldn't go amiss

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

here.

Blossom, we have spoken many times of THE EVENT.

Aaaannndddd ... we're off!

The Changing of Energy within/without /upon /under ... EVERYTHING THAT IS ... due to this Event will raise in Energy ... IT CANNOT BE OTHERWISE.

Yet, one cannot leap from Being an ant to a giraffe ... for want of a better analogy.

May I suggest you try a little harder, perhaps?!

Whatever frequency one resides within before the Event ... will change to a Higher one. Therefore, those that have been asleep will awaken to a particular frequency within the Vibration that is brought to the Planet during that occurrence. Those that have been awake and living within their knowing of Light will also rise to a Higher frequency from the one 'they' were residing in.

Is it possible for one who has been in a deep sleep to become almost 'saint-like' instantly, because they suddenly 'Get it'?

Yes. For a few. Yet, one adjusts more easily by rising up slowly into their most comfortable KNOWING of self.

When this Event occurs ... and it will ... those that have 'gone before' in acceptance and understanding of their purpose upon your Planet will discover 'miraculous' ways that will assist the ones who are baffled and bemused.

For the Light Frequency that the Event brings, allows those who are ready ... to awaken to the deeper part of their Truth.

So, basically, that which we would aspire to Be ... we cannot be ... until after the Event because we need that 'boost' to activate that which lies within.

This is correct. You have a question, we feel.

Trying to form it. So, with respect, why are you saying we need to go deep within now ... because we 'aint gonna find it, if it is not it's time to surface?

We smile. What would you have yourself do, Blossom, knowing this? Would you STOP Being your Light? Of course not.

ONE CANNOT STOP, ONCE ONE KNOWS.

One cannot go back ... they may take a longer path to their destination point now and then ... yet, never back.

Therefore, the continuation of KNOWING ONE'S LIGHT cannot lead anywhere other than deeper into it/ of it ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

What we are trying to express is that ...

WHEN THIS EVENT OCCURS ...

THOSE WHO NEED TO BE READY TO TAKE UP THEIR POSITIONS ...

TO OPEN UP THEIR ENVELOPES ...

WILL BE READY TO DO SO!

And just clarifying for those in doubt ... THE EVENT IS NOT ASCENSION ... Correct?

Correct. That comes later. There is much work to be done after THE EVENT before Ascension can occur.

Our work?

Indeed. The work that you came to DO. So, for now, in these times, as we said ... your primary position is to Shine your Light. Your given tasks as to how you use that Light for the Greater Good vary greatly.

HOWEVER, IN THE 'TIMES' AFTER THE EVENT ... THE LIGHT THAT YOU ARE WILL BE 'DOING' THAT WHICH IT CAME TO DO.

LEADING THE LOST ... THE CONFUSED ... INTO THEIR BRIGHTER UNDERSTANDING OF WHAT IS.

EXPLAINING TO THEM WHAT HAS BEEN.

TEACHING THEM TO KNOW THEMSELVES.

SHOWING THEM THE WAY.

TAKING THEIR HANDS AND WALKING THEM ACROSS THE BRIDGE.

We have spoken much about the Bridge. Yet, wouldn't you call being on the other side of The Bridge a place that we would understand to be a world that we are going to Ascend to?

Again Blossom, across the Bridge is not Ascension. Yet, consider that it shall feel as if this is so ... compared to the Vibration of the world that you are residing in now.

SO MUCH TO LOOK FORWARD TO.

KEEP LOOKING FORWARD, DEAREST SOULS.

THIS IS HOW YOU WILL KEEP THE VIBRATION HIGH.

THE KNOWING OF THE LIFE STYLE THAT AWAITS YOU AND FEELING INTO IT AS YOUR COMING REALITY WILL MAKE SUCH A DIFFERENCE TO YOUR EVERY DAY EXSISTENCE AT THIS TIME.

All that you hear ... and are to become aware of ... will shock you to your very core. This we have also expressed many times. Yet, should you remember to exchange that 'shocked' Energy ... for the /into the ... 'KNOWING' Energy of that which lies ahead in the Greatest, Brightest Light for you All ... then you will

Blossom Goodchild

be doing yourself, others, and everything that is ... a Great Service.

We honour your Courage and fervour ...

We Love you.

The Federation of Light Channellings

No. 9

11 April 2022

Hi chaps! Due to something I was sent, I decided to have a reread of the Monoliths, crystals, portal, ley lines, channel*. It was quite something. I was wondering if it is time to talk about 'all that' once again. Oh! Manners, Blossom Goodchild! How are you doing?

The Greatest and most Enlightened of Good mornings to you, Blossom.

What a lovely start! I could do with this morning being the Greatest and most Enlightened!

How different your world would present itself to you if one always assumed that each day was to be that way! No matter what circumstances were being presented. As one 'grows' into their fullness of Truth and Light ... one realizes that it is from within that Light shines. Not from without.

So, in order to have the Greatest and most Enlightened morning the Light shining from within the self cannot be affected by anything that is coming to you from without.

With respect and I don't mean to do the 'poor me victim' thing ... yet, try having your husband leave the Planet and see how you feel about that! That came from without did it not?

Indeed, Blossom.

And it has certainly changed my Inner Light ... sometimes to such a degree, I cannot see a thing!

Yet, the Light ... Your Light is still there, Blossom. Whatever circumstances one is having to 'endure' at any given time ... one will find that further down the track ... the Light that one felt had almost gone out,

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

has become even Brighter because of it.

That's what I don't get. Why is it through suffering that the Light gets stronger? Why not through Joy and Happiness? A much 'easier' way. Why does it have to be so hard?

Because it is through the suffering that one 'feels into' the depths of the Soul.

Can we not 'feel into' the depths of the Soul through Laughter?

Oh, indeed! Laughter is the finest medicine for your Planet. We have spoken before of its Healing and Vibrational upliftment. It is one of the finest tools that you have been given, yet, used so little compared to 'how much is in you'.

I am Blessed to find Laughing easy.

Humour. We encourage humour.

Just to return to the depths of despair, if I may continue to indulge ... explain once again if you would, why the pain is necessary?

So that one can feel 'all' aspects of emotion. If you didn't reach the depths of despair, you wouldn't reach the heights of Joy. Polarities, Blossom. In a sense, the more desperate the despair ... the Higher realms of Joy can be accessed.

True. I look forward to that pole shift within me, then. How did we get on to this? Were we not going to talk of Monoliths?

Blossom, in your honest Truth and we know you will be honest ... why is it you want to speak of this today?

Ha! Because it would be exciting. With respect ... and I know you know better, and I 'should' know better ... Folk want to hear more about that kind of thing for upliftment now and then, for hope, rather than the continuing 'learnings' of how to 'find who we are'. How childish does that sound?

Dearest Blossom, Dearest Souls, we Enjoy your honesty. Yet, fascinating as the Monoliths, Ley lines, Crystals, Portals, and Activating Codes are ... and indeed, excite the soul ... it is from within the Soulself and the discovering of it in depth that will ... eventually ... bring about this 'Triggering point' ... that will set everything off.

So, you are saying there is no actual date ... it is to do with the amount of Light that we on Earth are able to project, in order for this to take place?

It is a combination of such. Planetary alignment also, must come into play. Imagine the magnitude of this happening and all that it shall bring along with it. All that it shall bring about.

IT IS THE BIGGEST THING TO EVER TAKE PLACE ON YOUR PLANET.

Just checking in, that when this happens, it is the lead up to the Event, as you have said before?

Indeed. Therefore, all calculations must match. EVERYTHING has to align, otherwise, it wouldn't work. A

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

little like a long line of your dominoes with its twists and turns. If just one domino is not in alignment ... the whole thing stops. So, you can imagine the intricacy of all that is involved.

Yep. It is fascinating that you say the giant Crystals, six, I believe, were placed within the Earth eons ago ... lying dormant until such time when they shall be activated. When you say 'giant' ... how big is 'your' giant?

They are ... we are trying to give you an image ...

I am seeing mountains ...

Imagine ten together ... of the largest peaks you know of.

That's giant! They must be very deep down for no one to have tripped over them on a local hike!

Blossom, to introduce you to something else to ponder upon ...

Introduce away!

These Crystal pyramids are Energetically placed at this time ... So, although they are there, they are not.

Firstly ... I hadn't imagined them as pyramids and secondly to my surprise the 'energetically placed' makes total sense.

How had you imagined them to be?

As large crystals in sort of, rock shapes. Yet, pyramid form makes sense. So, when all is in alignment and the trigger is ... actually ... what IS the trigger? I imagine it's not just a red button and when the time comes it's a case of, 'On your marks, Get set ... Go!'

The trigger is of course, of such complexity that it is difficult to explain in your words. The 'Go' as you call it, is an Energetic trigger.

We speak of Planetary alignment. We now speak too, of an added calculation of 'Souls' of the HIGHEST LIGHT ... combining as ONE ... as they already are ... yet 'coming together' with the input of Energy which you are unable to grasp due to your position ... and their focus being on the purpose of the trigger being set off.

When you say Highest Light ... I presume you mean not of Earth Energy?

That is which we were just speaking of. Yet, that is not to underestimate the POWER and the FOCUS of those who 'understand' that which is about to take place who reside on Earth ... at the time ... and their role that is to be played.

Can you elaborate on that please? Like, millions, thousands, hundreds, three? How many will 'understand' by then?

We cannot give in numbers, Blossom ... Only in Energy.

You are showing me the Planet and Lights dotted all over the place. Are the ones who will understand the 'trigger Energy' ... already assigned to this before coming here?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yes. Although, they may not 'recognize' this, yet. Not until nearer the time.

How will they know?

They just will.

Yet, what will that understanding involve? Surely, we will all want to help and be part of it.

And you will.

There will be a KNOWING ... a building up of understanding and Energy. Not like you may feel at this time, as things amp up in your world, yet, a KNOWING that feels different from anything you have felt before.

There will be no doubt of 'Maybe's'.

THE KNOWING WILL BE CLEAR.

IT HAS TO BE ... IN ORDER FOR IT TO WORK.

IN ORDER FOR THE TRIGGER TO BE SET OFF ... WHEN ALL THAT IS INVOLVED IS IN ITS CORRECT PLACE AND READY TO GO.

So, in a sense, those of us who have become aware of this will be helping ... yet, there will be 'some' who have a specific part to play. I do see how hard it is to put into words ... so much of this seems to be coming through on an Energetic level of this happening.

It certainly is of no concern, Blossom, for it is not happening tomorrow.

Bummer! I was going to iron my party frock!

All one needs to KNOW, is their KNOWING.

Most helpful. Thank you! I jest of course, not meaning to appear rude.

Yet, it is TRUTH Blossom.

THAT WHICH YOU KNOW INSIDE ... IS ALL YOU NEED TO KNOW.

What part of that which I feel inside?

The part that KNOWS.

Oh ... that part!?

Yes. That part. For this session, we feel we are done. Yet, in the 'KNOWING' ... you Blossom, and All who are reading or listening to this conversation are able to 'feel into' the Energy of Love that we send to Each One ... in order to have the Greatest and most Enlightened day.

Thank you. I can but give it a go! Breathing into the words of the Mantra. I AM THE LIGHT. I AM THE LOVE. I AM

The Federation of Light Channellings

No. 10

24 April 2022

Here we are again then! Hello and welcome to this space! A question. Is ignorance Bliss, or just plain stupidity?

Welcome to One, Welcome to All. For it is always with much DeLight we enter into these conversations in order to uplift the Vibration of those who join us, which in turn lifts the Vibration of The Whole.

Dearest Blossom, might we suggest that it is a matter of balance? Indeed, to pretend that your World is nothing but ... Light filled/infused ... would not be a correct assumption, and yet, which world would you choose to be involved in? If you are to indulge in rabbit holes that one cannot be sure of as a Truth, then what service are you offering to your Brothers and Sisters and indeed, your Planet? Yet, if you are to 'pretend' that your world IS INDEED LIGHT INFUSED and ONLY LIGHT INFUSED, then such Honoured Service are you rendering.

Yes. I understand why we have been asked to indulge in that which brings us Joy and Laughter and yet, should we not know of the darker goings-on, so that once absorbed and released we can assist others when they find out such atrocities? Yet to do so, means going down some nasty rabbit holes which does not uplift the soul. Hence my question. I mean ... WILL THE TRUTH EVER COME OUT?

Oh indeed, Blossom, it has to.

So, ignorance is not Bliss really ... and yet sometimes, I think how much easier this all may appear to the heart if I was still snoring away! Not being baffled by that which has come to Light and not thinking 'What the dickens is going on!' The more that is coming out ... the more one finds it unbelievable and yet, here we are trying to find Joy and Peace amongst the chaos.

Which is precisely what you came here to do ... and so many of you are doing it so well.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet, everything is so controlled. We are so manipulated by outside forces ... much of which we cannot control and so we sit and discuss the 'puppetry' of our lives and say a thousand times 'who knows! Do you?

Know what?

The answers.

To what questions?

The one's about where this Planet is heading?

Yes, we do. As do you. As do many.

YOUR PLANET IS HEADING INTO A BRIGHTER, HIGHER, VIBRATIONAL FREQUENCY THAT TRANSFORMS YOUR WORLD FROM THAT WHICH YOU KNOW IT TO BE NOW ... INTO ONE OF SUCH BEAUTY AND DELIGHT.

I guess I should have asked what has to happen before we get to that bit? My thoughts are ... that until the MSM and MAJOR control of everything is taken over by the Goodies, nothing will really get going. We need EVERYONE to WAKE UP to the lies, and they won't until the MSM is revealed for what it is!

And this shall take place, Blossom. This we Promise you. Your frustration is the waiting, is it not?

The 'Waiting for the world to change?' Yes. The 'Let's get on with it?' Yes. The 'Something actually taking place when it says it is going to?' Yes. And yet, those more patient and Enlightened than I, would be telling me, it is all getting closer to happening ... so much going on behind the scenes, etc. This is as maybe ... yet, that which we hear isn't necessarily True. How many times can a celebrity, a leading politician, or ruling monarch indeed, be executed, before they are actually dead? The things that are circulating once again, I have heard time after time, year after year, and yet the 'Newbies' get so excited with such news expecting this and that to happen any minute. Whilst, us 'oldies' have been there, done that, heard it all before! Hark at me go today. Moaning Minnie the 3rd! Yet sometimes Guys, I feel you need to know and understand our frustration. I will try and 'zip it' now and let you get a word in edgeways.

Many thanks. We realize that you speak for many, Blossom. We realize too, that to embrace your Honesty within the self is a Good thing.

KNOW THAT YOU ARE BEINGS OF GREAT LIGHT.

Yet, accept also, the Energy in that which surrounds you. The density of the entire Planet and the low vibration that has circulated for eons. Not only are you living within that ... one must add the continued trials of chemical warfare upon your physical and mental welfare.

We wonder how you manage to smile at all, amongst this?

YET, YOU DO.

NOT ONLY DO YOU SMILE ...

YOU LAUGH ...

YOU OFFER KINDNESS ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

YOU LOVE ...

YOU APPRECIATE ...

YOU GIVE GRATITUDE ...

YOU ASSIST THOSE IN NEED ...

YOU OFFER TENDERNESS ...

YOU OFFER GIFTS FROM THE HEART ...

We could go on and on, yet, you understand that which we mention.

Throughout all the darkness ... YOU ... YOU PRECIOUS ONES ... ARE THE LIGHT THAT SHOWS THE WAY.

Look at your sturdiness. Look at the difference you are making?

Yet, are we?

YOU KNOW YOU ARE.

Imagine for a moment, if the devices that ... one/many ... tend to be glued to ... were only able to show GOOD NEWS. Imagine bad, negative, harmful, dark news to be banned. Imagine if only TRUTH could be broadcast ...

Exactly my point! Yet, it isn't this way.

Imagine if it was. Indulge with us for a moment Blossom.

If only the Good and the LIGHT, BRIGHT, TRUTH was to be told on all media ... there would be no question of the difference One is making.

FOR ... ALL AROUND/OVER ... YOUR PLANET ... THERE ARE POCKETS OF THE BRIGHTEST WAVES OF ENERGY THAT RIPPLE OUT AND TOUCH THE DARKEST CORNERS.

BY EACH ONE OF YOU ... THAT ARE AWARE OF YOUR STRENGTH AND LIGHT ... CONTINUING TO SPREAD JOY AND LAUGHTER ... YOU ARE MAKING A DIFFERENCE.

YOU ARE CHANGING THE VIBRATION OF YOUR WORLD.

RISE ABOVE THAT WHICH YOU BECOME AWARE OF.

We go back to the reminder of that which many of you find difficult to accept.

THIS IS JUST A GAME.

I would feel more comfortable if you hadn't said 'JUST'.

THIS IS A GAME.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

A GAME THAT YOU ENTERED INTO WILLINGLY!

Did we though? Seriously? Not all would agree.

Do you agree, Blossom?

Yes, although as I have said many times, I must have had one too many sherries with the vicar when I signed on the dotted line!

Keep in mind, Dearest Souls ... most of you ... the 'Ancient Souls' amongst you, have been on many a crusade upon your Planet. KNOWING before you entered in, that the going would be tough, and yet, you felt it a worthy cause.

Yet, many of us also must have come in to be on the baddie's side at times.

Yet, the baddies, as you call them, Blossom, were fighting for their Truth at the time.

You see ... there you have it! It's all about war! Fighting, killing, greed, throughout history. Not that we know the Truth about that either. Why did this 'Game' even start? I wouldn't recommend one skipping off to buy it with your pocket money!

The Game didn't start, Blossom. It evolved.

It must have started ... somewhere.

A seed doesn't start. It is ... and blossom's through different stages, into what it is to become.

Many find it difficult to accept that your Planet is one of Free Will.

Yes, we have spoken of this, also. Is it Free Will? Doesn't feel like it these days.

Yet, it is you that have the Free Will. You have the choice to respond in ways of Light or dark, positively or negatively, to that which is being presented.

Of course, not everyone makes the same choices. Yet, it is not for you to be disturbed by the choices of others. It is for you to stand and REMAIN STRONG in the choices you have decided to partake in.

How YOU choose to be affected by anything is YOUR Free Will.

We understand that it is difficult to understand The Game ... and the players.

And I believe that many moons ago, you said there were no rules?

This is correct. Yet there is Universal Law.

Does that not have rules? Is Universal Law not included in this Game? You know, to be honest, I'm not in the mood to enter into that right now. Too taxing for the brain, methinks. Yet, I think it can be looked up in the 'Topics of interest' on my site.

Blossom and All, we appreciate that you are tired. Tired in Energy and tired of waiting ... and tired of the

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

fight. Some would not agree on the word 'fight' ... yet, we would say that which you are experiencing is indeed, a battle between Light and dark.

We have expressed many times ...

THE LIGHT HAS ALREADY WON.

KNOW THIS DEEP WITHIN.

Do not take that with a pinch of salt, and hope, or think 'perhaps' that is the case.

IT IS THE CASE.

THE LIGHT HAS WON.

WHEN YOU ACCEPT THIS KNOWING ... THEN FREEDOM SETTLES WITHIN YOUR SOUL.

WHEN YOU ACCEPT THIS KNOWING ... THEN THERE IS NOTHING TO BE CONCERNED ABOUT.

WHEN YOU ACCEPT THIS KNOWING ... THEN THERE IS ONLY THE CONTINUED SENDING OF LIGHT FROM YOUR HEART TO THE WORLD, TO FOCUS UPON.

THE DIVINE PLAN IS UNFOLDING.

It is your choice to put your full TRUST into that KNOWING.

Should you choose to do so ... One's demeanor immediately becomes Brighter ... One's heaviness of Heart is instantly lifted.

And should you choose to remain in that KNOWING ...

THY WILL BE DONE.

Thanks, Shipmates! In Gratitude. In Loving service. I AM ... Moaning Minnie the 3rd!

8 May 2022

Good morning! The harder one falls, the higher one climbs! So True. On coming out of my slumps, I am finding such sweetness in Gratitude. More so than ever. Has someone up there had a Gratitude bag explode right above my house?

Welcome Blossom, and Each one. You could say that! You see, Blossom, the Energies that are able to reach Each One in these 'troubled times', are far from troubled. They are Energies of such Light and those who are willing to receive them are finding Great DeLight and indeed, comfort, in these newfound Heights.

So, where is this Energy coming from? How does it work?

Well, believe it or not, it is initially coming from inside of you! Coupled with Energy of NEW STRENGTH coming from Heightened LOVE!

From whom?

THE DIVINE PLAN.

So, I am trying to ascertain how it works?

Everything, as you know, is Energy ... which fluctuates in every moment within anything and everything.

Energy is what everything is Vibrating at/on different levels, in order to become what it is to become.

Therefore, consider the FACT that your world is moving into Higher Frequencies because more and more souls are waking up to WHO THEY ARE ... LOVE.

Therefore, through this KNOWING, the FEELING of LOVE is becoming more apparent in EACH ONE.

Therefore, the Energy of Love is receiving more of itself and expanding of itself.

In turn, there are WAVES OF LOVE ENERGY being sent to you from other realms. From Higher Vibrations. It is only as the Vibrations of Souls upon your Earth plane rise, that certain Higher Energy Vibration can filter through to mix and co-join ... which in turn ... offers you the opportunity to feel the way you do!

Yet, where do they tootle off to when one then hits the slump?

Nowhere. It is that the Energy of the soul-self due to thoughts of an irradical nature etc. lowers the frequency of the self. Leaving the Higher Vibrational pull, unable to enter in. It hasn't gone missing. It lies in wait. Ready at your command to enter in, once again.

How does it work though, with the ebb and flow of these emotions?

Blossom, your world's polarities are in conjunction with your soul's service.

Eh, could we try that in Latin?

The Miracle of your Being understands WHO YOU ARE ... and what you are here to achieve ... and how you are to conduct the Soulself in order to become more of the Truth of Knowing.

It is understood by you on a deeper level that experiences of emotional pulls in one direction or another are 'Manna from Heaven', would we say. You are experiencing this now, Blossom, yet, to a Greater Height than you have before.

Yes. It's interesting. The times when I am 'good', I am really good. Which I find quite bizarre, considering my husband popped off the Planet only six months ago.

And the times when you are not good?

The absolute pits!

And all this because you have chosen to experience more of yourself ... in all depths of expression.

So, is there a particular 'team' assigned to sending these vastly charged Energies of Love?

No, Blossom. It is Love itself that is responding to Each One's call ... as and when they are ready.

It is not that one has more opportunity to do so than another ... it is when one is ready.

Ready for what?

The Vibrational lift within the self.

Surely, we all want it. How does one become ready?

BY BEING ONE WITH THE SELF.

BY LIVING IN TRUTH TO/OFF THE SELF.

BY LISTENING TO THE FEELING!

BY BECOMING AWARE OF WHAT SERVES THE SELF AND THE WHOLE ... AND WHAT DOESN'T.

BY ACKNOWLEDGING THAT YOU ARE A CHILD OF LIGHT AND WITHIN YOU LIES THE PRESENCE OF THE I AM CONSCIOUSNESS ... and the more one chooses to tap into that and work with it, instead of against it ... the more one finds their life and livelihood to be fulfilled in a manner that lifts.

Good answer chaps! It's the feeling of Gratitude that is overwhelming me. I would use the word 'Glorious' to express it.

Gratitude, Blossom, is the key to Enlightenment. Gratitude is a river that runs so deep within the

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

self that when fully tapped into it ... from a place of Godliness ... one's Heart, as you are so rightly experiencing, overflows with Glory.

You see, you are using that word too. Glorious ... Glory. How would you describe its meaning ... compared with say, Google?

We would suggest that you take a few deep breaths and repeat to yourselves ...

I AM GLORIOUS.

I FEEL GLORIOUS.

It is something that words can not express, so it was given this name yet, it is a FEELING.

What do you experience in doing this, Blossom?

Glorious! I can't explain as you say. It is the same kind of feeling on the Gratitude level. No words. Just appreciation coming from deep within for ... I don't know ... for ... Being! It is not new to me ... yet, so much more profound these days!

GRATITUDE IS THE HIGHEST EXPRESSION OF LOVE.

SO AS ONE UNDERSTANDS GRATITUDE ... ONE FEELS LOVE ON A HIGHER VIBRATION.

Everyone has something to be Grateful for. Everyone. Everyone has more than one thing to be Grateful for. Everyone.

If one was to devote time each day to offer up Gratitude for what they have, see, or experience ... the 'change' in the self and one's daily living would be profoundly noticeable.

Amongst all that is taking place in your world, it is for you to KNOW THIS.

Focus on Gratitude.

Focus on all that is a DeLight for you.

You may feel some have it easier than yourself. You may find it hard to come out of your slump yet, we say to you ... the Heart ... the Beingness of you ... will rise when Gratitude becomes the forerunner to every breath you take. So that in essence, Gratitude lives in your every thought.

Is it not, Blossom, that even when you are in the deepest slump you are still Grateful for much?

I don't know really. I'm usually too wrapped up in my slump to notice!

We do.

Oh! Ok. Then yes! I'll take that! Thank you!

Allow Gratitude to be your priority ... your order of the day.

DO YOU SEE DIVINE SOULS?

DO YOU SEE HOW MUCH YOU HAVE CHANGED?

CAN YOU FEEL HOW MUCH YOU HAVE CHANGED?

You are understanding 'The way it is'. By Being Grateful for all you are and all that is presented to you as an opportunity to BE Grateful ... you are thriving within the potential of your Greatness.

If you focus on the Joy that you create by giving time and Love to that which excites you ... you are serving The Whole a thousand-fold more efficiently than ... with the greatest respect ... 'Wallowing in prayer to save the souls of those that suffer'.

Woah! Hold the phone a minute! Many may be deeply offended by what you just brought through.

Not so, Blossom. For many understand as you immediately did, what the meaning of it entailed.

For those who found it offensive or did not fully understand ... may we elaborate a little?

I would if I was you!

If one were to hear of some atrocity and feel it deep within the Heart and 'pray to God' for that particular situation ... it makes a vast difference to that circumstance or soul receiving the gift of your prayer offered, as to what Vibration you are coming from when you ask of it.

To be in the depths of despair about something does not assist ... as one is almost 'begging' for it to be changed.

You're pushing your luck here, sunshine!

Yet, we come to offer understanding, Blossom. We shall persevere.

Do you see? The 'stress' regarding a situation and the wanting for the relief of it ... carries the Energy of 'stress' as it is offered up. Yet, if one was to give Gratitude for ...

I've sort of lost the thread, as I can't quite get to grips with giving Gratitude for an atrocity or a soul that may need healing ... Ah! Wait a minute ... the penny dropped ... I jumped in too soon. 'Pray' continue.

Indeed, the penny dropped. It is far more beneficial to give Gratitude to/for the healing of that soul or situation. To come from a place of service ... in/of ... Love and Joy, that the LOVE THAT IS ... has Healed all wounds and suffering, regarding that which one is 'praying' about/for.

Is it my strict catholic upbringing from my father and some very dodgy nuns in my boarding school convent that makes me feel 'off' about the word 'praying'? I definitely have a 'little niggle' that doesn't sit well with that word.

We would say, perhaps, that this particular word along with many others, has been distorted and abused throughout time.

I am trying to think what it is and I feel it is more as if one is asking for something should it be deserved, and that the 'asking' doesn't feel right. And yet, there is the saying 'Ask and thou shalt receive'.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

It is the placement of the Heart within the asking, Blossom ... and we would say it is indeed, the indoctrination of religions that can take one down a track that can lead to muddy waters as opposed to fields of flowers. Much guilt is put upon a soul through such deceitful teachings ... Therefore, we feel that perhaps you feel that being TOLD to pray was more for forgiveness of the soul, for something you may not have even done!

Oh indeed, I used to make up lies in the confessional box as a young kid because I hadn't really sinned enough and didn't want to waste the priest's time! Then the punishment/penance. of what seemed like 90 Hail Marys, became another sin for next week, because I hadn't said them all!

We smile and are amused by your humour yet, not the ridiculous circumstance.

We would suggest to 'Offer Blessings upon' ... if the word 'praying' does not resonate.

Done!

So, to conclude for today ...

Good Lord! The time has flown!

Make a concerted effort to give Gratitude. For then, once the Gratitude is felt deep within the Heart ... compared to 'looking for things' to be Grateful for ... you will find that the Universe just keeps flowing opportunities to your doorstep, to give you more and more to be Grateful for.

IT IS LAW.

THE UNIVERSE IS SO GRATEFUL TO RECEIVE SO MUCH JOY AND LOVE BACK FROM YOU.

THE UNIVERSE KNOWS YOU DESERVE ALL YOUR HEARTS DESIRES AND IS WILLING AND ABLE TO SEND SUCH GIFTS TO YOU ... AS YOU RECEIVE THEM IN THE LOVING SERVICE IN WHICH THEY ARE OFFERED.

Do you see, Blossom? Can you feel how all that you are experiencing now at this Heightened level is making such a difference to you and The Whole? Then take into account that this is happening to many souls across your Planet ... and then consider, if you will ... how this is affecting the Vibration of your Planet ... and how it is changing your world and the souls residing within and upon it ... and ALL Life that is Gifted in/as/through/of ... LOVE.

Many thanks to Each One for choosing to be upon Mother Earth at this time. Look ... FEEL ... how Gloriously you are accomplishing that which you came to do. Is it not becoming more and more obvious to you?

Yep! What a Divine Plan! All we have to do is enjoy ourselves and before you know it ... ALAKAZAM! ... We will have shifted into the Higher Vibrational world that lies ahead, around, and within. Thank you so much chaps.

The Pleasure is all ours.

I'm not so sure about that! In Gratitude. In Loving service. I AM!

Here we are again, then. A thousand topics one could pick and yet, not one seems appropriate. So, perhaps once again, I feel it best to leave it up to you. You seem to always know the 'Soup of the day'.

Welcome, Blossom, and All who Enjoy our conversations. We Appreciate the Appreciation that was expressed to you regarding our last conversation concerning Gratitude. Yet, let us now turn our thoughts to something quite different.

I am all agog!

Dearest Souls, let it be known that upon your Planet, as you know at this time, there is much upheaval. There is much chat amongst the devices used, regarding subjects that are quite discordant and indeed, abhorrent to the soul's 'Natural' Vibration'.

What would you call a 'Natural' Vibration?

One that is of Joy, Love, Contentment, Peace ... Indeed, all manner of things that UPLIFT and not 'bring down'.

It must be understood that much propaganda and untruths are designed to continually pull you under and yet, look at how well so many of you now, are seeing through the veil of The Game and accepting that it is not for the Soul Self to become entangled with such a frequency.

Yes, we are moving into 'passions' and 'creativity' to counteract the darkness, it seems.

And this is wise.

Yet, shouldn't one need to know certain things? Even though certain things are certainly not certain, surely, we do need to be informed of what is going on, as things progress?

Why?

Because we live here!

And yet, you say yourself, Blossom, that so much that is 'Given out' is misinformation.

Yet, if we didn't look into 'stuff', we would be burying our heads in the sand ... and being an ostrich gives me neck ache!

THE TRUTH IS, BLOSSOM ... THAT ALL THERE IS ... IS LOVE. NOTHING ELSE. THIS YOU KNOW.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THE TRUTH WITHIN THAT LOVE ... IS THAT BY LIVING WITHIN IT CONSTANTLY ... BY BEING IN LOVE WITH LOVE ... YOU KNOW ALL THAT YOU NEED TO KNOW.

So, are you saying we should just 'innocently' pootle along and await our fate?

Innocently pootling along, is not what we have in mind.

Yet, by moving on ... by moving into your next phase of Yourself ... you will come to understand so much more of the facade that is being played out upon your Planet. Isn't this what you DO want to understand more of?

Yes. Indeed. Yet, not sure exactly what you are getting at. Or, how we do that?

By paying more attention to the inner workings of the Soul-Self, instead of the outer workings of the political and false happenings of that which you are presented.

Do you mean by meditating?

This certainly is very wise. Even ten minutes a day, as you know, makes all the difference to your disposition and indeed, your understanding of Self. Yet, it is not just about meditating, that will assist in this matter.

IT IS ABOUT RECOGNISING, WITHIN EVERY SINGLE THOUGHT THAT YOU HAVE ... THAT YOUR POWER OF LIGHT IS CHANGING THE WORLD.

So, let us repeat that if we may?

IT IS ABOUT RECOGNISING, WITHIN EVERY SINGLE THOUGHT THAT YOU HAVE ... THAT YOUR POWER OF LIGHT IS CHANGING THE WORLD.

This recognition comes from the Heart space. As you are listening, doing, driving, laughing, crying, eating, Loving ... the KNOWING OF WHO YOU ARE AND WHY YOU CAME must become as much a part of you as your breathing.

THE POWER OF THIS not only will make a difference to your Self-worth yet, the worth of THE DIVINE PLAN and how it is to be played out.

We understand the efforts required to remain Peaceful and in Harmony with the LIGHT OF LOVE at this time. Distractions are all around to keep you as far removed as possible from your TRUTH.

Yet, the more concentration given to your POWER OF LIGHT ... the quicker the transition shall take place.

So, is it just a thought ... a KNOWING FEELING ... that we must constantly KNOW and FEEL?

Indeed. Yet, this Feeling becomes of Itself eventually, without having to think about it.

FOR IT IS THE LIGHT ... YOUR LIGHT ... THAT YOU ARE ALLOWING TO SHINE ... ALL THE TIME ... EVERYWHERE.

Many of you are deeply concerned regarding outcomes of possibilities, due to the portrayal on such a

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

large scale of gloom and doom. Yet, we ask that you let this go.

YOU ARE NOT IN CONTROL OF ANYONE ELSE ... OR ANYTHING ELSE ... OTHER THAN YOURSELF.

Concentrate on Yourself and the difference YOU can make.

CONCENTRATE ON, NOT THE BELIEF, YET, THE KNOWING THAT THIS LIGHT THAT YOU ALLOW TO SHINE ... THIS LIGHT THAT YOU CAME DOWN TO THIS PLANET TO ILLUMINATE THE DIVINE PLAN ... IS BEAMING FORTH FROM YOUR BEING AND DOING EXACTLY WHAT IT CAME TO DO.

CHANGE YOUR WORLD.

KEEP ON SHINING THIS LIGHT WITHIN THIS KNOWING.

Do not allow negative holograms to convince you that you are not serving as you should.

Eh ... let's back up the track there? Negative holograms, meaning what precisely?

Meaning, that so much of that which is presented to you is in holographic form, yet, of a Highly developed nature, therefore, inabling one to know the difference between what is real and what is not.

So, how do we tell what is real and what is not?

Sometimes you cannot.

This is what we are trying to explain, yet, words are so inadequate.

Blossom, Dearest Souls ... SO MUCH OF WHAT YOU THINK IS REAL ... IS NOT.

I feel I should at this stage, pop a Valium. I know this is what is said, yet, understanding it and the complexity of these workings is a different matter altogether.

Please do not be offended or alarmed when we say you do not need to understand it. In fact, it is too complex for your Beings ... inside of your physicality, TO understand. It is all part of THE GAME.

Due to the involved ramifications of so much upon your Planet ... there is so much that must be done to BRING THE LIGHT OUT INTO THE LIGHT, once again.

AND YOU ... DEAREST SOULS, ARE DOING JUST THAT!

That which is far too complicated to delve into ... that which is taking place by those of lesser Light ... that which does not belong in the Hearts of man and woman ... is coming to an end of its cycle.

There is simply too much to take on board of what that entails and yet ...

YOU MUST UNDERSTAND THAT THE REASON YOU ARE HERE IS TO SPREAD YOUR LIGHT.

TO BE YOUR LIGHT.

To tangle yourself up within that which ties your stomach and Heart in knots, does not serve the Plan.

Blossom Goodchild

Yet, with respect, have YOU not talked to us of lockdowns to come etc. ? I mean, whatever happened to Fergus the Fungus taking us into Phase Two, for instance?

Yes. We have spoken of such ... and although we speak of it rarely, the possibility has not gone away.

Oh, so only a possibility, now?

Blossom ... everything ... absolutely everything is only a possibility!

LOVE IS THE ONLY THING THAT IS NOT!

When we choose to speak of such things that may occur on your Planet, we do so in preparation. We do so, so that one may become aware of what is to come.

Possibly!

We understand, we Know you well, Blossom, and we applaud your 'indiscretions' of taking what we say with a pinch of salt.

Why applaud? Shouldn't I be the one that KNOWS WHOLE HEARTEDLY that what you say will come about?

You got the position, Blossom, for the very reason that you would question and not walk blindly!

What we are trying to offer this day ... is this point.

The Vibrations of your Planet due to many more awakening are rising, as you know.

MORE AND MORE OF YOU ARE STEPPING UP AND WALKING INTO THE DEEPER PART OF THE KNOWING OF WHO YOU ARE.

YOU CAN FEEL THIS ... CAN YOU NOT?

You feel different/differently from even the start of this year.

You are accepting now ... your role.

That of honouring WHO YOU ARE ... and working with it.

I can feel that it is so difficult to explain in words.

Indeed, Blossom. Yet, you Yourself are understanding what we are trying to express by an overall Feeling ... an 'inside Knowing' are you not?

Yes. I am.

Then, we are to assume that those who partake in our conversations are also, able to feel this 'inside Knowing'... A place where words simply do not suffice.

THIS IS TAKING YOUR AWAKENING TO GREATER HEIGHTS OF KNOWING.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THIS IS TAKING YOUR BEING TO GREATER HEIGHTS OF UNDERSTANDING WHO YOU ARE.

FEEL THIS.

I am.

Allow this feeling to BE YOU.

ALLOW YOURSELF TO BE THIS FEELING.

That is all you need do.

And from this ... more and more Light shall be revealed to you.

And ... within this enhanced Vibration, you begin to understand that which IS revealed to you.

As you learn to accommodate and put to task this Heightened Awareness coming from within ... THE GAME will present itself to you in a different format.

Not quite sure where you are going with that. A different format?

Indeed. One that is far more agreeable to the Heart.

How lovely. Yet, just to clarify ... this will be taking place at the same time that the world is falling apart?

Indeed. Yet, it is for you to recall, Blossom, and Each One ... that we explained, that with the fall and removal of the darkness and the ones who wallowed in such ... there would be an 'Inner Strength' that would Lighten your days ... your ways.

That which is to 'befall' your Planet may appear on the outside to be disastrous, abominable, and indeed, as unbelievable as unbelievable can be. Yet, that which is to enter into your Heart is to uplift you ... give you Strength and Encourage you to see your mission through in ways of such BELIEVABLE proof ... that it is for One to look forward to that which lies ahead.

Life and all its Mysteries are to unfold as you allow yourself to open up to all possibilities. Some beyond your wildest imaginings.

Sounds hopeful, my friends. I feel you want to mention Fergus The Fungus once again before we go. He keeps popping into my head!

Only to remind you that there has to be a way 'through' in ways of a disguise presented ... in order for your world to uncover the TRUTH ... and we feel this is a good place to close our conversation for this time.

Okay dokey. Well, I wouldn't say this was 'turning our thoughts to something quite different,' as you suggested. However, for me, every bit of your wisdom, be it often repeated for our benefit, moves me into a place of greater comfort. So we shall keep on, keeping on, doing our very best ... Fergus The Fungus or no Fergus The Fungus! In Gratitude. In Loving service. I AM.

The Federation of Light Channellings

No. 13

22 May 2022

Good morning to you. Well, there's some monkey business going on! Many are writing, asking if this latest 'monkeypox' that's going around, is Fergus the Fungus in disguise? What are your thoughts, please?

And a Bright Good Morning to you, Blossom and all.

Hardly bright outside my house, as the rain continues to cause havoc over Queensland. Yet, I guess that is another story.

Regarding your question. Our thoughts may vary from others, and yet, we would say this is more of a hype that is going to die down and go away as soon as it came.

Much that has taken place in your world over the last few of your years has taught many lessons, to many souls. One is no longer ready to just accept what they are being fed and are recognising the lies within the propaganda.

So, would you confirm that the 'monkey disease' is not going to see us all in lockdown, swinging our arms and scratching our armpits?

We cannot guarantee that, Blossom. Yet, if we were to 'do the cards', they would currently give the answer of 'No. This is not lockdown material'.

Remember, that what is put out there on your internet is immediately spread worldwide ... be it a Truth or untruth ... and that is far more deadly a virus ... if we may put it that way.

You may. I am happy that Fergus hasn't presented itself yet, although here in Australia and I believe other parts of the world ... the mould is causing much havoc due to the rains, and as we know ... this can make people very sick.

So, let us look at that. These rains are indeed of a nature that is unnatural. In fact, if you look at your weather systems all over the globe, it is obvious to many now, that there has to be something behind the bizarre state of your skies and the sun, wind, rain, and snows, that appear from it.

Yes, I think many of us know the weather to be controlled, and certainly here in QLD the rain is causing so much anxiety for souls. What is its purpose?

For a start, Blossom, we certainly would not call it 'cleansing rain'. In fact, if anything, we would call it 'Dirty rain.' That which is leaked into your atmosphere contains many chemicals and 'health weapons' that are designed to maim crops, animals, and indeed, the human Being, both physically and mentally.

'Maim' is quite a strong word.

Blossom Goodchild
Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet, appropriate. Yet, there are also other reasons for rains to perpetuate and cause damage and destruction.

To the reader this may seem unexpected, yet, we seem to be having trouble with the flow of our conversation, today and yesterday? Any idea why?

The wrong subject, perhaps.

What's a right one?

UPLIFTMENT.

Oh, OK. Go ahead. Uplift away.

Blossom ... we ask that you take into account that our role, alongside yours, is to do just this.

TO UPLIFT THE SOULS OF EARTH AND ASSIST THEM IN LEADING THEMSELVES AND OTHERS WHO ARE LOST ... INTO A BRIGHTER DAY.

For those who choose to 'inquire' about other things ... they are able to find their needs from others who bring information through.

Yet, as I said before you have talked of things like lockdowns etc. So, I don't quite get why we can't always discuss it. Take for instance this monkey business.

Did we not answer your question on this matter?

Yes. I guess you did. Yet, I seemed to get stuck after you said there were other reasons for the rains. For the second time this week, I felt I should abort the mission for the day as the conversation wasn't flowing.

The reason the matter of the rain was halted is because that would take us into areas that would not be in alignment with our cause.

Blossom, we ask you to understand ... to get to grips with the facts that we do not wish to delve into areas that do not serve The Whole.

What a struggle it is today. A no go. I shall leave this and perhaps pick up again tomorrow. Very annoying to be honest, as I had wanted to get it done. Hey ho! I'll try again tomorrow. Thanks anyway.

Ok. It is now tomorrow! Good morning! More and more writing in about the 'Monkey business', mainly due to a rash being one of its symptoms and you had said a rash was one of the Fergus the Fungus symptoms. Just saying!

And, Dearest Blossom, we are just saying that we have said our piece on that matter. Let us move forward.

Let's!

In your Heart, Blossom, and in the Hearts of many, there is a desire to 'see through' that which you came to do. So much of that 'mission' is based on a KNOWING from within.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

And as I have said many times, we don't know what that knowing knows ... yet, we know we know. As ridiculous as that sounds.

Not at all Blossom. The construction of that sentence is plausible.

For this KNOWING that you KNOW, yet, don't KNOW, comes from a place that reaches far deeper than the 'everyday' Knowing ... that you are here for a reason.

As 'time' moves on/through these following 'times', that KNOWING becomes Stronger. Not that you shall KNOW ... yet, the FEELING of KNOWING will allow for more understanding of your mission.

So, at what point WILL we KNOW?

We shall confuse you by saying 'You already do'.

Yep! You confused me.

You see, Dearest Blossom, Dearest Souls, who have been drawn to our friendship as unified Beings in Oneness ...

THE KNOWING IS THE FEELING.

So many of you already have this feeling and as Each One becomes more aware of the Divine Soul Self that they are ... the more obvious the feeling of KNOWING becomes ... and yet, there will not be 'a moment' of KNOWING 'something'. It will not be a case of 'I get it now' ... because you already have it.

IT WILL BE A DEEPER UNDERSTANDING OF WHO YOU ARE AND WHY YOU ARE HERE ... AND THAT ... IS THE KNOWING.

Ok. So, you have said many times in the past 'When you Get it' ... yet, you are now saying that will not be the case.

Because the 'Getting it' ... is the feeling ... and you've got it.

I don't wish to confuse, yet, for instance, although not a case of 'I get it now', I do sort of get it. I have got it. Yet, 'Getting it' seems to change, in its depths of understanding as I change in MY depths of understanding ... if you understand? What an odd conversation yet, somehow, I am following it.

You are following it, as are those who walk alongside you on this Earth Journey, Blossom Goodchild.

Why do you do that? It's odd when the 'Goodchild' comes through.

Our reasons are for frequency purposes that are coded within your name.

That makes sense. It is very rare when I am asked my name, that someone doesn't say ... 'Blossom Goodchild, what a lovely name'. To which I reply, 'Thank you, it took a couple of marriages to get there'. Yet, I digress ... back to KNOWING what we don't know!

Oh, Dearest Souls, if we were to have one wish from the wave of a magic wand, it would be for Each One to KNOW ... TO RECOGNISE ... IN FULLNESS ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THE REAL SELF.

THE TRUE SELF.

THE SOUL SELF.

The Being that you are ... that comes from afar.

The Being that volunteered and was chosen to be upon Planet Earth during THE GREATEST TRANSFORMATIONAL EXPERIENCE.

For if that were to take place NOW ... not in days to come, yet, NOW ... FOR ONE DIVINE GIVEN MOMENT ... how your entire LIFE would change instantly.

Yet, don't tell me, you left your wand in your other handbag! Ah, dear! I even made myself laugh out loud with that little gem!

Not only yourself, Blossom, yet many ... and that is the Joy of 'You'.

Well, how kind. A lovely compliment. It brings me great Joy to make others Laugh. I consider it to be a Blessed Gift. We keep digressing. So, would you compare that KNOWING of our True Self with that which one experiences when having a near-death experience?

Very much so. Yet, in Truth, one does not have to 'die' as many in your world term it ... in order to experience.

In fact, we would say ... one has to 'live' in order to do so.

YOU ARE HAVING AN EXPERIENCE.

A GRAND EXPERIENCE THAT EXPANDS EVERYTHING THAT IS ... BECAUSE OF IT.

You can choose how to manipulate this experience in a manner that either serves or does not. That is the wonder of the experience. For it is for Each Soul to 'Find their way home'.

Funny! I was sent a video link from way back entitled just that, this very morning, and to my surprise, I was in it! I will post the link below. So, is the KNOWING that? The True recognition of the Soul Self?

Yes. For within that recognition, within the TRUE SELF ... lies ALL KNOWING.

I'm really not trying to be awkward by pursuing this yet, are you saying we cannot KNOW THE FULL KNOWING until WE KNOW THE TRUE SELF?

Correct.

I have a feeling though, that the TRUE SELF cannot be 'witnessed' upon Planet Earth ... in its fulness.

Here we must correct you. Your physicality is but another experience that your TRUE SELF is experiencing. We allow for the KNOWING that the density within/upon/surrounding your Earth can dampen the feelings of the TRUE self.

Blossom Goodchild

Direct Voice Channeller & Author

YET, THE TRUE SELF ... IS YOU.

IT CANNOT NOT BE YOU,

YOU ARE YOUR TRUE SELF.

Yep, yet, here on Earth, am I ALL of my True self?

You are an extension of your TRUE SELF.

To conclude ...

YOU CANNOT BE THAT WHICH YOU ARE NOT.

YET ... YOU ARE ALL THAT IS!

Perfect place to conclude, as my brain cannot and has no need to argue with that. Well, hip hip hooray! Third time lucky, as they say. We got it done! I enjoyed this muchly! In Gratitude. In Loving service. I AM.

Hello, hello, hello! What shall our chat be about today then? Would you be able to Enlighten us any further on the Monolith situation, perhaps?

Welcome to One and All. We are always in /of Joy to commence these conversations with you, Blossom. It indeed is wonderful that so many are uplifted by that which we have to offer. Our mission is to do just that ... UPLIFT. So much Gratitude to Each One for feeling and accepting that which we have to say.

Regarding the Monoliths ... regarding the entire triggering of all that was mentioned in a conversation a while back, nothing has changed, other than the Energy. Which is certainly amping up. Can you not feel it, Blossom?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yes, actually I can! I seem to be in a good space a lot of the time and all seems well. Yet, not so for everyone, it seems!

The Truth being Blossom ... that it is for each individual to be responsible for attuning to the Energy that is Being offered through the ethers. Many of you are very much aware of what it takes to accomplish Joy and Freedom of the Soul.

One knows now, that to think of that which brings you down ... will bring you down.

To think of that which uplifts the Soul Spirit ... will uplift. Not too difficult, as we see it from our place of Knowing.

Indeed. I would say, simple in theory. Yet, in practice, not so easy for many, depending on their circumstance ... be it in the middle of a war zone or alone and in pain, for example.

We understand, Blossom and yet, we still abide that which we have said. Each individual has chosen certain 'aspects' of their journey to comply with their needs for growth. During 'trials', the Soul can choose how to adapt the thoughts to serve or not to serve. To wallow does not serve an individual or indeed, the Whole.

Where would you say karma comes into one's situation?

Karma! Now there is a topic!

Hooray!

Where to begin? Many Souls are under the assumption that what 'befalls' them, what may happen to them that is not such a deLight ... is due to something they have done in the past. Be it in their current life or one of the past ... and that it is law that they must suffer for it.

We would not express it this way, at all. For example, if one had perhaps performed a grand misdeed to another Soul in a past life ... upon leaving that physicality ... the Soul understands what pain or upset they had caused to another and is deeply remorseful.

Depending on the 'stage' of the Soul's growth, this may not happen straight away, for one does not simply take a last breath on Earth, and arrive 'elsewhere' and all is forgiven and forgotten, so to speak.

Indeed, the Energy of 'elsewhere' is far Higher and Peaceful than on Earth yet, the Soul's journey remains with them. They are able to assess their 'life's going's on' ... and much assistance is offered to reach understanding.

So, it would be a Soul's choice to 'return' and perhaps experience the same scenario that they had brought onto another ... in order for forgiveness to themselves ... not for forgiveness from another they had affected.

Is it correct that when one 'passes through the veil' ... when they are ready, they are able to, not only view, yet FEEL every good, bad and ugly moment they have experienced? And, if they had hurt another emotionally, physically, whatever ... they then, themselves, experience that pain?

This is correct. Yet, do understand that 'elsewhere' is of a completely different Vibration than that of

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Earth. So, accepting of one's 'doings' ... comes from a different place within the self. Some take longer than others to 'come around' to the misfortunes they have laid upon another and much Soul searching must take place. Others are immediately ready to rectify the situation and correct their wrong doings and this is what you might call 'Karma.'

One that has been hurt by another may be full of forgiveness to the perpetrator, yet, for the one who did wrong that is not often enough for their Soul's correction. So, in order to fully 'Wipe their slate clean', they may choose to return to Earth to experience that which they did to another and also, make amends on many other levels to assist others, so that their purpose for that chosen lifetime can 'Put them in credit', so to speak.

When you say 'elsewhere' ... where is that? I am reading a beautiful book by my dear, dear friend, *Suzy Ward and her conversations with her departed son, Matthew. He calls 'elsewhere' Nirvana ... yet, where would you say is its placement?

Blossom ... how are we to explain this?

Well, if you don't know, I certainly don't!

Where is Earth? Where is Space? Where is anything?

I feel the answer to be 'Nowhere'.

Ten out of ten Blossom. Now, how to continue from there.

One is able to dream and it feels so real.

One is able to journey within a meditation and it feels so real.

It is the feeling.

THAT IS WHERE EVERYTHING IS!

Yet, Nirvana, Heaven, The Summer Lands, is not just a matter of turning left at the traffic lights and it's third on your right! It is in a different Dimension, is it not?

Correct. Yet, what is a Dimension? It is 'A place' that is nowhere within nowhere ... that Vibrates on a different Frequency than another 'place' that is nowhere.

However, One cannot simply travel to different Dimensions, willy-nilly! For it is of the personal/ individual Vibrational Frequency that 'permits' one to enter in.

It can be for one to do so during deep meditation, to catch a glimpse or 'Be in' another realm for a short while, due to one's inner Soul Light, that is perhaps dampened whilst in the chosen physical journey. Yet, there is much matter on this subject ... for it is not as simple as 'Same for all'.

So, say, for instance, one was to pop through a wormhole on a Tuesday and Friday morning ... do they need to 'end up' in a place that their soul's Vibration is compatible with?

Very much so. Great harm can come to a Soul and although we openly admit to such goings on taking

Blossom Goodchild

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

place ... there is much theory involved before any such journey takes place, and may we say ... many 'lives' have been 'lost' during this form of experimentation.

We also add, that this is from an Earthly point of view. Many other ... Planets/ those who reside on ships etc. ... have mastered this technique. Yet, we stress again ... we use the term 'Mastered' ... as 'Mastery' of such, is necessary to be able to endure such travel.

Is it the same with time travel?

Time travel is quite different. And although one needs expertise to accomplish such feats ... it is nowhere near as complicated as that which we have just spoken of. Mainly due to the fact that 'time travel' is within the same 'Worldly Dimension'.

As you have become aware, Blossom ... everything on your Planet is taking place at the same 'time' ... past, present, and future ... and although you do not understand it fully ... you can accept this as so, yes?

Yes.

Therefore, to 'jump' into the past or future, or indeed, a parallel life is 'kindergarten' compared to travelling into other Dimensions.

Yet, isn't a parallel life in another Dimension? I know if I was suddenly to leave this body and be Enlightened for a few minutes, I would understand all this in a flash ... literally. Yet, for you to try and explain, is going to blow my brains out.

Perhaps! You see, Blossom ... there are many Frequencies within a Frequency.

In the same way, there are many Dimensions within a Dimension.

In the same way, there are many Dimensional Frequencies within an entire Dimension.

So ... how exactly would you describe a Dimension ... Go for Gold!

We shall do our best. A Dimension is a place that is nowhere ... because nothing is real.

Not helpful chaps! Try again.

A Dimension is a Vibrational Frequency that is in alignment with itself.

And again? Wait, so if it's not a place ... it's a nothing/nowhere space ... how do we as a soul, be it in the physical body or not ... live in it?

Because the Vibration of your Soul is resonating on the same wavelength as that particular Dimensional Frequency. If it wasn't ... you couldn't be there.

Blossom, as we have said ... Nothing is real ... Everything is Energy ... and Energy ... is/works as/on/ through ... Vibration.

ENERGY IS VIBRATION.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This, of course, can range from ... on your Planet for example ... an Energy of an ant to the Energy of the Sun. It depends on what that Energy is moulded into by another, or Divine Creation.

We are aware your brain is a little tired and that it is time for our departure soon.

I feel in this instance ... soon actually means soon!!

Indeed. Yet, to round it back up to where we began ...

Which was the Monoliths and we haven't touched on that!

You are correct. At this time there is no more to say on that matter. Yet, Dearest Ones, when the 'time' comes ... so much will be offered.

So, we would end how we began today's conversation ... by reiterating that ...

EVERYTHING IS ENERGY.

EVERY THOUGHT IS ENERGY.

YOU MOULD THAT ENERGY INTO CREATION.

YOUR CHOICE AS TO YOUR THOUGHT ... AND YOUR CREATION ... INTO YOUR REALITY.

That is how it works, Dearest Ones.

Yes, Great Strength may be required to change things around from how you 'have been thinking' ... Yet ...

IT IS UP TO YOU ... IN ANY CIRCUMSTANCE ...

I understand that. Yet, I am fully aware there could be much argument about that, depending on who and where you are, how old, and what you are having to endure. Yet, let's leave it there for now, though.

We were going to, Blossom. We have enjoyed this conversation immensely and as we remove our Energy from yours ... we do so ... 'injecting' these words with LOVE and Understanding.

I wouldn't be using that word 'injecting' if I was you ... Just saying.

That would depend on what Energy YOU CHOOSE to endorse upon it!

Many thanks as always, my friends. In Gratitude. In Loving service. I AM.

The Federation of Light Channellings

No. 15

12 June 2022

Good morning. Another week has flown by. Upon chatting with folk, there seems to be a 'general' lull in one's Life. A lack of lustre. No-one sure whether to go ahead and book things or prepare for future events and even if they are, there doesn't seem to be much enthusiasm. I realise this is the aftermath of the last two-and-a-half-year debacle ... yet, any signs of encouragement would be lovely.

Welcome, Blossom. Welcome to all. Each one that has returned to our continual conversations in order to find 'themselves'.

Indeed, that which has taken place over the last few years as you say ... has created much upheaval to the mind, body and soul. There is such a 'fall out' effect that does just that, Affect! Again, dearest souls, we come to remind you that you are on a journey of discovery.

Look how far you have travelled within this short time. Look how your attitudes have changed towards so many possible realities. Although confusing, although concerning as to what happens next ... you have grown exponentially within the gatherings of your minds conundrums and sorting out for 'yourselves' that which you can find to be the most appropriate pathway ahead.

One that suits the self ... and therefore, The Whole.

Yes. I think it is the uncertainty of not knowing what lies ahead. For instance ... is Fergus the Fungus still in the offing? Creating a worldwide lockdown? Is there to be a food shortage? For us, down here, these things are always in the back of our minds, even though we have decided to pay no attention to such matters.

Dearest Souls. Yes, there is the possibility of this pending outcome.

Only a possibility?

Yes. Yet, we would like to offer words of consolation. Although, to some, this sounds so 'brutal' a thing to take place ... it, if and when it occurs, will without question ... in the long term, be for the Highest Good.

Everything about it, to begin with ... will appear to be the most outrageous rulings. Yet, as it unfolds ... there will appear the most 'reasonable reasons' for this to take place and it will certainly not be for the reasons that one was initially told.

To be honest, a lot of us feel ready for it. Bring it on! At least then, we would feel that we are moving forward. I know you say a lot is taking place behind the scenes. Yet, for us ... there is, as I say ... this 'waiting game' and sometimes the frustration of the wait, leaves us feeling a little in doubt as to whether anything at all is going to happen, in ways that make us feel that at last, our train has pulled in to the station.

In your terms of time, we accept this which you speak of. Yet, from our overall view, everything is on

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

queue ... and falling into place without too many hitches.

Meanwhile, and without meaning to dampen the vibe too much ... there has been a great deal of suicides. Souls are unable to cope with the situations they now find themselves in, due to what has taken place. It seems so wrong that this is happening to so many. So many homeless. So many jobless. It's very difficult for many to find Joy under such circumstances.

Blossom ... ALL IS AS SHOULD BE.

Whether you choose to feel the same way about this as we do ... is entirely your decision. Yet, in the Greater Scheme of things ... not one thing is out of place.

Deciding not to agree. I could name many things that are out of place. Not necessarily in my life, yet, in the lives of many who are finding it so hard to carry on.

Yet, each individual Soul is on their individual Journey. Each Soul is experiencing that which is allowing their BEINGNESS to become Stronger.

As with many things, Blossom ... when coming through to the other side of a particular experience, one can FEEL the difference in their Soul's understanding of 'Self'.

For those who have chosen to transition at this time ... that is also part of 'their' journey. They shall be looked after and comforted and offered ways of understanding that which has taken place for them.

Yes. I get this ... it's just 'different' from how we had imagined.

Imagined what, Blossom?

This lifting of the Planet into a Higher Vibration. One could never have guessed it would be the way it is ... and you say we are still in Phase One!

You are. This is not an overnight affair! Yet, we ask you to consider the progress that has been made so far.

I am trying to! Could you perhaps remind us?

More and more Souls, due to the 'happenings', are now aware that something on your Planet is not right.

Eh ... Ya think?

Understand, Blossom, that once upon a time, these newly awakened Souls would have thought it unheard of to question that which they were being told by those in authority. They have come to realise that those in authority are not necessarily working towards one's Greater Good and for them ... such a 'Wake up call' has taken them on a deep journey of the Soul and come out the other side, feeling and thinking in a completely different ... and certainly a more 'healthier' way than before.

For those already awake, they have ventured into deeper rabbit holes and had to decide for themselves, that which they 'believe' to be True and that which is not.

All in all, ... an awakening to the 'real' goings on upon your Planet has ventured out into the open now

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

... and that which one is having to comprehend and decide what to do with ... without question, has allowed one to walk into Higher understandings of who they are.

As one is being made aware of that which is not discussed on your Main Stream sources ... they have the opportunity presented to them to 'Pull themselves together' and FIGHT FOR WHAT IS RIGHT.

We accept you do not like that term 'Fight'. Yet, it brings a strong intonation within the Soul's self to gather one's Strength and march onwards.

This is how you have changed ... GREATLY.

Many of you have come to realise what you are up against, and the NECESSARY NEED to look deeper into the reason for you Being upon the Planet at this time.

YOU ARE CONNECTING UP WITH EACH OTHER IN WAYS OF A UNITED FORCE.

YOU ARE FEELING THE POWER WITHIN YOU THAT RECOGNISES THE SAME POWER WITHIN OTHERS ... WHICH HELPS YOU TO RECALL THE MISSION.

It's a MIGHTY MISSION. TO RID THE PLANET OF THE DARKNESS ... SUCH DARKNESS ... leaving it SO LIGHT ... that it is FREE to move on up!

It is indeed, THE MIGHTIEST OF MISSIONS and YOU, Blossom, along with all those who came here to accomplish this MOST EXCITING MIRACLE ... are accepting that YOU CAN and YOU WILL ... and not only that ... HOW!

At this time, whilst all 'seems' to be lying dormant, the 'Already in position Souls' are doing so much from their 'Shining out - from within'.

They are preparing Energies.

Sorry to interrupt. What do you mean by that ... 'preparing Energies'?

BY BEING AND SPREADING ONE'S LIGHT ENERGIES ...

SIMPLY BY BEING ONE'S LIGHT ENERGY, YOU ARE SETTLING THE ENTIRE PLANET ...

SOOTHING IT ...

COUNTERACTING THE ENERGIES OF LOWER VIBRATIONS THAT ARE STILL TRYING TO FIGHT THEIR 'ALREADY LOST' BATTLE.

YOU ARE PREPARING THE WAY FOR THAT WHICH LIES BEFORE YOU.

NOT ONLY FOR YOURSELF BUT FOR THOSE WHO SHALL FIND YOU ... WHEN EVERYTHING 'KICKS OFF'.

And I guess, that is what we are getting frustrated about. Waiting for the whistle to blow, so it does kick off! However, we don't know what the 'Kick off' is all about. Would you say the 'Kick off' will be the telling of Truths to ALL?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yes, Blossom. Yet, there would be the pre-game nuptials, in order for all to be ready and situated exactly where they should be when this news is given out.

Not so sure 'Nuptials' is the word you are looking for!! Anyway, you see, in my head, I have the way of thinking, as I am sure I have said before ... that we all need to be in lockdown in order for us to be told all the Truths that have been hidden, otherwise the world will be in uproar and all sorts of traumatic displays will occur. I am assuming too, this is via all screens. Yet, how this would/could actually be implemented is too huge to consider it to be real. It would have to be so very well detailed and thought through.

Hence, all the goings on behind the scenes when you think nothing is happening.

I suppose so. Yet, other times, it all seems too unreal to actually take place.

Blossom, with respect, as WE have also said before ... if somebody, four of your years ago, had told you that the happenings of the last two and a half years were to come about ... would you not have felt the same way?

Yep. So, we just carry on making our own lives as Joyous as possible and keep on doing that, until we either 'pop our clogs' or something really huge takes place. It just occurred to me that some reading this are going to struggle with us still being in Phase One of Five.

Yet, as mentioned before, it doesn't mean each Phase will be as long as this first one. For once the ball gets rolling there shall be an 'ongoing flow', would we say.

We have also mentioned to 'Enjoy' this time of waiting whilst you are able. For when the whistle blows and EVERYTHING changes gear ... there will be times when you wish you could go back to this waiting stage ... as your Light will be needed 24/7.

SO, THIS THEN, DEAREST ONES, IS WHY ALL THIS PREPARATION OF BUILDING STRENGTH AND LIGHT-POWER HAS BEEN SO NECESSARY.

YOU ARE READY TO GO.

TO ASSIST THOSE LOST.

TO GUIDE SOULS IN THE DIRECTION OF UNDERSTANDINGS.

TO SHOW THE LIGHTED PATH.

TO BE THERE FOR THE CONFUSED STATES OF BEING.

SO MUCH HAVE YOU BEEN PREPARING YOURSELVES FOR IN WAYS OF ASSISTING ... WHEN THE TIME COMES.

AND IT WILL.

Do I know that for sure? Sometimes I question this entire 'goings on' and where it's leading. Other times I HAVE TO KNOW IT ... because otherwise, what's the point? It is when I connect with like-minded Souls that I get strength ... We can't all be nutters!?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I'll close for now. Yet, I might pick up again tomorrow, for some reason. Many thanks to you.

OK, it's now Sunday. I feel I want to continue our chat. Why? Because of exactly what I was talking about. I was 'dissatisfied' with yesterday's content. It's that feeling of ticking the box because you have done what needs to be done ... in anything ... yet, not feeling any elation about it. I understand due to my husband's departure into other realms that this could just be me, yet, I know of others who feel the same and they haven't experienced such a loss. Down here chaps, the Energy seems really strange ... I am not sure what I am hoping to achieve by coming back this morning, perhaps a ticking of the box with a sense of purpose. Is it a thing perhaps of weekly chats being too much with nothing new to say? Going on the premise of less is more? I don't know ... Let's see if you can 'Lift us up where we belong'.

A Glorious Good Morning to you, Blossom, and Each Soul who travels with us on this awakening call.

That which we impart, Blossom, is given to you from a place of the Deepest Love.

It is THAT LOVE ... which we ask you to FEEL ...

TO RESONATE WITH ...

TO HOLD WITHIN YOUR HEART SO TIGHTLY ... THAT EVERY BREATH YOU TAKE IS A REMINDER OF THAT LOVE.

THIS LOVE WE OFFER COMES FROM A PLACE OF HIGHER RECOGNITION OF WHAT IS.

YET ... THIS LOVE IS WHO YOU ARE.

Sometimes, THIS LOVE can be felt so readily and Joyfully and in Great Understanding of the FEELING it imparts within the entire BEINGNESS OF SELF.

Other times, although THIS LOVE has not moved position or gone away ... for it cannot ... there is a lull in one's frequency and it is unable to be felt to the degree that it is capable of.

This of course is due to many controlling factors.

Again, I intercede. Is it all about controlling factors though? I know of all the chemicals that we absorb through various methods, and this lowers our frequency etc. Yet, should we always blame that? It can be an easy excuse. Could it be, say for me, I've lost my husband and purely and simply the magic has gone ... and if I want it back, I need to find it?

DO NOT UNDERESTIMATE THAT WHICH THOSE OF LESSER LIGHT HAVE IMPOSED UPON YOU. IT IS IN YOUR BLOOD SO TO SPEAK.

THAT IS WHY YOU MUST KEEP STRONG.

KEEP FIGHTING ON.

I KNOW! Yet, I do remember White Cloud giving a wonderful talk as Dec 2012 was looming and he said words to the effect of 'Don't give up now, just when you are so close to the finishing line'. That was 10 years ago!! And here we still are ... doing our best to be strong under much more intense circumstances. Maybe I just wanted to chat today because Moaning Minnie needed an airing! Hardly uplifting to those who come here to get uplifted.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Then let us change that.

Indeed. Let's! OH, HAPPY, HAPPY, HAPPY DAY!! The sun is shining ... birds are singing ... and here I am with the gift of talking to you! You of a Higher Dimensional Vibration! How Blessed am I and all those who come here to 'Get a hit' from such wonders!

That is more like it. That is what we mean, Blossom.

TO KEEP ON KEEPING ON ... NO MATTER HOW ONE IS FEELING.

Indeed, allow some time to 'assess the mood', yet, if it does not serve ... see how quickly it can be changed into a Brighter day, from one moment to the next?

Consider also, that by connecting with us in this way, all those who stop by are lifted regardless of content because of the High Energy that we communicate 'from.'

Of course, you understand that we have to 'lower our frequency' somewhat, in order to connect with you, Blossom. It is not possible from where 'you' sit, for us to directly engage from our position. The Energy would be too Strong, too High and it simply wouldn't work.

Yet, we will add, that in all the years we have been 'known' to you ...

17 now.

... we have increased our level of Energy Light whilst 'Visiting' ... as you and those who 'visit here' have increased YOUR level of awareness and Light.

This is how it works, Blossom. The more you BECOME THE LIGHT THAT YOU ARE ... THE MORE YOUR VIBRATION RISES in frequency and therefore, one's communication barriers become less and less and that which comes through, does so on a much Higher Level and therefore, is able to increase the Soul's individual Vibrational Energy ... which in turn 'takes one's Being' into a more compatible measure to receive that which we share and be accepted from within a Higher place of resonance and acknowledgement.

Struth Ruth ... That's a bit of a mouthful! (Get your chops around that one, Joe!)

Yet, understood?

Yep.

Dearest Souls, Dearest friends ... BE OF HOPE. We once said it is better to use the word KNOWING, rather than Hope. Yet, if one cannot fully KNOW at this stage ... that which is required to KNOW ... then indeed ... 'HOPE'... that the heartbeat within your Being, that you are allowing to dictate your days and your ways, is one that shall lead you Gallantly forth into the NEW WORLD.

We ask that you do not beat yourselves up for not always Being the Radiant Light that you Desire to BE.

Yet, KNOW ... that just by Being upon Planet Earth you are making a HUGE difference.

Yet, when we are fed up and resonating on a lower frequency, I don't see how we are contributing to the Greater

Blossom Goodchild

Good?

YET, YOU ARE, BLOSSOM!

BECAUSE EACH ONE CARRIES A LIGHT WITHIN.

THE LIGHT OF WHO THEY TRULY ARE ...

AND THAT LIGHT, ALTHOUGH 'FEELING DIM' TO YOU AT ANY GIVEN TIME ... IS STILL A LIGHT OF GREAT KNOWING.

YOU WOULDN'T BE ON YOUR PLANET DOING WHAT YOU ARE DOING IF IT WASN'T.

Remembering too, of dualities ... of opposites. Of ... as low as you can feel ... the Higher you can rise.

So much to be offered to the self in ways of THE GOOD ONE IS DOING.

Allow despondency to be removed and when ready ... move on once again, into the LIGHT WARRIOR ... IN FULL THROTTLE.

HOW DO YOU DO THIS?

HOW DO YOU GET THERE?

The Mantra!

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

THERE IS NO QUICKER WAY TO SOOTH, TO STRENGTHEN AND UPLIFT.

OVER AND OVER ... SAY THIS.

YOUR SOUL'S PRAYER ... IN THE KNOWING OF WHO YOU ARE.

OVER AND OVER ... ALLOW ITS VIBRATIONAL CODING TO SEEP INTO EVERY CELL ... EVERY PART OF YOU.

LET IT SPEAK TO YOU WITHIN THE SILENCE OF THE SOUL.

LET IT BECOME YOU.

LET ITS TRUE IDENTITY ENGULF YOU AND WARM YOUR SPIRITS AS ONE WOULD FEEL THE COMFORT AROUND A HEARTH'S FLAME.

The Federation of Light Channellings

No. 16

19 June 2022

Good morning. (As opposed to last week, when I should have put Good Moaning!) Ready to commence communication if it is deemed suitable?

We too, offer Greetings of a Light nature, Dearest Blossom, and All Souls who now connect with us on a regular basis. May we add to this, that as one returns more frequently ... one's Vibration builds upon each 'review' and therefore, the Feeling of Heightened Love is more readily accessed.

Well, that's cool to know. And segues beautifully into a question someone asked regarding Dimensions, that was spoken of last week. 'Is it possible in this 3D form to 'match' the frequency of another Dimension OR do we 3D humans have to wait (for the Event or Ascension) in order for our frequency/DNA to be raised to a point that we will 'be able to' match that/another frequency?' **Indeed, a formidable query and one we shall do our best to satisfy. Yet, 'our' question would be 'Where to begin?'**

Well, Julie Andrews would tell you to start at the very beginning. It's a very good place to start.

As we spoke of, there are Frequencies and Dimensions within Frequencies and Dimensions!

A most intricate web of Energies that are a working system all of their own. It is correct in that one cannot ... reside/enter into ... a 'place' that is of a Higher Frequency from that which one Vibrates upon. On the rare occasions it happens, one immediately recognizes the feeling of discomfort and the Soul removes itself, so as not to cause any more of the same.

However, and we will try to keep this as simple as we can ... to enter into a Higher plane whilst FULLY in 3D physicality, is not possible. YET ... one CAN 'visit other places' of a Higher Vibrational Frequency 'out of the body' and yet, the 'reality' of such can be so extreme, that one 'experiences the visit', feeling as if they brought their 3D form with them.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Consider that the physical housing is 'simply' the vehicle in which the Soul can 'live within' in order to experience the 3D Realm. Yes, other Realms/Dimensions, also have 'space' for physicality, yet, other physicalities are made up differently to suit requirements of the Frequencies within that 'space'.

To move on ... the Soul visiting other dimensional 'spaces' is able to do so, depending of course, on the Truth of their Light and Knowing ... and whether they are able to 'match' the Vibration of the space visited ... **BECAUSE** the physical body is not holding them back.

I can feel my head being swamped and you not knowing what to address and in what order, so as not to confuse.

Correct. As many of you understand ... upon arrival into/onto Planet Earth ... simply by Being confined/encased in human form ... there is a 'cap limit', so to speak, on one's Vibration. Yet, it is so, that when a newborn sleeps ... and this is why they do so much ... for a time they are able to visit 'Home'. Often, when they awake back into the 3D Frequency they cry, due to feeling uncomfortable at the 'drop back down' into their new reality ... their lower resonance. It can take some, quite a while to adjust. Soothing music etc can help.

However, as the Soul spends more time within the Earthly Vibration the 'limitations' become more apparent ... coupled with the 'outrageous' outages caused, due to interferences upon your Planet ... it can appear sometimes, that all connection is indeed, lost or locked away.

I wasn't sure about you using the word 'outage', so I did the usual and googled. It said: 'A period when a power supply or other service is not available or when equipment is closed down.' As always, a most apt and appropriate word. **Thank you, for your diligence. So, it is through searching and the desire to feel the Vibration of Home, that one may embark upon their awakening.**

It is through Peaceful thought and understanding ...

through meditation ...

through sleep ... that one is able to feel more in line ... more in tune, with the Higher Vibrations of their **TRUE HOME.**

When one meditates, they are able to often 'reach heights' within their Being that are not readily available when going about their daily business. Often, if the 'KNOWING' is strong enough, the act of meditation allows one to lift their spirits into a Higher Frequency, than before they began.

It is too complicated to explain in great depth. Yet, **YOU** and **EACH ONE** aware of their journey in human form ... are here to raise the overall Vibration in the Dimension of your Planet.

That is quite an achievement. Think about it.

Through your **LOVE** for self and all things ...

through your understanding of your mission ...

through your perseverance and dedication ...

through your determination ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

YOU are actually allowing the Vibrational Frequency of the entire Planet to lift into a much Higher one.

And as much as it should be a walk in the park ... it isn't! More like a walk in the dark at times!

Strongest of the Strong, Blossom.

Imagine that.

KNOW THAT!

THE POWER THAT IS WITHIN EACH ONE ... used within the collective consciousness is capable of doing this.

LIFTING AN ENTIRE PLANET INTO A HIGHER DIMENSION.

AND ... YOU ARE DOING IT.

Ok. So, how does that work? Is the Higher Vibration out there waiting for the Planet to slip into it ... or ... does it stay where it is and just become its own Higher Vibration?

As we mentioned before regarding 'souls', Blossom ... it is the same with 'anything'.

Your Planet 'resides' within its Vibrational Frequency of 'where it is' ... due to its Vibrational Frequency.

One moment! Can we please abbreviate 'Vibrational Frequency' to VF? It's driving me nuts having to type it each time.

Indeed. So, as 'anything' lifts its VF, it will sit within its 'wavelengths' ... for want of explanation.

Be it an ant or a Planet.

We mentioned also, of 'anywhere' being 'nowhere'. Yet, 'nowhere' in its infinity, encompasses multifaceted Dimensions and spaces of and within themselves.

Wherever in that 'nowhere' a particular VF is resonating ... then when one is in tune with that VF ... one indeed, will find it and move in.

I understand what you are saying, yet, it is all rather mind-blowing.

And we would add the complication of one creating one's own reality within that Dimension.

Oh, please don't! I'm gonna need a lie down in a minute, as it is! A recap then. One cannot be within a VF that they are not! Even when not in the body.

Correct. When one travels outside of the physical, be it when they have a physical experience taking place at 'that time' or not ... they are unable to 'slot in' and 'breathe in that air.'

Yet, you don't mean that literally?

Don't we?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I don't know ... do you?

You are correct, Blossom, it was more a way of trying to help one understand. We would continue by saying it is more to do with what each ... 'Planet/space/VF ... calls 'air'. For instance, to Aquatic Beings, their air is water ... if you understand the flow of what we are saying?

Yes, I think so. Yet, then begs the question of those in experimental situations way out of our knowing and understanding, yet, I feel take place ... how can one be transported via extremely advanced technology ... wormhole/vortex ... and arrive 'elsewhere,' if 'elsewhere' is not of the same VF as the 'somewhere' they left?

Not all 'visits' elsewhere ... are to a /of a ... Higher VF. Lower or different perhaps.

So, one can 'easily' reside in lower frequencies.

We wouldn't say 'easily'. Yet, one's VF can drop. As we mentioned regarding our needing to lower our Frequency to communicate with you ... because you are in physical form ... upon a lower Vibrational Planet.

Yet, you are not visiting physically. Wormhole and such like visits do involve the physical, don't they?

Yes. We feel your 'mind' is a little scrambled, with all these prospects and possibilities, Blossom.

You feel correctly.

Back to the Mantra.

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

At the end of the day ... as much as we understand the inquisitive inquiries about many, many things that are not easily understood from your human perspective ...

THE ONLY THING ...

THE ONLY THING ... one needs to REALLY KNOW ... is that ...

YOU ARE ...

THE LIGHT.

THE LOVE.

THE TRUTH.

YOU ARE THE I AM.

Hello! So lovely of you to make a guest appearance in my video last week. Enabling so many to receive your High Energy Love. Thank you.

With so much Love, we join you once again, Blossom, yet, in this telepathic system we have come to know well. It is not always conducive with the Energies to 'directly speak' through you. Yet, such a Divine moment for 'us', when we do.

Actually, you saying 'us', leads nicely into something I would be grateful for you to clarify. There is 'material' going around saying that THE FEDERATION OF LIGHT is not from the Light, because the word 'Light' is a way to draw us innocent Beings (?) into believing that you are when you are not and that you are a Phys Op. It is saying it is THE FEDERATION OF WORLDS that are speaking the Truth. Could you also, once and for all, please clarify why you choose to be called THE FEDERATION OF LIGHT ... not THE GALACTIC FEDERATION OF LIGHT? And Go!

Thank you for your concern, Dearest Blossom. From our perspective, we would say this. What we are

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

called by anyone ... anyone at all ... makes no difference to us. That is why we do not make a fuss when addressed by many's confusion, to be THE GALACTIC FEDERATION OF LIGHT. It matters not ... to us. However, what is of most importance to us, is that you find TRUTH and LOVE and UNDERSTANDING in the messages that we bring through.

If your Heart and your direct feelings connect with us ... if you FEEL OUR TRUTH ... then stick with us. For it is YOUR TRUTH. Should you feel uncomfortable in any sense when connecting ... then leave instantly ... for we are not for you.

As we have said many times, Blossom, we do not connect with you to prove anything to anyone. We come through to assist in the AWAKENING OF SOULS, so that the mission on Earth, to lift her into her rightful place, may be fulfilled.

So, what is the difference between THE GALACTIC FEDERATION OF LIGHT and THE FEDERATION OF LIGHT?

That too, 'to us', is a triviality. Yet, yes. We prefer to be known as THE FEDERATION OF LIGHT.

So, you are not THE GALACTIC FEDERATION OF LIGHT, then?

No, we are not. We are THE OVERSEERS OF THE OVERSEERS and therefore, we would say ... if we were to be assessed by positioning, that we 'Oversee' THE GALACTIC FEDERATION OF LIGHT.

Keep going.

Galactic meaning of Galaxies. Are we not all of/from Galactic heritage?

I don't know. Are we?

We are certainly not of /from Earth, not one. All Beings originate from the I AM Energy. As for one's positioning throughout time and spacing ... souls may then 'comedown' from Star Planets, depending on their desire to do so. Not one soul is forced to be where they do not wish to be.

When you say 'come down' do you mean to Earth?

Yes.

Yet, how did they get from the I AM Energy to the Star Planet in order to come down to Earth?

Through life's creation, Blossom. Through expansion of Love itself, desiring to know more of itself, and it shall continue to do this forever and ever.

We would like to simply say again on this matter, that it would not matter 'to us' what we are called. One can either FEEL OUR TRUTH or not. It is wise, is it not, to listen to one's own soul, rather than be 'deterred' or 'swayed' by that which another has to say?

How would one know, for instance, whether or not that 'other' is deliberately sending out confusing messages, in order for 'Our Light' not to be felt?

This is why we stress over and over again, to rely solely/souley on the self's lie detector.

Blossom Goodchild

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Sometimes, that is easier said than done.

Then think of a particular issue that you are unsure of, as being put on the 'unsure' pile. In time, you yourself will come to know the Truth of it as it is Revealed IN TRUTH for what it is ... or isn't.

Little point in wasting one's Energy on trying to decide. The fact of the matter ... with anything that is offered, is whether or not it resonates WITH YOU. Not anyone else ... YOU. YOUR TRUTH.

Indeed. Over the years I have been sent so much that was designed to set me off track with you ... and many times it worked. Yet, that no longer happens. I KNOW you to be MY Truth ... I FEEL the LOVE of /from you. As I have said before, should it be that when I pop my clogs, it turns out I got it all wrong, well so be it. You still made myself and so many, find out who they are and helped them to KNOW themselves ... so, what harm can it do!

We Trust ... None!

Ok ... moving on. As many know, I had the opportunity to try out the EES system*. I also have been gifted a medallion charged with the Zero point Energy. I think it is easier if I just copy here a question that was asked, as I could not pose it as eloquently as this gentleman has:

In one of your channellings, the FOL mentioned that prior to the 'Event' our crystals would become more noticeably activated energetically, as the crystals consciously wish to contribute to raising the vibration of the Earth. I was thinking that perhaps this may be an interactive process between light workers and the crystals. Do light workers, consciously and collectively start charging our crystals with this higher, bio scalar vibration, and thus strengthen and co-create a higher vibrational, unified energy field? Did the FOL know that we lightworkers and frequency holders be the ones to supply the charge to the crystals, but Dr. Michael had not had her creation presented to lightworkers yet? As you say the video went through the lightworker community like a tsunami and EESystems has had many orders for medallions and healing systems. As the Earth is also a toroidal, zero point energy creating being, as we are, The bio scalar energy field once embedded in the crystals should be a match to that of the Earth's. Over to you chaps ... I looked up toroidal ... I then looked it up in Swahili, yet, still none the wiser!**We thank the gentleman for such an astute inquiry. It indeed, was known, even before the creation, that the creation of this EESystem would be created! There are many such healing systems that are to 'Come to Light' over time, which will assist THE WHOLE greatly.**

At this KNOWING in time, the EESystem is a wonderful 'tool' to bring balance to each and everything that comes into its presence.

Indeed, one's personal crystals can be amplified greatly in POWER and Service by being charged by the system or a medallion. The crystal itself then becomes charged through/as/of the same Energy ... and used accordingly.

However, we are not saying that each soul must immediately purchase one in order to charge their crystals.

This of course can be done through the self's POWER OF KNOWING, that what one puts in, one gets out. If you understand.

Become friends with your crystals. They are not just a pretty face!

Get to know them.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Talk to them.

Listen to them.

You will find they will let you know where they need to be placed and what their purpose is.

Treat them well.

Treat them wisely.

Above all ... respect them. The large and the small.

They play a large role in this Game that is Being played on your Planet. From one the size of a pea, to one the size of a Starship.

And how big is that?

As big as it needs to be at any given time. Like everything ... they are composed of Energy. Energy can be compact or extensively Vibrating out to a larger field within/of itself ... Yet, it does not 'take away' that which it is, no matter the size. Are you following us, Blossom?

Pretty much.

There are presentations of artwork wherein 'Future Earth' or other Planets are portrayed. You will notice how they all have large crystal buildings etc upon them. They are of such importance. In a sense, they are as important as the trees of your Planet giving out oxygen. These 'Knowledge containers' maintain balance to all around them.

So, is it a case of larger crystals being more effective? The same in a way as the EESystem being stronger depending on the number of screens one has.

Blossom, Zero Point Energy is Zero Point Energy. However, the POWER emitted from a 24-screen System is 'fuller' would we say than a 4-screen System. The same we would say, for crystals.

HOWEVER ... it is your BELIEF system that is the overall decider as to what effect anything has!

No one heals another. They plant the seed, the Energy, into the soul that is sick, to let them know that they are the soul's only healer. The healing takes place only ... if/when ... a soul knows this as Truth.

So, Dearest Souls ... have a crystal cleansing kind of day! Make an effort to befriend them. Although when left on the shelf to be admired they still give out their Powerful Energy ... like you ... when put to work doing something of service ... they shine!

Put them in your plant pots.

Put them around your food.

Put them in your pockets.

Put them on your pillows.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Give them the chance to do what they came to do. To serve you and The Whole.

Fall in Love with them and notice the difference in yourself as you interact with them.

Naturally, when meditating it is of great assistance to hold one in the palm of your hands, or place one on your Heart.

Give them a name, if you so desire. Let them become a part of your world as you will be in theirs.

Develop a relationship with them. You will be amazed at the friendship that is born from putting in the effort.

There will come a time when these 'home-based' crystals ... receive their signal to 'CHARGE' and connect up with all crystals. Throughout your Globe ... above the land and underneath it ... those that are lying dormant under the sea ... of great magnitude ...

THEY SHALL ALL CONNECT TO ANCHOR IN THE ENERGY OF THE GREATEST WAVE OF LOVE THAT SHALL SWEEP OVER YOUR PLANET AND BE ABSORBED INTO YOUR HEARTS ... YOUR VERY BEINGS.

Like you, dearest souls, they wait patiently for their BIG MOMENT ... when they can do what they came here to do. In the meantime, they continue to BE THEIR LIGHT ... and with respect we would say, the only difference being ... that they KNOW as individuals ... what a HUGE impact they are making! We urge each one of you to KNOW the same.

We now feel it time to retract. Yet, not before mentioning the intense Energies that are filtering into your Planet and causing quite a commotion.

GROUND YOURSELVES.

KNOW YOURSELVES.

BE YOURSELVES IN SERVICE TO THE LIGHT

Continuing to reiterate from the deepest well in your Heart the Divinely given Mantra.

I AM THE LIGHT

I AM THE LOVE

I AM THE TRUTH

I AM

And I AM ... extremely grateful to you ... as are many. In Gratitude. In Loving service. I AM.

For a change, let 'us' begin with the introductions, shall we?

Welcome to you, Blossom and Each One. Many new Souls are finding our presence 'online', as you would say ... and many 'old souls', in all aspects of that, continue to be uplifted by that which we 'choose' to speak of.

This gives us great Joy as it is our desire to uplift. For in doing so, we, via you, uplift your Planet, which for so very long now has been 'under lock and key'.

A change is as good as a rest as they say! Hello to you. Would you care to elaborate on 'under lock and key'? Although, I think I know what you mean.

Certainly. In order to identify 'Codes' of a certain calibre, there had to be a release, an unlocking, in order for a Higher Vibration to flow through.

Oh, that's not what I thought you meant. Continue forth.

These Codes ... not all, yet, enough for you to notice ... have now been released into your Vibrational field ... in general.

This does not mean that they are activated and accessed by all, for some are not ready within their awakening for this to occur.

Each one, as you know, Blossom, on their own track and dividing portions of knowledge to be awakened in one's own Divine moment, according to one's abilities to recognize self ... during this most poignant and yes, we repeat ... uplifting time.

Well, I have to say ... Codes or no Codes, I am definitely feeling a change within myself for the better. Just a Lighter me! A more accepting me. And it sure feels good. So, the Codes, do tell!

Blossom, we would say that everything is Coded.

Everything?

Yes. For each Code is of itself a story.

That's a lot of stories! I feel to talk of Coding, I may get a little lost yet, willing to give it a go. For instance ... what Codes have just been released/unlocked? What is 'their' story?

They are of an Essence of Lighter Vibrations. They were unable to be 'released' until such time that

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

humanity had reached a certain Frequency of Light within/of themselves, through one's own awakening, one's own personal journey.

That time is NOW and there is much rejoicing in other realms. For these particular Codes are of a 'patent' that allows much within the physical, mental, emotional, and best of all 'spiritual' change, to shift into the next phase of Enlightenment.

When one feels, acknowledges, accepts, and recognizes this, it brings about a metamorphosis within. One cannot deny the FEELING of FEELING Brighter, more 'In Tune'.

As one connects with this resonance and gives much Gratitude for it, it releases and activates Codes to match within you ... the Codes that are now able to 'match' that which are Being sent through.

Knowing very little of Codes ... are they all mathematical?

We would say, yes, in order for you to understand. Yet, we would say too, with respect, that they are beyond that.

Who devised these Codes?

The Divinity of Life.

In a way to describe, for it can be complicated, the 'Original Codes' were put in place and due to their nature, were then able to continue to create for themselves ... all Codes.

The intelligence of the Original Codes, in/as/of themselves, set to work to write required 'sets' which in turn, once at work, created more and more, and more and more, and more and more, and so on.

Ok. Yet, to try and contain this, in order to understand ... how do we have these Codes within us and how do they 'physically' find the match that is flowing through?

Firstly, they don't 'find'. They are by nature, 'there' from the beginning. They await to be activated.

And that is done ... how?

By the Soul. Not the physical Being, yet, the Inner Soul.

Sounds like something in my shoe!

By the Inner Soul reaching a particular Frequency of Light.

By being a jolly sort of person?

Indeed, Blossom. Exactly that! As one's Light ... Lightens, it changes its Frequency to a Higher Vibrational pull. The pull ... being the 'attraction' that Lights Up the Code that is ready and waiting for one to experience a Higher Feeling of themselves.

Let us inform you also, that Codes can never stay still. It is not possible. Everything would 'stop' if they did. They are, would we say, the 'clockwork mechanism' of all things.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet, unlike your computers and such, they cannot stop, or run out of battery. For they are, as life itself, a continuum.

It's interesting, for people talk of particular things being Coded, yet, you are saying everything is!

Yes. It cannot be otherwise. Without a Code ... a 'thing' is not a 'thing'.

To make a point ... My rug is a thing. Is it coded?

Yes.

Does my rug's Coding continually change?

Yes.

I shall never look at my rug in the same way again. Why does/how does my rug's Coding change?

Codes, even when 'not activated' still have to have movement.

There is Coding within Energy and Everything is Energy, Vibrating on its own individual Frequency, as you know.

But why does my rug need to have moving Codes?

Because it is Energy. It doesn't 'need' to change Codes, Blossom. It is that coding, as we said, cannot remain still.

Ok. I am understanding all this a little more. Bear with my questioning. I would imagine a rug doesn't need a matching Code, as it hardly needs to uplift its soul and become more Enlightened.

Correct. Its Coding ... just is ... for its purpose of being made into a rug!

We know your desire is to talk about The Mantra and the Coding within that.

Yes, Thank you. For you have said that it is Coded, yet, I had not really pieced together the fact that everything is. What exactly is it about the Codes in the Mantra that are particularly special?

Let us first 'air it'.

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

The Coding of the two words ... I AM ... are the HIGHEST FREQUENCIES one can use to BECOME THE I AM.

Become? Are we not of /from it ... and therefore, already it?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

A good question.

It is the acknowledgment of the I AM within the self, which again activates the Codes and connects from within to the I AM ... that is the I AM.

Focus Blossom! So, if the I AM Codes are already part of us ... why do we need to say The Mantra?

BECAUSE OF THE WAY CODES RESPOND TO YOUR VIBRATION.

Ah Ha! That seems to be a poignant point!

It is. Everything that you are, say, think, respond to ... dictates how 'your' Codes 're-act', and what Frequency they connect 'up' to, depending on the FEELING of what one says, thinks, responds to etc.

The I AM Mantra ... cannot just be a particular Code ... in/as/of/itself ...

1 a) Because it is forever changing and

2 b) Because EACH SOUL IS OF THE I AM ... and Each Soul resonates within its own individualism.

Therefore, the level of Frequency when saying The Mantra depends on the Frequency of the individual and how that reacts to its Vibrational match.

I am following you, although, I'm not sure how. I just don't know where to take it from here. Do you? **Yes, Blossom, we do. Let us try and simplify.**

Oh, please do!

As one understands more of who they Truly are ... their Frequency lifts. It cannot remain on the same 'level' as more understanding changes the Codes to a Higher state of themselves.

As the Higher Codes become activated, one's Beingness ... must lift also. It cannot not.

And within those Higher Codes, the FEELING within the Soul-Self changes/activates, and therefore, the Coding within the Mantra itself ... moves into a Higher form, which in turn activates and changes into a Higher form ... and repeat and repeat.

Keeping in mind when we say Higher form ... this allows the Soul-Self ... to 'BE OF' and 'reside within' that Higher form ...

It boils down to ... THE KNOWING OF WHO YOU ARE.

When you KNOW WHO YOU ARE ... TRULY KNOW ... the Coding within you and the matching Frequency that you produce when saying and Being of the Mantra ... takes you to a place that moves the Soul's Love/Loving of itself and ALL THAT IS ... into a recognition of Home.

Not sure how much my brain can take, yet, I am unclear what YOU mean by 'activating'? To me, one would 'activate' something by turning it on at an electrical circuit ... sort of thing.

YES, BLOSSOM. You picked up on the exact word we desired you to use ... CIRCUIT.

When the Coding within YOU reaches/matches the Coding of HIGHER LIGHT-LOVE ... it Lights up the circuit.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I have the image of a fairground and the game of hitting a dome, with a hammer, and depending on one's strength, it can go to the top which triggers a bell and everything Lights up.

Indeed. A wise analysis, Blossom.

One more question before we finish. What if on some days, one's vibe isn't feeling its best ... and did not have the strength for the dome to reach the top and trigger the bell? Because one already had done so before ... does that bell remain activated? Or, do we have to re-activate it when our Frequency drops now and then?

The Codes once activated remain within that Frequency. Remembering there are Frequencies within Frequencies within Frequencies.

I see! Well, chaps ... marvellous conversation. I am hoping that when I read it back it all makes sense! So much Love to you for bringing these messages through. They certainly assist me and so many. In Gratitude. In Loving Service. I AM.

I rarely do a PS yet, some are confused as to whether they need to use the word 'THE' in the Mantra ... i.e. I AM the Light etc ...

One does not NEED to do anything if it does not feel in balance for them. We give the word 'THE' because it is in balance for us to do so.

Nice quick answer. Thank you. Cheer Ho, Chaps. Cheer Ho, for now.

Hello again! Our last conversation regarding the Codes sparked off much interest. The week before you had spoken about Crystals. I was wondering if you could, therefore, talk about the two together!

Welcome Blossom, to you and naturally to all those who 'find' our conversations agreeable and resonate warmly within them.

A lovely way to begin, indeed. As discussed, absolutely everything has a Code that continually moves and Vibrates.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Can we stop right there ... A Code Vibrates?

Everything Vibrates.

Yes, but Codes are numbers/equations.

Yet, they must Vibrate in order to come into existence.

Yet, everything has to have a Code to firstly come into existence, doesn't it?

Indeed, Blossom.

Already I am Flummoxed. Seems a bit like the 'who came first the chicken or the egg?' scenario.

So, in order to keep this complex matter simple ... let us move through that, so we may get to where we need to get to.

Let's!

So, naturally, Crystals are made up of Codes, because everything is. Do we agree on this?

Yes.

Do we agree also, that every Crystal, as an individual item has a different Code?

Yes.

Good. Let us try and take you deeper. Although each Crystal has its own Coding ... that Coding comes within 'the bracket' of 'Crystal Coding'. In the same way ... the Human Being would come under 'the bracket' of 'Human Being Coding' ... even though everyone's Coding Vibrates differently.

Can any two people ... any two Crystals have the same Coding?

No ... and yet, they can Vibrate on the same Frequency ...

Already my head is spinning with questions. This being the case ... to go back to last week's conversation ... how then, can our Codes 'match up' with the Codes flowing in ... if no two Codes are the same?

Because ... although different as one human to another's Codes may be ... as we said, they can ... Vibrate on/within ... the same Frequency ...

You have to try and wrap your head around the fact that Codes are immeasurable. Beyond comprehension. Ever changing ... ever 'Fine Tuning' to that which they are resonating within/upon.

So, we would say ... that every Code has its Ethereal counterpart ...

Our Google mate says ... Ethereal: Extremely delicate and light in a way that seems not to be of this world. (For those unsure.) So, when you say ... no two Codes are the same ... wait, did you say that? ... everything has its double ... one in/of this world, and one not? **Correct.**

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Wouldn't all Codes be of an Ethereal Nature? They are not physical.

Yet, they are of THE EARTH's Vibration.

Not sure if we shouldn't just change the subject ... I could get very lost and so could the reader.

Let us keep going a little longer Blossom and we will do our best to let the flow of our words become easier to understand.

Let us return to the Coding of the Crystals. We have spoken before about all Crystals, at a given point, connecting up to each other. This can only take place through their Coding reaching a certain level of Light. In the same way, as we explained to you of the Coding within the self ... Lightening up, Heightening ... in order to connect and match up with the Codes flowing in.

Yet, our Codes could never match a Crystal's Codes, is that right?

Yes. However, although different ... they can be within the same recipe.

Shoot me now!

As in ... for reference ... the ingredients of a cake may be many ... all with their own Coding ... yet, this does not mean that they cannot be blended together and become a cake.

Yet, surely cake ingredients are in the same bracket (a food bracket perhaps) ... Apparently, Human Beings and Crystals are not!

Although Crystal and Human Codes are indeed, in different brackets, as are animals, water ... you name it ... we shall make the analogy of each 'bracket' being a piece of a jigsaw puzzle. Although very different, when joining together, they make up the whole picture.

Ok, I can follow that. I feel you want to steer back to the Crystals and that you have a point to make about that.

That is also correct, Blossom.

THAT POINT IS ... THAT ... YOU ... CAN CHANGE THE CODES OF THE CRYSTALS!

By involving them in your lives ... YOU ... are able to Activate them. Bring them into their fuller selves. Awaken them, so to speak, into the fullness of themselves.

Ok. Yet, what about those Crystals that do not have Human Contact?

They lie in wait/dormant ... to a certain degree ... until such time when the already Activated Crystal Codes, match their Ethereal counterpart and send out the message to the one's waiting, which then triggers them to do what they came to do.

Which is what?

Extraordinary ... Magic.

The word 'Magic' took a long time to come through.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We were indeed, searching for the most appropriate term.

You see, in my head, I am imagining when you say that ... Laser Beams of Light shooting around the Planet from different Crystals, and each time it reaches another Crystal, large or small ... it's like a huge spark explodes from it and then the Laser Beam continues on, adding the Energy from each Crystal it connects with. Are you putting that image in my head?

Yes.

You have said this will take place when 'The Wave' comes ... The Event?

Yes.

And forgive my ignorance ... but what for? What happens then? What effect do the Crystals have on everything? What is their purpose?

Bringing in and Activating the very much Higher Codes that accompany The Wave.

Do you see, Blossom?

EVERYTHING THAT YOU ARE HERE TO DO ... IS CONNECTED TO RAISING THE VIBRATION OF THE PLANET.

AS YOU ARE REALISING NOW, RECOGNISING NOW ...THIS POWER ... THIS POWER OF YOUR LIGHT ... WE ARE ABLE TO OFFER MORE UNDERSTANDING OF HOW EVERYTHING THAT IS UPON YOUR EARTH PLANE IS IN CONJUNCTION WITH ACCOMPLISHING THIS EXTRAORDINARY MISSION!

Can you 'feel' how you are aligning your inner Knowing now?

Yes ... I think I can 'feel' the 'knowing' as opposed to explaining it in words.

THAT IS THE KNOWING OF TRUTH, BLOSSOM.

As we have always said ...

IT IS ABOUT THE FEELING ...

FOR THE FEELING IS WHO YOU ARE.

Let me attempt an 'In a nutshell'! Ok. As we, as THE LIGHT, THE LOVE, AND THE TRUTH of our I AM - NESS raise our Vibrational Frequencies ... we are able to 'internally' accept how we are all in this together. Crystals and all. In that, we had an arrangement/agreement before we came, that we would do the best we could to discover OUR TRUTH ... in order to make friends on a deeper level of understanding with our Crystals (for example) so that ... together we can raise the roof, so to speak ... and in doing so, the Crystal's Energy, at a given command ... will zoom across the Planet ... connecting up with each other in order to Activate the Massively Higher Codes that come in with 'The Wave of Love' ... which in turn, changes the Vibration of ABSOLUTELY EVERYTHING ... for the better. Not sure if that is a nutshell or a bombshell! What the? Does one need drugs before or after this session? I am concerned I/you may have lost many. I feel I have perhaps lost myself! Many had to read the last message over and over to get it. This one needs a university degree in Nuttiness!

You have done exceedingly well, Blossom.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Not so sure ... And, where to from here? The Nutty farm?

GROWTH AND EXPANSION IN UNDERSTANDING YOUR POWER AS IT LIGHTS YOUR WAY.

And the thing is, and I think many will nod their heads also ... I can Truly Notice this CHANGE ... this Shift in my Being. Of late, I have been sent some links to scare-mongering possibilities of the future ... yet, I just choose for it not to be in my reality. THIS sort of stuff is what turns me on.

THIS sort of stuff, Blossom, is what 'turns on' the Light of Truth of Self. That KNOWING that we have mentioned over and over ...

I can't say I fully KNOW.

Yet, you know that you know more now ... than you did!

YET, IT IS NOT OF KNOWLEDGE THAT YOU KNOW.

IT IS OF A KNOWING.

An understanding within the Being of moving further into the role one came to perform.

As the Codes, the Frequencies within the Vibration lift ... one begins to connect the dots, and although, none of it may make sense ... it all begins to make sense.

Wait! That doesn't make sense! Or does it? Brain Blow out. Dear God you can't make this shit up! I shall have such a laugh reading this back and if it does 'make any sense' at all ... I think I deserve a Noddy badge. Are you off now then?

We feel there is enough to digest for now.

I think many may require some Gaviscon! (An indigestion tablet!) Well ... what can I say? Thanks, Guys. I just need to sweep my brains up off the floor ... and I'll be good to go. In Gratitude, In Loving service ... I AM ...

1 It took me about four or five reads to make sense of this! Each time it was like starting all over again from the beginning!

Once again, here I am for a chat. I feel, for now, to leave the Codes and Crystals. We sort of get the gist and I don't want to dive too deep in case I run out of Oxygen! Perhaps talk to us about you? That would be an interesting place to start.

Blossom, we welcome you. We welcome all who choose to come into this space and gain information and Energy upliftment as we converse.

Firstly, there is not really a 'You' to talk about. There is not an 'Us'.

Yet, once you said you can take any form you desired.

This is so. For we are Pure Energy and Energy as you know, can take every and any form.

So, what would you say is your 'natural form', your 'slipping into something more comfortable' form?

Expressions of Light. Dynamic Colours that transform and Dance as we allow ourselves to BE the Highest Purest Love.

So, there is a 'we'?

'We' are indeed a 'many'. Yet, we would call ourselves 'One'. We are a 'Collective Consciousness' resonating on a particular Frequency of Light, within a particular Vibration.

Can you /do you recognise yourselves as individuals?

We can ... for 'we' are a ConsciousNESS. Therefore, made up of 'many'. Yet, we consider ourselves to be a 'United Front' and our togetherness 'feels' as though we are a 'block' of Energy ... thinking as One. The word 'Block' is appropriate to explain, yet, not necessarily of the correct interpretation.

So, you 'think' then? About what?

LOVE.

WE ARE LOVE IN/OF ESSENCE.

Yet, we have the capacity to chat with you, for instance. Therefore, we 'think'.

So, you wouldn't class yourselves as 'Beings'?

Yes, we would. Should we choose to take the form of 'Beings'.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

And what form would that look like?

Anything we choose.

And for what purpose?

To present ourselves within circumstances that require us to be in form.

Could you give an example?

There are many and varied. For instance ... should it be required, we may present ourselves as an Animal, a Human, a Flower, a Cloud, a Ray of Light, a Bird ... for the time that is required to 'assist' in a necessary Energy exchange in order to 'shift' the Energy ... for/with ... a soul/circumstance ... that needs it.

Isn't that interfering with one's pathway?

No. we are adhering to Universal Laws. At the same time, assisting the Universe with its 'callings' from 'all walks of Life' that are asking for assistance. If assistance isn't asked for, we do not intervene.

Does it involve a lot for you to 'appear' in a form here on Earth? I would imagine it would be hard to be in this Vibration, considering the Vibration that you reside and are comfortable in.

It isn't about 'involving'. For 'Us', it is more of a 'thought' and a transference of Energy.

Wait! I'm confused already ... I should have stuck with the Codes! Does YOUR ENERGY come here and materialise into ... say, a bird ... or ... do you find a passing crow and hijack it? I.e., borrow its physical body for a time?

This is correct, This can be done. This is one way. This is all done in accordance with Law, Allowance and Acceptance.

Ok. For some reason, this just isn't flowing. Too many possibilities of thought are pouring into my head and I can't put them in order. Therefore, losing the link, I feel. I had planned for our chat to be this morning, so I might see if I can continue on, if we change the subject. Will that work?

Let's Try. We may suggest the thought to you, Blossom, that just because a particular subject doesn't flow, it doesn't mean that we are not here, or, you are blocking it. It can be that the chosen topic in question isn't able to be given a simple answer, due to the Vibration ... Being of itself a much Higher One ... and therefore, inexplicable in Human terms or understanding.

Yet, all I did was ask you to talk about you!

We rest our case!

Ok. Next!

Let us not move away from our conversation, yet, move it into a different thought 'about it' ... 'about us'.

We are no different from you ... from your Truth of who you are.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We are the Light. We are the Love. We are the Truth ... We are the I AM.

AS ARE YOU.

In Essence ... you are 'from' the same block of Energy ...

Can we look for another word? 'Block' seems so 'solid' and you are not. How about 'group'? Nope ... that's not right. Come on, Guys ... help me out.

Pattern.

Completely not what I was going on the lines of, yet, it makes perfect sense. So we are from the same Pattern of Energy.

Everything is ... originally.

Yet, you have chosen to experience Being a Human. You, throughout 'Life forms' have chosen to BE many things. Anything you desired ... anything you knew would be beneficial in terms of experience.

YOU CHOOSE WHO YOU WANT TO BE ...

WHERE YOU WANT TO BE ...

HOW YOU WANT TO BE ...

IN ORDER TO BE!

TO EXPERIENCE.

You have all been on many Planets. You have all experienced everything you want to and you shall continue to do so.

Have you?

Through you and all that choose to do so.

LOVE IS ALL THERE IS, BLOSSOM ... THE ENERGY OF LOVE.

WE ARE ALL 'OF' THAT ENERGY OF LOVE ... FOR THERE IS NOTHING ELSE.

That Energy ... is then/can be ... broken down into a million, trillion, infinite Frequencies of itself and resonate within those Vibrations and Frequencies. The level of Frequencies depicts that which one chooses ... to manifest their desires.

Yet ... all originally coming from ... Being of ... the Highest Frequency of LOVE.

Therefore, we cannot be separate.

NOTHING IS SEPARATE FROM THE HIGHEST PUREST ENERGY OF LOVE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Because that is your blueprint. That is Your Essence.

Your choices ... from that space ... as we say, are infinite and shall continue to be so.

So, we would say because 'our Pattern' is formed from that SAME Original Highest Purest Love ... we are ... through each individual chosen Pattern ... able to experience 'Life' ... 'through it' ... as we are part 'OF it'.

Telepathically we communicate with you, Blossom ... through the Energy Patterns.

We are not you ... you are not us ... yet, WE ARE.

Rewind.

Due to you experiencing Planet Earth at this time ... as a chosen individual ... not a separate one ... our 'Pattern of Life' is very different from yours.

We are showing you moving Light colours, ever-changing, of the Brightest hues.

Your 'Patterns' of 'Life' upon the Planet Earth ... would not produce the same image. They would be dimmer colours, of lesser Light Frequencies.

NOT because YOU are 'of' dimmer colours, or lesser Light Frequencies ... but because of the density of Vibration that you have chosen to reside in ... because of the lower Vibrations all around you. Lower Vibrations that are seeped into the very Earth itself.

REMEMBER YOU CHOSE TO BE UPON EARTH.

This you did through Love ... of yourself and the WHOLE.

At this particular time ... the choice to be where you are ... depending on your soul's choices ... maybe for a different reason other than just to experience.

For you, THE STRONGEST OF THE STRONG ... as you know ... came to Earth on a mission.

The Highest Love has ... through humanity ... experienced the Lowest Love.

That sounds odd.

Yet, Truth.

I get it. For there is nothing else other than, right?

Indeed.

And Council was held at the Highest level to intervene, in this case. To compile a mission that would put a stop to this lowest of the low behaviour and send forth, those who KNOW their Light strongly enough to 'rescue' the Planet and indeed, the human race.

I suddenly had a vision of billions of us adorning our superhero capes ... (not so much the lycra onesies, just

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

quietly.)

THIS IS WHY WE ARE WITH YOU, THROUGHOUT.

SUCH A MISSION YOU HAVE UNDERTAKEN ... YOU ... THE CREW AT GROUND LEVEL.

DO YOU SEE WHY YOU HAVE TO BE THE STRONGEST OF THE STRONG?

IN ORDER TO UNDERTAKE AND SEE THROUGH SUCH A MISSION ... ONE THAT HAS NEVER BEFORE TAKEN PLACE!

Something's bugging me, that I need to clear up before we go. You say '**The Highest Love has ... through humanity, experienced the Lowest Love ...**'. Is it just humanity that has enabled the experience of the Lowest Love?

No. Not by a long shot. Yet, at this time we are discussing the matters of Earthly experience. We chose our words wisely, yet, we understand your questioning.

Maybe all that is for another time ... or not! Well, we seemed to get through it. Let's hope it blends well enough when I read it back. Thanks, my friends. As always, In Gratitude. In Loving Service. I AM.

The Federation of Light Channellings

No. 21

27 August 2022

I had decided to do a channelling either Thursday or Saturday morning. On Thursday morning, from the moment I awoke, I had a niggly nudge for the need to sit quietly and tune in. This is not something that happens regularly by any means, yet, enough to know I should adhere to the nudge. The minute I sat down and closed my eyes, I saw myself sitting as I was, with a flowing shaft of Light entering from above into my crown chakra. I just let it happen for five minutes or so, feeling I must be getting a download of some sort. Deciding I would definitely channel that morning, I had breakfast and pottered a bit before settling in for the communication.

What came through has sent me in a spin. So, as you read or listen to this message ... I ask you to dig deep into yourself as to what YOU really feel about it. Do I believe it? I would like to, yet, I find it hard to. Never have I brought through a communication and not posted it, and does the fact that I got the nudge to get the Energy download first make it anymore significant? I really don't know.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I ask you to put yourselves in my shoes. You know that these messages help thousands of folks to find the Truth within their soul. Yet, you know too, that over the years, 'this' kind of message has never come to fruition ... yet! What would you do? If I discard it ... I am Being a coward. If I post it, I will once again be in for a whole lot of grief from Souls who probably feel the same way as I do and to be honest, my soul feels battered about enough as it is.

My inner knowing KNOWS I have to post this, even though I feel nervous to do so. I signed up for this on some other level and it seems I am not a quitter. So here it is ... sent out in Love, Courage and a whole lot of apprehension.

Morning! Very rarely do I feel such a strong nudge to sit and chat with you. So ... here I am. Is all ok chaps?

Welcome, Blossom. Welcome to All. Each One that comes to this place in Love to BE WHO THEY ARE and connect with the Higher part of their Beings as they read or listen to our conversations.

Indeed, Blossom ... there is a DeLightful reason that we were nudging you to sit with us this day.

Stretch your minds. Stretch your imaginings as we bring through these offered thoughts IN/AS/ THROUGH/OF ... LOVE, this day.

In your world ... a world that at this time is not operating in fullness, as designed ... much is changing FOR THE BETTER.

We have expressed many times that THE LIGHT HAS WON. Now we chose to tell you that not only has it won ... yet, very soon ...

Oooh, Steady Neddy! Watch those words ...

Trust and concentrate, please Blossom.

VERY SOON ... THERE SHALL BE EVIDENCE TO PROVIDE PROOF OF THIS.

In what form will that take?

IN YOUR SKIES. THERE WILL BE A SIGN.

Oh Lordy Lord 'here we go! I promise you I am concentrating and not wanting to mess about ... yet ... THAT'S BIG ... and naturally, my heart is pounding!! Eh ... With much Love and respect ... have we not been down similar paths before and were left feeling disappointed?

This is so ... and we must say, for your relaxation of mind ... that 'All can change at the last minute, due to unforeseen circumstances'.

However ...

With this in mind ...

We desire to prepare you for such A Sign.

I guess the 'all can change at the last minute' bit is our get-out clause! I am going to zip my mouth and Trust. Actually, not sure if my mouth will do as it's told!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

ONE CAN FEEL WITHIN THEMSELVES THE CHANGE WITHIN.

THE INDIVIDUAL PERSONALISED ENERGY THAT HAS OCCURRED IS TO BE AMPED UP EVEN MORE OVER THE COMING WEEKS.

WE ASK THAT EACH ONE TAKES IT UPON THEMSELVES TO ...

LOVE THEMSELVES MORE ...

LOVE THE WORLD MORE ...

LOVE THE FLOWERS MORE ...

LOVE EACH OTHER MORE ...

LOVE EVERYTHING MORE ...

LOVE LOVE MORE ... IN ORDER TO ALLOW THE COMING VIBRATIONAL HIGHER ENERGIES TO ENTER INTO YOUR KNOWINGNESS.

THE COMING OF THE NEW DAWN DRAWS EVER CLOSER.

Blossom, we must ask you ... Do you Trust that which we are expressing?

Well, obviously, the thing that concerns me is the sign in the sky. We have talked about Pillars of Light in the sky and we fell out over that because it didn't happen ... yet! People became disappointed because there was no announcement ... yet! No need to go on. Is it to be that we will be happily expecting a Sign in the sky and one never appears ... only to have our 'street cred' go down the pan once again? Just expressing my thoughts here!

Would you consider A Sign to be part of the Divine Plan?

One would hope so! I am assuming you are not going to tell us what the sign is to be? Obviously, it will be more significant than a passing bird pooping on my head!

Indeed, Blossom.

I could ask all the usual questions ... Will everyone see it? Will it be obvious? Is it a ship? A Rainbow? A Thunderbolt? I presume this is not THE EVENT?

Correct ... and yet, that which it is to be will be of much encouragement ... to all.

It will carry an Energy of such upliftment to the soul. There shall be rejoicing.

Far out! Oh, how I hate to do this ... yet ... as I say, past history has left me to be a bit of a 'Doubting Thomas' on more than one occasion. I do hope my 'apprehension' on the matter isn't thwarting that which you wish to bring through?

Keep an open mind, Blossom ... as we know you will.

I try ... Dear God, I try! Presuming too, there is no time frame? Yet, you say 'very soon'. In your language that

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

could be 10 years.

We can only guide you under such circumstances to use the term 'very soon' ...

Yet not 'tomorrow soon'? THAT WOULD BE VERY SOON.

We do not give a time frame. We just tell you how it is.

You do know this is going to cause a bit of a stir, right?

Yes. This is our Desire. For within that stirring ... one's Vibration lifts ... And as the Vibration lifts ... the more likely it is for it to be sooner, rather than later.

I feel I am falling into my usual 'Don't tell me this ... Been down this road too often!' Yet, if I don't Trust what you are saying, there is little point in carrying on our relationship. Been down that road before, also! So, how would you suggest I, and others like me, for I know there will be many ... keep up that Faith ... that Trust ... that Hope?

BY KEEPING IT UP!

However, ... We ask you to KNOW this from within. Yet, we do not ask you to stop doing what you are doing in anticipation of such a happening.

TO KNOW THAT THIS IS SO ... IS ALL YOU NEED TO KNOW.

It is because of your 'behaviour' lately ... Each One ... that the lifting of Energies has come to a ... placing/ position ... where agreements have been mulled over and now approved for such a DeLight ... to show you A Sign ... from Love ... that things are now to move at a quicker, more Enlightened 'space' than what one is used to.

WE STATE CATEGORICALLY, HOWEVER ... THAT THIS SIGN IS NOT A RESCUE MISSION.

THIS IS NOT ABOUT ... AND NEVER WILL BE ABOUT ... RESCUING.

You are the ones that have come to the Planet to rescue it.

You do not need rescuing.

YOU ARE THE RESCUERS.

Each one, that KNOWS of this inside their Being ...

Each one, who even though, have at times felt like giving up ... you always return to your Strength because that FEELING OF WHY YOU ARE HERE ... is embedded within your soul ... and you KNOW you will never give up on this mission you came to accomplish.

THE ENERGIES, AS WE ARE SURE MANY, MANY ARE NOW ACCEPTING AND RELISHING WITHIN THEIR TRUTH, ARE BECOMING SO POWERFUL ...

BECAUSE OF EACH ONE OF YOU ... WALKING INTO A HIGHER PATTERN OF YOURSELVES.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Which in turn allows THE PLAN to move into its next phase.

Oh, poop! You saying 'phase' ... Doh! What happened to Phase Two of the five you have talked about? Surely, you can't mean that, because that means we would be going into a worldwide lockdown. Are we talking about the same 'kind' of phase here?

Yes, we are!

So ... is this Sign going to lead us into Phase Two?

No.

Can I go as far as to ask if it will be before, after, or during?

Before.

So, we experience this Sign, yet, it is not that, that leads us into Phase Two of a Worldwide lockdown?

It will not seem this way ...

Yet, you just said it isn't going to lead us into it, and now you are saying, it will not seem this way, suggesting ... that it might?

Blossom ...

Yes ...

TRUST.

Eh, Hello! Would you like to recap over the last 17 years of our conversations?

We would say that the Sign ... would be part of the equation yet, not be the reason given for the lockdown.

Another worldwide lockdown seems quite removed from our thoughts these days. Yet, a few have written in about some kind of fungus that could 'explode' into the makings of such.

At this time ... we ask that you carry on as you are.

Due to so many of you 'finding Joy' and letting go of the mumbo jumbo that has been filling your heads at times ... as we have said ... it is because of your intelligent decisions not to fall for the confusions purposefully presented ... that the next phase will be able to be pushed forward.

Yet, you know, having said what you have said ... is naturally going to set the juices flowing for many an inquisitive mind.

Then let the thought patterns flow only in the direction of downstream.

Let every part of your Being KNOW and FULLY ACCEPT that it's showtime.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Well, eh ... I think I may have to go along with the knowing that shows take quite a bit of preparation before achieving the actual performance!

What we mean, Blossom, is to FEEL IN YOUR HEART ... IN YOUR BEING ... IN YOUR HIGHER KNOWLEDGE ... IN YOUR UNDERSTANDING OF WHY YOU VOLUNTEERED TO COME TO YOUR PLANET ...

LET IT BE THAT ... THAT THE JOY OF YOUR FUTURE ... THE FUTURE THAT YOU CAME BACK TO CREATE INTO REALITY ... REMAINS IN EVERY BREATH YOU TAKE.

Repeat the Mantra more and more in the KNOWING of its True meaning.

In the KNOWING that you came here to take this Planet and raise her into a place of Joy and Love and Peace and all imaginings of a world like that.

KNOW IT IN EVERY PART OF YOUR BEING ... AS YOUR EXPRESS ... IN/WITH ... UTTER JOY, the Mantra.

YET, KNOW TOO ...

BECAUSE of your own Vibrational level lifting ... the Mantra, when said by you ... is NOW of a Higher Vibration also.

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

We Trust that Each One of you can take into your Beings, the Higher Frequency in which this message is delivered.

We TRUST that you choose to Trust this message ... even you, Dearest Blossom.

Yeah, well ... street cred aside ... as I say ... If something within me didn't know I had to put this message out ... as I have done all the others ... what would be the point of me continuing to connect? There wouldn't be! I have to TRUST that this LIGHT that you are ... this Lighted Energy of YOU ... that has chosen to come through ME ... is of TRUTH ... For that is my greatest desire. So, in Trust and Love, unless you have anything else to say ... I feel we are done for today.

We say to you ... FEEL OUR WORDS. Do not 'think them through' ... simply FEEL them ... and if they resonate ... Enjoy them. If they do not ... we ask that you seek and find that which does.

A Blessing of Light Love we send to you this day ... In such Joy ... In such anticipation ... that the time has come to pass such words on to you ... and you, Dearest Blossom ... have the Courage to receive them.

The Federation of Light Channellings

No. 22

11 September 2022

Good morning. Well, should we talk about The Sign? The Queen's death? Or the price of fish?

Welcome to you Blossom and Each One who finds themselves drawn to these conversations of ours. We know there is a burning question you wish to ask, Blossom. Please go ahead.

Thank you. Already, emails are coming in wondering if the rainbows that appeared over both Windsor Castle and Buckingham Palace just after the Queen's passing, were the Sign in the skies you were talking about?

And we would immediately answer ... no.

A bit odd. A bit coincidental nonetheless.

Rainbows are a refraction of Light ... The Light is always there. Although we state these ribbons of colour are not the Sign we speak of, we did not say that they 'simply appeared' ... for no reason.

We would say, that the death of this Monarch will bring about great change regarding how your world is viewed. The rainbows are a symbol of Hope. They bring Joy to the Heart and it was felt necessary for such a 'display' to be presented.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Interesting though, how their significance will differ depending on one's view of the Monarchy!

Indeed, Blossom. Much is to unfold. Much is to come to Light in these days ahead and much will leave many in great distress ... due to that which is brought forth. This is nothing new and yet, we would say that the passing of this 'ruler' will be the 'layer' which sets the ball rolling.

A great deal will be bandied about and once again, one must use discernment. We would suggest that one remains in the calm and tranquillity of the Soul and not to be sucked in by all that will be portrayed.

In a sense, we would say, this changes nothing and yet, it changes everything.

What we mean by this is that ...

THE LIGHTS THAT YOU ARE MUST NOT CHANGE.

ALL THAT YOU ARE TO HEAR AND ALL THAT IS TO COME, MUST NOT CHANGE THE BRIGHT LIGHTS OF TRUTH THAT YOU ARE.

One must ... you are unhappy with us using 'must' Blossom?

I am a bit. Can we use 'might consider'?

If you choose, Blossom. Yet, we prefer 'must' ... because Truly ... it is a 'must'. It is a necessity to remain centred within and not 'fall for' all the propaganda that is to follow.

Oh my God! I don't believe it. You are going to say it!

Yes. We are!

HOLD ON TO YOUR HATS!

The winds are going to be of hurricane proportion, metaphorically speaking.

ALL IS IN ALIGNMENT.

If you think of that statement ... it means that everything is lining up. Everything is falling into place as it should.

There have indeed, been many pitfalls, many deterrents from that which was planned ... and yet now, matters that are of HUGE significance shall spill forth at a rapid rate.

Something that baffles me. How can a Divine Plan be tampered with? If it is Divine, surely all known distortions and distractions would have been dealt with before they occurred?

This is a transition from dark to Light, Blossom. Acts of distractions are bound to occur, as the dark feels itself sink into the abyss and for the little strength it has left ... it will continue on until the bitter end ... to try and keep the darkness as the ruler of your Planet.

THE DIVINE PLAN IS PLAYING OUT.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THE LIGHT HAS WON.

All that goes with that is really just 'The Game' playing out its final moves.

Watch now, how distortions of Truth will be used to cover up that which those of lesser Light cannot afford to be revealed. They are doomed. This they know, yet they shall try every last trick in the book to remain!

Although this may flow well to the reader ... it is not one of our easier ones.

This is due to energies put in place to prevent our discourse this day. Considering that fact, we are doing extremely well.

Ok. If we may, let's move on to the Sign? I decided yesterday, after my last video, due to White Cloud being passionately adamant that he knew the Sign would come .. that I too, would change my tune and do the same. It is just a matter of flicking a switch within me from 'I shall wait and see' to 'I KNOW it will happen'. It felt good. When? Well, who knows! We just have to KNOW and that's the end of that!

Yet, Blossom, if everyone was to make this switch ... The Sign would reveal itself 'sooner' rather than later.

Your world is one of manifestation. Creativity through thought. One has to KNOW 'something' into existence. One has to feel 'something' into existence. Therefore, naturally, the more that choose to KNOW THE SIGN IS COMING ... the quicker it shall come.

Yet, many aren't into all this 'kind of stuff' and would have no idea to think about bringing a Sign into Being.

TRUE. Yet, many ARE into this 'kind of stuff' and the POWER that One is now feeling is enough to bring this about.

So much that is to take place NOW ... is able to do so because of the STRENGTH AND THE POWER that a Soul is experiencing within their Being.

A different KNOWING

A different FEELING.

A recognition of this difference is all that is required to amp up the Energies to such a degree that the Force behind thoughts ... brings about manifestation at such a rapid rate, that some things are almost instantaneous.

As this presents itself ... as one connects the dots ... it awakens inner remembrances.

ONE'S TRUTH OF SELF IS ABLE TO RECALL THE POWER OF THE LIGHT MAGIC FROM ANCIENT LIFETIMES.

LET US REPEAT THAT.

ONE'S TRUTH OF SELF IS ABLE TO RECALL THE POWER OF THE LIGHT MAGIC FROM ANCIENT LIFETIMES.

Bit by bit, as this MAGIC is once again entrusted into the Hearts of the Warriors that you are ... skills and

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Gifts shall return.

Gifts of such Lightness ... that will assist the lost.

Skills that will allow one to present to another ...TRUTH.

What exactly do you mean by that? What kind of skills?

Skills that have been long forgotten. Skills that were forbidden due to their creative POWER.

All such things are to return.

Yes. Yet, what kind of skills? Presuming we are not talking of tapestry or woodwork!

Within the GODSELF that you are ... embedded deep within your Beingness are DeLights to DeLight.

If you TRULY KNEW ... and we mean ... TRULY KNEW ... without any misconception or interruption of doubt ... that you could fly ... you could, of course, fly.

I want to say, I doubt that!

Which is exactly what we want you to say, because that doubt has been engrained within every fibre of the human concept. Birds fly. Nature spirits fly. Planes fly. Dragons fly. Yet, not humans.

Well, we don't have wings for a start.

You do not need wings.

Here I feel we should insert ... 'Please do not try this at home'.

This is what we mean, Blossom. It has 'become' out of the realms of possibility ... therefore, cannot be done. The Collective Consciousness proves this to be so.

Yet, let us say for instance, that it was proven beyond doubt that it was possible to fly ... by just one soul. The beginnings of changing the Collective Consciousness would awaken and over time that 'out of the question reality' ... would become a possibility ... would become a reality.

Remember that ... ALL THAT YOU ARE IS DIVINE.

You are capable of so much that you do not even dare to dream of.

Returning to the topic of skills. Yes, flying would be handy yet, understanding you were making a point. What other skills and gifts would be more realistic for us to ... accept/expect ... of ourselves, as we walk further into this POWER?

Healing. The Energies continue to flow in now, that are of a much Higher resonance and therefore, allowing that which were once considered miracles, to become more of an everyday occurrence.

The transforming of negative into positive Energy by the power of thought.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

IT IS YOUR THOUGHT AND KNOWING OF TRUTH ... WITHIN THAT THOUGHT ... THAT ALLOWS MIRACLES TO HAPPEN.

Your capabilities are to show themselves and bring you such Joy.

For all the POWER that is flowing through you is to assist The Whole.

That is all you really want to do.

That is why you came here on this mission.

To assist The Whole.

And to expand our soul as an individual?

Exactly Blossom. Yet, that is one and the same assistance.

Do you think you would be sent on this mission unprepared ... with no tools?

Certainly feels like it at times.

EVERYTHING YOU NEED ON YOUR JOURNEY was packed and wrapped neatly in your knapsack. Layers of 'utensils' ... Layers of soul food ... all packed in the order that one requires for each and every step of the way. All one needs to do is open it when feeling it necessary to do so.

NOW IS THE TIME ...

NOW MORE THAN EVER ...

STAY ALERT ...

STAY PREPARED ...

STAY TRUE TO THAT WHICH YOUR HEART FEELS.

STAY TRUE TO THAT WHICH YOU KNOW TO BE TRUTH.

STAY TRUE TO YOURSELF.

STAY IN TRUTH ... AND ALLOW YOUR LIGHT TO LEAD YOU HOME.

We will, of course, see to it that we make our very best effort to do so. In Gratitude. In Loving service. I AM.

The Federation of Light Channellings

No. 23

18 September 2022

Good morning to you. Once again, I leave the topic for this chat in your capable hands.

Greetings to you Blossom. Joy and Blessings are offered to Each One who finds their way to these conversations.

There is much Celebration taking place in Higher Realms.

There is much concern taking place in lower realms, for it is known what is to come and how their fate is to play out.

And how is that?

Blossom ... it is quite a controversial topic. For is it not that every living thing is derived from the ONE ENERGY THAT IS LOVE?

Yes. For that is all there is, and yet, obviously many things have been 'created' from that lower end. So, is their fate something that many would feel the lower energy deserves?

There is no escape from the Self. Is it not when one that you would call 'normal' ... one that walks through life doing that which they know to be good ... doing the best they can ... Is it not that when a 'slipup' occurs, the pain involved within, due to the misalignment of one's Truth, can cause havoc with the Soul-Self? One would become completely out of sorts until the guilt had been released ... until one had corrected and rectified that misdoing.

Then take that ... onto/into ... a scale beyond imaginings of ... ill doing/wrong doing. Going against everything that lies within Truth. Imagine ... serving a darkness, when one's creation is of Purest Light. Imagine the utter turmoil within. The pain in the Soul-Self when Judgement Day arrives.

One moment, Judgement Day?

That of which we speak is not as you have been led to believe in your 'story books'.

FOR THE ONLY ONE TO JUDGE ONE'S LIFE ... IS THE SELF.

THE ONLY ONE TO JUDGE ONE'S BEHAVIOUR ... CONCERNING EVERY THOUGHT ONE HAS EVER HAD ... IS THE SELF.

Imagine then, the darkness of the Soul ... the pain beyond pain that one who has fallen into darker ways will have to endure. To feel every thought and action they have put upon another. That is 'punishment' enough, if one is in the thought pattern that the dark ones must 'pay' for their crimes.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

The lower controllers of your Planet are running scared, would we say.

For it is written ...

THE LIGHT HAS WON.

THE LIGHT IS IN CONTROL OF THE COMING PLANS THAT ARE FALLING INTO PLACE.

It may seem to many, as these plans unfold, that everything 'appears' to be getting more insane and that all around makes no sense.

All that 'appears' to be ... is most likely to be the opposite of that which is actually taking place behind the scenes.

Apart from a massive Sign in the skies, of course. Let's not be forgetting that! Many have sent in amazing Rainbows or Cloud Formations, yet, I don't feel these are what you are speaking of?

Many moons ago, we spoke to you of Rainbows of incredible forms appearing in your skies ... more and more of them would appear and they are. These are signs. Yet, not THE SIGN we mentioned recently.

YOU WILL KNOW WHEN IT PRESENTS ... There will be no question of it.

Some feel it may be a hologram from the darker side and that we may be fooled. How would we know the difference? For there is a great deal that is not real and yet, can appear to be so.

YOU WILL KNOW BY THE FEELING.

THE FEELING THE SIGN CARRIES WITHIN IT.

THE FEELING OF LOVE THAT FILLS YOUR BEING.

THIS IS HOW YOU WILL KNOW.

Mm! I hope so. In that, I have seen on videos, things that I thought to be a wow factor and they turned out to be fake. I am not sure how up-to-date my BS radar is.

We repeat ...YOU WILL KNOW.

And after the Sign, what happens then? You have said lockdown ... I have said ... that seems to be over with.

Wait and see, Blossom Goodchild! Wait and see

Not a lot else one can do. However, the Energies do feel to be continually amping up, regardless. Within the Self, one can feel that to be Truth, at least.

And they shall continue to do so.

It is time, Blossom.

With respect, in your realms or in ours? For in yours, your clocks seem to tick extremely slowly.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

WHEN WE SAY THIS ... WE MEAN THIS.

THE TIME IS NOW.

MUCH IS HAPPENING NOW.

This we understand. I guess most of us are wondering when the 'time' will be, when that which is taking place behind the scenes can be presented on the world stage?

We would answer ... THE TIME IS COMING FOR THAT.

WHEN EVERYTHING IS FULLY PREPARED AND IN KNOWING THAT THERE CAN BE NO 'DISGUISE' AT PLAY ...

WHEN EVERYONE IS SAFELY IN THEIR HOME ...

WHEN EVERYONE FEELS ALMOST AS IF THE WORLD HAS STOPPED TURNING ...

WHEN EVERYONE IS READY ...

THE GREATEST SHOW ON EARTH ...

THE GREATEST MOVIE EVER ...

**SHALL BE OPENED UNTO YOU AND NEVER AGAIN WILL ONE BE WAITING FOR SOMETHING TO HAPPEN ...
FOR THE BALL TO GET ROLLING.**

You said, that the death of the Monarch will start that ball rolling.

This is so.

You said, hold onto your hats.

This we mean.

Breathe into our words and take a 'Feeling assessment'.

Ok.

How do you feel?

I feel we are indeed getting closer to the great reveal. Those of us who awoke long ago, or even recently, seem to KNOW that patience is a virtue.

And as one patiently awaits their calling ... the LOVE, the STRENGTH and the COURAGE WITHIN builds to Greater Heights.

A while back you said we are ready. Many feel they have been ready all their lives.

One is ready!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

And yet, we do not know for what ... and yet, we do.

This is correct. This waiting ... this apprehension within ... this patience, is all part of your KNOWING and yet, you do not know you know it.

When it is time ... your *Envelopes shall be opened to Each One. Yet, in these present days, one wonders what it is they may be able to offer to the 'state of play' that is to occur.

WE TELL YOU THIS ...

YOU WARRIORS OF LIGHT HAVE BEEN SENT TO YOUR PLANET TO COMPLETE A MISSION.

Part of this mission involves you being unable to KNOW the roles that you are assigned to play in a literal form. Yet, of course, one knows in a general form that FOR NOW ... GROWING INTO WHO YOU TRULY ARE ... means you are most definitely on track.

YOU CAN FEEL THE CHANGE WITHIN YOU.

YOU WILL FEEL IT MORE AND MORE AS THE INCOMING ENERGIES BLEND WITH THE LIGHTNESS OF YOURSELF.

With that LIGHTNESS ... comes more understanding.

As more understanding awakens another aspect of your Self, and then another, and then another ... more and more of THIS GAME will make sense to you ... and you shall become more confident in your waiting ... in the KNOWING that YOU TRULY ARE READY for whatever it is you came here to complete.

YOU CAME TO CHANGE YOUR WORLD.

YOU!

HOW BRIGHT YOUR TRUE LIGHT MUST BE IN ORDER TO BE CHOSEN TO BE ON YOUR PLANET NOW AT THIS VERY AUSPICIOUS TIME.

DO NOT DOUBT, DEAREST ONES.

KNOW DEEP WITHIN ... THAT ALL IS WELL

HOLD ON TO THAT WHICH YOU FEEL DEEP INSIDE.

When you connect with others that behave, think, and feel just like you ... is there not a knowing that YOU KNOW?

A KNOWING that you are not crazy after all? Even though the discussion with one another may question one's sanity for knowing the TRUTH of much which is taking place behind the scenes?

Oh, Yes Siree, Bobbity Boo Boos! If there weren't so many of our Tribe who feel this way, one would have to indeed, question the reality of what we have discovered! I mean WHO KNEW! I was brought up (begrudgingly) in a convent. If you are good, you go to heaven ... If you are bad, you go to hell. Amen! End of story! Simple as that! HOLY MOLY! That which I have discovered to be playing out in this world, couldn't be any more mind-blowing if

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

it tried. Yet, I have a feeling, that probably it could!

And that feeling is correct, Blossom. This is why we ask that you hold on tightly to your hats. For that which you think you know, regarding what is taking place behind the scenes, goes down a much deeper rabbit hole than you think.

THIS IS WHY YOU ARE BUILDING IN YOUR STRENGTH AND YOUR LIGHT.

THIS IS WHY YOU ARE READY FOR THE REVEALING OF THAT WHICH SHALL TAKE THE GROUND FROM UNDER YOU.

Not literally, I Trust!

No. Not literally, Blossom. Yet, Each Soul on the Planet shall be shaken to the very core.

Yet, when recovered from the outpouring of Truth ... when putting on one's armour and joining FORCES ...

YOU WILL ... WITHOUT QUESTION ... KNOW ...

WHY YOU CAME!

Ok. A quick interlude. I did this channeling on Thursday. On Saturday I received some photos and wanted to talk to The FOL about it. It's similar to what was said above, yet, I didn't realize that, as I was getting the information through and clearly, nor did they!

Me again. I am hoping to put some pictures below of some amazing 'Angel cloud wings' that appeared in Russia. I received them on 'Telegram', yet, cannot find any info about them on the internet. I don't feel they are the Sign, yet, could you comment on them, please?

A Shining Good Morning to you, Blossom. We are happy that you chose to follow through with this added piece of information. Let us be clear this is not the Sign that we speak of. That is to come. Yet, it is from Realms of Higher Vibrational Frequencies and would we say, it is 'Artists at play.'

Clouds are so easy to manipulate into shape, from our regard.

A long while ago we spoke to you of 'things' appearing in the sky that would give you Hope and would be the lead up to something bigger to come. This is the kind of portrayal we were referring to.

There are to be many more 'build ups' to the one Bigger Sign. These will come in the form of Rainbows, Cloud Ships ... Formational Clouds, and such like. As we have always said 'Eyes to the skies', Dearest Ones.

Anything else you want to say about it?

There is nothing more needed to be said, dearest Blossom.

Do these WINGS OF GLORY not speak for themselves?

Indeed. I guess I was just looking for confirmation that they were for real.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

And this you achieved.

Tickety Boo! It is all very intriguing. I mean, really fascinating stuff, chaps. Many thanks. I AM the Love. I AM the Light. I AM the Truth. I AM. In Gratitude. In Loving service. I AM.

Hello there. I am here, willing and apparently, able! Are you feeling the same?

Indeed, Blossom. It is wonderful to be back in conversation with you this day. Being uninspired as you have been, in a sense, is a good thing.

Really? How so?

When the mind falls into a lull, it allows for expression of a different frequency to be explored. It assists one in understanding of the Highs and lows ... the inspirations and the non-inspirations. Never think that to feel this way is a bad thing. It is through all manner of thought and feeling that one comes to recognize that which they Truly are.

I find being uninspired really boring.

Exactly. You experience 'boring' in order to experience full excitement. Allow the duality of your Planetary Vibration to serve, as opposed to disenchant.

Thanks for that. I think when feeling that way, one feels they should be 'Doing more TO serve'.

Blossom, dearest Blossom and all ...

BY BEING ... YOU ... YOU ARE SERVING.

Even when you feel your Light is not shining brightly ... it is!

FOR YOU ARE LIGHT. IT IS YOU. YOU ARE IT.

Yet, we have spoken of the need sometimes, to turn up our dimmer switch, have we not?

Yes. Yet, that does not mean to say that even when a Light in a room is on dim, it does not Light up the room.

We suggest that one removes thoughts of beating the self up for not 'playing their part' well enough, at any one given time. This certainly does not serve. When one is feeling a little low or out of sorts ...

FEEL ... THE VIBRATION OF THE MANTRA.

ALLOW IT TO ENGULF YOU IN ITS LOVE.

BREATHE IT IN AND KNOW THAT IT IS THE LIGHT AND THE LOVE AND THE TRUTH OF WHO YOU ARE ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

AND IT SHALL KEEP YOU SAFE ...

AND IT SHALL KEEP YOU ON TRACK ...

AND IT SHALL KEEP YOU IN A PLACE OF KNOWING AND UNDERSTANDING THAT YOU ARE ... IN FACT ... DOING MORE TO ASSIST YOUR PLANET THAN YOU COULD POSSIBLY IMAGINE.

Just by Being upon it ... your Energy, whether you think it of a High or a low one, on any given day ... is serving The Whole. It is allowing the strength of your Light to permeate through each and every form of life ... to change that which must be relinquished ... that which has had its day ... that which must return to the nothingness from whence it came and NOT present itself again.

All this you are changing just by being on the Planet at this time.

Remember, dearest Ones ... even though at times you wonder why you are here? What is the point? What difference is anything making?

Remember ...

IT IS AN HONOUR TO BE CHOSEN TO RESIDE ON PLANET EARTH AT THE MOST AUSPICIOUS OF ALL TIMES.

HOW BLESSED YOU ARE.

KNOW THAT.

REMEMBER THAT.

YOU WANTED TO COME ... SO STRONG WAS YOUR DESIRE.

Yes. A sort of 'Miss! Please, Miss! Pick me, Miss! Pick me!' type of thing.

Very much so. The enthusiasm to come to your Planet was, as you would say, 'Off the charts'.

And then we arrived! Only to forget! The thing is, I understand you are asking us to remember, yet, we can't. We can only take your word for it.

Yet, Blossom, do you not see? In taking our word for it ... you ARE remembering.

You are remembering by the feeling of knowing that you WILL keep on keeping on, because that Light ... that remembrance deep within you, drives you to do so.

Yes. Yes, it does. We may not understand it all the time. Yet, most of us feel/know we are heading for the greatest change ever ... and even though patience runs thin at times, we still KNOW deep down that this change is coming ... be it our 'soon', or yours.

And as we have informed you many times ... it is wise to enjoy the quiet time now, for when it begins ... everything will be displayed quite differently.

Odd thing to say ... displayed differently ... what do you mean by that?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Nothing that you do not already know. In that ... how your media and those in 'top positions' display what they like you to think is the Truth ... shall be completely turned around. For once those who 'think' they control it all, have fallen ... so shall all that they displayed fall with it.

Dearest Souls ... The Truth is coming out little by little, and to just a few, at these times. Yet, there shall come a time when this changes, in order for momentum to spark and once and for all ... the TRUTH shall be displayed.

The Truth ... THE TRUE TRUTH.

How can you say that? The True Truth?

Because is it not that you have been deceived by what you have been told is the Truth ... for most of your time upon your Planet, this life time?

Well, speaking for myself, I realized many, many, years ago, that we were being lied to. Although, it has only been in the last few years that I have come across some jaw-dropping reveals. Knowing too, that there are more to come.

This is so. Yet, you are ready. You are willing and you are able!

Interesting! I said that at the beginning and now you have. Any significance?

None.

Oh! Fair enough! Thank you. Ok moving on. Many have sent in a photo from Greece of a large 'Pillar of Light' with a lightning bolt through it. I have seen quite a few of these before. People are assuming these are the Pillars of Light that you speak of. Are they?

No, Blossom, they are not. Yes. They are pillars and yes, they are of Light. Yet, not the ones we mentioned to you all those years ago.

I thought not. Although, they look more like the ones you showed to me telepathically ... compared to the beautiful, much thinner ones of all colours, which apparently are caused by ice crystals.

The ones we have spoken of ... the ones we mean ... have not yet presented. They are much thicker and they appear to come from neither sky nor Earth.

They shall simply be there.

They shall be of much width and height and you shall KNOW them ... you shall recognize them by the ENERGY they carry.

You also said they would contain information for each individual. Each one receiving from them what is required by/for each soul. I can't remember what we said as it was so long ago, yet, is this not similar to receiving our envelopes?

Yes. Blossom. It is similar, yet, not the same.

In that ...?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

In that ... the Envelopes shall be received initially.

Do you think you could do a little recap on the envelopes here? There are many newcomers that don't understand what you mean and maybe don't have the time to investigate on my site. Would that be ok?

Indeed. Wherever we can assist, we are most willing.

The Envelopes we speak of, are obviously ... not in material form.

Oh, Good! because the post these days is pretty unreliable. Plus, it would cost you a fortune, and depending on what country you lived in ... one may not get it for months, if at all. Continue.

These Envelopes are entrusted to your soul's keeping.

Inside each one, are instructions. We have used the word 'orders' in the past, yet, we would say that no one is ordering you to do anything. It is your choice to comply as and when the time comes.

These instructions are for the individual ... to be carried out in order to assist The Whole at the time of opening.

And the big question being, of course ... when is that? Please do not even think of saying 'Soon' ... with respect.

We can not give you a particular time and although we say, each one shall have them opened at the same time ... we mean that broadly ... within a certain time span/space ... depending very much on the individual's circumstance AT that time/space.

So, is it to be that they will be opened when a certain thing happens? For example ... The Event?

This is so. Yet, Blossom, there is to be much that is classed as Eventful ... from now on ...

A bit confusing then ... perhaps you could summarize?

These Envelopes are safely sealed within you.

When the appropriate time for them to be opened is upon you ... you shall know ... quite clearly.

The instructions within each 'Envelope', metaphorically speaking ... will be downloaded unto you ... and your BEING shall be quite clear regarding that which it is meant to do.

Each individual's instructions were designed in a manner that will enable them to carry out these 'wishes' with a certainty of Soul KNOWINGNESS.

For it was the Soul's agreement to do so before they came to Earth.

When you say 'wishes' ... what do you mean?

They are the wishes devised by the self, dearest Blossom. The self that knew when preparing for this lifetime ... what their positioning of Soul/circumstance and dwelling would be.

Think upon it if you would, as being given the overall picture and plan ... then being told of certain Events

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

that would be marking history ... and where YOU would need to Be in any of those defining moments.

Then recognize that discussions would have taken place as to how one saw their role upon Planet Earth at that time, and how they chose to assist from their Greatest Desire to do so.

That then taken into account ... one's Envelopes were 'written' and sealed ... in the KNOWING the Soul would keep them safely in Love until it was time for them to come to Light.

Why though ... would it not be suitable to know about the contents beforehand ... sort of in preparation?

Because it would not make sense. It would not only confuse, yet, concern the Soul as to how they would 'make all this happen'. How they could 'possibly do such things' etc.

Yet ...

WHEN IT IS TIME ... EVERYTHING SHALL MAKE SENSE AND FALL INTO PLACE WITHIN THE SELF'S KNOWING AND UNDERSTANDING.

Ok! The hour has flown passed today yet, just one more question. Will the things we decided to do, surprise us? As in, if we were to know now, we would say 'No way am I capable of that', or, will it be instructions that we say 'Ooh! Easy peasy ... Bring it on' ... type of thing.

It will not surprise you at the time ... for much will have changed within you to be capable of such intentions put forth. Another reason why it would not be wise to know now. Yet, we are not saying either, that you would say 'Easy peasy'.

REMEMBER ... YOU ARE ON A MISSION.

THE GREATEST MISSION EVER.

Yet, everything that you will do, have done, and are doing, is in the NAME OF LOVE, LIGHT, AND TRUTH and always, LOVE, LIGHT, AND TRUTH shall travel within you, by your side, and all around you.

WE ARE ONE.

Nice one chaps! Many thanks. In Gratitude. In Loving service. I AM.

No. 25

23 October 2022

Hello, my friends. Where to from here?

May we take this Divine opportunity once again, to welcome Each One to this conversation. For it is not just with you, Blossom.

IT IS A CONVERSATION WITHIN EVERYBODY'S HEARTS.

FOR WE DESIRE TO TOUCH DEEPLY, THE LIGHT WITHIN EVERY SOUL WHO IS UPON YOUR PLANET AT THIS TIME.

Nice intro.

We would care to speak of the 'voicemail' we delivered to you not long ago. We would choose to call it an 'Energy mail' ... for we Trust that it lifted the Vibration pull to a Higher Frequency ... of/within ... Love.

THE LOVE THAT YOU ARE.

THE LOVE THAT FLOWS THROUGH YOUR VEINS.

LOVE. LOVE. LOVE.

Are you beginning to recognize yourselves, Dearest Ones?

Are you FEELING the connection within your Beingness ... that assists you in ... FEELING THE KNOWINGNESS ... of WHO YOU ARE?

Look back to a few years only, as we always suggest ... How much Lighter have you become?

How much have you let go of concerns that would weigh you down?

You KNOW better NOW.

You KNOW that you KNOW.

Your patience has become patient.

YOU UNDERSTAND THE LIFE FORCE WITHIN YOU THAT IS OF THE HIGHEST LOVE VIBRATION.

YOU KNOW HOW TO MANOEUVRE IT AND KEEP IT FLOWING THROUGHOUT YOUR BEING.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

You have let go of trivialities that you once felt were a necessity, yet, now, your GOOD SELF has released the shackles.

For it is you who held the keys all along.

Dearest Divine Souls ... NOW, NOW, NOW do you Feel the intense intention that lies within you?

The intention that was encapsulated within your Soulself when you were born ... unto/into ... the Vibration of the World.

Yes, you do. You Feel it now.

You KNOW your mission. You KNOW that no matter how this ... play/movie/theatrical event ... presents itself to you ... that ...

From deep within your KNOWING you have all the answers to every question.

Yet, we ask that perhaps you consider dropping such queries.

Consider dropping thoughts that bring you down. Questions that have no answers are now ready to lift from your awareness and leave you in sync with your Divine Energy, that desires to be free to complete the task you came to Earth to achieve.

You KNOW now it is time to let go of your focus on that which is of lesser Light.

YOU KNOW NOW THAT THE LIGHT IS IN CONTROL.

All you need do is follow through in your KNOWINGNESS that YOUR LIGHT ... YOUR LOVE YOUR TRUTH ... is the very thing ... that is SAVING YOUR PLANET ... as you came to do!

THERE IS NOTHING ELSE TO DO ... EXCEPT ALLOW THE LIGHT THAT YOU ARE TO SHINE.

Think about that in-depth, Dearest Souls.

ALLOW THE LIGHT THAT YOU ARE TO SHINE ... and ... in /by ... doing so ... you become a HERO.

A HERO.

Did you ever consider yourself such? Not through ego do we suggest this, yet, through the Highest Love of recognition of self.

You ... You warriors who chose to be here ... have raised your KNOWING ... your Vibration ... into a place that serves the LIGHT ... without having to try.

You have lifted your spirit ... into a Higher KNOWING of that which IS.

You need to know nothing other than Peace within your Being and when you TRUST that and rest your Soul within that ... you are assisting the Planet to lift up also. For indeed, has not the Blessed Mother Gaia found herself at times, sinking into the mire?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet, here you all are. Doing what you do ... knowing what you know ... and pulling her out. Taking her into a place where she can allow the beat of her Heart to flow once again, at a rate that is conducive to the Divine Love that SHE is.

YOU ... EACH ONE ... CAME TO SERVE ... and BEING of Service is what you excel in.

WE HONOUR EACH ONE!

Wow! That flowed through thick and fast! Thank you! For if you didn't tell us this, some of us could feel that we are just making all this up ... just using all that we think we know, to make us feel better. Sometimes, one has doubts creep in to suggest otherwise, for so little is shown to us that presents as the good times rolling!

And this, Dearest Blossom ... is why we KEEP repeating the same things. To drum it into you ... as you would say. For we are aware of the operations upon your Planet that one is up against.

We are aware that you are programmed to focus on the bleak and the weak.

Yet ... due to your Divine diligence ... in/of/for/as ... LOVE ... you are seeing through this program. You are breaking through this conditioning ... and when you do this ... when you recognize it for what it is ... you wake up ... you become You!

This is happening to so many now.

You are BREAKING FREE and in doing so ... with each new BREAKTHROUGH ... with each new AWAKENING ... THE LIGHT THAT IS LOVE THAT IS YOU ... AS ONE ... STRENGTHENS.

EVER BRIGHTER ... EVER STRONGER ARE YOU ... AS ONE ... MERGING.

And each time another Soul draws back the curtains and sees the company they are about to keep ... the Light of ONE ... Brightens its beam into yet another Higher Frequency.

ARE YOU BEING ... DO YOU CONSIDER YOURSELF TO BE THE EXAMPLE OF THIS LIGHT?

Are you focusing on your Passions, your Joy, in order to show others the pathway that takes you to The Bridge?

Are you noticing others are becoming attracted to your ways ... your design of Being?

JUST BY BEING YOU ... YOU ARE BEING.

And BEING YOU ... is all that is required.

Again, thank you. I find myself understanding this more and more and realize it doesn't matter, even if I am feeling really low, I am not ruining the Plan. For the depth of TRUSTING MY LIGHT has become so much stronger ... whether or not I am Laughing or crying.

Because ... no matter how you are feeling at any given time ... when you KNOW WHO YOU ARE ... and the mission you came to achieve ... you KNOW that come rain or shine ... the STRENGTH OF YOUR LIGHT has got you covered.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I like that! We wait patiently for phase two to take place ... a worldwide lockdown. Who'd have thought that would be something to look forward to? And yet, it would show that we were moving forward, and hopefully, things would really get underway, as you have said. You see, this is what I mean by wondering if all this is going to happen. I have heard 'supposedly' (with respect) military insiders speak of moving into Phase Two. I feel good about that. At least they are on the same page as you/us. I have said so many times ... now and then it feels so unreal ... all of it ... and yet ... not!

WHAT IS TAKING PLACE IS DOING SO IN ORDER FOR THE GREATEST CHANGE EVER TO OCCUR.

Yes, you have been through wars throughout your history ... much of the darker side has been displayed, and yet, it takes just one daisy to break through the crack of a cemented pathway ... for the Soul to know there is Hope.

I like that too! Yet, it does sound all so unbelievable. So much of what we think is going to take place for the better sounds so ridiculous to so many, so we tend to keep quiet these days until we have some real evidence ... and that seems to be hiding under a bushel. If I was to ask where the BIG SIGN in the sky is ... would you say it is coming 'very soon'?

Yes. Yet, have you not seen evidence of many 'pre warm-ups' to this, taking place?

I think so. Yet again ... these amazing spectacles in the skies could well be 'fake' and although you say we shall tell the difference by the Energy of such displays ... I can't! And I shouldn't need to come to you to ask what is real and what is not each time. I mean, aren't we supposed to be able to do this ourselves now?

Yes ... you are ... and you do.

No! I don't! I'm still as confused about so much.

Yet, if we were not available ... what would you make of 'it all'?

That's a corker of a question ... And the answer is ... I don't know! Because you are and have been available.

Yet, Blossom ... we ask that you consider this.

It is known that WE ARE ONE.

Therefore, every thing, every thought ... ALL THAT IS ... is made accessible to ALL.

ALL THAT 'WE' KNOW ... YOU KNOW.

I accept that concept. Yet, it doesn't feel like that whilst trapped in this body suit within the Earthly Vibration. You have to accept that, right?

No. For the ONENESS is not cut off to those upon Planet Earth. Again ... we would say ... that it is the programming ... the misuse of information ... that weighs heavily upon you, into believing that.

Have you not said it yourself?

We have said that within the density of the Vibrations of your Planet you are not able to access the fulness of KNOWING.

Blossom Goodchild

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Eh? Hello? Mrs confused of Noosa, here!

YOU ARE LIGHT. YOU ARE LOVE. YOU ARE TRUTH ... YOU ARE THE I AM-NESS.

Whilst within the human body suit ... much is withheld ... for it is too expansive to contain in the human brain. Yet, take yourselves out of that and fly home now and then ... and ALL THAT IS ... is available to you.

Fly Home now and then! Fly Home now and then! The queue starts just behind me! Yet, I know what you mean. We ALL KNOW what you mean! Well, it feels right to leave it here for now, and oh so quickly, the hour is up. Thank you for your continual support. In Gratitude. In Loving service. I AM.

The Federation of Light Channellings

30 October 2022

Good morning. Well, if I could give you a noddy badge, I would. I have had so many emails sent to me regarding the World Health Organisation announcing a deadly fungus, that is a follow on from the virus. I Love you. I Love you. I Love you. Could it be something you said has come about at last?

Welcome to you, Blossom. Welcome to the entirety of the community. The Tribe of Light Warriors that has expanded not only in number yet, in ways of the Glorious Spirit Heart.

We smile at your surprise ... a large smile!

Is it surprise? Yes, I suppose it is! With all respect, of course. You have said this will lead to a worldwide lockdown. Fergus the Fungus rides again!

Yes, this we have spoken of. We ask you to remember that this is a guise. Nothing is as it seems. In the coming times, as you recognize more and more that we have spoken of coming into fruition, we ask you to remember ...

THE REASON YOU ARE HERE.

For 'things' are about to get very sticky!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Very sticky?

In the sense, that if one has glue on their fingers, it can be that another finger touches it and that gets stuck, and another and another, and the more one tries to free themselves of it/from it, the more of a pickle they find themselves in!

Who are you referring to ... us or them?

Them. Yet, you know that the quickest way to relieve your Planet of this dark sticky mess is to pour warm water over it. Our dearest Soul, known as White Cloud, always speaks of Water representing Love.

This is when you will be challenged to send Love to those involved in the mess.

Those who have disrespected the Laws of Love. When 'news' of their behaviour is fully disclosed this shall be no easy task.

THEREFORE, COME FROM THE HEART IN A GENERAL HEALING OF ALL.

TO HEAL THE PLANET BY SENDING OUT YOUR LOVE TO ALL.

ESPECIALLY THOSE WHO NEED IT MOST.

You are here to be an example and when it is that many are in shock and disbelief, and disgust ... that is when you speak to them of this Healing through Love. Remember this.

There shall be so much hatred arise from the ones who have been asleep. They need to be shown how to Forgive and to Heal themselves and all that is taking place ... through Love.

Thank you. Back to Fergus, if I may? Anything more you can Enlighten us with, as to how it will all play out?
... Unbeknownst to the reader/listener ... this conversation isn't flowing ... I was excited to begin and now I feel at a standstill. Any thoughts/advice?

Perhaps there is little to be said ... at this point. We can not give you a time frame for when this will take place and we cannot tell you how long the 'stay indoors' policy will last. Yet, we feel it quite certain to say, that it will not be for a long stretch of time. For too much will be 'opened up' and those who need to hide from the exposure shall no longer be able to do so.

So, things will happen in succession very quickly.

One should not be concerned of a long haul, so to speak.

Well, that's good to know. I'll leave that there then. Another thing I wanted to bring up was the Monoliths. In that, I was sent a picture from an 'app' and again, cannot find it online anywhere, of 4 Monoliths in a large lighted room and nothing else at all in there. It was very stark (*1). (see below, or at end of video.) Can you confirm if this was legit and speak more about this, if appropriate to do so?

Yes, Blossom. This is an accurate portrayal. These have been transported to this 'secret place' and left alone as it became very quickly apparent that nothing could be done to 'break inside' of these structures and that any attempts to do so left the 'tryers' very out of sorts.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

In what way?

As we have spoken of, these monuments are designed so meticulously as to prevent any damage coming to them. In 'untechnical' terms we would say that if tampered with they let out a frequency that distorts the physical make-up, as well as the mental make-up, so that the one tampering is unable to continue. It is not permanent damage to that soul, yet, leaves them unable to continue.

This room as you can imagine is heavily guarded and for now, the structures are left in Peace. For the ones who are trying to get to know them better ... know they are at a standstill.

I believe that others around the Globe are placed strategically in certain Energy points ... along ley lines etc. so that when the time comes for them to be activated, they will connect up with each other. What will happen to the ones in this room?

Blossom, these devices are Extremely Powerful. They have intensely complicated circuitry that is far beyond the knowledge that is known on Earth at this time. Even if it were to be, which isn't possible, that they were opened up ... no-one ... not even the top technicians would be able to make head nor tail of them.

They would still be able to connect with the others and yet, this will not be necessary for they shall be placed back in their individual 'power points' in time for 'kick off', would we say.

That would certainly be some kind of secret mission for some seriously high intelligence agency to carry out. I'd offer to help but I don't think they will fit in my boot!

No. This is not the case ... for by the time they are needed to be back in place, they can be transported freely, out in the open to their 'homing ground'.

Meaning that those of/in the Light will be fully, openly, in control?

Indeed.

That feels quite a way down the track to me, yet, nice to know. Thank you. On to the Pillars of Light. Look at us go! There are now photos of pillars of Light 'just hanging there in the sky', in Korea I believe. (*2) These are more like the ones you showed me in my mind, only the ones you portrayed were much wider. Are these we are now seeing the ones you spoke of?

Blossom ... these are, once again, part of the build-up to the Bigger Presentation. They are in preparation in order for more Souls to become accustomed to such phenomenon. To allow one's Being to take it in. So that when it is TIME ... the shock won't be so alarming for those who have remained shut down.

We understand why they are being called 'Pillars of Light' and indeed, they are. They are not of Earthly 'content', yet, there are much bigger and better DeLights to come.

So, are these Lights doing anything, or just there for show?

Oh yes, Blossom, they are doing a great deal. As stunning as they are, they have a purpose.

They have sequences to them. They have frequencies to them and they talk to each other. Many are there that are unable to be seen until their frequency is of a certain pattern and format that 'Lights'

Blossom Goodchild

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

them up.

But what do they do exactly?

They are eliminating impurities. They are 'zapping' for want of a better word, energies in your atmosphere that should not be there. Energies that have been placed there by those of lesser Light. For a long time have these negative energies been infiltrated into the very air you breathe, and now that the Light is in control ... so much is able to be accomplished in ways of clearing and cleansing.

Can you tell me why they are only in a certain place, in certain countries?

Because these 'sessions' have to be completed in a sequence, as we say. There are certain Energy lines that are gridlocked in certain places and they need to be unshackled, broken down, and dispersed before other clearings can take place.

There shall be many more of these sightings. The 'clearings', the unblocking that they are accomplishing are also, one of the reasons that many more exquisite displays of Rainbows etc. can be seen. The negativity that has been disparaged and removed, allows for this to be.

I double-checked on 'disparaged'. It said ... 'of little worth'? I would say those of lesser Light have found it the opposite.

Yet, Blossom ... in terms of THE WHOLE ... in terms of TRUE, PURE, LOVE ... that which does not seek to serve ... of /from ... any nature ... is indeed, of no worth at all.

Fair enough. I will also try and post a picture of, what to me is definitely a Rainbow ship in the skies in Thailand. (*3) Can you confirm?

Indeed. We can. And what Joy was shared by all from those on the ground and those in the vessel.

Vessel?

Is not a vessel something that is used to contain something?

Yes. What was it containing? The Star Trek cast and crew perhaps?

Not quite, Blossom. Yet, we Enjoy your humour. Its contents are that of any 'normal craft of that size', yet, by no means is this what you call a Mothership.

What do YOU call a Mothership?

Home.

Nice. So, what would be inside?

Crystals of large proportion. They are our entire Energy/Source system.

Any little green men?

No.

If I close my eyes, can you show me? Light, so much Light ... Vegetation ... I can't see anyone.

Go up three levels.

Woah! Piccadilly circus! So busy ... yet, so calm and peaceful. I cannot quite make these folk out. They do not look like humans. There seem to be various 'species' ... yet, still unclear to my eye.

Yes. This particular ship carries those who had certain skills and desires to complete the mission assigned to it. Very much like in your world one would recruit the best man/woman for the position.

So, what is their assignment?

To collect vegetation from different Planets. Interbreed them for the Highest possible beneficial outcome for the Good of All. These Beings are what you would call scientists and assistants.

Thing is, in my head, I have just recalled an added extra on the ET movie when one is taken inside the craft (it was a long time ago, so my memory fails) and it was full of vegetation. I could, of course, fall into my old trap of questioning ... is what you are saying coming from this memory, and not you at all?

Of course you could and yet, you do not do that anymore do you, Blossom? For you have moved on from that 'space' of uncertainty, have you not?

Correct. Forget I even mentioned it! It's all very intriguing. Before we finish ... It was pretty obvious to most in the know, that this was a Rainbow-cloaked ship. Was it the choice of the inhabitants to display it this way?

Not only the inhabitants, Blossom, yet, the 'Council of deciders' of such matters, that do not reside on board, also had to give their approval.

There is much involved in Universal Law and protocols must always be adhered to and approved of.

Can you imagine the panic if it was not cloaked in this way? Yet, can you also now see, why to 'deliver' such 'Goody's' ...

Whoa! Immediate tears! Oh, thank you! That Energy struck a chord. Pray continue, now I have pulled myself together.

This was our intention, Blossom. For it is the yearly anniversary at this time, of the 'Soul of your choice' to pass. He Enjoys getting around and about and especially to surprise you in this way.

Tears are always Proof of Truth for me. Hi Goody! Far out Brussel sprout! What's going on here? One minute I'm saying it's time to go and the next I'm falling apart.

Absorb the Love Dearest Blossom.

... .. Am doing. Thank you. You were saying?

We were saying that to deliver such 'Goody's' has to be done at a pace that will allow food for thought for those who had no idea they were hungry.

Gonna go now. Well, what a jam-packed little sandwich this has been. Usually, it takes me an hour to channel

what Joe and I read in around 15 minutes. Today it has taken an hour and 40m. There just seemed to be 'breaks' in communication, yet, I was determined to stick with it ... even though the man next door decided to mow his lawn and the man across the road chose to power wash his drive. 6 November 2022

Hi there, to you out there! So, after my Being being very excited at posting last week's message, I experienced a bit of a shock later that evening, to discover that the picture of the Monoliths presented, was actually an art exhibition in 2010 by a chap who has now popped his clogs! I went into major meltdown shouting obscenities at you. Who are you? What do you want from me? I can't do this anymore etc. and although 11.20 pm I phoned my sister, not knowing how to calm myself. THEN ... as we went through your words you said ... 'It is an accurate portrayal!' Oh, the relief! Everything then fell into place. Just because 'I' assumed it was in the now, doesn't mean it was. You knew ... I didn't! I Trust my apology for my expletives was accepted.

Dearest Blossom, Dearest ALL ... We were not concerned of your expletives, more so of your 'state of Being'. Your Energy was a ball of knots, and we were keen to undo them! You see, Blossom, one must accept that we communicate with you through 'Pathways of Energy' ... and it is through much concentration by both parties, that we make sure we do not cross over pathways as we are connecting.

Yes. I get that and we have all come to appreciate your intelligence when it comes to accurate wording. The fact this happens ... to me /with me ... at all, is quite spectacular. My school reports only shone in sports, arts and music! Anyway, now that is all cleared up, what is today's dialogue to be about?

Today, Blossom, we shall simply go with the flow. Your Energy and ours, chewing the cud, as we believe is a term?

As long as you understand through the pathways, we are humans and not cows!

Indeed, we do. Let us speak of 'Going with the flow'. Let us reassure you that the Energies of 'Goodyness' flowing in are affecting the resonance of your Energies. When you choose to flow within them, they choose to uplift you. You are way beyond kindergarten in these matters, so it is only a reminder.

Thank you. One can noticeably feel the difference in Vibration when we keep on top of our moods and flow with it. Not always easy. Yet, I am finding it so much easier to 'pull myself together' and get back in the game these days.

Because you, all of you that are accepting your role upon your Planet, are KNOWING now ... FEELING now ... YOUR STRENGTH.

YOUR UNLIMITED POWER.

The connection to each other is recognisable through the pathways of Energy, as we spoke of earlier.

Take time ... Give time ... to yourselves, in honour of each other, to navigate those pathways and Energetically say, 'Hello, How are you?' with Souls across the Globe. It will be felt ... and the more that this is practised ... the more one's Strength ... not only within, yet, in numbers ... shall build.

Here, of course, the Mantra must be mentioned.

I AM THE LIGHT. I AM THE LOVE. I AM THE TRUTH. I AM

Say the Mantra and make the connection with your fellow Tribe. You will FEEL your KNOWING of this reality build.

THE UNITING OF SOULS OF/IN THE LIGHT, BRINGING ABOUT THE CHANGE SO RAPIDLY NOW.

Yes, although one can see great attempts by the darkness to keep us at bay, many of us instead, can feel Our Light ... The Light ... moving forward in leaps and bounds. It just came into my mind to go back to the Monoliths thing, to clarify that although the photo was in 2010, are you meaning by 'accurate portrayal' that this is actually taking place somewhere, in the now?

This is so.

The guy who created the exhibition must have been pretty clued up.

Indeed.

Mm. It seems you have no more to say on that.

We spoke last time of the matter ... there is not much more to say ... for now.

Tickety Boo. You know, being the brave warrior that I AM these days ... would you reconsider speaking about Flat Earth versus Round? When inquiring many years ago, you simply said 'It is round for those who think it's round and flat for those who think it's flat' and had no more to say on the matter. A lot of folk ask me to ask you about it. I know you had your reasons, yet, has some years in between made your thoughts on sharing any different?

NO.

Struth, that made me Laugh. A very clear 'NO'.

Blossom, we are aware that there are many topics that Souls would like us to discuss with you. We say to you that there are many topics that simply are 'Off limits' 'Out of bounds.' In that ... Truth regarding all things has a time and place to be presented. In fact, an 'Order of play' is in place.

Your world is not what you have been shown it to be. Not by a long shot. Yet, we are not at liberty to disclose a great deal until the pieces of the puzzle are ready to be slotted into the picture.

Many would say we have the right to know.

And you will ... when it is appropriate. We have spoken of mayhem abounding in future days when even just beginnings of Truth are disclosed. One step at a time, Blossom.

DISCLOSURE OF TRUTH, AS WE SAY, IS METICULOUSLY PLACED FOR A REASON.

Yet, rest assured ... ALL IS IN ORDER.

Thank you. Eh ... hello? Are you still there?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Indeed.

Nothing to talk about? How's the weather in your neck of the woods?

We have no weather.

I was being factitious! Yet, let me tell you about the weather in mine! It is insane! Approaching the end of Spring in Australia and one is putting on Ugg boots at night! Unheard of!

Your weather, as you know of course, is not your weather! It is no longer of natural flow and very much controlled by those who cleverly manipulate your skies, in certain areas, in certain places, for their own agenda. It is obvious to many how 'peculiar' your clouds are etc.

There is so much to be openly displayed, so much.

Well, I get to hear more and more of how most of our history is not actually historical. Most of it made up, again to control and manipulate. It's quite unbelievable, as those who are already waking up to this, are discovering. I mean ... who would have thought? It blows the mind. Truly.

And yet, Blossom, here you are. Millions of you ... living upon your Planet through the very darkest of times ... because you chose to be here for this very reason ...

TO DELIVER THE TRUTH.

TO BE OF TRUTH.

TO STAND FIRM IN YOUR TRUTH.

For again, as we continue to reiterate ...

MANY WILL BE SO LOST. MANY WHO AT THIS POINT HAVE ABSOLUTELY NO IDEA OF WHAT IS TAKING PLACE AND WHAT IS TO COME ...

WILL NEED YOU!

THEY WILL SEARCH YOU OUT AND YOU WILL BE WAITING TO RECEIVE THEM

And then Dearest One's ...

THEY WILL FIND YOU ... BECAUSE YOUR LIGHT WILL BE A BEACON IN THE DARKNES.

There is reason that at times you have felt so despondent, so low, so ready to give up ...

Reason in your Truth seeking.

Reason in your delving into matters that others slated you for.

You that are labelled 'Conspiracy theorists' instead of 'Truth seekers' have been through what you have been through, in order to be ready to receive those who have been walking blindly for their entire lifetime ... this lifetime.

YOU HAVE WEATHERED THE STORM FOR A REASON.

YOU HAVE NOW MOVED INTO POSITION TO BE OF SERVICE IN A WAY THAT FILLS YOUR HEART AND YOUR ENTIRE BEINGNESS.

YOU ARE READY. YOU HAVE BEEN READY FOR A LONG TIME.

I do Love your pep talks. You gee us up. Get our juices flowing. We are ready, yes ... and ... waiting ... and waiting.

Yet, you are already doing what you came to do. You are Shining your Light and that is the first and foremost requirement. You shall keep on doing so because you KNOW that is why you are here.

However ... when the 'shift hits the fan' ...

I have taught you well, Grasshoppers!

We have a good teacher.

Well, thank you. Just keep it clean, that's all I ask.

To continue ... When the Truth explodes, you shall find yourselves reaching levels of understanding OF SELF that 'blow your mind'. As if you have been 'switched on/up' to a recognition of Light that is so new and yet, so familiar.

Do not think for one minute that you have nothing to give.

For we tell you ... ALL THAT YOU ARE ... will be put into use.

Many of you ... will find/are finding ... residential moves are necessary. For you are to be where your Light is needed most. You will be assigned to your posts, so to speak.

Wherever you are, you will ANCHOR YOUR LIGHT more deeply into the core of Mother Gaia. As if she is the 'mother board' so to speak, and your Light charges her Energy to a degree that is necessary for her to Ascend ... when the time is correct.

Imagine Light descending into your Being and continuing through into the roots of the Earth. Charging all that is there with this Light. Feeding it through continually.

You yourself, Each one, as a conduit, shall benefit greatly from this also.

CONCENTRATE ON YOUR REASON FOR BEING HERE.

LIVE YOUR LIFE IN THE KNOWING OF WHY YOU ARE HERE.

HOW JOYOUS THIS WILL MAKE YOU FEEL.

AND THE MORE JOY YOU EXPERIENCE ... THE LIGHTER ... THE BRIGHTER ... your Planet becomes.

WHAT A MISSION.

Blossom Goodchild

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

A Joyous one indeed, when you put it like that.

We do put it like that. That is what you agreed to do.

Knowing too, that when we agreed, it wasn't going to be as easy and as 'Joyous' as the brochure suggested!

Knowing that too, yes Blossom and yet you packed your suitcase ... each one of you. You filled it with all that you would require ... and you booked yourself in.

And here we are. Did you get my postcard? It said 'Wish you were here!!' In Gratitude. In Loving service. I AM.

The Federation of Light Channellings

No. 28

4 December 2022

Well, here I AM, hoping my energies are now conducive to a conversation with you? Are we good to go?

Indeed, Blossom. It is the Pleasure of these communications which brings us to this place, wherein we are able to connect and blend Energies in order to assist and bring Light on a deeper level into one's Being-ness.

Cool. Why is it you sometimes say 'Being-ness' and sometimes 'Being'?

The Being is the 'Self Soul Light' the Being-ness is the 'of it'.

Fair enough. Now then, to business! Many are asking if you could tell us what is going on with the animals and insects, etc. walking around in circles for days on end. Can you assist here, please?

These 'Beings' are following their 'herdal' (?) instincts. Not coming from 'They, Themselves' per se, yet, from a Consciousness that is 'asking them to do so' ... or, would we say, connecting with them to suggest such movement at this time.

But why? What for?

It is comforting to them as they are integrating with the Higher Energies that are coming in. We would say it is keeping them grounded. These Higher Energies are indeed, of such Strength and Light that ... as

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

we are showing you, Blossom, ... walking around prevents them from lifting up in a vortex type Energy.

Indeed, these Energies are so much stronger now than ever before.

These animals, insects and birds are perfectly safe. This is of no detriment to them.

That's good. I think some are suggesting it is to do with 5G?

No. Yet, we would concur with the suggestion that electromagnetic Energy is involved. Everything is speeding up to take your Planet to a position of purpose, whereby it can be ready in stance for that which is to come.

The animals are sensing the changes 'electromagnetically'. They are playing their part. They are also letting you know that the changes are coming ...

You wanted to say 'imminent' instead of 'coming'. Is that correct?

Yes, Blossom ... your doubts intervened.

I can't help it. 'Soon' ... 'Imminent' ... and years flow by. Yet, I know there is a huge time difference between us! I am picking up on something to do with water within all this.

Correct, Blossom. There will be Water underneath these places where the Animal Souls are 'working'.

What about birds flying around?

Still Water is involved within the atmosphere.

The Water is to play a large role in this transformation. It is not coincidence that your Planet and indeed, your bodies, carry so much of it.

Its Power is far more than you realise and it is GREATLY INVOLVED with that which we mentioned regarding Monoliths, Grids, Crystals etc.

In what way?

The Water ... when the time comes, will 'rise'. Not so much in volume yet, in temperature.

I feel you want to say 'to boiling point?'

No. Yet, to bubbling point. The Energy that will stir from deep within this world of Water will rise up and 'reveal' ... as the time for 'The Great Hello' takes place.

The Great Hello! That's a new one. I Love it ... and it feels so right! Good movie title, too! Are you showing me the sea turning red? Surely not? 'Curiouser and curiouser,' said Alice.

Not all. Yet, there shall be signs here and there to suggest such. All to do with Energy and all to do with 'preparational signs'.

Yet, how does this water thing connect with The 'Great Hello' when all the Monoliths, Crystals etc. connect with

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

each other, as you have said? I wish here, I had a more scientific groove!

You do not need one, Blossom.

EVERYTHING IS CONNECTED.

WATER IS THE FOUNDATION ... The solid, yet, liquified foundation of 'Holding your Planet in place.' Its intelligence is of heights of the most advanced computer. There is no denying of such.

Can it feel?

Yes. Yet, on a sensory of 'other's' feelings, which it can then interpret ... as opposed to its 'feeling' being from the Water itself.

When the Energy is ready for the Big Display ... it shall be the Water that gets the signal from ...

From what?

We choose our wording carefully here. This is why we hesitated ... The Sun God.

Meaning?

The Sun is the portal from which the Energy is coming through. The Sun is also 'the only access' directly to Source.

Struth Ruth. That's full on. 'The only access directly to source'. Do not we as humans have that access within us?

Yes.

Then?

We mean this correctly. Yet, difficult to explain.

Give it a try.

The Sun is a portal. By passing through it ... one would experience intensities on levels beyond known understanding. 'Visiting Higher Realms/Dimensions/Experiences that are out of your understandings.

Can this happen? Does this happen?

Oh yes, Blossom. Yet, not on a level of Frequency that is of your normal everyday understanding.

The ships that are able to travel within it are also of the Highest Vibrational Frequency of Light. It is this Light Frequency that is 'of' the ships, that allows it to manoeuvre through the many levels.

Who is in the ships? Where do they go? Is there a bus route? Is it coming down my street??

You make Light, Blossom, yet, in a sense, there are routes and 'stop-offs.' We would not call them Planets ... more so 'Frequency spaces'. They are of such Love and Light and one must be of a certain calibre in order to visit.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Who visits?

You would call them 'Light Beings.'

What would you call them?

Light.

Let me recap on this. So ... Light (Beings) travel in ships entering from/into our Sun and have 'Stop off spaces' along the way, that lead to Source?

Yes.

What were these Light Beings doing hovering around our Sun in the first place?

We did not say they were, Blossom. We were merely saying that the Sun is their entry and exit point. They are seeking ways to Enlighten without interference. They play many roles of assistance ... for your Planet is of such importance. They collect data that will assist in this greatest experiment of all, so that it may run as smoothly as possible ... when the time comes.

Do all ships enter through the Sun?

No. Not by any means. Only those of a certain Frequency can do so. Others are within a Vibrational Frequency that is merged within that of your Planet yet, of a level that is 'unseen'.

Many ships too, are located within mountains and oceans. So much, Dearest Ones ... so much to be revealed. Worlds within Worlds.

I feel we should go back to the animals, if we may?

They are Anchoring Energy by doing so. When we say that everything is connected ... it shall become more and more apparent. In a sense ... everything is now 'talking to each other' via their own means of communication.

IT WOULD BE MOST BENEFICIAL FOR YOU IN YOUR HUMAN FORM TO DO THE SAME.

DO NOT UNDERESTIMATE YOUR POWERS.

REMEMBER ...

YOU ARE HERE ...

YOU CAME HERE TO ASSIST IN THE GREATEST TRANSFORMATION.

YOU DID NOT COME EMPTY-HANDED.

The Federation of Light Channellings

No. 29

11 December 2022

Once again, here we are. Sharing the Love, as more and more all over the world are recognising that this is why we are here. Hello!

Dearest Blossom ... Dearest Souls of Truth ... what a Joy to be in your company once again, indeed.

We are engaged in conversation with you this day and we offer great affection to Each One who has understood their reasoning and purpose in supplying Love to your Planet ... through the Light of themselves.

Supplying Love? Never thought of it like that.

Then we feel it advisable that you do.

YOU ARE SUCH WONDEROUS BEINGS OF LIGHT - LOVE.

Far greater than you imagine. Yet, as we say ... you are opening up to the understanding of the POWER HOUSES that you are. Even if you are unable at this time to utilize ALL of that POWER.

Why is that?

Because it is not yet time.

However, ... the acceptance of this as a Truth does enable the freeing up of more of self, to a capacity that one's Energy is able to work with.

As we have said ... the Energies of such HIGH LOVE - LIGHT POWER continue to flow forth into your Beings and your Planet. Your bodies have to take time to come into balance with these Energies in order for you to utilize your gifts.

We have mentioned to concentrate on the positive side of all that is. We would put it that these Energies coming in and blending with your own are 'listening' to your Thoughts, your Attitude, your Kindness, your Understanding. They amp up that which is of 'GOODLINESS' which is able to be physically felt in the Heart and the mind.

These Energies, once blended ... pour out from you continually ... HEALING AND UPLIFTING THE WORLD.

THE GREATEST PART OF THIS ... THE PART THAT MAKES ALL THE DIFFERENCE ... IS FOR YOU TO KNOW THAT THIS IS TRUTH.

Let go of unworthiness and doubts. We say with Love and respect that to feel this way ... this 'I am not

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

good enough' ... is an insult to the I AM ... THAT YOU ARE.

PRAISE AND HONOUR THE I AM ... THAT YOU ARE.

HOW CAN YOU BE ANYTHING ELSE?

And to KNOW this ... automatically raises the self's Vibration dramatically ... thereby, raising the Vibration of The Whole.

Thank you. Your chat last week about the water and the Sun source ... brought much intrigue. Someone suggested we do a worldwide 'Feet in the water' ceremony. I think it is worth looking into. What say you?

We say water ver for?

Are you serious? That has cracked me up ... I felt your humour yet, really needed to concentrate to bring it through! Love it ...

We do indeed jest! 'We' are very much amused at our capabilities of humour, very much influenced by you, Blossom.

I am so impressed!

Of course, this would be a spectacular 'movement'. If it is to come about that it is a sharing on a particular day and time, then it shall have great impact. Yet, remember too, that as a collective consciousness, Each One may do this at any given time and when doing so, by connecting with the Oneness of all ... the impact shall be greatly received.

I will look into it next year.

Next year shall present itself quite differently from this year.

Of course, I have to ask 'In what way?'

'UnGodly' acts will be brought to the attention of those who have blindly walked through life. They shall be received with much anger, frustration and utter disbelief.

This shall create a great deal of turmoil within the Energy of the Planet. Souls will not know who to turn to ... who to Trust.

THIS, DEAREST ONES, AS WE HAVE SAID BEFORE ... IS WHERE YOU COME INTO YOUR OWN.

TEACHING ... NOT PREACHING.

Let us be quite clear about that.

Each one of you that has reached a place of understanding within themselves will KNOW how to conduct the proceedings that they are presented with.

ALL THE WHILE ... REPEATING THE MANTRA. THIS IS OF SUCH BENEFIT.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I AM THE LIGHT.

I AM THE LOVE

I AM THE TRUTH.

I AM.

Would you advise we offer this mantra to those who are so lost? Some would not yet be in a space to receive it ... or its meaning ... or its workings.

For each soul who comes across those who are confused and angry, one must tune into and 'read' the space.

BE THE EXAMPLE OF JOY AND KNOWING ... THAT ONCE THROUGH TO THE OTHER SIDE OF ALL THE GREAT UNREST ... THERE IS SO MUCH TO LOOK FORWARD TO.

TEACH OTHERS HOW TO BE AN EXAMPLE.

What would you say is the best way to go about this? For many who are to be the teachers ... and many who are the students ... cannot just go 'Oh, ok ... I'll be a shining Light then!'. Not when they will be feeling so angry and unforgiving inside.

Your words will flow through you from Source. You will be guided because your intention is of Love.

A little word of caution ... There is a saying we believe in your world of 'Practice what you preach.'

THESE WORDS CAN ONLY FLOW THROUGH LOVE ... NOT THROUGH EGO.

No one on this Planet is more or less worthy than another. If you happened to have walked your pathway a little further down the 'understanding of self road' before another ... then you are Blessed. It does not make you 'above' another in any sense of the word.

What you are here to do is to guide those who find you ... and they will ... through the bumps and obstacles. This you do through kindness and gentle encouragement ... not through force of removal of these obstacles.

KINDNESS AND UNDERSTANDING IS ONE OF YOUR GREATEST GIFTS.

To Be Abundantly Kind, Abundantly Understanding, Abundantly anything, that is of/from/through/as Love and Light ... is the flame that others may feel the warmth from. The Feeling that they are safe ... The Feeling that they can Trust.

It will be that TRUST for many, is lost. The disappointment in humanity will serve such a blow.

AND THIS IS WHERE YOU OF SUCH STRENGTH AND LIGHT WILL SHINE OUT YOUR TRUTH ... SO THAT THEY CAN FEEL AND ACCEPT THE WAY BEING SHOWN ... TO THE FOOT OF THE BRIDGE.

THIS TRIBE OF LOVEHEARTS.

Oh! I like that!

THIS TRIBE OF LOVEHEARTS SHALL GLOW IN THE DARK!

It shall grow and gather more souls to its KNOWING OF TRUTH and the STRENGTH and GLORY and PEACE that exudes from this TRIBE shall become renowned.

More and more shall awaken to this TRUTH.

So, we suggest that you do not bring cause of concern to your Beings in the KNOWING of that which lies ahead.

Instead ... keep honouring your Strength and the fact that YOU were chosen to be here. Because YOU are the Strongest of the Strong ... and YOU can assist in this most worthy cause.

When you come across information that is coming out regarding the darkness and its exploits ... immediately counteract it with a boost of LOVE and LIGHT and JOY to YOUR BEING and to THE ENTIRE ENERGY OF THE WORLD

THIS YOU KNOW YOU CAN DO.

THIS YOU WILL DO.

THE POWER WITHIN YOU OVERRIDES ALL DARKNESS.

LET THE DARKNESS KNOW YOU MEAN BUSINESS ... BY PAYING IT NO ATTENTION AT ALL.

DARKNESS CRUMBLES AT THE SOUND OF LAUGHTER.

DARKNESS CRUMBLES WHEN ANY FORCE OF GOODNESS IS PRESENTED.

For it knows ... THE LIGHT AND LOVE OF TRUTH HAS ALL POWER OVER IT ... and that is that!

Jolly dee! Anything else?

Absolutely!

BE EXCITED FOR ALL THAT IS TO COME. LET GO OF THE NARRATIVE OF FEAR AND WELCOME IN THE FEELING OF KNOWING THAT ... IT IS ALL HAPPENING!

THAT WHICH YOU CAME HERE TO CHANGE ... IS CHANGING.

HOW CAN THAT NOT BE EXCITING?

That which is presented on the outside by many who are in control and choose to manipulate ... is NOT what is really taking place.

Travel within and find your Heart speaking to you. Listen to its advice. So simple. So easy.

BE OF LOVE ALL WAYS.

BE OF LIGHT ALL WAYS.

BE OF TRUTH ALL WAYS.

BE.

And in BEING ... YOU FEEL WHO YOU ARE ...

AND WHO YOU ARE IS LOVE.

Fear as you know is FALSE EVIDENCE APPEARING REAL.

Really? Dearest Souls. Are you to let fear run/ruin the days that could be SO FULL of Happiness?

Are you not wiser than that?

WE KNOW THAT YOU ARE AND OUR DEEPEST DESIRE IS THAT YOU COME TO KNOW THAT TOO.

Indeedy. We are working on it! Many thanks. In Gratitude. In Loving service. I AM.
