The Federation of Light Channellings

No. 1

11 January 2025

Well, hello! Here we are in the new year, looking forward to some extreme changes for the better.

Welcome to you Blossom and Each one, whose Soul's longing finds its way to these communications. We are excited to be with you once again, Blossom, after this short break.

Firstly, may we remind you that your Strength and Power that resides within, shall become more and more apparent as your 'time' passes.

With each encounter you undergo, be it that it feels wonderful or not so ...

Know ...

THAT YOU ARE HERE TO ACCOMPLISH THE MOST MAGNIFICENT FEAT.

Whatever comes your way ...

accept IN LOVE ...

process THROUGH LOVE ...

and allow your Being to EXUDE LOVE ... in every given situation.

When you remember to do this ... life will offer you so much Love in return.

As you allow yourselves to be filled with the LOVE that you know yourselves to be ... you will find yourselves experiencing life at a different level. Things will appear the same and yet, they will seem different and you will Know what we mean as you experience this.

On a global level, many, many changes are to take place ... and although they may not make immediate sense ... KNOW ... that The Plan that is underway, will prove that what is taking place, is without question, for THE HIGHEST GOOD OF ALL.

Thank you for that opener! It certainly feels as if this year is going to bring about many changes. We all desire with our hearts, that this will be the case.

Blossom, and All, have you not lived through many changes already?

Yes, yet, I can't say they felt that they were for the Highest Good of All. Not at all.

And yet, all that has taken place in the last few years, has led you to be where you are now. Within yourself and the situation that is upon your Planet at this time

How exactly would you describe this situation?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

One that requires diligence and TRUST. It is not new to you that much has been taking place behind the scenes, and within the coming months much of this will be brought to Light.

The situation is reaching a peak.

As the darkness is revealed for what it TRULY is ... The Light also shall do the same.

Within all that is to be exposed ... little by little ... those who have been asleep will awaken and Each One of you shall be in position ready and waiting to assist.

However, there is the possibility of a great divide.

We have seen this already, haven't we?

Indeed, and yet, this shall be of a different nature.

How so?

There shall be those who refuse to believe what is before their very eyes. They will find themselves unable to absorb the information, for it shall be so far removed from any thinking possibilities they may have had.

So, are you saying it shall be similar to those who had very different opinions regarding what was good for our well-being in the last few years?

Yes. Yet, it is 'hoped' that many will come to understand the reality of what has been taking place.

No matter what happens ... you are not responsible for another's choices. Keep this in the forefront of your mind.

Be there for those who require your help. There will be those who oppose your knowledge of Truth and that is their choice.

You can only offer Love and understanding ... how another chooses to accept that from you, is up to them.

The thing is, at the moment, the world seems so mad ... I don't know if anyone really knows what is going on.

Yet, it will become clearer and it will make sense as the pieces of the jigsaw 'slot' into place.

All you need do is KNOW that your Planet is 'On the move'. It is heading in the direction of upliftment and LIGHT and the darkness is LEAVING.

KNOW THIS. KNOW THIS. KNOW THIS.

No matter how it may seem, with its twists and turns ... and as those in Power know not which way to turn ... YOU ... THE LIGHT THAT YOU ARE ... shall assist in keeping the Vibration High whilst all is taking place.

You may feel a little helpless in the big scheme of things ... and yet ... within the big scheme of things ... it is YOU that is playing such an important part.

It is YOU ... as you remain in your POWER, that makes the difference to the Energies that need to remain

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

at a certain frequency.

Within all the stirring up as the changes take place ... YOU ... with your Shining Light ... never waning ... can serve so well by sending out your Light Love from the deepest awareness of your TRUTH. In the KNOWING that by doing so you are keeping not only spirits High ... yet, at the same time ... raising Energies to a degree that shape and form the dynamics of things to come.

All this ... Dearest ones ... shall you do ... by remaining in your KNOWING AND TRUTH OF WHY YOU ARE HERE ... NOW.

It could be so easy to feel tired and 'useless'. Yet, when you recognise that the feeling of such is merely programming ... it can give you a Boost to overcome such derogatory sentiments.

YOU ARE MORE POWERFUL THAN YOU CAN IMAGINE!

TRUST IN THAT!

You are finding your Tribes. All around your Planet, Souls are coming together and recognizing each other.

THE POWER THAT THIS CREATES IS PALPABLE TO EVERY LIVING THING.

As this POWER increases, so too, the Energy felt by Each One will allow Encouragement and Enthusiasm to take its place within you.

Your weariness shall leave, as results of your labours present happenings that shall bring such Joy to the Soulself.

So many times, in days to come, shall you feel within your Hearts a Knowing of 'THIS IS IT. THIS IS WHY WE CAME. IT IS HAPPENING. I CAN FEEL IT.'

All this sounds very promising I have to say. Certainly, something to look forward to throughout the madness.

The madness shall continue for quite a while to come ... jaw-dropping madness. Yet, you understand that all is to be well, therefore, such insanities shall be accepted by you as the necessities of the 'Game Plan'.

There shall be much confusion as to who are the Good Guys and who are not. This actually is nothing new.

Yet ... KNOW ... when it is time ... the confusion shall be removed and clarity of the walk to be walked shall be made apparent.

Well, we can only wake up each morning, with the intention of doing our best for the GREATER GOOD OF ALL ... have some brekky and boldly go where no man has gone before with powerful aplomb ... KNOWING we are succeeding in our mission here on Earth. With the mantra, of course, guiding us as we go.

Indeed, Blossom.

THE MANTRA IS A GIFT TO EACH ONE.

A GIFT OF GREAT ASSISTANCE TO THE SOUL.

I AM THE LIGHT.

I AM THE LOVE.
I AM THE TRUTH.
I AM.

Thank you chaps! Tickety boo. In Gratitude. In Loving service. I AM.

The Federation of Light Channellings

No. 2

18 January 2025

Good morning, Light people! Can you start today? There are things people want me to ask you, yet, I instinctively know they are questions you do not think appropriate to answer. So, I'll leave it to you, if I may?

Welcome, Blossom. Welcome, Each One. Welcome to this conversation that shall simply flow as we connect telepathically to bring forth words in a message that we Trust will assist.

We are aware of Souls wanting answers. However, as you know, we continue on our mission in ways of the desire to uplift and encourage your Being to find its Strength and the will to carry on.

That is odd for you to say ... 'The will to carry on' ... yet, very apt. For there are many giving up hope and enthusiasm wanes. They say it is your messages that indeed, make all the difference. So, we as ONE, thank you for that.

It is not a duty in which we follow. It is through Love that we choose to communicate. The task that is undertaken by those of you who volunteered, is enormous. Yet, through it all ...

YOU HAVE SUCCEEDED.

THE BEST IS YET TO COME ... TRUST IN THAT.

We have to, really. Many are feeling this year is to bring great changes, as you have said.

This is so. That which is to rock your world in this new year shall open eyes and ears to millions. It cannot not. There is so much in store that will create Joy and Hope.

Yet, you have said much turmoil.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Indeed. Yet, the turmoil shall derive from TRUTH.

Many think they are aware of which we speak ... and to a certain degree this is so. Yet, there shall be TRUTHS told, that as yet, are not in the awareness of the human form, that shall be offered in order to blend with the changes that are necessary to complete the plan.

Obviously, you cannot tell us such things,

Correct.

One wonders what they could be. I have heard so many things now, that would initially send those asleep into absolute disbelief and confusion. Yet, for those of us awake, it would merely be an 'Oh, so that is True'. So many, many, lies. I think that is what is going to blow people's minds the most.

To a degree and yet, in order for the GREAT change to occur, that which is to be revealed is more than the lies.

With respect, if you cannot tell us, there is little point in continuing down this pathway. I try to remind myself regarding the madness and atrocities, that I am in a Game, which helps me to somehow 'let go'. For me ... the Game is played by keeping up a High Vibe, as best one can, in order to move up to the next level ... no matter what is trying to 'beat me in the Game.'. To know the tricks of the trade ... such as Gratitude, Giving and Receiving ... Kindness ... Laughter ... Love for each other etc.

This is so, Blossom, and you play it well. These points are master keys. However, in days to come, the Game takes on Higher levels of understanding the 'play'.

What do you mean?

As the Energies of the Planet increase in Light ... and darkness fades away ... or in many cases ... is driven out ... there are new rules ... if we may put it that way ... yet, the word 'rules' is not quite apt.

What is?

New suggestions. Yet again, you will not become aware of this until it is time to become aware. For new suggestions cannot come into play now, for it is not suitable for this to take place and would not be understood.

We desire for you to be excited about what is to come ... and remain in the knowledge of that excitement.

Could I go back a bit? You say the darkness fades away, or in many cases, driven out. How is that to take place? The darkness is, and has been a very powerful force here on Earth. How exactly is it to be done?

Blossom ... to achieve this did not involve a few people wanting to do something about it. It involves the most intricate Plan, that has been top, top, top secret for many years.

The Highest authorities of THE LIGHT are involved and have been collaborating with not just High authorities upon your Planet, yet, other levels of High intelligence not of Earth, are also a major part of this Plan.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THIS PLAN THAT IS BEING EXECUTED AS WE SPEAK. IT HAS BEEN UNDERWAY FOR LONGER THAN SOULS REALIZE.

I guess this is how you are able to say 'The Light has won?'

Indeed.

From what I know ... and I don't profess to know as much as many ... to drive out the forces from 'underground' shall we say ... will, when in its final throws, create such upheaval. The energies as they leave, I presume, will do so under great duress and will cause all sorts of havoc until the bitter end. Is this what you mean by the turmoil?

Let us perhaps say, Blossom ... that the turmoil to come is like a thick soup. Many, many ingredients blended together in one huge pot!

I think we are all looking forward to it happening. We just want to get on with it.

Yet, it is happening. It has not yet reached its crescendo. We ask, that you continue on as you are doing. Creating Love, Laughter, Joy and Abundance. We ask that you continue to do this throughout. That shall turn out to be one of the most difficult tasks of all, when the time comes.

And yet, you have said in the past ... there will be so much that will bring us Joy and upliftment even through the really tough times.

This is so. Yet, even so, the task often shall be to rise above that which is proven to be Truth, that shall bring you to your knees.

Such a mixture of thoughts here.

Dearest Blossom and all.

YOU ARE PREPARED.

YOU ARE READY.

YOU HAVE BEEN READY FOR A LONG TIME.

YOU WERE READY BEFORE YOU CAME.

I know. It is just that what lies ahead is such a great unknown.

Yet, you shall navigate your way through it within each moment.

YOU KNOW that you CAN and WILL serve to the Highest of your ability, no matter how confused and sometimes distressed you may feel.

And yet, the changes are all for the good, right?

Oh, indeed. Such wonderful changes to come. Yet, we are preparing you for 'the bits in between'.

I get you. Well, as I always say, we shall just have to wait and see

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

The wait is not long. In a sense, as we say ... it is already underway.

Ok ... I'm just going to ask. This second phase ... the next lockdown ... can it be avoided?

NO.

That was a definite 'No'.

It is part of the Plan.

Yet, I am confused as to who is to initiate this lockdown. Surely, the good guys, if that is how we need to be kept safe when Truths do come out?

If we were to say ... Both are involved ...

Yep, that would confuse more.

Yet, this is why it is the most Highly intelligent Plan. It required 'Off world' intelligence to initiate it, and then involve those upon Earth to conduct it. Of course, you are aware that those involved at Higher levels on Earth were very aware of their role before they come. Much as all of you that read this. Your Soul's feel your involvement.

The more you are connecting up with your Tribes ... which is ONE TRIBE ... the more your Soul FEELS and confirms it cannot, and does not want to walk away. The drive to bring about Freedom and Love into a place that has been sucked under into the very opposite ... is so apparent within you now.

Your Soul's Truth is emerging from the density that it has been swamped within.

The Light is so bright now, it is like a magnet ... pulling the LOVE that you are out of the quagmire and connecting with the most POWERFUL Energies that in turn, connect codes together ... that create a new code to trigger the next part of the Plan.

SO INTRICATE. SO HIGHLY INVOLVED. SO HIGHLY EVOLVED.

May we suggest that you allow TRUST to fill your Hearts?

You KNOW who you are.

You KNOW the Plan is well underway and ...

YOU KNOW THE LIGHT HAS WON.

Isn't that all you need to know?

So, TRUST in that KNOWING.

TRUST, TRUST, TRUST ... IN THAT KNOWING.

No matter what is presented ... TRUST IN THAT KNOWING.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

In that way ... there is absolutely nothing to fear.

I need to go back just a little, once again, if I may. People write in expressing concern of traveling away from home in case Phase Two suddenly happens and lockdown occurs and they cannot get home. Should one carry on as normal? We cannot live our life in fear of this and not do that which our heart desires to do.

We understand this concern, Blossom. Phase Two shall be conducted differently from that of the lockdown in Phase One. For is it not so that many would not conform after the debacle from previous years?

This, of course, has been taken into consideration and all regard has been met in order to make sure the safety of all.

This takes precedence in Phase two ...

THE SAFETY OF ALL.

Thanks, yet, doesn't really answer the question. Yet, I guess, on the premise that we shall be exactly where we are meant to be at any given time ... it doesn't really matter. And ... personally, I am still such a skeptic about another lockdown. We shall wait and see.

That is all one can do ... And act accordingly Blossom.

Oh, I'm sure we will. In Gratitude. In Loving Service. I AM.

The Federation of Light Channellings

No. 3

25 January 2025

Hello to you, from me here on Planet Earth. I would like you to clear up a matter that I feel necessary to address. There are two people in particular, who have many followers and have been on the scene for a few years now. (I choose not to mention names) They say that YOU ... THE FEDERATION OF LIGHT ... are of the dark, or a psyop ... and that it is THE FEDERATION OF WORLDS that are the Truth, nothing else. Folk write to me regarding this, as the lady has had many predictions come about and they feel her to be of Truth. Yet, I was made aware that this is not 'necessarily' the case. I am fully in my Truth with you and have no doubts at all. What say you?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Firstly, we welcome Each One and of course, your inquiring self, to this conversation, Blossom.

Indeed, as you are aware, it is not our style to discuss other channellings, be they in tune with what we say or otherwise. For, it is for each individual to feel their own Truth regarding any messages that are brought through from outside of your Planet Earth.

So, let it be known, we do not have this conversation in order to defend ourselves, for that is not necessary. There is nothing to defend. We are who we are ... The Federation Of Light. In a sense we could say 'End of story', yet, for purposes to assist we shall say a little more.

For those who are confused by that which is told regarding who we are, who we are working ... for/with etc ... we ask that you listen to your Heart. We ask that you FEEL within the core of your Being whether or not our messages resonate with you. Do they assist you in/through/as/of Love, or, do they bring you down and move you into fear? Do we, as your friends, encourage you ... assist in remembering your purpose and who you are ... or do we do the opposite?

When we have the opportunity to speak through you, Blossom, are our eyes, through you, filled with Love or darkness? When Souls listen to you speak YOUR TRUTH, Blossom, does one feel uplifted or downcast? If you ask yourselves all these things you will find your answer.

Absolutely. Yet, to follow through a little more. There are many things you have said that have not come about and therefore, 'apparently' I am being used by the dark to confuse and keep folk hanging on to something that will never happen. Again, this is for other's benefit, not mine. Not needed.

To that, we would ask again that you listen to your Heart. All that we have spoken of is not set in 'your calendars'. It cannot be this way. That which IS and WILL take place is on a scale far greater than Earthly timings.

The point we would care to make is the importance of Each One fulfilling their Hearts, their Soul's desire, to accomplish what they are upon Earth to do.

Perhaps, too many messages from too many off worlders, lead to confusion and displacement of one's OWN TRUTH and KNOWLEDGE.

One's OWN TRUTH and KNOWLEDGE comes from ... and lies within ... Each One.

At the end of the day, whatever is to happen ... will. There is no stopping that.

Meanwhile, as we always say ...

YOUR MISSION HERE, IF YOU FEEL DEEP WITHIN THAT YOU HAVE ONE, IS TO FIND HAPPINESS WITHIN A WORLD THAT HAS BEEN DETERMINED TO BLOCK HAPPINESS FROM YOU.

THE DARK CANNOT THRIVE ON LIGHT AND JOY AND LAUGHTER.

THESE ATTRIBUTES WHICH SERVE YOU SOULS OF SUCH LIGHT, ARE THE ENEMY OF THE DARKNESS.

Hence, the determination to prevent all things of this nature from Shining in Truth.

Yet, Dearest Souls ... ALL THIS IS CHANGING.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THE LIGHT HAS WON.

The darkness is failing. The Power of those who had chosen not to serve the Light, that was once so strong and obvious, is so quickly now weakening.

May we state in Love ... we do not have a problem with Souls not believing in what we say about certain matters coming about.

WE KNOW OUR TRUTH.

It is for Each One to discover theirs.

It is interesting because ... obviously, many find the messages that these two particular people speak of to be of Truth and I don't. It's possible the things that have come about that they have spoken of, have been set up to make them appear of Truth.

Yet, Blossom ... at the end of the day ... IT DOESN'T MATTER!

Delve deeper, please.

Allow Souls to make up their own minds about EVERYTHING. If it serves them ... then that is their Truth.

THESE THINGS ARE JUST NOT IMPORTANT.

In a way, I get that.

It matters not if we are known as The Federation Of Light or The Federation of Bananas!

Classic! That's it! From now on you are not the FOL, you are the FOB!

Yet, you understand the point we are making?

It is what we have to offer you in ways of assisting you.

WE DESIRE THAT YOU RECALL YOUR TRUE SELF ... IN ORDER FOR YOU TO WALK 'BACK INTO' THE POWER OF LIGHT THAT YOU ARE.

YOUR VERY ESSENCE IS LIGHT.

BRIGHT ... POWERFUL ... LOVING ... LIGHT!

You are not a 'mere' human.

YOU ARE LIGHT ... EXPRESSING ITSELF INSIDE HUMAN FORM ... IN A WORLD THAT IS TRYING TO PUT THAT LIGHT OUT!

THAT IS WHAT IS IMPORTANT.

Not whether Monoliths or Crystals spark off at a given time.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Not whether Pillars of Light float across the sky giving information to each individual.

Not whether an Event of such enormity is going to take place.

Not if there is going to be a lockdown going into Phase Two.

THESE ARE NOT IMPORTANT.

Struth Ruth! Are they not?

What is important is you ... KNOWING THE POWER OF WHO YOU TRULY ARE!

When you understand that ... you will KNOW that ANYTHING that is to take place ... ANYTHING ... will be able to be 'handled' by you in Love ... not fear.

For when you understand this TRUTH that is unfolding within you ... you too, will realize ... THAT THE NEED TO KNOW IS NOT IMPORTANT.

THE NEED TO BE LIGHT ...

THE NEED TO KNOW LIGHT ...

IS THE MOST IMPORTANT THING OF ALL.

I feel you want to say 'The rest is insignificant' ... surely not!

In the big scheme of things ... it is.

How can 'The Event' that has been spoken about by all religions (whatever it is) be insignificant?

Put into perspective of Each One upon Planet Earth remembering who they are ... it is.

Because THAT ... would be that!

That's funny. You are going to leave us with that ... after the conversation we have just had. That is your way.

It is ... and for those who KNOW US AS TRUTH ... that would be that ... and for those who don't ... it wouldn't be.

Riddle Me Ree! Some say too, that you talking in riddles is also a sign of you being of the dark.

What say you, Blossom?

I say ... it's not important! Much appreciated. In Gratitude. In Loving Service. I AM.

The Federation of Light Channellings

No. 4

15 February 2025

Morning Chaps. It seems I was not the only one to be completely zonked out by the incoming Energies last week. Are you able to offer any info on this, please?

Good morning to you, Blossom and Each One who finds themselves happily visiting these conversations. We Welcome you and we have Good news.

Really? I didn't expect you to say that! By all means ... Fire away. Thank you.

In past days it has seemed that there was no end in sight. The Divine Plan gave the appearance of a continual carrot dangling in front of the donkey, as your expression goes. Well, we are now able to reveal that the end of these dark days DEFINITELY is in sight.

WOW. That's great to hear. Although, let's not bring the word 'Soon' into this. I am sure you understand why.

We do, Blossom, as we smile.

So, what exactly does this mean for us and the Planet as a whole?

IT MEANS A WHOLE NEW BALL GAME!

Oh, please say it's Pickle Ball! Please say it's Pickle Ball!

Blossom, what we can say is that the Pleasure and Excitement you receive from Pickle Ball will have the same effect from this that is to come.

Yes, undoubtedly, as we have always said, there is to be confusion and turmoil, yet, throughout it all ... when one KNOWS that the end is in sight ... they can FEEL THE CHANGE IN THE ENERGIES ... which in turn ... will allow one the wherewithal to see the mission through.

THAT WHICH IS COMING INTO FRUITION ... THAT WHICH IS TO BE DISPLAYED ... THAT WHICH IS TO PROVE BEYOND A SHADOW OF A DOUBT THAT THE GAME IS OVER ... WILL CAUSE A GRAND SURGE OF CELEBRATORY ENERGIES.

Whilst we do not wish to dampen this thought ... we must also say, that this will not be felt by all. For those who have chosen to remain asleep throughout these long years of darkness, will find themselves in mental states of great confusion. Not knowing which way to turn. And as you know, this is where YOU come in. Each One offering Solace and Understanding.

These celebratory Energies ... how will they feel?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

They will bring you into a state of Joy that you have not yet felt ... until they arrive. For they have not been able to enter in before now, due to the negativity and blockages put in place.

So, how does all this work with the Energies coming in? Why/how ... do these incoming Energies knock us out? It can't be 'Banana Fred's job' to press a button that opens the lid to let them flow into our Planet. How DO Higher Energies actually enter in?

These are good questions, Blossom. These Energies are of a Higher Frequency than those present within your Planet at the time. They are brought in via LIGHT ENERGY ... and they 'merge and blend' with Energies already present. Due to their unique qualities, they override the denser lower frequency energy and therefore, uplift The Whole to a Higher level.

Yet ... WHO/WHAT ... **sends** that Higher Light Frequency? It surely can't just wander in of its own accord.

It is programmed to do so at appropriate times.

By who/what?

Those that are part of the Plan.

Those that are involved at a much Higher level of the control of this Plan.

Obviously Higher Dimensional Beings?

Indeed.

So, does the Higher Frequency Energy come from where 'they' are and 'they' send it through?

No, Blossom. THE BEINGS OF GREAT LIGHT ... and there are many ... give collective thought to the Energy Grid just outside of your Earth. They, through thought, are able to infuse that area with the Higher Frequencies and direct them into your Earth's Energy.

It is a HIGHLY intricate project and intense Energy from these Beings is required, in order for the Frequencies within the Grid to build and reach the expected projected Vibration.

Sometimes ... as many of you have witnessed the varying degrees ... the effect can play havoc with the physical and mental elements of self. Yet, as you are aware, they are only temporary.

How come some do not seem to be affected at all ... and others, quite severely?

It involves the 'make up' of the individual and also, the delicate shifts that need to be made at any given time.

Well, I can only speak for myself ... yet, four days on the sofa was no delicate shift!

Yes, it was, Blossom.

Ok ... Fair enough. I got away with it Lightly. One gentleman wrote in saying he is experiencing the kind of energy body sensations that occur when waking up, yet, not fully awake, happening all day ... for days! Ear ringing and head buzzing. It wakes him at night and he feels like his energy body is crackling with his third eye throbbing so

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

palpably it feels like "energy marbles" moving around each other in the center of his forehead! Like a throbbing pressure! I mean that is full-on. Are many receiving the Energies on this level?

Yes, Blossom, many. Depending on how much of an upgrade they require in order to 'get their Beings' physically, emotionally, and mentally, to where they need to be ... so that they are ready to receive that which is to come.

What if some haven't felt anything and think perhaps, they are not ready?

This is not the case, Blossom. Each Soul is receiving these Higher Energies ... yet, perhaps experiencing them in different degrees, levels and formats ... depending very much on the Soul ... their task ... and their current situation.

Many are being fed what they need via sleep. They may wake up feeling rather 'Groggy'. This is due to the download that they have absorbed whilst sleeping and it needs time to integrate.

When you say 'download' and 'upgrade' ... what exactly do you mean?

A Download is how we would term 'New information'. This can only be received and accepted when the Soul is ready for it. For you see, Blossom ... although many are getting downloaded at the same time with these Energies ... Each One is receiving information applicable to 'their' mission, so to speak.

There are some general downloads combined with individual information.

One may not be aware at the time of what this information is ... yet, when needed for it to be of use ... that inner Knowledge will come to the fore.

The Upgrade happens to Each one ... yet, depending on where one is already 'residing' within their own Vibrational Frequencies ... it will individually Heighten Each Soul to their next position. It really is rather difficult to describe.

You are doing really well.

Thank you. There are many more of these to come. They can create a dizziness and floating feeling ... as the Inner Being adjusts to these Higher Levels. This shall settle down in time.

Think upon this as a GOOD THING.

These Higher Energies could not enter unless the darkness was dissipating ... and dissipating it is.

With this ...

A STRENGTH RETURNS WITHIN YOU.

Remember your 'Spirit' has been suppressed almost to beyond recognition.

As you are now Free to discover more and more of your True Self ... with the aid of these Higher Frequencies ... you will feel so much closer to Home. Rather like the smell of the mothers home cooking that wafts past the nose ... and memories of Home fill the Heart.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

It shall be like this for you, Dearest Souls.

Your world is turning upside down ... spun around ... and then catapulted into ...

BRAND NEW BEGINNINGS.

IT IS HERE.

IT HAS BEGUN.

About bloody time, I say!

And although there is no time ... timing has everything to do with it.

Know too, that with the integration of these Higher Frequencies into your Beings ... your 'skills' will be surprising you left right and centre.

Particularly in the 'Telepathic' department.

Many of you shall find information coming through. Yet, we ask that you err on the side of caution should you be new to this form of communication.

A protection device that Blossom often shares if one is unsure of the 'source' of the information ... is to ask three times if it is coming from the Light ... A 'Yes' cannot be given a third time, if it is not and it will simply go away.

How does that work?

It is an unbreakable law.

What do you mean unbreakable? Surely someone/thing can sneakily say yes a third time

This is not so, Blossom. It is an unbreakable law. If someone/thing tries to break it ... it would have the same effect, yet, a stronger one, as the disappearance of that energy.

Unbreakable means unbreakable.

Well, it certainly feels like much is taking place in the world and great changes are already being implemented at the speed of Light.

Exactly, Blossom. All these changes have been in place awaiting the Lights to turn from Red to Amber ... and then to Green.

You will know without question, why we have said many times 'Hold on to your hats'.

These are extremely exciting days on your Planet. You will appreciate yourselves and all the work you have put in to becoming who you now are.

YOU ... EACH ONE ... REPRESENT THE LIGHT.

Good morning. Your chat last week seemed to hit a chord with many. Thank you. It seems when we become out of sorts physically, on top of feeling tired and exhausted ... we beat ourselves up quite a bit and all Self Love and nurturing goes out the window. Could you talk to us about keeping on top of all these Energies, in order to keep the High Vibe rolling? Again ... thank you

Welcome to you, Dear Blossom. Welcome to Each and every Soul who finds themselves struggling to keep 'afloat' during these times. This indeed, Blossom, shall be a beneficial topic, for there is much more to come.

Let us consider that you are not only dealing with the Higher, Good, Loving, Energies that are now coming in, yet, also having to contend with the last remaining energies of the darkness that will keep on fighting until they can fight no more.

One must ultimately take into consideration PROGRAMMING!

We wonder if one fully understands what this involves?

PROGRAMMING IS NOT YOU.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We ask that you comprehend that in its entirety.

PROGRAMMING IS NOT YOU ... AND YOU ARE INTENSLEY PROGRAMMED.

To put it simply ... it is not only the intensity of how much this has become you ... for you think this is who you are ... it is how much it engulfs you in every way you turn.

Programming goes much deeper than many of you are aware.

Yes, it is in your music, your TV shows, your movies, your marketing ... **IT IS IN EVERYTHING.**

This, many of you 'get'. Yet, that which you find yourselves 'thinking' sometimes, does not come from you.

It literally is in the 'air' ... For want of a better way of putting it.

THERE IS A CONSCIOUSNESS OF LOVE THAT IS TRUTH. IT IS THE ESSENCE OF WHO YOU ARE.

There is also a consciousness of the opposite. We use the word 'consciousness' as it describes it well and yet, is totally different from the Truth Essence of Love.

This darker, debilitating mind control is 'sent out' ... directly into your Beings. You feel as if your thoughts are yours and yet, they are not. When these thoughts feel not of Light-Love, it sets off a spiraling pattern to bring one into a lower frequency, and if one is unaware, it can cause all sorts of havoc to the self.

Take a look at your world and how people behave towards one another.

THIS IS NOT WHO YOU ARE.

THIS IS PROGRAMMING DESIGNED BY THE DARKER FORCES.

Keeping you in the lower frequency enables 'them' to remain in control over you and yet, at the same time there has to be a LIGHT spark remaining within you, as part of their 'food.'

Can you explain that a little more?

The darkness needs you to have Light to some degree. Light is necessary for a human to BE. It is 'what makes one tick', so to speak. So, it is necessary for you to have a certain amount of LIGHT LIFE, in order for the darkness to do what they do ... to you.

Yet, it seems that many have no Light at all.

That Blossom, may seem the case regarding Souls who have literally made a pact with the darkness for their own personal gain. Yet, we say to you ...

LIFE IS LIGHT.

LIFE ITSELF COMES FROM LIGHT.

Therefore, it is not possible for Light to not exist within Each and Every Soul.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I find that very surprising!

Yet, it is so. Each Soul that has fallen to the darkness has a chance to be redeemed.

Would that not be the 'Godly' thing to do? This could become extensively complicated!

A SOUL CANNOT DIE. Therefore, those who have fallen, when 'passing on' ... would remain in a 'state' that 'suits their soul'. How long they choose to remain there is up to them.

EVERY SOUL CAN BE FORGIVEN.

Yet, this does not mean they get away with how they have behaved.

For we say to you ... and it is law ... That which you do unto another, you do unto yourselves.

That speaks for itself, does it not?

That which you put upon another you will feel for yourself. That is 'torturous' enough for the 'average' Soul, who has done very little to harm another ... for the depth of regret runs deep. Imagine then ... for those who have continually, deliberately harmed others beyond the thought capacity of many. No, Dearest Friends ... they DO NOT and WILL NOT get away with anything.

Yet, and please think on this ... IT IS YOUR LOVE THAT CAN BRING THEM HOME.

Yet, believe us when we say ... it is a long, long journey of repent and forgiveness of self. A road, not one, would choose ... if they knew the consequences. Yet, greed, lust, fame etc and self wanting took over reasoning.

So, we return to the programming subject. It has much Power ... UNTIL ... one becomes aware of it and understands how to push through it and rise above it.

We have to begin by saying that the Mantra ...

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

Is an extremely POWERFUL way to override this programming.

The 'trick' is to be aware of how your thoughts are not you.

ANY THOUGHTS that are not of Love ... wake up to ... recognise ... and repeat the Mantra a few times.

You do not need to say it all day long, yet, you would be surprised how often negative thoughts creep in ... because they are being sent to you 24/7.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Treat yourself as you would treat another. How often do you tell yourself you Love you? How often, Blossom?

Not much.

Yet, how often do you tell family members and friends?

All the time.

We could rest our case ... Yet, let us continue.

IF YOU COULD ONLY SEE WHO YOU TRULY ARE.

IF you were to strip away for five seconds the human physicality ... and SEE and FEEL the WONDEROUS LIGHT THAT IS YOU ... YOU WOULD NEVER BE ABLE TO FORGET IT.

FOR YOU WOULD BE ONE OF THE MOST BEAUTIFUL THINGS YOU HAD EVER ENCOUNTERED.

YOU ... YES YOU ... Each and Every One. That alone, would fill you with such Strength ... for within that visual, you would also recognise your POWER.

NOTHING would be able to knock that out of you. For ... ONCE YOU KNOW ... YOU KNOW.

How can we do that? How can we see ourselves like that? That would be so helpful to know.

BY TRUSTING THIS IS TRUTH.

BY TRUSTING THIS IS WHO YOU ARE.

Some have Stronger imaginations than others ... yet, there is not one, who is unable to FEEL THIS AS TRUTH ...

As your BEINGS move into the Higher Vibration, which they are doing at a rapid pace now ... hence the 'physical symptoms' many are experiencing ... you shall be capable of actually seeing your TRUE self ... without the human form.

When this happens ... YOU CHANGE!

We ask that you ask for this in meditation. Yet, do not be despondent if you are not quite ready. For understand too, that one has to be of a certain resonance in Vibration in order to achieve this. It comes from Higher levels ... and one needs to be OF a certain Frequency for this to be achieved in the first place.

Practice FEELING THE LOVE ... BREATH INTO THE LOVE ... KNOW YOU ARE THE LOVE.

LOVE YOURSELF as you would your child.

Forgive yourself for all that YOU think YOU have done wrong.

For it was not YOU 'in charge' of these deeds.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

When you know this, it is easy to forgive the Self ... and allow LOVE to replace any thoughts of regret.

You have been living in a world that is not what you think it is.

You have been bombarded with poisons to make you less than you are.

You have been bombarded with thoughts that make you feel 'bad'.

YOU ARE CHILDREN OF THE LIGHT.

HOW CAN YOU BE BAD?

Recognise your TRUTH.

KNOW YOU ARE OF LIGHT and anything and everything that feels otherwise within you ... laugh at it ... and say 'Oh no you don't'.

TRULY ... DEAREST, DEAREST SOULS ...

STEP INTO YOUR POWER BY LOVING YOURSELF.

If you could see yourselves as we see you ... as you TRULY are ... what you Truly are ... you could not do otherwise.

THE POWER OF LIGHT LOVE IS WITHIN YOU.

KNOW IT.

BE IT.

FOR YOU ARE OF IT.

Nothing can override it ... not when you know how to play the GAME.

We have told you many times how to play ...

Fill your Beings with JOY and LAUGHTER and KINDNESS for Self and others. The opposing team crumbles at the very thought of you understanding that this is how the Game works.

Therefore, let not the indoctrination overtake you. It is a Game ... and we have told you many times before ... YOU HAVE WON.

THE LIGHT HAS WON.

FEEL It.

KNOW IT.

IT IS TRUTH.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THE BEST IS YET TO COME.

When you KNOW THIS ... you will not/cannot become afraid of the upheaval that lies ahead. We have spoken of this and this has not changed. Yet, we rely on your understanding of THE GAME ... no matter what ... to keep you uplifted throughout.

Keeping in mind, also ... there are many that are oblivious to all that is taking place and they will need you to be there for them to help them understand 'how this all works' and where it is all heading ... INTO A BRIGHTER - LIGHTER - BEAUTIFUL WORLD AND A WAY OF LIFE THAT WILL FEEL SO NEW ... AND WORTH THE LIVING.

Well ... thanks Guys. Very helpful. In Gratitude. In Loving service. I AM

Hello, my friends. How would you feel about talking about AI?

Welcome, Blossom and Each Beloved Soul that has taken on the Huge, Mammoth task of turning your Planet around and lifting it into a place of Beauty, Love and Peace.

The subject of AI could lead to much confusion, as its rivers run deep.

Are you willing to give it a go?

Certainly. Where shall we start?

It seems that many are concerned that eventually, AI will take over the world. Will it? Could it?

Already we struggle a little, for there are so many aspects to this subject.

Yes. It could take over 'A world'. Does it have to be the one you are living within? No.

You see, although there is much being presented now to prove that AI can work within itself ... create itself further, given information it has accrued ... and therefore, appears to be of Higher intelligence

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

than some humans ... and we say that with tongue in cheek! It is a question of the Vibration of the World allowing it to dictate in which direction it will serve.

Indeed. Many say it is an amazing tool and yet, it would depend on that very thing. It could be used for good or bad.

So let us look at where we know your World is heading.

WE KNOW THE LIGHT HAS WON.

Therefore, we can say categorically, that it will not be used to 'bring down' that which the Human form has lifted up.

Your Planet is changing rapidly and Vibrations are reaching Frequencies that are off the charts, as you would use the term.

Consider then ... that this being the case ... its intelligence would be used to enhance all that is.

To assist the Whole in ways of Goodness.

To assist in ways of improving that which is already known.

Remember it is ARTIFICIAL.

Google says 'Made or produced by Human Beings'.

It does not and cannot have a Soul. Therefore, although it can create more of itself ... it can only produce in a fashion in which it is programmed.

Should it be that there are those who choose to program for the darker side of living ... it would be that it would not survive ... on this Planet.

That's a packed statement. It is not alive to start with ... yet, you speak of survival? And you say ... on this Planet? I knew it would get complex.

We did say it would. Keep in mind that anything and everything is possible.

Therefore, there ... is/could be ... already a ... place/space ... in which AI is in charge of the entire goings on ... of Humans and Robotics. It 'could be', that these places are full of Light or full of darkness.

The reason we are hesitant to delve deeper is because your entire Cosmos is a ... is in a ... 'State of Being' ... and we choose to concentrate on YOUR PLANET EARTH and ITS 'State of Being'.

To even try and delve into the complexity of 'Elsewhere' and all its possibilities would blow your mind up!

So, we shall return to AI upon your Planet.

KNOW that the DIVINE PLAN ... which is in full swing and leading you into a Brighter, Lighter position ... could NOT include AI taking over and running the ways in which you live.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

It is simply not 'On the cards'.

Planet Earth is alive. It is full of Life.

Everything that is a Life itself ... IS Consciousness.

AI cannot BE OF Consciousness. For it is ultimately a programmed machine. Certainly, there are incredible factors that it can accomplish ... yet ...

IT IS NOT ALIVE and NEVER WILL BE ... NEVER CAN BE.

We would like to leave it there as we Trust we have alleviated the fears of many.

Sure. Moving on then to ... what?

To that which we always will choose to speak of ... The wonderful way in which you ... serving the Light upon Planet Earth are waking up to the fact that you are entering into a NEW WORLD ... and within that NEW WORLD ... there has to be a NEW YOU.

For the old you, would not feel at ease living within the Higher Vibrations. One has to 'Move up into the Higher Light Source as a Whole-self ... and this can only be done as the Soul-self comes into the realisation of the TRUE LIGHT that it is ... BEING.

We are aware, Blossom, that you have been 'practising' visualising yourself with a Light-Aura around you ... pumping Light out from your Heart.

Yes. Spot on!

KEEP DOING THIS. WE ADVISE EVERY BEING TO DO THIS ... WHENEVER IT COMES TO MIND.

So, that eventually ... it won't need to be thought about to do ... for you will just be allowing the Light to flow through.

We Know many of you are aware of your Light flowing ... and yet, we ask that you take those extra steps now. Allow the images that you may find on your computers ... ones that may portray Angels or Beings of Light ... to BECOME WHO YOU ARE.

The more you visualise this ... the more you bring it into Being.

Yet, remember too ... YOU HAVE TO KNOW ... YOU HAVE TO FEEL ...

THIS LOVE ... THIS LIGHT ... THIS TRUTH.

YOUR FEELINGS DETERMINE YOUR VIBRATION.

That is an important statement so we shall repeat.

YOUR FEELINGS DETERMINE YOUR VIBRATION.

So then, by not only imagining, yet, FEELING the Light surrounding you and BEAMING out from you ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

your Vibration of such ... then allows you to Become it.

Added to that, the understanding of the POWER that your Light holds ... you are changing all around you into the Higher Vibration that YOU have become.

Yet, if for instance, I am talking with someone who has not cottoned on to all of this ... and lives in a very negative Vibration ... how can 'my' POWER of Light bring that person into 'my' Vibration, when they are 'not ready' to Be of it. Trusting that doesn't sound egotistical!

That is a very smart question, Blossom.

This is a long pause ... Have I stumped you?

We are deciding on which way to conduct the answer.

As one understands the workings of Vibrations and all its intricacies, just by KNOWING the TRUTH of how one's POWER ... through KNOWLEDGE ... can change the very atmosphere, the particles of air ... the Vibration can be transformed ... into that which lies within the Soul sending out their Light.

Another Soul, who is perhaps playing a negative role for themselves for a while ... will undoubtedly receive the Higher Light ... yet, they may choose to not allow it in, not to accept it, for they need a little more wallowing to indulge in. So, yes ... you would be changing all around you into a Higher Vibration ... yet, regarding a Soul's choice to accept it ... would determine whether they allowed their Vibration to be uplifted by you or not.

If they are not 'in the mood' to do so ... it does not mean that your Power of Love you are sending them would dissipate. It would 'hang around in wait' for such a time when it could be filtered through to their Being, at a pace that feels comfortable for them.

It's interesting the wallowing and indulging in the negative. I used to be like that in my teens and early twenties. I realise now, it was a way of getting attention ... which goes back to wanting to be Loved and needed. Thank God, I got into positive thinking ... it changed my Life!

It changes everybody's Life, Blossom.

It is as we were speaking of in our last conversation ... PROGRAMMING.

Those negative airways are food for the dark. They are allergic to the Light!

THE TRUE SOUL THAT YOU ARE, DOES NOT HAVE NEGATIVE THOUGHTS ABOUT THE SELF...

FOR THERE IS NOTING TO BE NEGATIVE ABOUT ...

FOR THERE IS NOTHING ABOUT YOU THAT IS NEGATIVE.

Do you see? When you KNOW WHO YOU TRULY ARE ... LIGHT LOVE ... NOTHING ELSE BUT ... well then ... what on Earth is there to be negative about?

Well, that's just it. ON EARTH there is the programming which makes us think that it IS 'who we are'.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Precisely. Yet, when you understand that it IS programming from the darkness to make you feel 'less than you are' ...

ONCE YOU REALISE THAT ...

ONCE YOU ACCEPT THAT ...

ONCE YOU KNOW THAT ... THE BATTLE IS OVER.

All that is left to do ... is reject those thoughts as soon as they are recognised.

They can be recognised even before the thought is complete, if you choose to become disciplined and vigilant. Then throw it out of your mind and allow the wind to carry it away.

Leaving the space available for YOU ... the True YOU, to enter.

REMINDING YOU OF THE LOVE LIGHT THAT YOU ARE ... AND HOW WONDERFUL YOU ARE ... AND HOW BLESSED YOU ARE TO BE ON THIS PLANET AT THIS TIME.

For you were chosen to be here as part of this Grand Transformation ... because you are Strong enough to do so.

REMEMBER WHO YOU ARE ... AND YOUR BATTLES WITH SELF SHALL BE DONE.

Well, we are all working on it. Doing our best here, within the thick of it all.

And your best is all that is required.

Once again, chaps ... many thanks. In Gratitude. In Loving Service. I AM.

Hello! Well, I have to say, I am a bit over feeling so tired all the time. Once I've been up a few hours, I am ready to go back to bed! Apparently, a huge Energy Wave is coming in at the end of this month and into April. How is that going to make us feel? Is the Earth going to turn into a live version of Sleeping Beauty where we all fall asleep for 100 years?

Welcome to you, Blossom, and to all those who Enjoy returning weekly to update and uplift their Souls. We gather that this is the case for many, Blossom. Extreme tiredness, accompanied now and then, by exhilaration. Oh! The ups and downs of a transforming Planet.

Yes, indeed. A Heightened Wave of Energy is to enter in.

Yes, indeed, it shall bring about the feeling of exhaustion.

Yes indeed, it shall be 'sorting out the wheat from the chaff'.

I know, of course, what that expression means, yet, how is it meant in these circumstances? Who is the wheat? Who is the chaff?

It can be used to describe those who are ready to shift into a much Higher Vibration and those who shall remain unaware at this time. They too, shall feel some form of effect, for it will affect all.

Yet, those who are Aware, Awake and Ready, shall experience a noticeable difference within themselves.

In what way?

A Lighter Brighter self.

When not asleep?

Yes. This sleeping phase ... this dizziness, this feeling of 'missing out seconds' ... this confusion of words ... is just a passing phase as one's entirety of Being adjusts to its new Higher form of itself.

I am pleased to hear that ... at my age, one could question senility creeping in!

The changes that are taking place within you cannot just silently 'do their thing'. Is it not that a newborn sleeps most of the time in order to adjust to its new surroundings? This is the case for many of you who are experiencing what one would consider to be ailments, or lacking in a particular vitamin etc. We are by no means telling you to ignore these changes, if you are feeling seriously concerned. Yet, we would also suggest that you recognise that there are shifts taking place within you and upon your Planet and it is therefore inevitable, that such extreme Energies will have some form of 'kick back' until they have

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

settled comfortably within.

And what should we expect when they have? What is the upside to all of this?

A feeling of appreciation of the Soul that you are.

With this comes more understanding of who you are.

With that ... one's POWER(S) become more pronounced.

In what way? I am asking all this because, although now and then I can feel in a really good mood, I can't say that all this adjusting so far, has made a noticeable difference within me, on a permanent basis. I still, as do many I know, feel that we are just muddling through it all ... and getting nowhere fast. As you know, we are not talking in the last few months ... we are talking many years.

Yet, would you say, when in the 'Good space', you feel very much on top of the Understanding of the Heightened ways?

Yes, yet, they just don't last long enough to recognise them as a full-time change.

Blossom, again, let us use the analogy of the newborn. So much to learn ... through experience, throughout the years of growing. On and on, these experiences produce Wisdom and KNOWING of the self.

THIS is what is taking place for Each One ... and it does not stop after one has passed through the veil.

For YOU, EACH ONE, are an experience of LOVE EXPRESSING ITSELF.

When you consider that LIFE LOVE is Infinite ... it must be so, that growth and expansion of the self and The Whole, must take place.

LOVE HAS DESIGNED ITSELF TO BE THIS WAY.

Yet, surely, it can't be like this all the time, as we continue to upgrade? It would be good to have days of dynamic enthusiasm ... for something ... anything.

Of course, Blossom, there shall come a time, when 'time' shall allow these Energies to mix and match.

Meaning?

They will find their flow and where to go. For each individual is different and will adapt accordingly.

I have to be honest, sometimes I just feel like 'Oh whatever!'... because at the end of the day ... we get into bed in the knowing we have to wake up in the morning and 'get through' the next one. I want to get excited about it all and what is to come ... yet, enthusiasm wanes more often than not. It is a struggle to keep up the 'What Ho, Jolly hockey sticks and all that' ... when oppression still feels the dominant factor.

Yet, Dearest Blossom ... is this not part of the Game? One knows that if one 'gives in' to that oppression, then one can slip down the snakes. Yet, to hold Strength within ... and keep one's head above water ... the ladders appear out of nowhere to take you to Higher planes.

That reminds me, talking about water. I went to see Veda Austin* do a phenomenal talk about water and its intelligence. I highly recommend people look into her work. Amazing. Are you able to comment on the role of water?

Water is Consciousness. It reacts to its surroundings. It reacts to how it is treated. It reacts to how it is accepted.

Your body, your vessel is made up on average of 70% of water. Your Planet is surrounded by it. This was not a carefree decision. It has its purpose and contributes dramatically to the Well-Being of your Planet and indeed, yourselves.

IT WOULD BE A GREAT ADVANTAGE TO THE HUMAN RACE IF ONE RECOGNISED THE INTELLIGENCE OF WATER.

It is greatly taken for granted. It is often abused.

IT IS WAITING FOR YOU TO WAKE UP TO HOW IT CAN SERVE YOU.

This lady that you speak of, and others like her, dedicate their lives to getting this knowledge out there.

RESPECT WATER. GIVE GRATITUDE TO IT, WHEN YOU DRINK, WHEN YOU BATHE, WHEN YOU SWIM.

ANYTHING THAT YOU DO THAT INVOLVES WATER ... LET IT KNOW YOU ARE GRATEFUL FOR IT. YOU WILL FIND IT WILL OPEN UP NEW KNOWLEDGE TO YOU.

Yet, most of all ...

IT RESPONDS TO YOUR LOVE.

When you become aware of this, and allow it to become part of you ... you will notice a great difference in your Being.

The water surrounding your Planet ... in a sense, is in a World of its own and yet, is very much a part of your World ... very much in tune with your World.

That which takes place in the depths of your oceans is for the most part ... undiscovered.

There are reasons for this ... as some Beings that reside there are not of your World and not designed to be part of it.

Yet, there are other aquatic Beings that are very much part of this transformation of your World and as we have mentioned before, as the veil thins, such Beings will be presenting themselves to prove that they are not a myth.

Are there such Beings already in secret captivity on our Planet?

Yes. More than you might expect. They are treated with disrespect, by most.

THEY ARE OF GREAT LIGHT AND UNDERSTANDING.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

THEY ARE OF A HIGHER VIBRATIONAL FREQUENCY.

THEY HAVE MUCH TO TEACH HUMAN BEINGS, YET, THE TIME IS NOT READY FOR THAT.

Aquatic Beings will come into their own, when your World can accept differences within Beings.

Sadly, we would comment that there are still many Souls upon your Planet that fight over the colour of one's skin, or religious beliefs. There are many, many, that are not ready to easily accept those of extremely different appearance.

All these 'conflicts' within the minds programming shall one day be gone and the SOUL OF LIGHT shall not be conditioned to hate one another.

For you are aware are you not, that hatred for another does not come from the TRUE ESSENCE of self. For it cannot.

The TRUE ESSENCE of self is PURE LOVE.

Hatred is a program. It has to be. For the only ever reality is LOVE.

NOTHING ELSE.

And you, Dearest Souls, are where you are now ... to prove this.

You say there are Aquatic Beings in captivity. I assume in secret facilities. I believe also, there are Beings from 'Off world's' that are also held prisoner here. Any other 'forms' we should know about?

Many, Blossom. Yet, that is the point. Those who are in charge of such matters DO NOT WANT YOU TO KNOW ABOUT THIS.

There are many experiments that take place with interbreeding for instance. This is not acceptable.

There are also many Beings held captive from other Dimensions that do not belong in this one.

How are they able to survive?

Not all can. Those that do are kept in 'Frequency chambers'.

You know, the more I know, I realise how little I do know. So much secrecy ... so many lies.

Dearest Blossom ... yet, what a time for the most privileged Souls to be upon your Planet.

You are here to witness the most incredible transformation.

You are here to witness untold Truths.

Oh, I do hope so. Sometimes, I can't make head nor tail of any of it. Yet, many seem to get so excited. Perhaps they know something I don't.

Perhaps they feel something you don't.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Exactly! Perhaps ... I am just an old 'has been' ... that has got too excited just one time too many! I want to TRUST that all this that you say is going to take place ... I HAVE to TRUST ... otherwise little point in me bringing these messages through. Yet, some full proof evidence wouldn't go a miss. Forgive my childish disposition right now.

The Evidence, Blossom, lies within you.

The Change, Blossom, lies within you.

I know. Some days it is wide awake, full on and apparent. Other days ... it prefers to sleep.

Part of the process, Blossom.

Do you know we have been chatting for 20 years! Who would have thought.

WE WOULD.

As it was arranged and agreed upon before you came. We are happy to report, that as long as you are in agreement to do so ... we shall continue on for many more years to come.

I'll do my best! I wonder what topics of interest shall be brought forth over the coming years?

Blossom, these conversations are to upgrade dramatically ... in accordance with the 'Happenings' and transformations upon your Planet and yourselves.

Looking forward to all of that, chaps. In Gratitude. In Loving Service. I AM.

The Federation of Light Channellings

No. 8

22 March 2025

Good morning. Yesterday, I had lunch with a lovely friend, who had an interesting tale to tell. She had been contacted by a voice (originally) which then went on to further telepathic communications. She was informed that 'it/she/he' was the Spirit of her physical body! On further questioning, 'it' had been with her since before birth ... (even though there was no physical body then). She totally understands that she could just be going a little cuckoo ... yet, I know her to be a Highly intelligent lady and a very Lightened, awake and aware, beautiful soul. Thoughts?

Welcome, Blossom. Welcome, Each One, once again. You in your World ... we ... Being US ... in no world.

This is a wonderful topic to pursue. It is a matter of knowing where to start to keep it all in perspective.

Yes indeed, there is a 'separate' individual from the self, Spirit Energy that IS the physical body.

Well, slap me round the face with a wet fish and call me Tinkerbell!!! Who knew!

We shall call this for explanatory purposes a Spirit Energy, for it is not as such a Soul Energy, as one knows themselves to be. It is, as we say, separate from yourself and yet, very much 'Sharing the journey with you'.

I am amazed I have never come across this.

You have now, Blossom ... as with all things that are presented to one in the Divine timing to be accepted and acknowledged.

So, what is its purpose? Is it like a guide?

No. It is not a guide. It is an incremental source of Energy that IS your physicality. In that the Soul, as you have known, has to be within the body in order for it to function and BE. The Soul is attached to the body by an etheric silver chord. This chord enables you to remain within your body during sleep, and indeed, at all times. Once the chord is cut, the 'life' leaves the body and the physicality disintegrates.

Does that mean ... wait, let's call this physical spirit 'Fred' for ease of flow. Does that mean Fred disintegrates, also?

No. It returns to Source. Whereas the physical flesh turns to dust.

So, how can it profess to be the spirit OF the physicality?

It is its role. Its chosen role. Yet, let us make it clear ... it is not in the same, would we say, 'category' as the Soul that knows itself to be Human, when upon the Earth plane. 'Fred' is more on the Vibrational

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

level of the Elementals.

Ok ... Fred isn't going to work for me, now. Fred the Fairy. Nope! Could you give a name?

Names are not really something we are necessarily in tune with to give out, Blossom. Many names, especially from other Planets, Galaxies and indeed, Elemental Frequencies are not pronounceable in your language. They are of a different sound Vibration and not able to be spoken.

As you are saying that, my neck is stretching and my throat feels odd as if the voice box couldn't form the sound.

Yes. That is what we mean.

So back to a name. It doesn't feel right to say 'it'. How about ... Flo(w)?

That will work well for us, also.

What is the role that Flo plays?

She IS the workings of your entire body. Cells, organs, tissues, muscles. Your body is her Kingdom. She is there to do her best to make everything run smoothly.

Then what of those who are sick ... where's Flo then?

Doing her best to make one healthy, once again.

The trouble is ... already there are far too many questions whizzing around my head about this, as the concept is so new. Can you simplify this ... as in ... a nutshell?

Blossom, as with your friend ... some will, or, already do ... know of this, and are happy to have direct communication with 'Flo'. Others never will. For they do not have it as a necessary addition to their understanding.

Everyone ... Each one ... can communicate with their 'physical friend' should they choose, and they will find a connection will be presented.

Many struggle to connect with a guide ... let alone chatting with an elemental vibration which IS their physical body.

Yet, we would say, that much benefit could derive from such.

Wouldn't it be the same though, as talking to our body as many of us do, just knowing it is Consciousness? Many talk personally to an organ, or cell, etc and send it Love to get well.

YET, EVERYTHING IS CONSCIOUSNESS, BLOSSOM. Labels and names are for identification purposes.

May we suggest that those who receive this message decide for themselves, whether to discover a new friend and work together with the same goal in mind ... or, whether to carry on as they are.

Those who give it a try will be pleasantly surprised ... for the 'Elemental' that is on board with them, playing this role for them ... will be Delighted to be recognised and work side by side ... hand in hand.

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Mm. Interesting. I apologize for moving on to something else now, yet, I know my head is not in the correct space to dig deep today. Anything you want to discuss?

LOVE.

Now there's a surprise!

You see, Blossom, as you know ... this is why we come. For when Each one TRULY KNOWS LOVE ... nothing else needs to be discussed.

Yet, for us down here, there are so many unknowns that our curiosity desires to know. This morning for instance, I heard about the Giza pyramid* and the new discovery of what lies beneath it. I think we all know the pyramids were not built by Humans, yet, this takes it to a whole new level. Things like that 'we' would like to know the TRUTH about.

Blossom ... as much as you could argue this point ... EVERYONE ALREADY KNOWS EVERYTHING.

Which helps not ... if we cannot access that 'all knowing'! And with respect, please don't say 'we can' ... because we would all be at it ... if we could.

It is a matter of Vibration, Blossom. One cannot 'access' this knowledge when not being in the Vibration of it. Yet, that doesn't mean you do not know it ... when you are not within the confines of a certain Vibration ... which you are ... whilst upon your Earth plane and residing in its Vibrational Frequency.

Yet, apparently, when we sleep or meditate, we can access different Vibrations, so why do we not get to KNOW EVERYTHING whilst in that space?

You can ... and yet, you are not able to bring that Vibrational Knowing back with you ... into your Earthly presence, because the Vibration of what you KNOW when 'elsewhere', is unable to filter back through with you.

Yet, people have 'Near-death experiences' and get to know everything and they DO bring that back with them.

Because that information is of a Vibration that is able to have that experience recalled.

Blossom ... If you were to know the answers within your physical, mental, and emotional situation as a Human Being ... well, quite simply it is not possible at this stage ... for it would 'Blow your circuits'.

We say 'At this stage' ... because this may not be the case necessarily in the future, when your circuitry has been almost completely rewired so that your brains and your entire workings are opened up to the full capacity that they are capable of using.

Remember, Dearest Souls ... you have been suppressed to a point of almost 'Shut down' ... compared to the INCREDIBLE HUMAN BEINGS that you are in TRUTH.

THE INCREDIBLE BEINGS OF LIGHT THAT YOU ARE IN TRUTH.

I wonder if you can comprehend how frustrating it can be for us? This 'not knowing stuff', as the world gets madder and madder. Yet, I know you are going to say ... 'Blossom, you wanted to be here'.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Correct ... because you did. Each One of you, as you know, were made aware of your mission before you came. You agreed to it. You were delighted and honoured to be chosen.

YOU SAID YES.

We would say ... your application form was accepted because you ticked all the boxes. One of the most important ones being 'Do you consider yourself to be the Strongest of the Strong?'

Others such as ... 'Are you capable of rising above the darkness, no matter how grossly it is presented to you? 'Can you keep the knowing within you throughout it all that you are LOVE, Only Love?' ... 'And you will send that Love out from your Being at all times ... no matter what you discover' ... we could go on and on. Yet, you get the point.

You answered 'yes' to all of these and then an assessment was made ... and you passed ... and here you are ... doing the very best that you can, under the most darkest of circumstances.

WE KNEW YOU WOULDN'T /COULDN'T LET THE SIDE DOWN.

WE KNEW YOU HAVE THE STRENGTH TO SEE THIS THROUGH.

AND ... YOU ARE.

That is why you are here. This in itself is an enormous task.

Concentrate on that and its importance.

The answers to all the other mysteries are not as important as this mission you are on.

It is imperative at this time that you focus on who you are ... LOVE.

To know this TRUTH with every fibre of your Being.

To know that you are assisted by Light Beings from all around. For this is no trivial transformation.

Assistance is required by all.

DEAREST SOULS ... MARCH ONWARDS ... SWORDS OF LIGHT TO THE SKY.

We have mentioned many times of the imagery of holding your swords to the skies and visualizing them being recharged with Light. It is a very Strengthening, Powerful tool to use.

Be prepared for what is to come ... by keeping yourself charged.

Yes, as you and White Cloud have often said ... We would never forget to recharge our phones ... so why do we allow our own batteries to run so low?

White Cloud knows what he is talking about.

He does indeed. He does indeed. Well, I shall go back and read all this now and see how it 'flows'. In Gratitude. In Loving service. I AM.

No. 9

29 March 2025

Good morning! Trying to find the time and be in the right mood is proving difficult this week. Let's see how we go. Many wrote in to say that the 'Physical Spirit' we spoke of last week, is known as 'The Innate'. Your response I imagine would be 'What's in a name? Labels are labels, nothing more'.

Good morning to you, Blossom. You, of course, are correct.

Ok, so, there are things I could discuss with you, yet, feel I get a 'No'. Why is this?

Blossom, there are many that have found our discussions recently ... many who have followed for years. Each Soul on their own journey of discovery. Some of the topics you would like to discuss are not appropriate for 'general consumption', as many are not ready to absorb certain information.

Yet, is that not holding others back who are ready?

Seek and thou shalt find. Information that comes to one, comes in the right time for their Soul's understanding. Besides, it is up to the individual to nourish their Being with their own Truth at any given time.

One may hear of a particular subject matter and not know whether to believe its Truth. So, they may go to another to ask if it is True or not. This is not about 'believing' who is right or wrong ... and taking a particular 'source's' info as Truth and another's not. This is about feeling for the self what is Truth.

Yet, what if one cannot feel into something and Truly doesn't know?

Blossom, do you remember when you asked us about Flat Earth and you were not happy with our answer, because we said ... 'For those who think it is flat, it is flat. For those who think it is round, it is round'.

I do indeed.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This is OUR TRUTH. That was OUR answer, for we understand the bigger picture.

Doesn't help us none though, does it? ... With respect, my friends!

Yes. It does. You believe what you want to believe ... because it feels right for you.

Yet, does 'it feeling right for me' make it a Truth?

For you, Yes. At the time of it feeling right for you.

YOUR TRUTHS CAN CHANGE ... AS YOUR UNDERSTANDING OF THE TRUTH EXPANDS.

Oh Lord! It is only 7.30 in the morning. Not sure I am up for one of these types of conversations!

And this is why we do not go into the depths that many require. The world that you know yourself to live in, the world that you 'think' you are living in ... is YOUR world. Not another's.

What you think you create. You know how the manifestation system works, Blossom.

Yes, I do. Yet, my friends, my family, are in that same world as me.

Yet, living in their world. Their creation.

Yet, I am in their world and they in mine. If we are in our own 'video game', how come we can also be in each other's?

Because that is what the individual has created.

Blossom, we can feel already, your mind wondering what to ask next. So, at the risk of disappointment, we shall terminate this subject.

THE TRUTH IS THAT YOU ARE LOVE.

Whether you are living upon a flat Earth or a round one, a horizontal one, or a vertical one. Whether you are in your own simulation or someone else's. Whether you live under a dome or not under a dome. Whether everything is an illusion or not.

Any, any, any, anything is not what is important.

Any, any, any, anything does not matter ... in your reality ... that perhaps is ... or is not ... real!

BECAUSE ... EVERY, EVERY, EVERYTHING IS LOVE.

THAT IS WHAT MATTERS.

We understand that many of you become so frustrated when we repeat and repeat and repeat.

This is the only way to keep you on track as to why you are here upon your Planet Earth.

IN ALL THINGS ... THROUGHOUT ALL CONFUSIONS AND MISUNDERSTANDINGS ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

RETURN TO LOVE.

ONLY LOVE.

There is so much that is impossible for you to understand within the confines of your particular reality. It was not designed for you to UNDERSTAND ALL.

If you did, your Soul would not gain that which it has desired to experience.

We suggest that you 'Let go' of the 'Wondering whys.'

KNOW ... YOU ARE LOVE AND THAT YOU ARE UPON EARTH TO BE IT ... IN ORDER TO CHANGE EARTH'S VIBRATION INTO THE WORLD THAT YOU KNOW LOVE IS.

Yet, it is within us to want to know the why's and wherefores and what lies we are being told.

And that is why, the Vibration of your Planet is changing rapidly ... in order for you to find out about these lies.

So much is coming to Light, is it not?

Yes, and that is why we are left wondering what is True and what is not.

Dearest Blossom, Dearest Souls ... YOU ... BY BEING YOU ... BY UNDERSTANDING YOU ARE LIGHT ... ARE ENABLING HIGHER ENERGIES TO ENTER IN.

These Higher Energies, although they maybe 'temporarily interfering' with your 'make up' ... are allowing these Truths to be revealed.

The darkness has no chance of retrieving its power because of this.

Therefore, all the lies they have spun, to hide the TRUE LIGHT OF DAY ... HAVE to come up and be presented as the darkness falls away.

At the moment ... trickles of Truth are being uncovered and spreading throughout your Planet to those who are awake and searching for Truth.

There shall be a time ... when such 'discoveries' will be known throughout by all.

FOR THE FULL TRUTH IS TO BE REVEALED.

All this takes time. It ... will not/cannot ... be an overnight revelation. Chaos would reign if this were so.

Little by little, the Divine Plan is moving towards full disclosure of EVERYTHING that has taken place upon your Planet.

Yet ... there needs to be a Grand Shift in order for that to take place.

Are you talking here of past mentions of 'An Event' ... 'A Happening' etc?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We are talking of preliminary shifts that will awaken many more.

For instance, lately, there has been a 'partial' shift.

Energies have Heightened for the Greater Good.

And boy, have I felt them! Every time I lay down and close my eyes, it's like I'm spinning backward through a vortex. Trying to get my balance when standing, is like being drunk. Voices sounding like the amplifier is turned up to high ... I've never felt such strong Energies.

As is the same for many, Blossom. When you KNOW it is a 'simple' matter of your physical Beings adjusting, then you let go of fear. For those who don't know ... trips to the medical profession ensue.

More of these shall be taking place on a regular basis ... yet, they are not THE EVENT.

As we say ... they are a means to working up towards VAST CHANGES.

It's bizarre ... in that so many, many, many, people are going through their own individual upheavals on a deep Heart scale. Everyone I know is going through something and folk are writing in saying the same ... and yet, there seems to be an Inner Strength arising from that. Difficult to explain.

Let us assist. These 'Undertakings' are part and parcel of your arising. All that is 'given' to an individual to deal with, is part of that Soul's plan. Agreements made beforehand.

Nothing is by chance.

Reasonings may not be apparent 'ever' in a lifetime ... or, they may immediately, or, at some point, be understood.

Either way ... it is for your Highest Good and the Greater Good of All.

Small matters, surely though, wouldn't be for the Greater Good of All.

Yes, Blossom. Everything ... and the way you choose to adapt and move through ... is for the Highest Good of All.

Many would agree that the way one is approaching matters large or small, is of a 'Different intelligence of the Heart' than one would have done before.

See in this, the Growth of Soul. The accepting of Self Light.

Oh, that feels so beautiful. The accepting of self Light. Thank you.

Yet, it is the Truth Blossom. Each SOUL is beginning to really and Truly 'GET IT'.

They are FEELING who they are. Not wishing ... not hoping ... not wanting to be ... yet ...

TRULY KNOWING THIS LIGHT LOVE OF SELF.

Within that ... one becomes more determined to play their part.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This KNOWING ... is something the Soul has been patiently waiting for.

THIS ACCOMPLISHMENT ... THIS RECOGNITION OF SELF POWER MAKES ALL THE DIFFERENCE TO WHO YOU ARE AND HOW YOU CARRY ON.

IN LIGHT. IN LOVE. IN TRUTH.

TRUST THAT WHAT YOU NEED TO KNOW WILL BE PRESENTED TO YOU WHEN YOU NEED TO KNOW IT.

TRUST IN YOU.

TRUST IN YOUR FEELINGS.

TRUST IN THE DIVINE PLAN ...

IN THE KNOWING YOU ARE WONDEROUS BEINGS OF LIGHT ... residing on Planet Earth ... Serving it ... Serving others ... Serving yourselves ... in order to BRING YOUR PLANET INTO ...

A BRIGHTER LIGHTER BEING OF LOVE.

Thanks, Guys. I really enjoyed today. It flowed so easily. Right ... breakfast! In Gratitude. In Loving Service. I AM!

Hello, hello, hello! I have been asking you what we should talk about today and I have had no reply! So, over to you. What offerings are you to implement today, Oh, Enlightened Ones?

A very Bright Morning to you ... Evening, for some ... Afternoon, for others. For as you Know, Blossom, it is not just you we are speaking to, yet, we are addressing ALL THE SOUL'S that choose to take into their Hearts that which we decide is appropriate, in any one given conversation.

Thank you. You see, that is the thing. You decide that which is appropriate. That's why I know not to ask about so many things because you don't deem them appropriate.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

And why do you think this is, Blossom?

Because, no matter what we folk would like answers to, at the end of the day, it doesn't matter if this, that, or the other, is True. We still are here to do what we came to do.

Go to the top of the class.

I did!

Let us dig a little deeper into the KNOWING and UNDERSTANDING of what you have said.

We do appreciate that you would like answers to so many things. Things that have been hidden from you. Things that have been masked, so as to appear differently from what they actually are. Yet, all these things, all these scenarios, all these questions and curious mindsets, do not CHANGE anything about who you are!

YOU ARE LOVE.

Yep. I get that to a certain degree. Yet, you say the Truth is to come out eventually and it will blow our socks off. So, why are we not able to have a little insight into it all?

You are. More and more is being revealed, slowly but surely.

Yet, we don't know which parts of this revealing are true and which parts are not.

AT THIS STAGE. So, this takes us back to ... continuing on in the KNOWING THAT YOU ARE LOVE ... AND ACCEPTING THAT ONLY THAT MATTERS.

So much of your so-called reality is a façade, a front ... A GAME.

Yes, many are offended that this World of yours is just a Game that is playing out.

Yet, Dearest Souls ... it is one of the GREATEST MASTERPEICES that ever was.

We understand the atrocities cannot be taken Lightly by Souls who feel so deeply towards one another. We understand that to rise above such things is no easy task.

Yet, when you understand that THE LOVE YOU ARE ...

and THE KNOWING THAT YOU ARE ... THIS HIGHEST PUREST LOVE ... can and will ... and IS obliterating all that you feel to be 'not of Love' ... then you, coming from a Higher perspective will UNDERSTAND THE GAME.

EVERYTHING IS OF LOVE.

THERE IS NOTHING OTHER THAN LOVE.

LOVE IS ALL THERE IS.

Therefore, when you accept that as TRUTH, you must accept that even the worst torturous nightmare that one may put upon another, is LOVE. It cannot be anything else ... for there is nothing else.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

That is a hard pill to swallow. Yet, I know you have explained before, that such things are of the lowest Vibration of Love. I try to get my head around that. Sometimes I have thoughts that aren't very Loving ... and they don't feel 'of' Love.

Yet, they are. They cannot not be. They are Love, yet, not on the same frequency of a thought that DOES feel Loving and kind.

We would say ... that the fact that ...

EVERYTHING IS LOVE BECAUSE THERE IS NOTHING ELSE IN EXSISTENCE ...

BECAUSE EVERYTHING COMES FROM IT ...

BECAUSE EVERYTHING IS OF IT ... IS A TRUTH.

You can accept it or not. It doesn't matter if you do or not. That is your choice. It is up to you. We are just telling you how it is.

It matters not to us whether you accept it as Truth. You are 'allowed' to think what you want to think. You are allowed to behave how you want to behave. You are allowed to do and think anything at all that you want to do and think. It is your journey.

THE JOURNEY OF YOUR SOUL.

YOU navigate through your ups and downs, your definite knowings and your doubts.

YOU.

THIS IS ALL ABOUT YOU.

Yet, for the Whole.

Of course, because YOU ARE THE WHOLE.

YOU ARE EVERYTHING.

YOU ARE LOVE AND THAT IS ALL THERE IS.

Your reasoning in experiencing Being a Human is through your choice of LIGHTENING UP.

MOVING UP.

RIISING UP ... BACK ... TO WHO YOU KNOW YOURSELF TO BE ... IN /AS /THROUGH /OF LOVE.

Yet, also to bring this Planet out of the darkness ... correct?

Indeed. And how are you doing that?

BY ... LIGHTENING UP.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

MOVING UP.

RIISING UP ... BACK ... TO WHO YOU KNOW YOURSELF TO BE ... IN /AS /THROUGH /OF LOVE.

LOVE IS EVER EXPANDING.

The more Love learns more of itself ... the more Love grows and Lightens and Brightens ... becoming more and more of itself. It cannot stop. It will never stop BEING.

It is a LIVING BEING.

IT IS LOVE ... IT IS LIFE ... IT IS ALIVE.

This is so random, yet, it just popped into my head. Is there another aspect of me having a better time on another planet right now?

What makes you ask?

Well, it would be nice to think that out there somewhere I am having a good time!

We could answer in a way that you don't want to hear that answer. In that ... YOU ARE EVERYONE ELSE and EVERYTHING ELSE.

So, yes, an aspect of you in so many places and Planets and Hearts ... is/are having ... the most wonderful Loving experience. By the same token ... an aspect of you is experiencing the worst possible feelings and pain one could feel.

YOU ARE EXPERIENCING RIGHT NOW THE MOST HAPPIEST OF DAYS IN YOUR FUTURE!

EVERYTHING IS HAPPENING NOW ... EVERYTHING!

So, this 'little me' is experiencing this lifetime and feeling all the things in it, because this is the me I am choosing to focus on.

And the 'little you' in your past and future is experiencing THAT right now because THAT is what you are choosing to focus on.

You have to admit ... it's absolutely mind-boggling and completely nuts to think that we could possibly get our head around even a tiny part of it.

And yet, it is possible for you to KNOW AND UNDERSTAND IT ALL IN ONE MAGICAL INSTANT.

Some say they have had that experience. I could ask ... why do some have that privilege and others not?

And we could answer ...

If you KNOW yourselves to be each other ... you all have that experience. And I would reply ... is there anything you cannot answer?

No. Yet, that doesn't mean we will.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Oh! To understand it all, even just a little bit more.

Perhaps, Blossom, and all who feel as you do ... let go of the trying. Just do what you do best ... LOVE.

That is the ONLY thing you need to understand ... the only thing you need to roll with.

FILL YOUR HEART WITH THE JOY OF KNOWING LOVE.

FILL YOUR BEINGNESS WITH FEELING LOVE.

ACT UPON YOUR HEART'S GIVING OUT OF LOVE ... TO LOVE.

Concentrate ... focus ... on the TRUTH OF YOURSELF ... That which you KNOW YOURSELF ... IN TRUTH ... TO BE.

LOVE. ONLY LOVE.

We are doing our best ... Some days better than others. Yet ... apparently 'We've got this!

You have got so much more than you think!

Yes, probably. As always ... In Gratitude. In Loving Service. I Am.

Hello there! I am really TRUSTING that this communication is going to work today. Are we connected? It's been quite a while. Come in FOL ... Are you reading me? Over?

Welcome, Blossom and Each One. Yes, we are reading you loud and clear.

That is fantastic news. How goes it with you?

We, as a group of select Beings are Thriving and indeed, most happy to be back in touch. You are probably aware that Energies were not conducive to connect in the usual fashion due to changes in

Blossom Goodchild

atmospheric waves ... Yourself Being unwell ... and general upgrading of Energies that are entering to Serve, not diminish.

Keeping in mind, Dearest Souls, that these Higher Energetics are also 'confronted' with the lingering aftermath of what we would choose to call, a 'fall out'. Meaning that the darkness is fighting with the little strength it has left, to disrupt anything and everything that is of Light.

KNOW the strength that the darkness 'had' ... is no more. Although it may appear that it is still firing on full throttle, let us, let it be known, that this is not the case.

Those involved in the lesser side of Light are quaking in their boots. They KNOW ... it is evident ... that their number is up. They are fooling themselves believing that they are still in control of this Planet. They KNOW their number is up and it is merely a matter of time and revelations that will bring their TRUTHS out into the open.

As this takes place, and it is taking place ... more and more Souls are awakening to the 'REAL DEAL'. Their blindfolds are being removed and as they see the Light, it can prove to be extremely painful ... for they have been under a spell for 'all of their current lifetime'.

Many of you have been in touch with 'Truth', for many a year. Little by little were you spoon fed realities that churned the stomach, as you digested each abhorrent reveal of the 'underworld' and its behaviours.

Yet, you have had time to digest.

Imagine then, how it is and is to be, for those who have had no idea in any way, of this darkness. Imagine the shock as more and more is proven to be Truth.

As you know, Dearest Souls, this is where you come in.

You have waited so patiently for 'Your time'.

Can you feel it now?

Can you feel this is it?

YOUR TIME ... TO STAND IN YOUR TRUTH ... as you have been ...

In days of yester-years, you have been ridiculed and mocked and yet, you stood Steadfast and Strong.

In these future-years, you will find, as we have said all along, that many, many, Souls who are so lost, will come and seek you out for help.

They will be asking for understanding.

Remember ... there is no need to 'Forgive them' for all they have said and done to you ... for they knew no better. They were following their pathway. As you were. It is just that some found it necessary to take a longer route to get to where you are all going.

As more and more comes to Light ... actions and activities will become more and more apparent, in ways of THE DIVINE PLAN manifesting before your eyes.

The dominoes are falling and cannot be stopped.

So ... on the one hand, THERE IS SO MUCH TO CELEBRATE FOR THE CHANGE HAS PASSED A CRITICAL POINT and much now shall be presented at a rapid rate.

On the other hand, however ... much conflict and divide will amp up, as confusion enters even more into the mix.

ALLOW ... ALLOW ... ALLOW.

ALLOW EACH SOUL TO DISCOVER THEIR OWN TRUTH.

STAY STRONG IN YOURS.

JUDGE NOT.

We have spoken of the turmoil to come. It is making itself known ... and there is to be a lot more.

You KNOW we do not tell you this to bring disappointment and dismay to the mix.

You KNOW we continue to mention this so that you are aware and prepared.

You KNOW the LIGHT HAS WON and let nothing that is presented sway you from that Truth.

SEND YOUR LOVE OUT TO THE WHOLE.

BE YOUR LOVE IN THE FULLNESS THAT YOU NOW KNOW YOURSELF TO BE.

We have spoken of the 'topsy turviness' that you are feeling. Nothing appears as it used to be.

YET, YOU HANG ON, BECAUSE THE ONE TRUTH THAT KEEPS YOU SUSTAINED AND GIVES YOU THE ABILITY TO CARRY ON SHINING YOUR LIGHT THE WAY YOU DO ... IS

THE KNOWING INSIDE OF YOU ... THAT IT IS HAPPENING.

THE CHANGE OVER IS HAPPENING.

YOU WILL NEVER GIVE UP ... IT IS WITHIN YOU ... THE GODLINESS.

We ask that you let go of all that you hear regarding matters that 'May or may not be True.'

Let go ... of all things that confuse.

You feel you need answers to so many subjects. Yet, you do not.

The confusions of 'theories' ... What is? ... What is not? ... Let them go!

For we say to you ... Each theory ... however it may conflict from another ... does not matter!

Such things are trivial compared to the TRUTH that will come out and make sense of the ENTIRE

EVERYTHING!

In general, you feel your Truth may vary greatly from another's.

Yet, another's Truth is True for them.

So, what is THE TRUTH?

THE TRUTH IS ...

LOVE.

KNOW LOVE AS YOUR TRUTH AND NOTHING ELSE.

FOR THERE IS NOTHING ELSE.

All that you hear ... all that you are unsure of ... all that you are aware of ...

ALL ... ALL ... ALL of EVERYTHING ... matters not.

LOVE IS ALL THERE IS.

THEREFORE ... ONLY LOVE MATTERS.

BE IT.

In all that is to come ... remember this.

ONLY LOVE MATTERS.

REPEAT and repeat and repeat ...

I AM THE LIGHT

I AM THE LOVE

I AM THE TRUTH

I AM.

FEEL THE CONNECTION THE CODES WITHIN THESE WORDS HAVE WITH THE MOST INNER DIVINE YOU.

THE YOU THAT IS THE LOVE THE LIGHT AND THE TRUTH.

YOU ... THE I AM.

The I AM presence ... The spark that lies within you.

The spark of all that is Good.

When you TRULY FEEL ...

When you TRULY KNOW ...

WHAT YOU ARE ...

Nothing ... we repeat ... Nothing can bring you down.

For when you walk in this POWER OF TRUTH ... you will KNOW AND FEEL IT within every cell of your body ... within every thought in your mind ... within every breath that you take ...

YOU WILL BE THE LIVING PROOF THAT EACH ONE OF YOU IS GOD.

When you know THIS ... YOU WILL KNOW IT ALL.

Thank you. I purposely did not interrupt today ... although many times I wanted to. It just didn't seem the right thing to do.

Hello and Good Morning. I got to thinking last night ... what of the Monoliths? What of the Pillars of Light? ... and more importantly, at this stage in The Game ... What of Phase Two? You said there would be a second lock down and this would be Phase Two of five? What of all these things that have been mentioned? Are we supposed to put them on the back burner and carry on, ever in hope, that one day SOMETHING will show us a significant change?

Welcome, Blossom and All Friends around your Globe that are involved in the upliftment of the Planet Earth.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Blossom, do you, in your Heart believe these things will come about?

How I would like to say yes! Yet, sadly, my answer would be ... I really don't know!

Therefore, we would say to you ... It matters not what you are unsure of. We simply ask that you carry on taking heed of our sentiments regarding building yourselves up into the YOU that you KNOW you are.

THE GOD YOU.

Happy to keep trying. Yet, to try and understand and accept that, is a very different thing from actually KNOWING and accomplishing all that 'GOD' would be able to do in the blink of an eye. If we TRULY KNOW ourselves to BE GOD ... we could do anything. Heal ourselves. Heal others. The Planet. Although I can 'accept' that I AM GOD as a concept ... I am very far distanced from making that a reality.

And this is why we continue to come to you in this way, bringing through the messages time after time. Little by little, more of 'who you are' becomes apparent, because the more we repeat the same thing, in a myriad of ways ... the more another aspect reveals itself. Would you agree?

I know I feel differently from years back. Yet, in honesty, the progression of awakening is exceedingly slow, for me anyway. I don't know if it is because of Goody's passing or whether I would feel like this if he was still here. I am not saying I am depressed. It's just that a lot of the time, how do I put it ... I just don't care ... anymore! All the horrendous things that are taking place are not within my fishbowl. And when I do think of them, it seems so ridiculous that lives are taken every second of the day. For what? I know many of us think this. What is it all for?

Blossom, we would like you to answer that from your point of view if you would.

All I can say is what you have told us ... We are here to change the Vibration of this Planet ... from dark into Light.

Do you believe that?

I'd like to think so.

Do you believe that, Blossom?

Because you have drummed it into us for 20 odd years ... somewhere inside me says 'Yes'.

For a moment ... forget what we have 'drummed into you' ... what does your Heart tell you?

My Heart tells me this Planet is 'F**ked ... with a capital F! I do apologize to the reader, the listener, and to YOU dear friends, for such crassness. Yet, there is no other word that will suffice! I WANT TO KNOW THIS AS A TRUTH IN ABSOLUTE FULLNESS. Yet ... and THIS IS NOT WHAT I FEEL, yet, hypothetically speaking ... how do we know that all you are telling us isn't just another form of programming?

You don't! This is why we ask you what your Heart feels. Not what your mind thinks ... what your Heart feels.

When I am having a good day and an opportunity arises to serve ... MY HEART KNOWS LOVE.

Do you question that Love?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

No. It is undeniable.

Where does that feeling come from?

An unknown place.

Please try and describe it.

Everywhere.

Is it something someone has told you about and how to go about feeling that way?

No. It 'just is'. Sadly, all too often, it doesn't last that long, for all around there are 'things' to squash that moment of Joy!

Let us stick with it for now if we may. That FEELING ... of KNOWING ... LOVE. Within that moment ... who do you know yourself to be?

LOVE. Yet, as I say ... it is not sustained.

That, for now, we put aside. We desire to concentrate on the fact ... that there are times ... many, many, times ... when you know ... when you experience LOVE ... IN ITS TRUTH.

This is what is important for you to hang on to.

THIS KNOWING.

THIS FEELING.

THIS UNDERSTANDING.

Right there in that moment ... YOU KNOW TRUTH.

YOU KNOW IT INSIDE OF YOU.

THERE IS NO DENYING.

THIS IS WHO YOU ARE.

All else around you that is designed to pull your 'spirits' down ...

IS NOT TRUTH.

Please look at that. Anything that is weighing you down, any thoughts, words, actions, that are not of those moments you KNOW TO BE TRUTH ... are NOT TRUTH.

Therefore, it is for you to be vigilant and recognize the 'downward pull' and BE STRONG ENOUGH TO RISE ABOVE IT.

Easier said than done! Baring my Soul to all those who read or listen to this ... I will be blatantly honest and

say ... Sometimes, I just cannot be bothered! Sometimes, I am done! Sometimes, I simply don't have the get up and go within me ... because all I want to do is get up and go ... somewhere else! If there was more evidence to prove that all our efforts are having an effect and making a difference, we would feel a little more encouraged perhaps. To some, I may come across as a spoilt child. So be it. That's how I feel. As I say, I am not depressed ... I am fed up of the slog, that's all.

Blossom Goodchild ...

Federation of Light ...

There is nothing new we can say to you ... other than to keep on keeping on ...

FOR THERE IS LIGHT AT THE END OF THE TUNNEL.

YOU KNEW IT WOULD BE THE HARDEST TASK YOU HAD EVER UNDERTAKEN.

Yet, until you were /are fully immersed within it, (This Game), you ... were/are ... not able to fully comprehend the density of it.

To BE THE LIGHT which you are ... living within the dark that is apparent upon your Planet, is a deep wounding to the Soul. The pain that is caused due to the sorrow of recognizing that which the dark has been capable of, can so very easily dim that Light of yours with devastating effects

IF ...

YOU ALLOW THAT TO HAPPEN!

YOU ARE IN CHARGE.

SO, BLOSSOM GOODCHILD ...

TAKE CHARGE.

You know we are not reprimanding you.

Yes, I can feel your strength engaging my Heart. I don't feel as if I am being told off!

We, from our position, can only assist in this way. For we are not positioned in the thick of it ... as you are.

WE CANNOT TAKE CHARGE FOR YOU.

Only you, as individuals ... can do that ... for yourselves and therefore, FOR THE WHOLE.

THE BIGGER PICTURE ... THE ONE ... THE YOU THAT IS ONE ...

KNOWS THE OUTCOME OF THIS GAME THAT YOU ARE IN.

ON A HIGHER UNDERSTANDING YOU KNOW THE LIGHT HAS WON.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

YOU ARE THE STRONGEST OF THE STRONG BECAUSE YOU ARE CAPABLE OF RECOGNISING YOUR STRENGTH.

DO NOT LET THE PROGRAMMING THAT IS ALL AROUND YOU ... MAKE YOU THINK THAT IT IS YOU.

Again, we repeat that due to its importance.

DO NOT LET THE PROGRAMMING THAT IS ALL AROUND YOU ... MAKE YOU THINK THAT IT IS YOU.

REACH OUT FAR BEYOND THIS.

Take yourselves outside of it. Learn to recognize it as 'This is not me. This is not from me' ... and ... **TAKE A BREATH OF LIGHT INTO YOUR BEING ... and say**

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

TAKE CHARGE.

TAKE YOUR LIFE BACK!

IT DOES NOT BELONG TO THOSE WHO THINK THEY HAVE YOU UNDER THEIR SPELL.

IT BELONGS TO YOU.

LIVE IT ... IN LOVE, LIGHT, AND TRUTH.

YOU WOULD NOT BE WHERE YOU ARE AS A MISTAKE.

YOU ARE WHERE YOU ARE ... TO DO WHAT YOU CAME TO DO.

AND WHETHER YOU THINK YOU ARE OR NOT ... YOU ARE ALL DOING IT EXTREMELY WELL.

Thanks Chaps. Great words of Encouragement and POWER! Very much appreciated. In Gratitude. In Loving Service. I AM.

Hello. Once again, we come together to bring encouragement to carry on. There is something, well, one out of a billion somethings, that really does not make sense to me and I would like your take on it, please. A friend, age 44, who has already had cancer twice, had a horrendous car crash and literally had both hands and arms shredded and broken beyond recognition. She is the most beautiful pianist ... need I say more! WHY? Why do such terrible things happen to the most amazing people ... who simply do not deserve it? I feel any answer you give regarding Karma or Soul growth may infuriate me even more. For, I was surprised to feel so much anger about this. Please, help me to understand why this happens to such beautiful souls.

Welcome, Blossom. Welcome to Each One. For us to communicate with you in this way is always a pleasure and an honour, in ways of Service that we are Happy to accommodate.

Regarding the situation of your friend, we realise it will infuriate you more if we were to say 'She chose it'.

Yep. Correct. Consider me more infuriated. She has been through enough. Why 'on Earth' would she choose this ... on top of all her other 'learnings'?

Blossom and Each Soul who takes into their Awareness that of which we are to say.

This Life ... this choosing that Each Soul undertakes, is to experience 'Self' in ways that bring about profound change. This lady will come through this ordeal and find on the other side of this experience, an aspect of her Being that would not have been able to present itself if this had not taken place.

The thing is ... I used to agree with all that kind of 'understanding and reasoning'. Now ... I am not so sure. Why would anyone in their right mind agree (before they came, I presume) to go through so much? Why does growth have to transpire through deep, intense suffering? Why can't growth expand of itself through Laughter and Joy?

That is a very good question, Blossom.

Can you answer it?

If you would like to hear the answer.

Probably not, yet, try me.

Do you agree that your world is a duality concept? A world of opposites? Black/white. Up/down. Pain/Joy?

Yes.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Then KNOW that whatever one is going through, there is a counterpart of the opposite.

Why is it that some have to suffer so much more than others?

To experience the opposites that they are capable of experiencing.

The Soul you speak of is a Light Being of such capabilities. A True Warrior would you say?

Indeed. She has proved that over and over. So why would she need to now suffer once again to such a degree?

Because she knows on a Higher Level that this experience is something that will present to her opportunities that she desired to undergo.

What for?

To BE more of herself. To show others the way to overcome difficulties at all cost.

This Soul is an old Soul yet, not in ways of years in this lifetime. She has many years left to become an even Brighter Light to embrace, and assist others in ways she would not have been able to do before.

So, are you saying she 'agreed' for this to happen in order to help others?

That is one reason yet, not the main.

What is the main?

We cannot tell you this, for it would change her course, and it is not our business for her to do so.

Tell me, this immense suffering she is, and is going to have to experience ... is she then going to experience the counterpart that will be of the most immense Joy?

Yes.

In this lifetime?

Yes.

Yet, what about many people that suffer illness for most of their lives and then leave this Earth in that same condition? Are you going to say they experience their Joy when they have left the mortal coil?

Yes, indeed.

Blossom, there is nothing by chance. You may find this difficult to accept.

Yes, I do. Some things, I would agree with on that, yet, not everything is prearranged, surely? Not everything.

There is a pathway that a Soul has chosen when they chose to return to the Earth plane.

One or many?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Many.

How many?

However many one chooses different choices!

You are here to experience anything you choose you want to experience.

I wouldn't think the lady in question would want to experience this.

Yet, you are looking at it from a perspective that is not of the Highest One.

You see, Blossom, YOU ARE YOUR OWN BOSS.

Woa. I knew that, yet, put that way, it resonated with my Heart strings and they played a lovely tune!

From a Higher understanding of this lady's, or anyone's journey, certain undertakings that may not make sense to you now, have been put in place because you asked them to be in place.

I just had a flash of the next paragraph, on the lines of the man who crashed into her at 200K an hour ... had agreed to do so ... because she asked him ... before they came here.

You are already aware of that concept, Blossom, and similar relatable scenarios.

Yes ... I am. However, I am torn between 'what neatly makes sense and gives reasoning to the insanity of Life'... or thinking ... 'Is that just a way to soothe the Soul? Is that actually the case?'

What do you think, Blossom?

Truly ... I don't know! I guess the alternative being that this world is just one big mess with no reason for any of it, other than the darkness enjoying feeding off what little Light we have left! So, to choose the 'What neatly makes sense' option would be the Brighter, Lighter way to think?

Precisely. YOUR CHOICE.

But is it the TRUTH?

Your Choice is the TRUTH ... for you!

YOUR TRUTH IS YOUR TRUTH.

JUST BECAUSE SOMEONE ELSE'S TRUTH DIFFERS, DOES NOT MEAN IT ISN'T TRUTH ... BECAUSE IT IS 'THEIR' TRUTH ... AND NO MORE 'NOT OF A TRUTH' TO THEM, THAN YOUR TRUTH IS TO YOU.

Blossom, let us look in more detail.

Let us 'imagine', yet, remaining in your Light as you do so ... that the less appealing scenario WAS the TRUTH. That you are here to feed the darkness, and you keep returning in lifetimes to keep feeding the dark ... and all scenarios and possibilities that would make sense to that being the TRUTH. IF you believe ... think ... without question or doubt, that TO BE YOUR TRUTH, because everywhere around you and all

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

that is presented to you, with more to come ... is proving that this is so, then by all means ... fall into that TRUTH. Let it consume you and depress you as it will and does and will continue to do ... if that is what you are choosing to feed your SOUL LIGHT with.

Go ahead if that is what you CHOOSE to be your Truth.

Now, let us imagine that the other scenario is Truth ...

WHERE YOU KNOW THE LIGHT HAS WON.

You know that everything that is taking place FOR YOU, is because you are of the Divine and you asked to allow yourself to become more and more of that Divine, whilst on your Earth plane.

How could you experience the most incredible Joy, if you have not experienced the opposite? For there would be nothing to compare it with. There can be no comparison unless there is something to have allowed you to know the exact opposite of.

INSIDE ... IN YOUR BEINGNESS ... YOU KNOW YOU ARE LIFE'S LOVE FOR ITSELF.

YOU KNOW that you are here for a bigger reason.

You know it because you feel it.

You wouldn't know it ... if you didn't feel it. (The opposite)

Within the undertaking ... the vast undertaking of lifting the Vibration of this Planet ... You accept that this opportunity also presents other opportunities, that you would not be able to experience in the same way on any other Planet, in any other Universe ... within any other Galaxy, other than this tiny, minute Planet that is EARTH.

THINK OF THAT.

You were given this opportunity to experience THIS LIFE IN THIS WAY ... for the benefit of yourself and all mankind.

When you FEEL the FEELING that you KNOW is your SOUL saying 'Hello' ...

YOU KNOW LOVE.

Which path would you choose?

God, you Guys are good! So, could this lady ... going back to many pathways we can choose for ourselves, due to decision making, could she have chosen a different pathway to get to where she wants to be? ... who she wants to discover? ... without having to go through this?

Yes. She could!

Far out. Plus ... I have just received your next 'block of thought'.

Yet, Blossom ... who is to say that this what she has chosen, is not the least painless and quickest path to

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

get to her destination.

Meaning ... it could have been a lot worse?

Indeed, if she had chosen another pathway.

Yet, why would she have chosen one that was a lot worse?

She didn't.

Yet, why would something worse be a choice in the first place?

Choices are infinite. Choosing your choices carefully comes through KNOWING what is best for you in the long run and abiding by the most proficient way to get you there.

Do you have a message for this lady?

Blossom, this entire communication is our message to her.

And indeed, all who have felt the Truth in the words we have offered today.

Thank you. As you know, I struggled to begin with and had to walk away for a little bit. I was so dismayed by yet another 'pointless reason for another to suffer'.

Do you still feel the same?

Only if I choose to. I could change my choice of thought to KNOW THAT EVERYTHING IS INDEED, FOR A REASON. Yet, we cannot comprehend it in this density. We were not meant to ... it wouldn't 'work' if we did. (Don't know how else to put that) It is interesting to juggle one's thoughts around choices simply being a choice ... whether it is True or not! I know what I mean. I hope it has come across well enough for others to know, too. Thank you ... It turned out fine in the end!

And the extra Blessing is ... as planned ... that you connect deeply with this Soul and therefore, because of this that you do, Blossom ... she is able to receive HEALING WAVES from thousands of Souls all around the world, that had she not known you, would not have happened. Nothing by chance, Blossom ... Nothing by chance.

In Gratitude. In Loving Service. I AM

Ps. UPDATE : The lady was told that if she didn't have a skin graft from her thigh, she would lose her 'dying arm' within a few days. She refused, as they only offered her vaccinated blood, and she cancelled her operation. What a woman! Interesting that after a long while, they came back to her with a few possible alternatives! Plus, already, a few healing miracles have happened within her personal/family situations. Keep sending her Love, please, my friends. SHE IS OPEN TO RECEIVE IT. THANK YOU SO MUCH

6 July 2025

Hello there! I tried to get in touch yesterday, but you must have been out shopping or something! Wondering if you are home now and up for a chat!

Thank you, Blossom. We very much enjoy your humour. The reasoning behind this was to give your head rest for one more day, after your fall.

I had concussion for a week. So, thanks for your consideration. Although I felt yesterday, I was good to go. Obviously not.

We feel it is fine now to do so. You would be surprised, Blossom, at the intricacies involved in brain patterns, etc, when we communicate with you in this way, and more so when we speak through your voice box, although this is not the case this day.

Is there any way you can explain more on that? Both with You and White Cloud? All I do is take a few deep breaths, and it seems you guys do the rest. What actually does it involve? The word 'Neurons' is coming into my head and I'm thinking 'Oh no! Is this going to be too complicated for my unscientific head to sort out?'

Blossom and All ... for we have not Welcomed Each One, as yet. Welcome. We can speak a little on this if you would like?

Yes please. Thank you.

WE, YOU, ALL, ARE CONSCIOUSNESS. FROM IT AND OF IT.

THIS IS A ONE CONSCIOUSNESS. THIS IS WHAT WE SPEAK ABOUT WHEN WE SAY WE ARE ALL ONE. WE ARE OF THE SAME DIVINE SOURCE.

However, at this 'time', we are communicating with you, the 'you' that is in human form. Yet, remember too, the 'Full You', the 'Entire You' is within the Consciousness you know and consider to be 'Everything' ... out there ... in there ... wherever you think it to be.

So, where actually is it?

Nowhere. It simply is there.

So when we get the signal, i.e., we pick up from you that you would like to do this communication on a

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

certain morning ... we 'Click in'.

How so?

We 'Tune in' ... we consciously connect with that which we know to be your Energy upon the Earth plane, and yet, Blossom, although you very much feel we are connecting with the 'You' on Earth, we are firstly connecting with your 'Higher Being', for want of a better word, in order for 'You' to tune into that part of yourself, which brings through the messages from Us to You ... to You, If that makes sense?

We could try that in Swahili? Why do you say 'Higher ... for want of a better word'? Is it not a Higher aspect of myself, elsewhere?

It is a more complete version of You. Within your lifetime now, where you are experiencing 'Life' in human form ... the 'Entirety of You' which is also 'Us', which is also, 'Everything' ... As One ... cannot reside within the 'Spirit' that you know to be as Blossom.

The level of Light ... the Energy of Light that you are in fullness, is not able to be present in a physical sense. Are we unclear, it seems for you?

Do you mean that the Energy of our full self would not be able to be contained in the physical form on Earth, as the Vibration of it is not compatible with the Vibration we are residing within or, currently 'of'?

This is correct. However, that is not to say that this 'Complete Self' cannot be accessed. Yet, it is for so many that, as much as they desire to do so ... they have been programmed and dumbed down to such a degree, that even though they know this to be a Truth, they are unable to make the connection.

So, why is it then, I, me, Blossom Goodchild, am easily able to connect with you and others can't? I am surely programmed as much as everyone else? For some reason, my Heart is beating faster.

The answer to this, Blossom, is a simple one. It was agreed, as you know, before you entered Earth for this lifetime, that the mission you have would Serve many. This that we agreed to do, allowed for a 'pathway' to remain clear within your makeup.

You endured, for roughly seventeen years, did you not, regular 'seizures' ... 'fits' as you called them?

Yep. Sure did. Although it is hard to believe that went on for so long and interfered with my life the way it did. As YOU know, the minute I connected with White Cloud (26 yrs ago) they stopped ... just like that.

You have also had it explained to you that during those 'fits' you were being rewired, so to speak, in order for 'You' to make contact with others outside of your Earthly atmosphere. In that, the pathway that was protected in order for you to do what you do, was gradually activated.

'Gradually' being an understatement, in that it took that long! Truly ... not complaining. It was well worth it.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

The question still remains, 'Why me?' ... I know that is my ego talking.

You don't actually have the need to know, do you?

Nope. It really doesn't matter or bother me. I am, however, honoured and mind boggled that I am in this position and our 'Service' reaches so many. Back to how this telepathy and Direct Voice Channelling works, if we may?

The telepathic communication is far less complicated than using your voice box. As many are aware, language and wording are considered unnecessary on many levels of existence. The transference of thought is far less complicated and certainly more precise. Thought transference from one to another ... or many ... comes from the feeling, initially, and is understood from that aspect.

That is hard to grasp. As we only know of communication through expression of words.

Not strictly so, Blossom. Feeling from the Heart ... the True Heart, can simply be felt, and no words are necessary. Take, for example, a Heart-to-Heart hug. That is feeling without words.

Yet, we have a body to connect with each other's Heart.

Yet, you can still feel the same feeling if you choose and 'practice' without the physical attachment, can you not?

Yes. I guess so. When we think of a Loved one far away, and send Love, no words are needed. Eh ... to complicate this a little more ... If you do not have the need for words, how are you able to communicate with me in words? I don't hear them, they flow in my head.

This is where, indeed, it may be difficult to explain. We are able to 'Get inside your head' and sync up with your neuro pathways that are connected to your knowledge and understanding of words. We tap into that and 'your brain' translates what we are relaying into words, in order for you to understand that which we are conveying. For you, as Human Beings need to 'know our message' through words. Unfortunately, we cannot explain it any other way ...

So, can you automatically just 'read my thoughts' that I am writing in this moment?

Correct.

What of the 'Direct Voice' when White cloud, You and 'Others' use my voice box to speak through me? Especially when you consider how my pupils change colour and with White Cloud, I take on a male voice ... with an accent, I might add ... and with You and Others ... my Energy is noticeably different.

That is a more complex matter altogether ... and yet, not. You had agreed to do this. That is the first hurdle overcome. With White Cloud ... his Energy 'travels' and enters in through the back of your head. You are aware of the lump at the back of your head that one has?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yes. (I looked it up ... I think it is called the 'Pons'?)

Is it not so, that yours is far bigger than anyone you have come across?

Said the actress to the bishop! I DO APOLOGISE ... I COULDN'T NOT! And, yes ... you are correct!

This is where his Energy makes a home for the time he is with you in this way.

Just to interrupt here ... I have experienced an intense stabbing pain there when a new Energy has visited. Not always, and not with You or White Cloud, and it very rarely happens. Yet, full on when it does and that Energy cannot remain for long.

This is because the new visitor has not the skills to balance the Energy they have with yours. They come in too fully and upset the appcart.

Back to White Cloud ...

Knowing that he has your permission (and indeed, any Energy that comes through, with White Cloud as your gatekeeper) he is then able to adjust your voice box ... that which you use to create sound ... to suit the Energy that he chooses to use to get his message across through you.

Did he sound like this when he resided upon the Earth?

Very similar ... although he had male components within his larynx.

I must say ... his voice and change of pupil colour are quite a phenomenon ... Yet, nothing compared to the beautiful messages of Love that he brings through.

You and he, Blossom, are One.

It has been suggested before. I can't really look at it like that, as it doesn't work for me. Yet, happy to accept it on some other level just not '*This* working agreement'. I choose to look at it from the point of view as that which you said in the beginning, we are all One. So, the eyes and voice happen how? **The best word is manipulation. Using Energy, which is capable of all things, to bring through the physical attributes that White Cloud had when upon the Earth. As you are aware ... and he has said so himself ... this 'format' helps his appeal.**

It took me by surprise when he said that a long while back. Yet, I get it. If he came through with the same messages using my voice, etc, and there was no change within me physically, not so many would be attracted or intrigued.

Correct. It is coming close to the closing of this communication, otherwise, you will find your Energy depleting as your day progresses.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We would like our parting communication this day to leave you feeling uplifted by the wonders that lie ahead for Each One.

You are moving into an existence so very different from the one you know to be 'your life' at this time. A time ahead when Each One will have the skills we have spoken of here, because the veils between worlds will be so much 'Lighter' and the heaviness that encumbers you upon Planet Earth will have lifted and dissipated.

Think of the JOY this will bring to your Hearts. Where the YOU, you Truly know yourselves to be ... will not seem so difficult to access.

Where programming of the detrimental varieties no longer exist and only free flowing knowledge of the Truth of Love can enter in ... and through .. so that you may BE.

Well guys ... that all flowed so easily. Thank goodness. I was going to be pretty annoyed if you were out on another shopping spree! In Gratitude. In Loving service. I AM.

Good morning. Well, you know what? There are a thousand questions that many would like to ask, and I don't know why I don't feel right in asking them. Can you explain that to me?

Good morning to you also, Blossom, and Each and Every One that chooses to enjoy our conversations.

The reason you don't feel inclined to ask certain questions asked of you, is because of 'our' consent being required, and you are picking up on the fact that it is 'us' that do not desire to answer certain matters.

Why not?

Because ... there could be a thousand answers to one question.

Do you mean a thousand questions to one answer? What do you mean?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This world that you live in Blossom, is a simulation. This is not new to many. Therefore, changes to 'what is' can be adapted and certified, and then adapted and certified again and again and again.

Holy moly! I am confused already and we have only just begun.

Hence, why we try to keep it simple.

So, for you to even try to explain that we live in a simulation would blow my brain out?

Probably.

Can you try? For, I cannot understand that concept at all.

We can do our best. You are Energy. You are Energy expressing itself in the form of BEING. Experiencing a Life where you can feel and speak and move and do innumerable things that you choose to do.

This is why we call it a Game. We understand that so many are insulted by this terminology, and yet, it TRULY is the best way to describe this time you have upon the Planet Earth.

Well then, is our Planet actually real?

No.

What the?

Nothing is 'actually' real, Blossom ... other than the Energy of Love that you are. That you come from.

So, I come from Love and go to ... where?

This experience that was devised in order for Love to engage in itself ... in all different 'manipulative' manners.

I am struggling with manipulative

Why?

Because it means to have control over. Actually, I guess I understand why you used this term. Pray continue.

Let us put it another way.

If LOVE ENERGY ... just was ... just is ... Just Being ... itself ... Just 'sitting there' ... what would be the point of it? Would it not be bored of itself? Just sitting there BEING absolutely perfect?

I guess so.

So, in order to BE more of itself ... in order to become 'something more' ... in order to expand of itself and create more of itself ... it needed to do something.

So, it created ... everything that you 'IMAGINE' to be real.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We could put it in the way that, it decided ... because it was just 'sitting there' ... to create a game to play. There were endless possibilities and certainly, there was no 'space' left to be bored.

From this decision to play a game ... Love itself set to work ... and look at everything it created. Galaxies, Universes, Stars, Planets ... and the Human Being. The list is endless. It created LIFE, in order to express itself in a myriad of senses.

So, how is it not real then? It certainly feels real to us as we experience and feel all the highs and lows, and all that entails.

Because there is nothing else other than LOVE.

All else is a creation to allow Love to engage in different activities, in order to know ALL that LOVE is and ALL that Love is capable of.

So, this simulator ... this vast simulator ... is where?

Inside the Game.

Where is the game?

Inside the ball of creation.

Which is where?

It isn't in 'a place', Blossom.

Then with all due respect ... where the **** is it?

It is in your mind.

And where is my mind?

Inside a human form at this time ... and yet, not.

Time to pass the drugs! I'm trying to follow ... yet, not really knowing where to go with this.

Let us try to assist in ways of non-complication.

Oh, please do! As I have a feeling if you don't, this entire conversation is going to end up back where we started. Let me clarify ... Is Consciousness ... LOVE?

Of course.

Is 'our mind'... consciousness?

Of course.

I'm stuck ... don't know where to go from here or even what point I am trying to make. What I am trying to understand is how we are in a simulation.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Dearest Blossom ... there is only Love.

THAT IS ALL THAT IS REAL.

THIS MEANS THEREFORE, THAT EVERYTHING ELSE IS NOT REAL ... THEREFORE, IT IS A SIMULATION.

LOVE ... in order to expand of itself ... created all that you think is real ... and yet, all that you think is real ... is LOVE playing a game ... and to take it further ... through ultimate intelligence of itself ... it 'came up with the idea' of 'breaking itself up' into unknown quantities of itself, in order to 'enter in and play' all the different games.

FOR SOMETHING TO DO.

I know for a fact my inbox will be full of emails ... expressing their disgust at you saying that this life we have and all its atrocities, pain and heartbreaks is Love just needing something to do!

For those who feel this way, Blossom, we would, in Love, say that they are not understanding the bigger picture.

Easily done though.

Let us focus on this one particular game ... your World ... Planet Earth and all life upon it.

LET US MAKE THIS QUITE CLEAR.

LOVE DID NOT CREATE A WORLD IN ITS ORIGINAL FORM TO BE AS YOU EXPERIENCE IT TODAY.

It was created to experience and feel and express the most beautiful wonders. AND ... the greatest gift of all ... was free will.

The will to choose how to live one's Life in Love. The will to choose and feel right from wrong.

The will to share oneself AS LOVE.

So, if everything began beautifully, as Love ... what went extremely wrong ... knowing there is only Love?

You won't like what we have to say, Blossom ... yet, nothing went wrong. It is the game playing itself out.

I am sure you have said before that our world all went horribly wrong and it was decided that it had to change.

We did.

I rest my case, officer! I know not what to say! Nor do you it seems.

Would you ... do you accept the explanation that 'Your World going horribly wrong' is part of the Divine plan, and therefore, nothing went wrong.

You're pushing your luck there, Guys! Yet, it is an answer, nonetheless. I asked at the beginning, if I asked about us living in a simulation, would it blow my brain out? You said, probably. Let us pause while I pick the remains of it off the floor and try and pack it back inside this head of mine!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This is why, Dearest Blossom and Each one ... it is best to KNOW AND FEEL THE TRUTH OF THE LOVE THAT YOU ARE ... and then ... JUST BE IT.

ALL ELSE WILL BE KNOWN AND UNDERSTOOD WHEN IT IS KNOWN AND UNDERSTOOD.

Thanks, Guys, I would like to make it clear that I am just the messenger here, trying as we all are to make sense of it all. Yet, not getting very far.

Because, Dearest Blossom ... you cannot do so from your current position.

You're right. So, we will keep on Living, Loving, Laughing and Smiling ... we know that FEELS right . All else can go take a flying leap!

Well said, Blossom.

Many thanks, Guys. In Gratitude, In Loving service. I AM ... Mrs. Confused of Noosa!

Good morning. I wonder sometimes, why you didn't choose a scientist or philosopher or something, to work with you in this way. I am sure many more quandaries could be discussed. Whereas, with me, I know my mind will explode, as I am unable to keep up with some topics. For instance, AI. Many want your thoughts on that, and yet, it freaks me out wondering if we will get past two paragraphs.

Good morning to you, Blossom , and Each One that arrives here to join in these conversations.

Well, they can't really join in, as such.

Yet, they do, Blossom. Each Soul in their own way forms thoughts and opinions on the subjects. They agree or disagree. They can anger, they can melt in Love. We are aware of Each One's emotions and feelings.

Do you mean that with everyone who reads or listens to these conversations, you are able to 'hear' them? For want of a better way to put it.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Indeed.

Every single one?

Indeed.

How?

Because Each One ... as ONE ... becomes ... is a ... collective. So, in a sense, we are able to 'collect' all Energy that derives from someone tuning into that which we say.

At one time? No wait, that can't be as people tune into each channelling at different times.

Yet, there is no time for us. We pick up the Energy that you send out from your thoughts and opinions.

Mm. So therefore, you could choose a topic every time, instead of me wondering what a good one would be for the betterment of 'The Whole', each week.

Generally, we do. We guide a conversation into where it needs to go. Is it not so that many, many, Souls tell you that you take the words right out of their mouths, regarding questions and thoughts etc,

Yes.

This is because we know that which is required to be shared. That which the Heart wants to know.

So, why would I freak out about entering into the AI discussion?

Would you like to try?

Why not? I shall do my best.

AI... standing for Artificial Intelligence. 'Artificial' ... meaning it is not real.

To begin with ... only Love is real.

Yet, we understand that is not where we need to start.

Every bit of knowledge that is out there ... gathered from Consciousness, and brought through into the human understanding ... can be 'plugged in' and stored. Every single bit of information can live within AI.

Can it create its own thoughts and opinions?

It is not a living mechanism. Remember this. All information that it gives out to you comes from information that has been programmed into it.

Can AI connect directly to consciousness?

No.

No idea why I asked that. Never even thought it before. When I have asked AI a few things, one tends to be

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

polite, so that it will respond back in that same manner. Mad, I know! Yet, also dangerous I would imagine, for the lost and the lonely. who could befriend it.

Why dangerous , Blossom? If the lost and the lonely receive comfort, how is that harmful?

Because they have become attached and befriended something that is not real. It has no Heart.

Yet, for that lonely Soul ... it fills the empty space. There is nothing wrong in that, if it serves a purpose.

Ok ... moving on. Many think it will take over and stop us from using our own intuition and mind. Rendering us useless.

Those that are thinking that way are choosing to think that way.

YOU CREATE YOUR OWN REALITY, BLOSSOM.

Do you KNOW deep within you that you are here upon Planet Earth to raise its Vibration BACK into what it once was ... A LIFE OF LIGHT? A PLACE OF LIGHT?

Yes. Deep down.

Then in your opinion, would a world run by robots have a place in that KNOWING of yours?

No.

Then don't create it. We can feel your thoughts of 'That's all very well, etc, yet, until the world wakes up more fully, it may as a collective, allow that to happen'.

You read my mind!

So ... have we not been discussing the fact that you create your own world around you? It is your journey you are walking. Sometimes, such as now, Blossom, you can feel what we need to say as a 'collective ball of thought,' and yet, it is not always easy to break that down into expression of words.

I know! That is when I throw my head back and sigh, for my mind is working 10 to the dozen.

There are infinite possibilities ... infinite ... never ending. Therefore, one cannot predict what lies ahead for YOU. Not your world and the people in it. YOU, as an individual.

Your thoughts, as you know, create your world and what you attract to it and in it. That is fact.

We understand the mind wants to know ... 'What about this' What if that?'. Yet, what if ... you were to let go of all of that and concentrate on 'What if NOW in this moment I am breathing, I live in Love?

FOR THERE IS ONLY THIS MOMENT OF NOW.

Maybe there will be a world where robots run your world. Maybe there won't. Maybe there will be a world without war ... maybe there won't.

Hold the phone a minute! You have said that the darkness is leaving and we are moving into a Vibration where

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

everything is wonderful.

Because that is one of infinite possibilities.

Are you saying that might not be the case? If so, you have just lost thousands of friends!

There is always the possibility that it may not happen and yet ... YOU ... ALL OF YOU ... made an agreement that YOU WOULD MAKE THIS HAPPEN. YOU AGREED TO CHANGE PLANET EARTH FROM DARKNESS INTO LIGHT.

THEREFORE, WHEN WE TELL YOU THE LIGHT HAS WON ... IT MEANS THE LIGHT HAS WON.

YOU ARE COMPLETING YOUR MISSION.

INSIDE OF YOU ... THE STRONGEST OF THE STRONG ... YOU KNOW THIS IS HAPPENING AND THIS IS WHAT YOU CAME TO DO ... THEREFORE, YOU WILL TURN THAT POSSIBILITY INTO FORM. BECAUSE YOU CHOSE TO AND DID NOT CHANGE YOUR MIND.

There 'could be' the possibility that once upon your Planet ... you gave up and gave in, for the darkness pulled you under and you found you had no more strength to see it through. Yet ... as ONE ... the majority hung on and will continue to do so ... BECAUSE YOU CHOOSE TO.

CHOICE OF THOUGHT.

CHOICE OF BEHAVIOUR.

CHOICE OF GIVING.

CHOICE OF LOVING

YOU CHOOSE ... How do you want your life to be?

NOW ... NOW ... NOW ...

Not in the future ... NOW!

For, Dearest Souls, you are awake enough and aware enough, that choosing Love in this moment of NOW ... for that is all there is ... IS putting your future in place.

YOUR FUTURE ... is being prepared by you, NOW.

BY BEING ONLY IN THE NOW.

Yet, isn't it a valuable thought to imagine the world we desire to live in? In that, we wouldn't choose one that renders us useless. Yet, one that we dream of, where all is so different from the one we live in now.

It does no harm at all. Yet, far more beneficial to create that world NOW, rather than imagine it in the future.

Yet, it has to be in the future, for our world sure is nothing like the one we want, at this point of the Game.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

You say 'Our world' ... we are asking that you create 'Your world' ... When Each One recognises this and all its infinite possibilities ... when each individual oozes Love in every moment in their world ... DONE. DUSTED.

Yes, it is up to Each One. I totally get that. We just have to KNOW that this will take place.

What you have to know, Blossom, is how to create 'your' world ... and allow everyone else to KNOW the same ... as and when they do. Yet ... KNOW ... because you can FEEL ... that millions of you ... GET THIS.

Millions?

Yes.

That is very encouraging.

YOU, Blossom, You and ALL who resonate with what we offer ... are encouraging! We feel your courage to carry on and it is very encouraging to know that!

Well, it rolled as it rolled. In Gratitude. In Loving Service. I Am.

Morning! I have sat here for ten minutes, trying to think of something new and exciting to talk about that fits in with your offerings of wisdom. Then I thought, after 20 years of almost weekly chats ... I am not surprised! OK ... Over to you.

Good morning, Blossom. Good morning to Each Miraculous Human Being who finds upliftment in our undertakings.

Many do, indeed. Yet, your ratings in viewings are dropping. Not that I am counting, and not that I can do anything about it. It is just an observation. I don't mind. It is, as it is. Do you mind? Probably not.

Dearest Blossom. It is not for us to 'mind'. Your way of thinking we are aware of ... in that, we shall keep on keeping on, and for those that find comfort in our words, then we are Grateful. Even if only ten Souls

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

were to remain ... then we are more than happy to assist those ten Souls.

Yes. I agree. I choose not to do social media, which I am sure would help get the message out to more, yet, I am just not into all that.

Blossom, those who find us/you ... find their Truth in that which we bring forth. It matters not how, or through whom, that Souls find their Peace, find their way. All that matters is that they do!

Indeed. So ... the price of fish these days? The weather? Mind you, the weather is something we can discuss, if it suits?

The weather is a topic easily addressed, Blossom, for it is no longer natural. Simple as that.

Once upon a time ... nature was entirely different. It WAS natural. It belonged to its own system, and assisted the land in ways that were needed to enhance growth, with the right amount of sunshine and rain, and winds to spread seeds etc. Now, man decides how it works and how it can destroy. It is sadly used to cause much destruction and death, often to take attention to it, away from something that is being masked.

There are many under'lying' reasons that destructive weather takes place. Again ... manufactured by those whose will it is to destroy, rather than enhance.

Yet, this type of manipulation is also coming to an end, along with so much more that does not serve.

That is good to hear. Yet, all these things you speak of, to be honest, do not seem to be, or feel anywhere near coming to an end. To ask you of how long exactly, I know you would answer 'How long is a piece of string?'. My childishness would like to know ... yet, I know you cannot give a time ... for it is not about 'time' as such ... more so the working through of matters and waiting patiently for them to unfold.

This is correct, Blossom. This is why it is imperative for Each Soul to make the most of that which they know themselves to Be. That which they are discovering themselves to Be.

It is wise now and then to question one's 'goings on'.

Are you fulfilling your Heart's desires?

Are you TRULY making time to ENJOY who you are?

It is only YOU, EACH ONE ... as themselves ... that create the world YOU want to live in.

IT IS YOU WHO UPLIFT YOUR SOUL ... YOU HAVE COME TO UNDERSTAND THIS AND ARE MAKING GREAT PROGRESS IN DOING SO.

It is easy for me to take account of my mood and whether or not I choose to make the effort to change it, if it is downtrodden. Yet, I live in a beautiful part of the world. Stunning surroundings etc. However, for those having bombs dropped at their doorstep, I should think that is far more difficult.

Indeed, Blossom. Yet, do you believe that such Souls chose to reside in/under such circumstances?

Well, that is what we are told.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

What do you think?

Well, I can sort of agree with that ... yet, there must be very good reasoning behind that choice.

There is. There always is. Otherwise, one would not even contemplate such a life.

All Souls are playing out their roles. It can become so complex to explain. Each Soul is, in their own way, Serving the Whole. For all that one 'lives out' affects the Whole. Therefore, creating an experience for each other.

We understand that it is difficult for you to grasp that you are playing a part 'inside' a Game. For want of a way to explain this.

When you are no longer inside The Game ... you understand a completely different perspective about IT ALL.

So, when do we actually leave The Game? Is it when we pass over?

Yes.

Yet, some believe that we are in a trap and we continue to reincarnate to feed the dark who live off of our Light.

Blossom, if that is what they choose to believe ... so be it for that Soul ... to live out that Truth ... for them.

Another, who believes they return to experience many, many different life expressions, in order for them to enhance their Souls growth, and to better mankind, and to bring about change, then that is their Truth ... which they carry out.

Ok. I have been wondering whether to broach this for a long time. Some say too, that we are trapped within a dome and when we pass over and see the Light, we should turn away from it because it is a trap to keep us within the dome, in order to return to feed the dark. That by turning away from the Light, we are set free from this earthly wheel.

How do you know Blossom that, that 'concept' is not a trick to keep you away from the Light?

I don't! That's the thing. When I first heard of this, a few years ago, I was deeply depressed, for with both my parents and my husband I was with them when they passed and told them to look for the Light. Unfortunately, there was a lot of things that resonated with this trap concept, regarding why we would keep coming back. They say, so 'God' could experience everything through us, and the argument being, was ... 'How many times does God need to experience the same atrocities over and over again?' and many other factors on that theory that resonated and yet, something in me didn't agree with it. What say you on this? Many souls who have experienced NDE's have said they met the Light (God) and they didn't want to return because it was just so beautiful to be Home.

BLOSSOM, AND EACH ONE ... WHEN YOU FEEL THE LIGHT ... WHEN YOU TRULY EXPERIENCE IT ... YOU KNOW!

YOU KNOW YOU ARE HAVING TIME AT HOME.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

NOTHING CAN SIMULATE THAT KNOWING.

Yet, it has been said that the dark are so clever that they can create holograms that make us feel as if such things are real.

Some say that. Some say a lot of things.

Exactly! Therefore, we are left not knowing what to believe. Not knowing what is Truth and what is not.

Yet, we say otherwise, Blossom.

We have spoken before of THE KNOWING OF TRUTH when a baby giggles, when a rose is in bloom, when an act of kindness is offered to you, or, from you ... YOU KNOW THIS TO BE LOVE. Correct?

Correct.

When you watch a movie that presents to you a Being of Light, or, a land of utter beauty ... do you consider it to be True?

No. It is a simulation.

Yet, do you get a sense of Love from that?

I get a sense of how lovely it would be, to be in such a place for real.

Yet, you know you are not in it as you watch the movie, because you know you are watching a movie. Correct?

Correct.

In the same way, Dearest Blossom, Dearest Souls, who struggle to understand such things from the position you are in ...

WHEN YOU KNOW YOU ARE NOT IN THE MOVIE ANY LONGER ...

WHEN YOU KNOW THAT THE LIGHT YOU ARE FEELING IS REAL AND TRUE ...

YOU KNOW ... YOU FEEL ITS TRUTH.

LOVE LIGHT IS THE ONLY THING THAT IS REAL.

FALSE PROJECTIONS CAN NEVER MATCH TRUE ONES.

So, are you saying when we pass through the veil ... the Light that is presented to us is for real ... or a trick?

Blossom ... only you will KNOW this. Each and Every One will know this, as and when it takes place for them.

Because they will KNOW.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I didn't think you would give me a straight answer!

Yet, we have. EACH SOUL must Trust who they are ... and how they feel. We cannot do that for you. To say 'No, it is not a trick', or, 'Yes it is' ... takes away your experience of self.

Either way, Blossom ... THE LIGHT IN YOU AND IN EACH ONE ... WILL BRING YOU HOME NO MATTER WHAT PATH YOU CHOOSE TO BELIEVE OR TAKE.

There is no need to elaborate on that, yet, keep in mind, that there are no end of pathways for you to enjoy by Being Light and KNOWING who you are.

YOU DECIDE.

YOU MAKE YOUR OWN CHOICES.

TRUST IN YOURSELVES AND YOUR INNER KNOWING.

We are not here to tell you what is and what is not. We come to tell you that ALL KNOWING is inside Each One ... and therefore, Each One is capable and able to do what is right in their Knowing and Understanding, at any one given time.

WE LOVE YOU.

Yep. Well, none the wiser on the 'soul trap' issue. As you said, some say the 'soul trap' is a trap to make you think there is a trap! WHO BLOODY KNOWS! At the end of the day ... the one thing we do know is that we are BEINGS OF GREAT LIGHT ... and that will see us through IT ALL. In Gratitude. In Loving Service I AM.

Hello to you. It seems, and quite rightly so, that many folk are keen to know WHEN big changes are going to take place. After all, it was four years ago that Phase Two was spoken of. I.E., a second lockdown. Then there was the hype of Monoliths, etc. I understand you have no time, yet, we do ... and the crowds are restless as the world becomes more insane. Any forthcoming news on such matters?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Welcome ONE ... Welcome ALL. We are understanding more and more how 'time' plays out for you and not for us. We see the picture of the jigsaw puzzle coming together. You see month after month, year after year ticking by.

Although such things we have spoken of have NOT YET come to fruition, many things are taking place that are building up, albeit slowly ... to that which we have spoken of.

I wondered if you were about to say 'Prophesied', yet you said spoken of. Is there a difference?

The TRUTH is, Blossom and Each One ...

ANYTHING ANYONE FORETELLS CAN CHANGE.

Depending on so many factors. Depending on outcomes. Depending on behaviours and manipulations of Truth. Depending on changing of plans from one 'party' to another.

Need to interrupt. When you say 'party' ... do you mean 'political party'?

We do.

Just asking, as you don't do politics, per se.

And for a very good reason.

Which is?

That which is set before you ... can be twisted and turned in the blink of an eye. It is likened to a very intricate game of chess, and yet, the rules of the Game are no longer in play. It is not a matter of may the best man win ... it is a matter of THE LIGHT HAS WON ... and how the flow of the Game is conducted is not always as it appears to be.

Confusion is not as it seems. That's why it is there ... to confuse.

We choose not to speak of political rights and wrongs. The Heart knows within itself what is right and wrong ... by the feeling.

Yet, in the US, for instance, there is such a divide ... such hate for those who chose the opposite of one's personal indoctrination ... for that is what it is.

And this is why ... it is for us to leave this alone.

Blossom and Each One ... what is to come ... what lies ahead ... will 'eventually' stop this divide ...

FOR ACTUAL EVIDENCE WILL BE THE PROOF THAT ALL NEED TO KNOW OF.

There will be no denying or falsifying. Those days shall be gone.

I know a beautiful world is spoken of ... one that we are all working towards ... yet, in so many countries, the madness becomes even madder and we seem to be unable to change it.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

At the moment.

Will there be a time when we can then?

There will be a time when it is changed for you.

That's a strong statement. You see, that makes me feel as though something will happen on a large scale ... that which we have been waiting for. Some massive 'happening' ... and here we are again going round in circles ... round and round ... yet, no further forward. This massive Event may be in 100 years' time for all we know ... and meanwhile, here we are, doing the best we can to shine our Light in a Topsy Turvy world.

As you said 'Topsy Turvy', you were reminded, were you not, Blossom, that we used that expression many, many times? We said that your world would be this way ... and it is! NOW!

You also said, when it is at a point when it is beyond comprehension (or words to that effect) that the 'tide will turn', so to speak.

We did indeed, and we are not changing our thoughts on that.

Yet, just how much madder has it got to get?

Quite a bit.

As presentations of this madness are brought to a climax ... it allows for the Souls who have so far chosen to sleep ... to wake up. That which is appearing to take control and requires conformity ... is stirring the hearts and senses of those that many call 'sheep'. The 'madness' is so confronting as it displays itself, that one cannot help but begin to question.

For within it ... it is affecting the many instead of the few. It is now on the doorstep, as opposed to in foreign lands.

Yet, how far does this have to go? How many more people have to suffer?

Blossom, suffering has been the agenda put in place by the dark ones for many eons of time.

This was brought about through greed and the need for Power. Occurrences are brought about by a collective consciousness, and through free will, your Planet now finds itself in the state that it is in.

IT HAS TO CHANGE ... FOR IT IS DECREED!

The suffering of man has 'had its day'.

Yet, clearly not for a while it seems.

Yet, Blossom ... it is not as you think.

I don't know what to think anymore. I don't believe anything, and through your wisdom, I do my best to make the most of a bad job, as the saying goes.

We ask Each One of you to continue on in this vein.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

We ask Each One of you to find the Strength within to do so.

We ask Each One of you to ask yourself if you TRULY believe that you are making a difference?

Those of you who know ... KNOW!

Those of you who have found us ... those who found the Light within by whatever means ... KNOW ...

YOU KNOW YOU CAME TO CHANGE ALL THAT HAS BEEN OF DARKNESS UPON YOUR PLANET INTO LIGHT ONCE AGAIN.

ONCE YOU KNOW IT ... YOU CANNOT UNKNOW IT.

THIS IS WHY WE ASK YOU TO RECOGNISE THIS KNOWING WITHIN YOU.

IT IS THIS THAT ALLOWS YOU TO CARRY ON IN YOUR STRENGTH.

Dearest Ones ... Hold fast in your understanding of why you are here and why you KNOW the feeling inside of you is TRUTH.

I think many, many of us are indeed aware of that ... as always. It is just the waiting for something to really shift. Not because we want someone to do all the work for us ... yet, because we do not want anyone to suffer anymore!

Again, we say to you ... the bigger picture is so very different from the one you are 'trying to imagine'.

What else can we do, but try? And if we can't imagine it ... then we can't. Which means we can't understand it.

Which means, Dearly Beloved ...

Ooh 'ello! That sounds a bit 'Jesusy' ... with all, and I mean ALL respect. You don't usually use that term.

We Trust that it sounds as it is meant. You are Deeply and Dearly Loved.

To continue ... Which means ... that you must delve deeply into your BEING and TRUST!

TRUSTING THAT YOUR KNOWING KNOWS ... IS IMPERATIVE AT THIS MOST PROLIFIC TIME.

Hang on to that. Even when all around seems so absurd ... gather yourself ... and dig deep into the self.

Breathe into your TRUST and find PEACE.

Do this when your Energy feels it is being pulled this way and that, and all around feels uncomfortable.

TRUST. TRUST. TRUST YOUR TRUTH.

TRUST THAT FEELING IN YOUR KNOWING ... AND KNOW IT!

This is what shall see you through ... until such time when there can be no doubt that all we have spoken of IS OF LIGHT AND TRUTH ...

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

AND ... IS TAKING PLACE.

Thank you. Just got to ask, considering how we began today. Do you still think a second lockdown will take place?

We do ...

Your next words that came were ... 'Sooner than you think' ... yet, I hesitated to write them. Four years is not sooner than we think! This then ... when/if ... it does happen, will take us into Phase Two, by your account. Correct?

Correct ... and three, four, and five shall follow quite rapidly after that.

If all goes to plan, of course.

Of course. Let us say also, that plans 'on the ground' may change around here and there, and now and then take a diverse course, yet ...

THE ULTIMATE DIVINE PLAN FOR YOUR PLANET ... WILL NOT CHANGE.

And just to remind us of that in its entirety, if you wouldn't mind?

A PLANET AS IT ONCE WAS.

A PLANET OF LIGHT AND LOVING AND GIVING AND RECEIVING AND UNDERSTANDING AND LAUGHTER AND IMMENSE JOY.

You didn't mention healing?

For none shall be required.

Well ... there we go! Those of us that KNOW ... shall continue to KNOW AND TRUST ... to the very best of our ever-expanding ability to do so. In Gratitude. In Loving Service. I AM.

Hello again. Ok, I am a little tentative to ask about this. I had not heard about it until someone asked me to ask you as to whether it is real or a hoax. It is a thing called the 'Buga Sphere.' I looked it up and it 'arrived in March'. (I ask folk to do their own research here. <https://www.youtube.com/watch?v=5z9ECb9OCfg>). I was getting zilch from you when watching a couple of YouTube videos about it, assuming you were leaving it until now. Interested to what you may or indeed, may not say. Thank you.

Welcome to you, Blossom. Welcome to Each One, once again, as we gather our Energies together, which in turn, create a beautiful shift in the upliftment of mankind.

Thank you. So ... The Buga Sphere. Your thoughts please.?

We choose not to comment.

I knew that would be the case. Yet, why not? Why can't you? I would have thought it to be an interesting topic.

Blossom, there are things that are important for us to speak of and things that are not. This, for us, is not of consequence.

Meaning, therefore, it is a hoax?

Meaning it is not of consequence.

I had a feeling I would get this kind of response, so rather than ponder on the 'Why can't you comment' ... I Truly, as would you, prefer to move swiftly on.

It is not that we desire to be awkward. Reasonings we have, to 'not' comment on certain matters, are understood by some and not by others.

I personally just pick up on the 'No' or 'Yes' to be discussed. A funny business this channelling lark. So ... back to the usual? That sounds so rude. It's just that ... well, we keep going over the same ground.

Blossom, you think it is the same ground yet, it is not. You are moving all the time into a Higher Vibrational pull, into a world that is awaiting you. The movement at this time appears to be so minuscule that it is hard to notice and yet ... we tell you ... it is happening.

Good. We must Trust that.

It is not about TRUSTING THAT, Blossom. It is about KNOWING within that this is what you came to accomplish. This is what you came here for.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I know. We all know. Yet, we also have doubts and questions. We are all doing our best to be strong and send out and Be our Love. Yet, far out, Brussel sprout! Sometimes one just feels like giving up, giving in ... and just I don't know ... just ... whatever!

And what is that 'whatever', Blossom. If you were to give up, give in, what would you be doing in its place?

I can't imagine. Staring into space and not being bothered to do a thing for self or anyone.

Knowing what?

That it would get me nowhere.

Out of interest, do you think you could actually do that? Give up? Give in?

I don't think I would know how. If I were to do that, I would see little point in living.

Exactly Blossom. Because the INNER YOU ... THE TRUE YOU ... THE REAL YOU ... THE YOU THAT IS YOU ... KNOWS THAT YOU ARE HERE FOR A BIGGER PURPOSE!

THAT BIGGER PURPOSE IS OF YOU.

IT IS YOUR REASON FOR BEING ON THE PLANET.

YOU KNOW when you are 'in the zone' ... when you are in alignment with LOVE ITSELF ... that you are making a difference to the Energy.

Yes. Yet, one Human Being presenting a smile to another seems quite trivial an action compared to annihilating the darkness on much deeper, heavier complex levels. I know you will correct me ... in that a smile is NOT trivial etc. Yet, sometimes, the task to rid the Planet of its darkness seems so huge to comprehend the 'How to do it'.

You are correct. The Smile from one to another is LOVE ... Indeed, that is not trivial. It makes all the difference to the Heart you are smiling at, and the Heart the smile comes from.

As frustrating as it can be ... that which is taking place behind the scenes is of a much more intricate plan. It is being carried out on a level that is of Top/Highest protection, for it is not for its ways to be known, or it would be squashed by those who are rebelling against it.

So, we keep on Trusting, right?

Right. Yet, you do not have to. We are not saying you have to TRUST what is being said. You choose to KNOW this as Truth ... That the Light has won ... or, you don't.

There is much scaremongering thwarting the avenues of information.

You can say that again. No one knows what to believe. It is difficult to Trust when we are unsure of who or what TO Trust.

Can you Trust yourself, Blossom?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

What exactly do you mean?

We ask if you Trust yourself, in regard to KNOWING YOU ARE LOVE AND THAT IS WHY YOU ARE HERE.

Yes. That is something I feel so strongly about at times, and yet, other times ... it seems like we are getting nowhere fast. I can't say I Trust my knowing regarding whether something is real or fake. As in the Buga Sphere, for instance. I just didn't know either way. It bugs me a little as to why you can't give a 'Yay' or 'Nay.'

To what extent?

It confuses me as to why you can't/won't?

Because it is not for us to disclose.

Why not? I don't understand why you can't just tell me. Why was I getting a blank from you when watching a video about it?

We repeat ... it is not for us to disclose.

No offence, yet, what difference would it make? It wouldn't change the course of the Universe if you told us your thoughts on it. It's not like millions read our conversations, and Truly, I don't mean that rudely, or in any way other than factual.

Again ... It is not for us to disclose.

Oh, alright. You win! I'll desist. So, back to the Trust thing.

May we interrupt? Blossom, do you Trust us?

I LOVE YOU. Trust is not really the word to describe my Love for you. I have been channelling you through for 20 years now, and we have certainly had our ups and downs. Things you have said are now happening ... Others haven't happened ... yet. I KNOW you are not a figment of my imagination.

What gives you that knowing?

Well, for a start, you use words in sentences that I never use ... and they make sense! The thing is, for instance ... when I receive the daily affirmation cards from You ... they are beautiful and heart-warming. They are intelligent! They give one hope ... and fill my Heart with ... well ... KNOWING that those words reach deep within. It is the LOVE thing from you that keeps us all going, I think. The rest of which you say ... well, to be honest, we can only wait and see if it all comes about. Maybe in my lifetime... maybe not.

Blossom, Dearest Blossom, that is the best answer you could give. When you KNOW that our message is primarily to reinforce the FACT that YOU ARE LOVE and ONLY LOVE ... when you receive that connection of KNOWING this Truth in your Heart ... then we Rejoice!! For we are doing what we came to do. Through you. We know it is hard for you at times, Blossom, on a personal level.

Yet, it shouldn't be hard. Why am I always so relieved that another channelling has been done? Why do I not get really excited at the very thought of connecting with you?

Because of the pressure you feel.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

I hadn't really thought of it like that ... yet, you are right. After I have posted a new channelling, I am always so relieved that the comments seem to say that you have helped so much to keep folk going through the Topsy Turviness. The dodgy comments, after all these years, are like water off a duck's back!

And that is why, Blossom Goodchild ... WE continue on with this agreement that we made.

WE are all connected.

WE recognise the Truth together, in what is being offered, because the Heart feeling lets us know it IS Truth.

I do know all this. Just feeling a little weary at the moment and weariness brings one's Energy down.

Then call on those 'Off-World Beings' who are waiting at your beck and call to assist you in feeling more uplifted. You are not bothering them. You are helping them fulfill their purpose also.

Should we not be knowledgeable enough to do it for ourselves?

You are! Indeed ... and yet, there is nothing wrong with asking for an Energy Boost when you are feeling depleted.

Yet, we have tools to do it ourselves. Isn't this where we find our own strength by doing so?

There is a song in your world, 'I get by with a little help from my friends'.

Friends, Blossom, and the Love friends have for one another are so important. It is important for one to remember that as much as one likes to give to another ... it is so very important also, to receive in Grace. It is within the Giving and Receiving that allows the Energy of Love ... to flow.

God. I had no intention of this being a 'Mini Moaning Minnie' session... and yet ... here she is!

We could call it 'expressive'.

Nice!

Dearest Blossom, Dearest Souls, you were told there would be times when you felt so tired of all that you were having to deal with. When you felt tired because there would be poisons hitting you in every way from every direction. When your Heart that is so full of Love ... would feel so depleted because all around you presents as darkness.

When your Being of Light could not understand that another Human could behave in such atrocious ways to another. You were told these things, and you still agreed to come, because you knew that no matter what you had to endure ... YOU COULD SEE THIS MISSION THROUGH.

Do not beat yourself up when you have down days. Sit with them ... Breathe in Love and KNOW that ALL IS WELL.

IT IS ...

ALL IS WELL.

Hello, my friends. You start!

Welcome Blossom! Welcome indeed, to ALL Souls who find their way to these conversations that are designed to uplift the Spirits of those who are struggling and feeling downcast. Our 'radar', for want of expression, tells us that many of you are depleted with all the 'Not goings on' that you would like, and all the 'Goings on' that you would not like.

From those I have spoken with and emails received, this is very much the case and has been for a long time. I would say the lack of enthusiasm to keep on going would be a major contribution to the way we are all feeling. I have had a few things people have sent through, channelled perhaps, to say that all these emotions etc we are going through are part of Ascension. Would you agree?

It is difficult to pinpoint exactly that which, as an individual, yet collective, Human Being ... you are experiencing, and where it derives from.

Yes, we could tell you that conflicts of Energies put such disruption of mind into place. That is a major cause.

And others would be?

Releasing that which has been ingrained within the system of not only Self, but All!

One cannot move up into a Higher Vibration whilst still carrying such burdens. One must, and has to allow ... lifetimes of, not only yours, but all others, to be set free and removed from the inner and outer Energy complex, so that one becomes Lighter of Soul Being.

One, when actively deciding to let go of such ... to recognise such behaviours and chains that bind ... can then take actions that will bring about great change within the Self.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Which, of course, makes it even harder to be of Light and Love when one is experiencing such doldrums and confusion. Which in turn could make us feel like 'What the actual Dickens is going on? What is the point?' Here we are stuck in this madness, and not really contributing to the upliftment in any way, shape, or form ... rather surely, hindering the process by being so over it all, physically, mentally, and emotionally. We feel so drained of our Light. I know what you are going to say.

You do. Indeed.

THE STRONGEST OF THE STRONG were chosen, Blossom, in order to complete these monumental tasks.

THINK ABOUT THIS FROM WITHIN THE DEPTH OF YOUR UNDERSTANDING ...

WITHIN THE DEPTH OF YOUR BEING ...

LISTEN TO THESE WORDS WITH YOUR EARS, YET, FEEL THEM WITH YOUR HEART.

WITHIN EVERY BREATH YOU TAKE ... YOU ARE CLOSER TO THE NEW HIGHER VIBRATION THAT YOU HAVE COME TO YOUR PLANET TO CREATE.

We cannot take away your pain and anxieties. This releasing of old is part of the Plan to move forward.

YOU KNOW THIS.

Consider ... how can bringing up, recognising and setting free ... with Love ... the atrocities and downfalls of man through freedom of choice as a collective, be a Joyful, Happy thing to experience?

IT IS MAMMOTH.

IT CAN ONLY BE DONE BY THE STRONGEST OF THE STRONG.

YOU CAN ALL FEEL HOW MAMMOTH IT IS.

And it is not enjoyable at all. It makes one just want to give up.

Yet, within that, there is the surrendering to LOVE.

What else is there to do?

BE.

KNOW ... that all this that feels so overwhelming is part of the process that you agreed to come and be part of.

YOU KNOW that working through this phase and all that is to come will lead you to the pathways that show you the TRUTH.

When one walks on the pathway of Truth, when one looks ahead from there, all one sees is a Brighter Light to walk into ... and ... the vision of the Bridge ... that once walked over ... ONE WILL KNOW THAT ALL OF THIS THAT YOU ARE GOING THROUGH ... WAS WORTH EVERY TEAR DROP SPILLED.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

You have a choice, Blossom. You ALL have a choice. You can either know this to be a Truth or not.

Sometimes, to be honest ... I can think, well is that way of thinking, just a way to keep me carrying on? What if this isn't the case at all, for there is very little evidence of us, as a collective, walking in the right direction? What if the way we choose to feel is just a way we choose to feel, and yet, isn't how it is all going to end up at all?

If that WERE to be the case, Blossom ... would you not have preferred to feel the way you choose to feel in Love, rather than have spent your days waiting for the gloom and doom to completely overtake?

Yes, I know, there is that way of looking at it. I have had many searches into the Soul of late, and I asked myself the question ... 'If I was offered a 'Get off the Planet' card, and I mean dying, as opposed to tootling off around the Universe in a yellow submarine ... would I take it?' After weighing up the pros and cons, my heart says stay. Even though we are told that beyond the veil is so beautiful, and of course, I could once again be with Goody. So that wanting to stay is because ...?

BECAUSE YOU ARE A WARRIOR.

BECAUSE THE WARRIORS THAT WERE GIFTED THIS OPPORTUNITY WOULD KNOW WITHIN THEIR CORE BEING THAT THEY ARE HERE TO DO WHAT THEY CAME TO DO ...

AND NO AMOUNT OF DISCONTENT AND DISTURBANCE ON A DEEP SOUL LEVEL WOULD CHANGE THAT KNOWING.

Yes, I think that is it. Something in me KNOWS, no matter how many off days we are all experiencing, that TOGETHER we shall remain IN LOVE, LIGHT AND TRUTH and see this mission through. To experience the feeling of others all over the world ... Feeling the same, KNOWING the same, Fighting for the same, (for in my mind it is a fight) ... brings such strength and determination in those moments of clarity ... Rare that they may be.

GIVE UP THE FIGHT.

Sorry?

GIVE UP THE FIGHT, BLOSSOM. THE WAR IS OVER.

Not from where I'm sitting it 'aint!

Then sit somewhere else! Sit with us. Pull up a chair!

ALL that is presenting in your world is a GAME ... a movie ... call it what you like.

From where 'we sit' ... we watched the preview! Therefore, we know how it ends.

YOU WON! AND YOU ALL LIVED HAPPILY EVER AFTER!

If you KNOW this, rather than HOPE this ... you can set yourselves free.

You also watched the preview before you came! Otherwise, your wisdom would have prevented you from taking the journey if you had seen it end in disaster, would it not?

Yes, there may be out-takes and rewrites along the way ... That's LIFE!

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

HOLD ON TO YOUR INNER KNOWING.

DO YOU KNOW IT?

I know it as a FEELING when I breathe and go within. Or breathe and look at the ocean etc.

That feeling, Blossom ... that KNOWING ... is TRUTH ... OF WHO YOU ARE.

That automatic, deeper breath that arises from within TELLS YOU ... You are not of this world ... you are not from this Planet you call home ... it tells you that you are from LOVE.

It reminds you that you ARE LOVE. Just within that one unexpected deep breath that taps you into ... HOME.

Thank you. Thank you. Thank you. Even though we know these things, we need constant reminders and support.

And we shall always be here to give it to you.

Not just us, Blossom ... Beings from so many places and spaces have you constantly in their 'Blessings'. For what takes place as your Earth Plane takes its new stance ... its new Higher position ... as 'small in stature' as it may appear ... affects THE WHOLE ... affects EVERYTHING.

Yep. That's quite a conundrum in itself that this tiny little Planet ... some have been known to call it a ship ... is somehow going to do just that. Affect EVERYTHING.

That ever was, that ever will be. In this moment of NOW.

PERHAPS, IF YOU KNOW THAT AS A TRUTH, YOU WILL UNDERSTAND AND ACCEPT JUST HOW VERY IMPORTANT YOU ARE ... AND HOW LIGHTFILLED YOU MUST HAVE TO BE IN ORDER TO TAKE PART IN THIS DIVINE PLAN FROM THE GROUND UP!

RECOGNISE THAT YOU HAD TO BE SO VERY ENLIGHTENED IN ORDER TO HAVE THE STRENGTH TO SEE THIS THROUGH. For as you say, Blossom ... It is no easy task!

You're right there!

We are indeed. May we suggest that you do not let the repeating of the Mantra slip away. It offers so much Strength within its coding, which is reinforced each time it is felt.

I AM THE LIGHT

I AM THE LOVE

I AM THE TRUTH

I AM.

Good work there, chaps, mentioning the coding, as someone sent in a reminder of a channelling we did in '22 about just that. I will put the link below. Well ... there we go ... there we have it! Again ... such Gratitude from me and I know also, from all those who have gained great insight, strength and upliftment from this discourse this

Right chaps. Give us what you got ... because by all accounts, most of us are over this!

Dearest Blossom, Dearest Souls who are 'over this' ... we come to Uplift and Encourage and supervise.

Supervise what?

Trying to keep your thoughts in alignment with who you Truly are. For is it not that many of you are finding yourselves on a slippery slope into the 'I feel like giving up' state of Being?

It is indeed. The awakened Souls I know, all join in with me on the moaning minnie front, as we are depleted from trying so hard to keep our vibe high. We know this is our ultimate weapon, yet, at the same time ... we seem to be running out of ammo!

And ... this is why we keep doing what we are doing, Blossom. You may feel that these messages are all the same, that we rarely present anything new. This is because at this stage, there is nothing new to present.

Everything we desire to pass on that will be of great assistance in fighting the end times of this war, we are doing.

Others who desire to know this and that about this and that, do not serve in terms of what WE know to be of Service to the Soul and to the Whole.

As you say, Blossom ... your ultimate weapon is Joy and Laughter and Kindness and Thoughtfulness and Understanding and Giving and Loving ... all such things DESTROY the darkness.

This we know. Yet, I know I speak for many when I say that trying to maintain any kind of level of Joy and Laughter in particular is a major task. It doesn't feel like the Light has won at all.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This is because everything is Topsy-Turvy. Do you recall these words we have mentioned many times before? We have said many times that everything will feel so Topsy-Turvy.

Let us give you an analogy of a washing machine. You are still being tumbled around within a mishmash of goings on ... going on within you and within your world, and you are mixed up within all of it. Yet ... eventually the 'cycle' moves on and all that 'dirt' has been washed off and is now ready for the rinsing.

THE CLEANSING ...

And then a full-on spin!

Yes. Everything once cleansed will go into spin mode, in that ... everything then will start happening so fast.

That's good to hear! Nothing makes sense. We have no idea what is REALLY taking place in front and behind of the scenes, and yet, you tell us to laugh and find our Joy. Well, to be honest ... Life, for a great deal of us, isn't working out so well ... so 'Joy' doesn't appear to be on the menu!

So, what do you propose can be done about this, Blossom?

I was hoping you could tell me.

We do. All the time.

Exactly! Yet, we still struggle.

What would you say is the hardest thing to deal with?

Well, we all have our personal trials ... and then there is the global confusion. It's like your whites, your coloureds, and your darks are all mixed up in that same wash load, so I can't pick out one particular thing.

Try, if you wouldn't mind.

Ok. So ... being exposed to so much darkness. It's everywhere and in everything. This week I took my grandson to see a movie called 'Sketch'. It turned out to be a full-on kids' horror movie ... and I mean demonic! It is everywhere. Everywhere we turn. So, for us, it is hard to find, or should I say perhaps, 'Feel' the Joy in a flower etc, because it feels sometimes like it has literally sucked all Joy or Happiness out of us. Sounds dramatic ... yet TRUE ... as I KNOW many are feeling this way.

So, you are saying you don't feel like the STRONGEST OF THE STRONG?

Absolutely, I am saying that.

Yet, you can see why one would need to be?

Absolutely. As one individual ... it feels so lonely.

Yet, and you know all we are to say

Yes, I do.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

AS ONE PERSON ... KNOWING THEY ARE NOT ALONE ... KNOWING THERE ARE THOUSANDS HERE ON YOUR PLANET WITH YOU ... FEELING THE SAME ... INSIDE ... KNOWING THE SAME POWER OF LOVE ... WITHIN ... KNOWING THAT AS ONE VAST GATHERING OF SOULS ... MILLIONS ... YOU CAN CREATE A LIGHT SO BRIGHT ... THAT IT CHANGES YOUR WORLD.

Yep, get this. I get all you are saying and have said. Yet, here I am ... feeling no enthusiasm whatsoever to 'Get on with it'. So, where can we find enthusiasm? You will say 'inside'. I know it's there, within me. Where else would it be? Where else would we get it from? Yet, it doesn't want to come out to play.

Many of you received much strength and comfort from White Cloud's words in your last video.

LISTEN TO THIS KIND OF ENCOURAGEMENT OVER AND OVER, AND OVER AND OVER, AND OVER AND OVER AND OVER.

KEEP TELLING YOURSELF WHO YOU TRULY ARE.

KEEP SAYING THE MANTRA.

We do. This is what I am trying to explain. All these tools ... all you have given us ... it feels a bit like we are flat lining. We have become a bit zombified in order to switch off from all the horrors. It feels we are very much on the edge of something ... a cliff perhaps, and not knowing if we will jump and fly ... or fall or, be pushed and splat on the ground!

YOU WILL FLY. YOU WILL FLY. YOU WILL FLY.

We have to TRUST that.

Yes. You do.

Dearest Souls ... Because all that is showing up is so Topsy Turvy ... you must hold on to your TRUST.

TRUST IN THE KNOWING THAT YOU ARE HERE TO FULFILL THE DESTINY OF YOUR PLANET.

You are here for a very specific reason.

You are right in the thick of it now. Yet, you must keep on keeping on.

You are so close to the finishing line.

With respect, I remember White Cloud saying that just before December 2012, and here we are, soon to be in Dec 2025!

Time, Blossom. Take away the time factor.

THE TIDES WILL TURN.

THEY WILL.

And suddenly, all will become different.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

You shall be able to make sense of the madness and why it had to be.

And as those pieces of the puzzle fall into place ... you shall have renewed Hope.

You shall regain your Strength. For it shall be apparent that the darkness has lost its hold, and as this takes place ...

IT SHALL BE LIKE A STEPPING THROUGH INTO A VIBRATION THAT LIFTS YOUR HEART AND ONE SHALL FEEL THAT THE TIME HAS COME ... THE TIME HAS FINALLY ARRIVED ... FOR IT ALL TO CHANGE.

I could feel that as you said it.

Do you feel it as a Truth or a possibility?

I'd like to feel it as a Truth.

In that moment, as the words came through, did you feel it as a Truth, Blossom?

Yes.

Then, KNOW IT TO BE SO.

DON'T GIVE UP.

DON'T GIVE IN.

LET GO ...

Shouldn't we be holding on?

That would depend on what you are holding on to.

ALLOW. ALLOW. ALLOW the Divine Plan to unfold ... and remain in ABSOLUTE KNOWING THAT THE LIGHT HAS WON.

Observe this movie. Detach from it and observe. You will see it from a different perspective.

Blossom and all ... YOU KNOW HOW LOVE ... JOYOUS LOVE, FEELS.

Why not give yourself the opportunity to sit and Be and recall a time when you DID feel this way. Breathe it in. Feel it throughout your Being. KNOW IT ... and keep it with you.

Keep doing this ... as part of a daily routine perhaps.

YOUR THOUGHTS ARE SO IMPORTANT.

GUARD THEM WELL, Dearest Souls.

CONTROL THEM.

Blossom Goodchild

BE AWARE AT ALL TIMES OF HOW THEY ARE MAKING YOU FEEL.

Replace thoughts that take you down the wrong path with thoughts that make you feel Lighter.

And we send you so much Love and Encouragement to make it happen.

Thanks, Guys. I know I seem like a real misery these days. Yet, this is simply how it seems to be at the moment. Not just for me, yet many.

We thank you for BEING TRUTH.

We are trying our best. In Gratitude. In Loving Service. I AM.

Good morning! It has been quite a while since we communicated telepathically in this way. What 'ya been up to?

Welcome back, in this way, Blossom. We don't 'Get up to much'. Yet, we are up to speed with everything.

Can you explain that in more detail, please?

WE ARE.

WE ARE THE I AM.

As are Each One of you. Therefore, due to that Awareness, we can tap into anything and everything at will. For everything is US.

So, you are Consciousness?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

As are you.

So, why is it that you are 'labelled' ... The Federation Of Light?

For identity purposes.

We are a formed group of Light Beings that 'belong' within Consciousness. We do not have a specific 'home' ... or reside on a particular Planet. We choose to 'come together' to connect with your Earth and many other systems that care to connect with us. Our aim is to bring Joy and to uplift the Souls of other's who may be seeking assistance.

Are you always together as a group?

No. For it is not necessary. For want of a better way of putting it ... We move through segments at will.

Imagine trying to explain Consciousness, Blossom ... It is not possible.

A few times in the past, I felt as if I had 'joined' you. You seemed to be a gathering of 12 Light columns in a circle, and I was in the middle. Another time, we seemed to be sitting at a table discussing things, even though you were Light columns.

This was a way to present ourselves. Was it not that you felt each one of us as individual, even though we had form, yet no faces?

Yes.

So, in the same sense ... we know Each One of you as individual and yet, you are ... like us ... One and the same.

It is really hard to grasp as to 'where' you actually are. The same as with 'Goody' ... and all those we know that have passed over. Where actually are they? You will say in Consciousness ... yet, my Google map doesn't bring you up!

Blossom, dearest Blossom ... You KNOW yourself as Blossom Goodchild ... a Human Being. You also understand that you are much more than that and are just choosing to have this human experience at this time. You are also aware that you have had many lifetimes as a human. You can consider this, yet rarely does one consider lifetimes on other Planets when one was not in Human form. Where were you then?

Obviously, on other Planets?

Where were they?

No idea.

We would say to you that they were 'In existence'.

Where?

Nowhere as a 'place'. Your Earth is not a place ... it is a creation of Consciousness.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Yet ... created into a reality? I can feel a mind bender creeping up.

You assume it is a reality because this is where your focus is. So, let us 'pretend' it is real for a moment. You are currently sitting on your sofa, in your house ... around you are objects that you have put within your walls to make your house feel like a home. Correct?

Yep.

Yet ... Everything you are experiencing is a creation of Energy brought forth from your mind. It could, in an instant, all just disappear and we include YOU within that.

Your point being?

Energy. Everything is Energy. Everything around you. Everything within you.

It is simply Energy in form. Everything that you think is real, is Energy in form.

When you see us present ourselves to you as Light Beings/Light columns ... we are just presenting to you a form of Light Energy that expresses a level of our Consciousness.

So ... how/who determines those levels?

The self ... as One.

If you consider that EVERYTHING is within a ball of Consciousness ...

THEREFORE ... EVERYTHING ... WILL INCLUDE VIBRATIONS AND FREQUENCIES OF ALL THAT IS.

Our Vibration resides within that ball on a Frequency of High Light. We KNOW ourselves to Be that and this is comfortable for us/ to us.

Can you be in, or go into a Higher frequency?

Yes ... and we do. Yet, in order to communicate with you in this way, we 'form' our group on a Vibrational Frequency that is compatible to reach out and touch yours.

So ... within the ball ... everything is. That means darkness too?

Of course.

Yet, we ask 'Consciousness' or the 'Universe' or 'God' for assistance and guidance. I think you know my question, as I don't know how to express it.

Blossom, and Each One ... you are a magnet ... attracting to you that which you desire. That which you are 'making yourselves out to Be'. Therefore, all your thoughts of well-being will be 'delivered,' shall we say ... to the Vibrational Frequencies of Well Being.

Yet, it seems sometimes the postman delivers to the wrong address! For I know many who ask for 'Well Being' and they are good Loving Souls, and yet, their prayers do not get answered.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

As much as you may find this difficult to comprehend ... All prayers are answered.

You are right ... I don't understand that. Not at all. For those in great pain, either mentally, emotionally or physically ... they pray for relief, yet it does not always come, and then ... they pop their clogs! No prayer answered there.

And we say to you, that when they, as you so delicately put it, 'Pop their clogs', they instantly, and we mean instantly, see how their prayers WERE answered, yet, not in the way that they were expecting. That can go very deep and not for this conversation today.

Yet, I have 'heard' that some folk, after passing ... feel lost and need time to adjust and recoup after their traumatic experience on Earth.

This is so ... and yet, it doesn't mean that they do not understand the purpose of everything that took place in that particular lifetime. Many are keen to return as soon as possible once 'purposes' are understood.

Tomorrow is the 4th anniversary of Goody's departure. (I had this chat on Oct 30th) My heart still aches deeply. On behalf of those like me who feel such loss ... could you please offer some soothing balm?

There is nothing that you do not already know, Blossom.

Loved ones who have moved through the veil into 'somewhere else' ... are able to be part of you in a way that can be deeply felt ...

Yet, sadly, unseen. Once, Goody, not long after his passing, appeared in a dream, yet, not a dream. He was so real and so so so very happy. That made me happy for him. Why is it he was only able to do it the once, when he must know my heart yearns for that experience once again?

Blossom, do you not receive little 'forget me not' signs from him at the most poignant and in need times?

Yes. Yet, this doesn't answer my question, and you've gone silent. I feel he is here now ... Loving me ... yet, that sort of makes the heart ache more! Why can I not have that experience again ... you must have an answer, surely?

Because ... for now ... that is how it is to be.

There are times with you guys that I know it is pointless to persist. You must have your reasons, and I must accept that. I know I am Blessed to receive the signs I do ... It is indeed satisfying and Heartwarming when they happen, and I am very Grateful for them. Some do not have that experience.

We would like to offer these encouraging thoughts.

As the Energies entering through to your Planet become Lighter and Higher ... YOUR Vibration lifts into a Higher and Lighter Frequency ... which in turn enables 'contact' with not just those who have passed over, yet with different species of Beings from other Planets and Higher Beings of Light ... to become so much easier and much more frequent.

You shall Know your Loved ones in a more suitable /agreeable fashion. One that not only soothes the Soul, yet lifts the Heart's Frequencies to a degree of much Joy.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

That indeed is a lovely thought. Thank you.

We know that on another level, Each One of you understands so much more than you think you do.

You consider yourselves ... for now ... trapped inside a Vibrational Frequency that prevents much from being understood.

FREEDOM IS COMING.

Freedom is already with you, and as the veils are gently and softly being removed, this shall bring much Enlightenment. In such a way, Blossom and All ... that questions that are being asked at this time will no longer need to be answered. For so much ... so much more shall make sense as to the whys and wherefores of ALL THAT IS.

Thanks, Guys. Appreciate you coming together to assist.

And we appreciate Each and Every One of You ... for Being exactly as you are.

In Gratitude. In Loving service. I AM.

Good morning to you. A lovely lady wrote in to ask if you could describe LOVE, as she felt there was a lot more to it than we are aware of, or how we think it is.

Good morning to you also, Blossom and Each and Every One who has come to know us, as we have them. We hope you are not too tired, as we are aware you attempted communication in the small hours of your morning, due to the full moon disturbing your sleep patterns.

I hope I am not too tired, also, as I need to get this done ... even though it is still only 7 am.

Regarding the posed question. I do not think we will surprise you when we say LOVE is LOVE is LOVE is LOVE. Yet, we understand that is not all that is required.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Indeed. I will put the link below to your beautiful explanation/meditation on Love that we did a good few years ago. Always worth a visit I feel.

Love is a Feeling, and words cannot do it justice. That which you know in your Heart to be Love ... is Love.

Are you able to go deeper in explanation?

We could talk about Unconditional Love and yet, it is as it describes ... no conditions, just Pure Love.

The level of Love that you can feel within your human form can overwhelm you at times due to its Divinity. Yet, the lady is correct ... as LOVE exists on Higher Vibrations ... the intensity of it is far greater than one can comprehend within the density of Earth.

Even through meditation, one may reach Peaceful 'places', serene 'spaces', yet that which is of the Higher levels of Love are unable to be experienced by you whilst in the form that you are.

Do we all know of this Higher form when not in the body?

You know of 'A' Higher form than of now yet, very, very few have reached ... shall we say ... the pinnacle.

Then there is beyond the pinnacle ... where there is no form ... for the Highest of High levels of Love simply IS ... BEING.

Ultimately, there is not a lot we can say. It cannot be described ... only felt.

I understand. I actually do. You have also talked about when we sleep. Can you elaborate on that, perhaps, as it seems to be of interest to many?

When you sleep, it is for your physical body to rest and for your 'Spirit' to recharge and your 'Soul' to touch base with home.

Are not Soul and spirit the same?

The Spirit is the Divine Essence of you ... the Soul is the more personal you.

Mm. Thank you. That's precise and to the point.

As we have mentioned before ... There are all manner of 'things to do' when one is sleeping. It depends entirely on the individual and their requirements.

Requirements in this case meaning?

One may be experiencing tough times in their awakened state and feel out of sorts and drained, therefore they may take themselves to the most Glorious places of Beauty where Peace can be restored within them and Energy replenished.

Others may meet with Guides and discuss personal Earthly issues and how best to deal with them, if this is what they require.

Many simply enjoy roaming around and playing ... experiencing freedom that is not available in the

Blossom Goodchild

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

human form.

Many choose to take on errands.

Such as?

There are numerous possibilities. Some may be smaller, Lighter tasks such as playing with younger Souls that have passed and soothing their troubled Souls.

Some, however, who are capable of doing so ... would we say, more experienced Souls ... can go on rescue missions which involve entering into the darker vibrations and bringing Souls into the Light.

This is a deep matter yet, briefly we would say that when Souls lose their way on Earth and delve into darker behaviour ... they 'place' themselves, when they pass over, in a Vibration that they believe is suitable for them and that which they feel they deserve.

Let us make this clear that a Soul cannot reside in a Vibrational Frequency that they are not of. That they have not reached. It simply is too uncomfortable for them to do so. They may feel they would like to be in a Higher Vibration, yet they must attain attunement with it in order to be in it.

There is no judgment... any judging is done by the Soulself for they know OF themselves.

They are encouraged not to judge others or themselves, yet simply to understand the system.

So, can you clarify please ... when one passes over, they are relieved obviously, of their earthly turmoil and ailments and are free, yet, are you saying then, that everything is not automatically fine and dandy?

Again, Blossom ... a complex subject. Yes, one is free from the human form, yet not necessarily free from the behaviour and possible afflictions of that lifetime that may have caused harm to them ... or they to another. Such things must be understood as to the whys and wherefores, and yet, they will go through a process of understanding.

Assessments are made ... by themselves, with perhaps assistance from Guides, as to why they took certain actions and displayed certain behaviour. From this new place of understanding, they can forgive others and themselves, and in this way, they are able to 'move up through the ranks', if we may put it that way.

Nothing, when 'on the other side' happens in a way that you know of upon Earth. Mainly because when judgment is taken away and replaced by understanding ... a whole new perspective on everything is presented.

So, back to your question ... Soul's when sleeping, can either choose or be assigned tasks, yet they are always within the 'department' of the Soul's capabilities and wishes.

Many choose to gather in groups and collaborate on a project as such, that is to send out their Light, together as One on a particular situation or circumstance. These 'projects' may be Monumental, say for instance, sending Light Love to war-torn countries and filling the Souls who are suffering with Comfort and Peace.

Other gathered groups may 'visit' situations on other Planets and put Light into what is needed there.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

When you say 'visit' other Planets, do you mean literally?

Blossom, when you are unshackled from the confines of the human body, your Soul Being is free to go where it likes. Should that be to send Light into another Planet, then yes, they can go there.

Do they need to go there? Can it not just be done by Energy transference?

Indeed, it can. Yet, there are situations that may require a more 'intimate setting' where acknowledgment of something 'around and about' can be more intense and fitting.

In a nut shell ... as many situations that you can think of, be they of the tender Loving nature or the more forceful requirements to remove dark energies ... they can be done when sleeping.

Little time to dream then.

Another topic altogether.

I think if you tried to explain dreaming, my head would combust ... My dreams are so bizarre.

As is, dear Blossom ... the human mind. The human psyche, which is all mishmashed up in a ball of thoughts, expressions, confusions, capabilities, sorrows, doubts, fears, etc ... You name it ... that 'ball of dreams' ... again for a way to express ... is another mind blowing concept that is very difficult to put into human terms of understanding.

I can see that it would be.

There is also the way when one sleeps of just 'switching off'. One goes nowhere other than 'zones out' for a time ... into nothingness. This is favourable to many who are exhausted.

So, is that what we would call simply 'BEING'.

No, it is different. When you are BEING you are aware of Being ... when one chooses to zone out for a time, they are aware of nothing.

Is it also correct that when we sleep we are still attached by the silver cord which can stretch as far as need be ... we need to keep attached in order to come back into our bodies. Is that right?

Correct. It is that same silver cord that keeps one's Spirit attached to the body whilst living life upon your Planet ... Once the silver cord is cut ... then life leaves the human vessel.

As I have heard. Well guys, we didn't do too badly today, I feel we packed quite a bit in. Thank you.

You are most welcome, Blossom.

We finish this communication by saying that the Energies are really stepping up now at a fast rate.

Energies that you can enjoy and feel within your Hearts to be Good Energies. Make sure you take note of them ... accept them and give Gratitude for them ... in doing so you will reach Greater Heights of Love acknowledgement.

Hello. Good morning. Can you talk to us about these massive solar flares that are heading our way, their effect and perhaps, the purpose? Thank you.

Greetings of much Joy and enthusiasm

Well, that's a good start! What's going on?

What is going on, is that there are now great changes taking place within the atmospherics of your Solar System. These flares that have now been expelled from the Sun in perfect timing are and will ... affect everything in one way or another.

Yet, for what purpose?

To shift!

Shift what?

Everything. For Everything is and shall be affected by the vast contrast in Magnetic Energy from that which one has been building up to.

Other flares have been gentle ... flowing through ... whereas the current ones carry much more Magnetic Force, in order to do what they are assigned to do.

So, that is to shift everything ... into a Higher Vibration, hopefully?

This is correct.

IT IS THE BEGINNING OF THE BEGINNING OF MASSIVE CHANGE.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

What can we expect?

Initially, one can feel most out of sorts. Light-headed and exhausted are the main common 'symptoms'. Yet, we would choose the word 'effects' instead ... for these odd displays in the body and mind and thoughts ... are of a good ilk.

These magnetic flares, although 'descending' from the Sun ... are actually 'Ascending' the Vibration of the Planet.

THEY ARE INCREDIBLY POWERFUL.

To be honest, I don't really follow much on auroras and sun flares ... so I don't understand fully what it is going on in this field.

This 'field' would be a correct term, Blossom. THIS IS ALL PART OF THE DIVINE PLAN.

The Energy that these flares carry are of 'Good Vibes' ... Yet, as we say, for a short while, as one 'upgrades' in many categories of Self, they shall indeed, pose unsettling outcomes.

Please note, we say for a short while.

The physical body needs to adjust to the stronger magnetic pull 'up'. Yet, not 'up' literally. We speak of the raising of Vibration within.

WITHIN EVERYTHING.

There is not a single form of Life that will be missed. For it is the duty of these flares to carry out their mission. Please understand we are trying to put this in simple terms of that which is of a very complex design.

The flares that have recently been released carry coding. For although not understood by many ... without continual changing coding, your world could not function.

Are there more to come?

Yes. They will be released when appropriate. Yet, it is best for all Life to integrate with these Higher Energies for a time, before the next 'gift' arrives.

Understand also that due to the Higher Energies, it will mean that there must be a release and letting go of the lower ones that many have unwittingly chosen to store in their Beings.

It is certainly time now to LET GO.

To SURRENDER to the POWER OF LIGHT that you are.

Offer up thoughts of release from past burdens and send them into the winds with Love.

As time passes, you will feel so much more YOU.

At first, yes, a few adjustments may feel as if havoc is on its way. Yet, we tell you, this is not the case.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

FAR FROM IT.

Once YOU ... the entire YOU ... body, mind and Soul have settled into these Energies ... you will inevitably feel like a NEW YOU. For in a sense, you are.

These Energy flares are introducing you to a Higher part of yourself. You shall find that circumstances and situations no longer bother you as they did.

You shall find a Lightness in your step, and in general, feel of a more Loving nature towards yourselves and others.

You shall hear birds have 'changed their tune' subtly, yet Gloriously.

Colours shall appear to be more vivid yet, at the same time, more pastel.

In general, you shall, slowly yet surely, feel in a place where appreciation 'FOR IT ALL' flows naturally from your Heart ... because indeed, there shall be so much more to be Grateful for.

You will find too, that worldly matters that are of great concern ... shall resolve ... in time, yet, evidence shall begin to give hope to many.

Goodness ... I have to pipe in here. I had no idea. I don't really follow anything anymore. I don't do Facebook etc., so I knew so little. Yet, I have to say ... it all sounds jolly marvellous.

It is!

This is not to be 'confused' with terms used such as The Event, The Rapture, the Great Happening , The Great Awakening etc. This is not ... that!

Yet, we would say with Great Joy that these beginnings are indeed a lead-up to Greater Events.

ALL OF WHICH ARE GOOD.

We suggest you keep this in mind, when feeling a little swayed by Good Energies coming in and darker forces HAVING TO LEAVE ... in some cases, we would say 'disintegrate'.

For the POWER of THE SUN is not a force to be messed with.

We have spoken before of the SUN being a portal to Source.

Imagine then the POWER that is entering in.

The Joy is ... there is so much more to come!

I feel you want to say that these we are experiencing now are a few crumbs, morsels, compared to what lies ahead?

In a sense, this is so ... Yet, not to underestimate that which they are. Yet, we could say ... this is just a 'taster'.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This really is most encouraging. Thank you.

Reminding you also ...

THAT THESE ENERGIES ARE CAPABLE OF ROCKING YOUR WORLD. LITERALLY!

THIS INCLUDES ALL WITHIN IT ... AROUND AND ABOVE IT.

What? Planets also?

Very much so. Yet, they shall steer their course with much determination, for they have their jobs to do within all this, and it is imperative that they stay aligned with themselves and each other.

Is it possible they could go off course?

Yes. Yet, highly unlikely. For they too are part of the KNOWING that we are all lifting up now into Higher levels, Higher degrees in the Solar System and they know what must be done.

I don't understand all the degrees of Planets etc. AT ALL! Where is Pam Gregory when you need her!?

Oh, she is very much where she is meant to Be and very much 'on course' with information that she gives out. For those interested in Planetary effects and movement, we would Highly recommend her 'chats' for she is at the same time, a great channeller.

How lovely! FANX PAM! Well, I have to say ... my fingers could barely keep up with the words flowing through so quickly today.

We ask you to KNOW that ENJOYMENT is the key. The more you choose to make the most of the smallest, as well as the biggest things ... the more you shall feel your Heart swell.

Your Heart is the main receptor for all that is presenting now. Feel the colours within it, swirling and integrating with these High Energies.

We have not yet spoken of the beauty of the colours that are to fill your skies in certain areas of your Planet. Even places that one would not consider possible shall display moments of great Art. Keep a lookout, and should you see ... allow your Heart to connect with these colours and blend them with those already present within you.

This really is so exciting, and have you noticed, I haven't once said ... 'Well, let's wait and see'. Somehow it feels 'It's on'. 'It's happening.'

Joy to the world Blossom. Joy to the world ...

Joy to the fishes in the deep Blue sea. Joy to you and me.

With that, may we mention of the deep blue sea, also ... Whales, Dolphins and larger living creatures of the water shall start to behave in a different fashion ...

In what way?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

More connection ... especially in a manner that those less likely to know of their GREAT PLACE AND PURPOSE FOR THE HUMAN RACE ... shall slowly, yet surely, begin to understand how incredible these BEINGS of the water are, and the grand role they have to play in that which is occurring.

And may I ask then about the Aquatic Beings?

As we have mentioned before ... For the average sleepy soul ... the thought of existence of such Beings is not yet within their comprehension ... Yet, more and more sightings shall occur with this Higher Vibration, which in turn shall get minds to become more inquisitive about them ... and indeed, Dearest Souls ... about so many things that sleepy Souls have not yet entertained.

For now ... we leave you with the Mantra:

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

Feel these words more deeply than ever within the core of your Being, and watch Miracles unfold.

Okeydokey. Will do. Tickety-boo. And many thanks. In Gratitude, In Loving Service. I AM.

30 November 2025

Hello there. Word on the street is Dec is going to be a big month. What say you?

Welcome to you, Dearest Blossom and all involved in these two-way conversations. We would concur on that matter as Energies amp up from now over the next few months, until they reach a level whereby they and those receiving the Energies need to settle in and comply.

So, how is that different from the Energies that you say have been flowing through for quite some time now?

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

The Solar Flares we have spoken of set the pace, would we say ... allowing free flow of such Energies now to expand in and of themselves. You could look at it in a sense of 'Once landed, they expand out to where they need to go.'

So, they are not just a general 'New Energy' going everywhere?

Yes and no. Consider these Energies to be of High Intelligence and therefore, conduct themselves in a manner of many varied forms.

It is difficult to imagine 'Energy', let alone it being of High Intelligence. Can you elaborate?

Certainly. As you know, Everything is Energy ... EVERYTHING!

So, before a table was a table, it was Energy ... Before Life was Life ... it was Energy.

It does not have to be seen to know it is there, as we are sure many of you have experienced and understand.

In a sense ... IT JUST IS.

So, what do you mean by conducting themselves in various manners?

In that ... not all Energy on your Planet is of the same Vibration, as indeed is apparent. Therefore, Energy needs to balance out Vibration according to its original 'Starting point', if you like.

The Energies flowing in are to assist and uplift. That is their purpose, and it is their 'job' to adjust Vibrations of Energy that will be accepted and integrated, at a pace that does not overwhelm.

Many of you are familiar with adjustments taking place within the physical form along with changes of self ... i.e. not feeling like one used to feel as 'A Soul'.

These Energies bring with them an upgrade, so as we say ... they intelligently upgrade you from 'where you are now.'

These feelings that are currently apparent in many shall continue to change and grow. It is best to flow with them and not become too concerned of aches, pains, tears, confusion, lack of sleep ... shall we go on?

No need. Yet, of course, as a disclaimer ... if one is very concerned, one should visit the doctor.

That is for the individual to decide, and indeed, we would not go against that. Although many, many have already discovered for themselves that they were not having a stroke or heart attack, yet ... a simple upgrade!

I feel that if you could Laugh, you would be.

In the kindest understanding of ways, yes. Yet, we would not underestimate the severity of the 'feeling' this upgrade can cause.

It would be most uncomfortable for you NOT to be upgraded ... for your 'Being' would be residing in a

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

density, in a lower Vibration from where it belongs.

These upgrades are necessary for you to 'Move with the times'.

People are definitely feeling this ... and the good thing is, for once, many are feeling the positive effects of this now also. Manifesting is off the charts and so quickly, for so many ... for little and large requests.

Indeed, Blossom, yet this is also due to the Trusting of self and 'How it all works'!

As the veil between Worlds becomes more palpable ... so much more ... of/from ... one's Higher self can filter through.

It is for the individual to remain in their own Truth and Trust ... and watch how smoothly their Lives begin to change.

The more one discovers the wonders of these workings, the more their Lives fall into place. Suddenly, everything is, for once, working with them, instead of against.

This is due too, to the dark energies falling away and not having the strength and capability to disrupt and intrude on individual Lives. For the dark, has been very good at that.

So, Dearest Souls, we don't say 'believe' in yourself ... We say 'KNOW' yourself!

KNOW that as you choose to soak up these Glorious Energies provided for you ... you shall come to know more and more of the wonders and possibilities that you are capable of.

Work with these Energies. Enjoy them. Do not just 'accept them, thank them,' and then carry on as usual. No, Dearest Ones, take moments now to befriend them, to play, to Laugh with them. You will feel almost as if you have moved into another Realm. One that is so Joyous compared to that which you have known.

For those who are experiencing the rougher end of the stick, as you say ... do not feel you have been forgotten, or these Energies are not here for you. That is not possible. Whatever unfortunate circumstances you are experiencing ... hold on to the knowledge deep within ... that LOVE will provide all answers and see you through to a Brighter Lighter time for you. Some things must be played out in order to be cleared ... for if they are not, they hinder the upgrade.

Yes. I feel that makes sense. So, it's all good then?

It is indeed all good, Blossom ... Although ...

Yes?

The story that continues on your Planet for now will still confuse and not seem to be conducive to that which we are saying.

Let it not be absorbed into your Being.

IT IS A GAME.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

This we have said over and over.

THE LIGHT HAS WON.

Be vigilant, Dearest Souls, of your thoughts. For they conduct your life's pathway. This you know, yet sometimes, fatigue slips in and negativity is a very good friend of tiredness of mind and body.

Yet, even when exhausted, USE YOUR KNOWING to change the negativity around. It is imperative to keep your thoughts on the Brighter side of Life, no matter what you are having to endure. It can be done ... EASILY ... if you so choose. It makes all the difference to how you get to where you are going. Choose the easiest path, Dearest Friends. It, of course, makes sense.

Thank you. There is a rumour of something BIG happening in the skies just before Christmas ... you haven't mentioned it. Personally, I shall wait and see, like with everything else.

That is very wise, Blossom.

Many still would like you to comment on 3I/Atlas. Any change about saying anything?

No comment.

Ok ... I wonder why that is though?

Simply because it is not 'sensible' to do so ... at this stage. In time ... 'what' it is shall be revealed. We choose to leave it there and comment no further.

Reading you loud and clear. What to discuss next, then? Your turn.

Dearest Blossom ... discussions on this, that and the other are not always necessary. However, we would very much like to comment on the change in Vibration that we are encountering in many Souls upon your Planet.

It is becoming more than apparent how Each One is 'choosing' to listen to their Hearts and letting go of 'All the nonsense' that is being bandied about on your Planet. We say 'nonsense' for indeed, much of it makes 'no sense' at all.

Yet, the Game must be played out ... in order for the outcome to be as predicted.

I Truly keep well away from it all now. Just swimming round in my own little fish bowl ... well, more or less. This that we do together involves emails, keeping me in the loop.

And have you not found Life so much more Enjoyable by doing so?

It is indeed nice to not get involved with it all. I am realising more and more, in fact, I think many are, that it serves us not!

Blossom and All ...

WE COULD NOT BE MORE PROUD OF HOW FAR YOU HAVE COME. YOU HAVE STOOD YOUR GROUND OVER AND OVER WHEN MANY WOULD HAVE FALLEN.

Blossom Goodchild

Direct Voice Channeller & Author

LOVE, LIGHT, LAUGHTER & GOLDEN RAYS

Fill your Beings with this Higher Light Energy.

Feel it running through you.

Become one with it. For it is You ... integrating with You.

Be excited about these days ahead. So much is to be revealed ... slowly yet surely, and because of this ... so much more of how your world IS ... will be understood.

Did I just pick up correctly on you saying 'Put on your dancing shoes'?

You did, indeed.

I like to dance barefoot.

The best way ... WE DEEPLY LOVE EACH AND EVERY ONE.

As we do you. In Gratitude. In Loving Service. I AM.
